

Important Legal Information

Required Health Coverage Notices

This document contains several legal notices that are being provided as required by federal law and should be kept with your health plan materials. For questions regarding OSI Restaurant Partners, LLC's benefit plans, please contact the HR Resource Center at 1-800-555-5808 (option 3) to speak with a Resource Center representative (available Monday through Friday, 9:00 a.m. to 6:00 p.m. ET).

- **Notice of Special Enrollment Rights for Health Plan Coverage**
Explains when you can enroll in the Bloomin' Brands plan outside of the plan's regular enrollment dates due to special circumstances.
- **Newborns' and Mothers' Health Protection Act Notice**
Contains important information about hospital coverage following the birth of a child.
- **Women's Health and Cancer Rights Act of 1998 (WHCRA) Notice**
Summarizes the benefits available for breast reconstruction in connection with a mastectomy.
- **Wellness Program Notice**
Advises what information will be collected, how it will be used, who will receive it, and what will be done to keep it confidential, as well as options for those who have a medical condition that makes wellness program participation difficult.
- **Your Rights and Protections Against Surprise Medical Bills (No Surprises Act) Notice**
Describes your rights under the No Surprises Act, which provides protections against certain types of surprise medical bills.
- **Premium Assistance under Medicaid and the Children's Health Insurance Program (CHIP) Notice**
Provides information about how your state may help pay for medical coverage if you or your children are eligible for Medicaid or CHIP.
- **Healthcare Marketplace Insurance Notice**
Even if you are offered health coverage through your employment, you may have other coverage options through the Health Insurance Marketplace ("Marketplace"). This notice provides some basic information about the Health Insurance Marketplace and health coverage offered through your employment.
- **HIPAA Notice of Privacy Practices**
Explains how Bloomin' Brands health plans protect your personal medical information.
- **COBRA General Notice**
Explains when you and your family may be able to temporarily continue coverage under Bloomin' Brands health plan if coverage would otherwise end for you.

Notice of Special Enrollment Rights for Health Plan Coverage

If you decline enrollment in the OSI Restaurant Partners, LLC health plan for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you or your dependents may be able to enroll in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage), provided that you request enrollment within 31 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your eligible dependents, provided that you request enrollment within 31 days after the marriage, adoption, or placement for adoption, or within 60 days after a birth.

OSI Restaurant Partners, LLC will also allow a special enrollment opportunity if you or your eligible dependents either:

- Lose Medicaid or Children's Health Insurance Program (CHIP) coverage because you are no longer eligible, or
- Become eligible for a state's premium assistance program under Medicaid or CHIP.

For these enrollment opportunities, you must request enrollment within 60 days from the date of the Medicaid or CHIP eligibility change.

To request special enrollment or obtain more information, contact the HR Resource Center at 1-800-555-5808 (option 3).

Newborns' and Mothers' Health Protection Act Notice

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section.

However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Women's Health and Cancer Rights Act of 1998 (WHCRA) Notice

As required by the Women's Health and Cancer Rights Act of 1998, OSI Restaurant Partners, LLC's health plan provides benefits for mastectomy related services including all stages of reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy, including lymphedema. If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under your medical plan. If you would like more information on WHCRA benefits, call the HR Resource Center at 1-800-555-5808 (option 3).

Wellness Program Notice

OSI Restaurant Partners, LLC's Health Rewards program is a voluntary wellness program available to all employees who are enrolled in an OSI Restaurant Partners, LLC sponsored health plan. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program you will be asked to complete a voluntary health risk assessment or "HRA" that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). You will also be asked to complete a biometric screening, which will include a blood test for blood sugar, cholesterol, LDL, and HDL. You are not required to complete the HRA or to participate in the blood test or other medical examinations.

However, employees who choose to participate in the wellness program will receive an incentive, ranging from \$50 to \$300 (depending on their coverage tier) for completion of the HRA, and from \$225 to \$450 for completing a health checkup or biometric screening. Although you are not required to complete the HRA or participate in the biometric screening, only employees who do so will receive the incentive.

Additional incentives of up to a total of \$400 for individual coverage or \$800 for family coverage, plus up to \$150 for participation by a covered spouse, may be available for employees who participate in certain health-related activities including, but not limited to, setting a wellbeing goal and tracking healthy habits, or achieve certain health outcomes such as attesting to being nicotine-free. If you are unable to participate in any of the health-related activities or achieve any of the health outcomes required to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard by contacting the HR Resource Center at 1-800-555-5808 (option 3).

The information from your HRA and the results from your biometric screening will be used to provide you with information to help you understand your current health and potential risks and may also be used to offer you services through the wellness program, such as smoking cessation. You also are encouraged to share your results or concerns with your own doctor.

