

Help protect what's important to you.

Short-Term Disability Buy-Up insurance from New York Life Group Benefit Solutions.

While you can't predict life's unexpected events, you can plan for them by choosing benefits that help protect your financial future. Your employer provides a Short-Term Disability (STD) plan – where you'll receive a percentage of your weekly earnings if you become disabled due to a covered injury/illness and can't work.

But, your employer paid STD coverage may not be enough. An STD Buy-Up plan offers you a higher weekly benefit over your employer's STD plan so you can be more financially secure while you're out on disability. The extra coverage can help pay your bills, such as:

Mortgage/rent, utilities, groceries

Childcare

Prescriptions

Health care provider and hospital visits

An STD Buy-Up plan offers additional coverage above your employer paid STD plan.