Protections from Disclosure of Medical Information

We are required by law to maintain the privacy and security of your personally identifiable health information. Although the wellness program and OSI Restaurant Partners, LLC may use aggregate information it collects to design a program based on identified health risks in the workplace, the Health Rewards program will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individual(s) who will receive your personally identifiable health information is (are) registered nurses and health coaches in order to provide you with services under the wellness program.

In addition, all medical information obtained through the wellness program will be maintained separate from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in

connection with the wellness program, we will notify you immediately.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the wellness program, nor may you be subjected to retaliation if you choose not to participate.

If you have questions or concerns regarding this notice, or about protections against discrimination and retaliation, please contact the HR Resource Center at 1-800-555-5808 (option 3).

Your Rights and Protections Against Surprise Medical Bills

When you get emergency care or get treated by an out-of-network provider at an in-network hospital or ambulatory surgical center, you are protected from balance billing. In these cases, you shouldn't be charged more than your plan's copayments, coinsurance and/or deductible.

What is "balance billing" (sometimes called "surprise billing")?

When you see a doctor or other health care provider, you may owe certain out-of-pocket costs, like a copayment, coinsurance, or deductible. You may have additional costs or have to pay the entire bill if you see a provider or visit a health care facility that isn't in your health plan's network.

"Out-of-network" means providers and facilities that haven't signed a contract with your health plan to provide services. Out-of-network providers may be allowed to bill you for the difference between what your plan pays and the full amount charged for a service. This is called "balance billing." This amount is likely more than in-network costs for the same service and might not count toward your plan's deductible or annual out-of-pocket limit.

"Surprise billing" is an unexpected balance bill. This can happen when you can't control who is involved in your care—like when you have an emergency or when you schedule a visit at an in-network facility but are unexpectedly treated by an out-of-network provider. Surprise medical bills could cost thousands of dollars depending on the procedure or service.

You are protected from balance billing for:

Emergency services

If you have an emergency medical condition and get emergency services from an out-of-network provider or facility, the most they can bill you is your plan's in-network cost-sharing amount (such as copayments, coinsurance, and deductibles). You can't be balance billed for these emergency services. This includes services you may get after you're in stable condition, unless you give written consent and give up your protections not to be balance billed for these post-stabilization services.

Certain services at an in-network hospital or ambulatory surgical center

When you get services from an in-network hospital or ambulatory surgical center, certain providers there may be out-of-network. In these cases, the most those providers may bill you is your plan's in-network cost-sharing amount. This applies to emergency medicine, anesthesia, pathology, radiology, laboratory, neonatology, assistant surgeon, hospitalist, or intensivist services. These providers **can't** balance bill you and may **not** ask you to give up your protections not to be balance billed.

If you get other services at these in-network facilities, out-of-network providers **can't** balance bill you, unless you give written consent and give up your protections.

You're never required to give up your protections from balance billing. You also aren't required to get care out-of-network. You can choose a provider or facility in your plan's network.

The contents of this document do not have the force and effect of law and are not meant to bind the public in any way, unless specifically incorporated into a contract. This document is intended only to provide clarity to the public regarding existing requirements under the law.

When balance billing isn't allowed, you also have the following protections:

- You are only responsible for paying your share of the cost (like the copayments, coinsurance, and deductibles that you would pay if the provider or facility was in-network). Your health plan will pay out-of-network providers and facilities directly.
- Generally, your health plan must:
 - Cover emergency services without requiring you to get approval for services in advance (prior authorization).
 - Cover emergency services by out-of-network providers.
 - Base what you owe the provider or facility (cost-sharing) on what it would pay an in-network provider or facility and show that amount in your explanation of benefits.
 - Count any amount you pay for emergency services or out-of-network services toward your deductible and out-of-pocket limit.

If you believe you have been wrongly billed, you may contact U.S. Department of Health and Human Services beginning January 1, 2022 at 1-800-985-3059. Visit [No Surprises Act | CMS](#) for more information about your rights under federal law.

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2023. Contact your State for more information on eligibility –

Paperwork Reduction Act Statement

According to the Paperwork Reduction Act of 1995 (Pub. L. 104-13) (PRA), no persons are required to respond to a collection of information unless such collection displays a valid Office of Management and Budget (OMB) control number. The Department notes that a Federal agency cannot conduct or sponsor a collection of information unless it is approved by OMB under the PRA, and displays a currently valid OMB control number, and the public is not required to respond to a collection of information unless it displays a currently valid OMB control number. See 44 U.S.C. 3507. Also, notwithstanding any other provisions of law, no person shall be subject to penalty for failing to comply with a collection of information if the collection of information does not display a currently valid OMB control number. See 44 U.S.C. 3512.

The public reporting burden for this collection of information is estimated to average approximately seven minutes per respondent. Interested parties are encouraged to send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, Employee Benefits Security Administration, Office of Policy and Research, Attention: PRA Clearance Officer, 200 Constitution Avenue, N.W., Room N-5718, Washington, DC 20210 or email ebsa.opr@dol.gov and reference the OMB Control Number 1210-0137.

OMB Control Number 1210-0137 (expires 1/31/2026)

New Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved
OMB No. 1210-0149
(expires 9-30-2023)

PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 8.39% (for 2024) of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.¹

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution –as well as your employee contribution to employer-offered coverage– is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact the HR Resource Center at 1-800-555-5808 (option 3).

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

¹ An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

3. Employer name OSI Restaurant Partners, LLC		4. Employer Identification Number (EIN) 59-3061413	
5. Employer address 2202 N. West Shore Blvd., Ste. 500		6. Employer phone number 800-555-5808 Option 3	
7. City Tampa	8. State FL	9. ZIP code 33607	
10. Who can we contact about employee health coverage at this job? HR Resource Center			
11. Phone number (if different from above)		12. Email address BBIconnect@bloominbrands.com	

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to:

All employees. Eligible employees are:

Some employees. Eligible employees are:

Salaried employees, hourly employees with salaried benefits, and hourly employees who average 30 hours of service per week during the defined measurement period.

- With respect to dependents:

We do offer coverage. Eligible dependents are:

Your legal spouse, your dependent children under the age of 26 (dependent children are your natural children, stepchildren, legally adopted children, children who are placed in your home for adoption, and children for whom you are appointed as legal guardian and who are chiefly dependent on you for support or maintenance), children for whom the plan is required to provide coverage under a Qualified Medical Child Support Order, and your mentally or physically disabled adult dependent children who live with you and who are primarily dependent on you for support provided that the child was disabled prior to age 26.

We do not offer coverage.

If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, [HealthCare.gov](https://www.healthcare.gov) will guide you through the process. Here's the employer information you'll enter when you visit [HealthCare.gov](https://www.healthcare.gov) to find out if you can get a tax credit to lower your monthly premiums.

HIPAA Privacy Notice

Please carefully review this notice. It describes how medical information about you may be used and disclosed and how you can get access to this information.

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) imposes numerous requirements on the use and disclosure of individual health information by OSI Restaurant Partners, LLC health plans. This information, known as protected health information, includes almost all individually identifiable health information held by a plan — whether received in writing, in an electronic medium, or as an oral communication. This notice describes the privacy practices of these plans: **Medical and Rx Insurance, Dental Insurance, Vision Insurance, and Flexible Spending Accounts**. The plans covered by this notice may share health information with each other to carry out treatment, payment, or health care operations. These plans are collectively referred to as the Plan in this notice, unless specified otherwise.

The Plan’s duties with respect to health information about you

The Plan is required by law to maintain the privacy of your health information and to provide you with this notice of the Plan’s legal duties and privacy practices with respect to your health information. If you participate in an insured plan option, you will receive a notice directly from the Insurer. It’s important to note that these rules apply to the Plan, not OSI Restaurant Partners, LLC as an employer — that’s the way the HIPAA rules work. Different policies may apply to other OSI Restaurant Partners, LLC programs or to data unrelated to the Plan.

How the Plan may use or disclose your health information

The privacy rules generally allow the use and disclosure of your health information without your permission (known as an authorization) for purposes of health care treatment, payment activities, and health care operations. Here are some examples of what that might entail:

- **Treatment** includes providing, coordinating, or managing health care by one or more health care providers or doctors. Treatment can also include coordination or management of care between a provider and a third party, and consultation and referrals between providers. For example, the Plan may share your health information with physicians who are treating you.
- **Payment** includes activities by this Plan, other plans, or providers to obtain premiums, make coverage determinations, and provide reimbursement for health care. This can include determining eligibility, reviewing services for medical necessity or appropriateness, engaging in utilization management activities, claims management, and billing; as well as performing “behind the scenes” plan functions, such as risk adjustment, collection, or reinsurance. For example, the Plan may share information about your coverage or the expenses you have incurred with another health plan to coordinate payment of benefits.
- **Health care operations** include activities by this Plan (and, in limited circumstances, by other plans or providers), such as wellness and risk assessment programs, quality assessment and improvement activities, customer service, and internal grievance resolution. Health care operations also include evaluating vendors; engaging in credentialing, training, and accreditation activities; performing underwriting or premium rating; arranging for medical review and audit activities; and conducting business planning and development. For example, the Plan may use information about your claims to audit the third parties that approve payment for Plan benefits.

The amount of health information used, disclosed or requested will be limited and, when needed, restricted to the minimum necessary to accomplish the intended purposes, as defined under the HIPAA rules. If the Plan uses or discloses PHI for underwriting purposes, the Plan will not use or disclose PHI that is your genetic information for such purposes.

How the Plan may share your health information with OSI Restaurant Partners, LLC

The Plan, or its health insurer, may disclose your health information without your written authorization to OSI Restaurant Partners, LLC for plan administration purposes. OSI Restaurant Partners, LLC may need your health information to administer benefits under the Plan. OSI Restaurant Partners, LLC agrees not to use or disclose your health information other than as permitted or required by the Plan documents and by law. The employee benefits department staff are the only OSI Restaurant Partners, LLC employees who will have access to your health information for plan administration functions.

Here’s how additional information may be shared between the Plan and OSI Restaurant Partners, LLC, as allowed under the HIPAA rules:

- The Plan, or its insurer, may disclose “summary health information” to OSI Restaurant Partners, LLC, if requested, for purposes of obtaining premium bids to provide coverage under the Plan or for modifying, amending, or terminating the Plan. Summary health information is information that summarizes participants’ claims information, from which names and other identifying information have been removed.
- The Plan, or its insurer, may disclose to OSI Restaurant Partners, LLC information on whether an individual is participating in the Plan or has enrolled or disenrolled in an insurance option offered by the Plan.

In addition, you should know that OSI Restaurant Partners, LLC cannot and will not use health information obtained from the Plan for any employment-related actions. However, health information collected by OSI Restaurant Partners, LLC from other sources — for example, under the Family and Medical Leave Act, Americans with Disabilities Act, or workers’ compensation programs — is *not* protected under HIPAA (although this type of information may be protected under other federal or state laws).

Other allowable uses or disclosures of your health information

In certain cases, your health information can be disclosed without authorization to a family member, close friend, or other person you identify who is involved in your care or payment for your care. Information about your location, general condition, or death may be provided to a similar person (or to a public or private entity authorized to assist in disaster relief efforts). You'll generally be given the chance to agree or object to these disclosures (although exceptions may be made — for example, if you're not present or if you're incapacitated). In addition, your health information may be disclosed without authorization to your legal representative.

The Plan also is allowed to use or disclose your health information without your written authorization for the following activities:

Workers' compensation	Disclosures to workers' compensation or similar legal programs that provide benefits for work-related injuries or illness without regard to fault, as authorized by and necessary to comply with the laws
Necessary to prevent serious threat to health or safety	Disclosures made in the good-faith belief that releasing your health information is necessary to prevent or lessen a serious and imminent threat to public or personal health or safety, if made to someone reasonably able to prevent or lessen the threat (or to the target of the threat); includes disclosures to help law enforcement officials identify or apprehend an individual who has admitted participation in a violent crime that the Plan reasonably believes may have caused serious physical harm to a victim, or where it appears the individual has escaped from prison or from lawful custody
Public health activities	Disclosures authorized by law to persons who may be at risk of contracting or spreading a disease or condition; disclosures to public health authorities to prevent or control disease or report child abuse or neglect; and disclosures to the Food and Drug Administration to collect or report adverse events or product defects
Victims of abuse, neglect, or domestic violence	Disclosures to government authorities, including social services or protected services agencies authorized by law to receive reports of abuse, neglect, or domestic violence, as required by law or if you agree or the Plan believes that disclosure is necessary to prevent serious harm to you or potential victims (you'll be notified of the Plan's disclosure if informing you won't put you at further risk)
Judicial and administrative proceedings	Disclosures in response to a court or administrative order, subpoena, discovery request, or other lawful process (the Plan may be required to notify you of the request or receive satisfactory assurance from the party seeking your health information that efforts were made to notify you or to obtain a qualified protective order concerning the information)
Law enforcement purposes	Disclosures to law enforcement officials required by law or legal process, or to identify a suspect, fugitive, witness, or missing person; disclosures about a crime victim if you agree or if disclosure is necessary for immediate law enforcement activity; disclosures about a death that may have resulted from criminal conduct; and disclosures to provide evidence of criminal conduct on the Plan's premises
Decedents	Disclosures to a coroner or medical examiner to identify the deceased or determine cause of death; and to funeral directors to carry out their duties
Organ, eye, or tissue donation	Disclosures to organ procurement organizations or other entities to facilitate organ, eye, or tissue donation and transplantation after death
Research purposes	Disclosures subject to approval by institutional or private privacy review boards, subject to certain assurances and representations by researchers about the necessity of using your health information and the treatment of the information during a research project
Health oversight activities	Disclosures to health agencies for activities authorized by law (audits, inspections, investigations, or licensing actions) for oversight of the health care system, government benefits programs for which health information is relevant to beneficiary eligibility, and compliance with regulatory programs or civil rights laws
Specialized government functions	Disclosures about individuals who are Armed Forces personnel or foreign military personnel under appropriate military command; disclosures to authorized federal officials for national security or intelligence activities; and disclosures to correctional facilities or custodial law enforcement officials about inmates
HHS investigations	Disclosures of your health information to the Department of Health and Human Services to investigate or determine the Plan's compliance with the HIPAA privacy rule

Except as described in this notice, other uses and disclosures will be made only with your written authorization. For example, in most cases, the Plan will obtain your authorization before it communicates with you about products or programs if the Plan is being paid to make those communications. If we keep psychotherapy notes in our records, we will obtain your authorization in some cases before we release those records. The Plan will never sell your health information unless you have authorized us to do so. You may revoke your authorization as allowed under the HIPAA rules. However, you can't revoke your authorization with respect to disclosures the Plan has already made. You will be notified of any unauthorized access, use, or disclosure of your unsecured health information as required by law.

We may use or disclose your PHI for fundraising activities, such as raising money for a charitable foundation or similar entity to help finance its activities. If we do contact you for fundraising activities, we will give you the opportunity to opt-out or stop receiving such communications in the future.

The Plan will notify you if it becomes aware that there has been a loss of your health information in a manner that could compromise the privacy of your health information.

Your individual rights

You have the following rights with respect to your health information the Plan maintains. These rights are subject to certain limitations, as discussed below. This section of the notice describes how you may exercise each individual right. See the table at the end of this notice for information on how to submit requests.

Right to request restrictions on certain uses and disclosures of your health information and the Plan's right to refuse

You have the right to ask the Plan to restrict the use and disclosure of your health information for treatment, payment, or health care operations, except for uses or disclosures required by law. You have the right to ask the Plan to restrict the use and disclosure of your health information to family members, close friends, or other persons you identify as being involved in your care or payment for your care. You also have the right to ask the Plan to restrict use and disclosure of health information to notify those persons of your location, general condition, or death — or to coordinate those efforts with entities assisting in disaster relief efforts. If you want to exercise this right, your request to the Plan must be in writing.

The Plan is not required to agree to a requested restriction. If the Plan does agree, a restriction may later be terminated by your written request, by agreement between you and the Plan (including an oral agreement), or unilaterally by the Plan for health information created or received after you're notified that the Plan has removed the restrictions. The Plan may also disclose health information about you if you need emergency treatment, even if the Plan has agreed to a restriction.

An entity covered by these HIPAA rules (such as your health care provider) or its business associate must comply with your request that health information regarding a specific health care item or service not be disclosed to the Plan for purposes of payment or health care operations if you have paid out of pocket and in full for the item or service.

Right to receive confidential communications of your health information

If you think that disclosure of your health information by the usual means could endanger you in some way, the Plan will accommodate reasonable requests to receive communications of health information from the Plan by alternative means or at alternative locations.

If you want to exercise this right, your request to the Plan must be in writing and you must include a statement that disclosure of all or part of the information could endanger you.

Right to inspect and copy your health information

With certain exceptions, you have the right to inspect or obtain a copy of your health information in a "designated record set." This may include medical and billing records maintained for a health care provider; enrollment, payment, claims adjudication, and case or medical management record systems maintained by a plan; or a group of records the Plan uses to make decisions about individuals. However, you do not have a right to inspect or obtain copies of psychotherapy notes or information compiled for civil, criminal, or administrative proceedings. The Plan may deny your right to access, although in certain circumstances, you may request a review of the denial.

If you want to exercise this right, your request to the Plan must be in writing. Within 30 days of receipt of your request, the Plan will provide you with one of these responses:

- The access or copies you requested
- A written denial that explains why your request was denied and any rights you may have to have the denial reviewed or file a complaint
- A written statement that the time period for reviewing your request will be extended for no more than 30 more days, along with the reasons for the delay and the date by which the Plan expects to address your request

You may also request your health information be sent to another entity or person, so long as that request is clear, conspicuous and specific. The Plan may provide you with a summary or explanation of the information instead of access to or copies of your health information, if you agree in advance and pay any applicable fees. The Plan also may charge reasonable fees for copies or postage. If the Plan doesn't maintain the health information but knows where it is maintained, you will be informed where to direct your request.

If the Plan keeps your records in an electronic format, you may request an electronic copy of your health information in a form and format readily producible by the Plan. You may also request that such electronic health information be sent to another entity or person, so long as that request is clear, conspicuous, and specific. Any charge that is assessed to you for these copies must be reasonable and based on the Plan's cost.

Right to amend your health information that is inaccurate or incomplete

With certain exceptions, you have a right to request that the Plan amend your health information in a designated record set. The Plan may deny your request for a number of reasons. For example, your request may be denied if the health information is accurate and complete, was not created by the Plan (unless the person or entity that created the information is no longer available), is not part of the designated record set, or is not available for inspection (e.g., psychotherapy notes or information compiled for civil, criminal, or administrative proceedings).

If you want to exercise this right, your request to the Plan must be in writing, and you must include a statement to support the requested amendment. Within 60 days of receipt of your request, the Plan will take one of these actions:

- Make the amendment as requested
- Provide a written denial that explains why your request was denied and any rights you may have to disagree or file a complaint
- Provide a written statement that the time period for reviewing your request will be extended for no more than 30 more days, along with the reasons for the delay and the date by which the Plan expects to address your request

Right to receive an accounting of disclosures of your health information

You have the right to a list of certain disclosures of your health information the Plan has made. This is often referred to as an “accounting of disclosures.” You generally may receive this accounting if the disclosure is required by law, in connection with public health activities, or in similar situations listed in the table earlier in this notice, unless otherwise indicated below.

You may receive information on disclosures of your health information for up to six years before the date of your request. You do not have a right to receive an accounting of any disclosures made in any of these circumstances:

- For treatment, payment, or health care operations
- To you about your own health information
- Incidental to other permitted or required disclosures
- Where authorization was provided
- To family members or friends involved in your care (where disclosure is permitted without authorization)
- For national security or intelligence purposes or to correctional institutions or law enforcement officials in certain circumstances
- As part of a “limited data set” (health information that excludes certain identifying information)

In addition, your right to an accounting of disclosures to a health oversight agency or law enforcement official may be suspended at the request of the agency or official.

If you want to exercise this right, your request to the Plan must be in writing. Within 60 days of the request, the Plan will provide you with the list of disclosures or a written statement that the time period for providing this list will be extended for no more than 30 more days, along with the reasons for the delay and the date by which the Plan expects to address your request. You may make one request in any 12-month period at no cost to you, but the Plan may charge a fee for subsequent requests. You’ll be notified of the fee in advance and have the opportunity to change or revoke your request.

Right to obtain a paper copy of this notice from the Plan upon request

You have the right to obtain a paper copy of this privacy notice upon request. Even individuals who agreed to receive this notice electronically may request a paper copy at any time.

Changes to the information in this notice

The Plan must abide by the terms of the privacy notice currently in effect. This notice takes effect on September 23, 2013. However, the Plan reserves the right to change the terms of its privacy policies, as described in this notice, at any time and to make new provisions effective for all health information that the Plan maintains. This includes health information that was previously created or received, not just health information created or received after the policy is changed. If changes are made to the Plan’s privacy policies described in this notice, you will be provided with a revised privacy notice.

Complaints

If you believe your privacy rights have been violated or your Plan has not followed its legal obligations under HIPAA, you may complain to the Plan and to the Secretary of Health and Human Services. You won’t be retaliated against for filing a complaint. To file a complaint, contact the OSI Privacy Officer through the Employee Resource Center at 1-800-555-5808 (option 3).

Contact

For more information on the Plan’s privacy policies or your rights under HIPAA, contact the OSI Privacy Officer through the Employee Resource Center at 1-800-555-5808 (option 3).

**GENERAL NOTICE OF YOUR RIGHTS
GROUP HEALTH CONTINUATION COVERAGE UNDER COBRA**

**THIS LETTER IS FOR YOUR INFORMATION ONLY. PLEASE RETAIN FOR FUTURE REFERENCE.
THERE HAS NOT BEEN A CHANGE IN YOUR STATUS WITH YOUR COMPANY.**

This letter contains important information about your employee benefits plan(s). Please read the entire letter.

On April 7, 1986, a federal law called COBRA was enacted (Public Law 99-272, Title X), requiring that most employers sponsoring group health plans offer employees and their families (qualified beneficiary/ies) the opportunity for a temporary extension of health coverage at group rates in certain instances where coverage under the plan would otherwise end. This notice is intended to inform you, in a summary fashion, of your rights as a qualified beneficiary and obligations under COBRA. Both you and your spouse, if applicable, should take the time to read this notice carefully. This notice does not fully describe COBRA or other rights under the OSI Restaurant Partners, LLC group health plan ("Group Health Plan"). For additional information you should review the Group Health Plan's Summary Plan Description or contact the OSI Restaurant Partners, LLC Plan Administrator at 1-800-555-5808 Option 3. Also, you may visit the Department of Labor website (www.dol.gov) for more information on COBRA.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

QUALIFYING EVENTS

If you are an employee of OSI Restaurant Partners, LLC covered by the Group Health Plan, you have a right to choose COBRA if you lose your group health coverage because of a reduction in your hours of employment or the termination of your employment (for reasons other than gross misconduct on your part).

If you are the spouse of an employee covered by the Group Health Plan, you have the right to choose COBRA for yourself if you lose group health coverage under the Group Health Plan for any of the following reasons:

1. The death of your spouse;
2. A termination of your spouse's employment (for reasons other than gross misconduct) or reduction in your spouse's hours of employment with OSI Restaurant Partners, LLC;
3. Divorce or legal separation from your spouse; or
4. Your spouse becomes entitled to Medicare.

In the case of a dependent child of an employee covered by the Group Health Plan, he or she has the right to choose COBRA if the Group Health Plan is lost for any of the following reasons:

1. The death of the parent-employee;
2. A termination of the parent-employee's employment (for reasons other than gross misconduct) or reduction in the parent-employee's hours of employment with OSI Restaurant Partners, LLC;
3. The parent-employee's divorce or legal separation;

4. The parent-employee became entitled to Medicare prior to his/her qualifying event; or
5. The dependent child ceases to be a dependent child under the Group Health Plan.

Children born to or adopted by a covered employee during the continuation coverage period may also elect continuation coverage, provided that the covered employee has elected COBRA coverage for himself or herself. The coverage period will be determined according to the date of the qualifying event that resulted in the covered employee's COBRA coverage.

Sometimes, filing a bankruptcy under Title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to OSI Restaurant Partners, LLC and that bankruptcy results in the loss of coverage of any retired employee under the Group Health Plan, the retired employee will become a qualified beneficiary with respect to the bankruptcy. The retired employee's spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Group Health Plan.

COVERAGE PROVIDED

Under COBRA, the employee or a family member has the responsibility to inform the OSI Restaurant Partners, LLC Plan Administrator at 1-800-555-5808 Option 3 of a divorce, legal separation, or a child losing dependent status under the Group Health Plan within 60 days of the later of (1) the date of the qualifying event or (2) the date on which coverage would be lost as a result of the qualifying event.

If notification is not made within 60 days after the applicable qualifying event occurs or if you do not timely provide any additional documentation or information (if requested) in a timely manner, your notification will be rejected and COBRA coverage will not be offered.

OSI Restaurant Partners, LLC has the responsibility to notify the COBRA administrator of the employee's death, termination, and reduction in hours of employment or Medicare entitlement. Once the plan receives notice that a qualifying event has occurred, COBRA coverage will be offered to each qualified beneficiary. Each qualified beneficiary will have an independent right to elect COBRA coverage for 60 days from the later of the date coverage is lost under the plan or the date of notification to elect COBRA coverage. Covered employees may elect COBRA coverage on behalf of their spouse, and parents may elect COBRA coverage on behalf of their eligible dependent children. If a qualified beneficiary does not elect COBRA/continuation coverage within this period, the right to COBRA/continuation coverage will terminate.

If you elect COBRA, OSI Restaurant Partners, LLC is required to give you and your covered dependents, if any, coverage that is identical to the coverage provided under the plan to similarly situated employees or family members. Under COBRA, you may have to pay all or part of the premium for your continuation coverage.

PERIOD OF COVERAGE

COBRA requires that you be afforded the opportunity to maintain coverage for 36 months unless you lost group health coverage because of a termination of employment or reduction in hours. In that case, the required COBRA period is 18 months.

The 18-month period may be extended to 29 months if an individual is determined by the Social Security Administration (SSA) to be disabled (for Social Security purposes) at any time during the first 60 days of COBRA coverage or before COBRA coverage began and you are still disabled at the end of the original maximum continuation period of coverage (generally 18 months). To benefit from this extension, a qualified beneficiary must notify WEX Health, Inc. at (866) 451-3399 of that determination within 60 days of the later of (1) the date the qualified beneficiary is determined to be disabled by the Social Security Administration; (2) the date of the qualifying event; and (3) the date on which the qualified beneficiary would lose coverage because of the qualifying event, and before the end of the original 18-month period.

If the above notification is not made within 60 days of the date of the disability determination made by the Social Security Administration and before the end of the 18-month period of COBRA/continuation coverage, or if you do not provide the additional documentation or information (if requested) in a timely manner, your notification will be rejected and any additional COBRA/continuation coverage beyond the original 18-month period will not be offered.

The affected individual must also notify the WEX Health, Inc. within 30 days of any final determination that the individual is no longer disabled.

SECOND QUALIFYING EVENT EXTENSION

If the original event causing the loss of coverage was a termination (other than for gross misconduct) or a reduction in hours, another extension of the 18-month continuation period may occur, if during the 18 months of COBRA coverage, a qualified beneficiary experiences certain secondary qualifying events:

1. Divorce or legal separation
2. Death
3. Medicare entitlement
4. Dependent child ceasing to be a dependent

You will be required to have certain information available about your qualifying event, including: the type of qualifying event (divorce, legal separation, losing dependent coverage); the date of the divorce, legal separation or dependent losing coverage; the name and Social Security number of the covered employee; and the name, address and Social Security number of the covered spouse or dependent who is losing coverage.

When the qualifying event is the end of employment or reduction of the employee's hours of employment, and the employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA coverage for qualified beneficiaries other than the employee lasts until 36 months after the date of Medicare entitlement. For example, if a covered employee becomes entitled to Medicare eight months before the date on which his employment terminates, COBRA coverage for his spouse and eligible dependents can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus 8 months). Otherwise, when the qualifying event is the end of employment or reduction of the employee's hours of employment, COBRA coverage generally lasts for only up to a total of 18 months. There are two ways in which this 18-month period of COBRA coverage can be extended.

If a second qualifying event does take place, COBRA provides that the qualified beneficiary may be eligible to extend COBRA up to 36 months from the date of the original qualifying event. If a second qualifying event occurs, it is the qualified beneficiary's responsibility to inform the OSI Restaurant Partners, LLC Plan Administrator within 60 days of the event. In no event, however, will COBRA last beyond three years from the date of the event that originally made the qualified beneficiary eligible for COBRA. If COBRA coverage is elected, the coverage previously in effect will generally be continued. From time to time, some changes in coverage are possible. For example, benefits and cost will be modified as regular changes are made to the plan. Once you make your election, you will have up to 45 days to pay your first COBRA coverage premium, which will include any make-up premiums you missed. COBRA coverage will be effective the day after the qualifying event or the last day of active coverage, whichever is later.

Premiums will be equal to the entire cost of the coverage, with an additional two percent to cover administrative expenses.

If the above notification is not made within 60 days after the second qualifying event occurs or if you do not provide any additional documentation or information (if requested) in a timely manner, your notification will be rejected and any additional COBRA coverage beyond the original 18- (or 29-) month period will not be offered.

SPECIAL RULE FOR HEALTH FSAs

COBRA coverage under the OSI Restaurant Partners, LLC Health FSA will be offered only to qualified beneficiaries losing coverage that have under-spent accounts. A qualified beneficiary has an under-spent account if the annual limit elected by the covered employee, reduced by reimbursable claims submitted up to the time of the qualifying event, is equal to or more than the amount of the premiums for the OSI Restaurant Partners, LLC Health FSA COBRA coverage that will be charged for the remainder of the plan year. COBRA coverage will consist of the OSI Restaurant Partners, LLC Health FSA coverage in force at the time of the qualifying event. The use-it-or-lose-it rule will continue to apply, so any unused amounts will be forfeited at the end of the plan year, and the COBRA coverage for the FSA plan will terminate at the end of the plan year.

Unless otherwise elected, all qualified beneficiaries who were covered under the OSI Restaurant Partners, LLC Health FSA will be covered together for Health FSA COBRA coverage. However, each qualified beneficiary could alternatively elect separate COBRA coverage to cover that beneficiary only with a separate Health FSA annual limit and a separate premium. If you are interested in this alternative, contact WEX Health, Inc. at (866) 451-3399 during business hours for more information.

SPECIAL RULE FOR EMPLOYEES IN THE UNIFORMED SERVICES

If you are an employee and your coverage under the plan terminates due to your service in the uniformed services, you may elect special continuation coverage under the Uniformed Services Employment and Reemployment Rights Act (USERRA) for yourself and your covered spouse and covered dependents. This special continuation of coverage may extend for up to 24 months beginning from the date your plan coverage would otherwise terminate due to your service in the uniformed services. Service in the uniformed services includes your performance of duty on a voluntary or involuntary basis in the Armed Forces (including the Coast Guard and the Reserves), the Army National Guard, the Air National Guard, and the commissioned corps of the Public Health Service. If you believe this special continuation of coverage rule applies to you, please contact your human resources contact at your employer.

ALTERNATE RECIPIENTS UNDER QMCSOs

A child of the covered employee who is receiving benefits under the Plan pursuant to a qualified medical child support order (QMCSO) received by OSI Restaurant Partners, LLC during the covered employee's period of employment with OSI Restaurant Partners, LLC is entitled to the same rights to elect COBRA as an eligible dependent child of the covered employee.

PLAN CONTACT INFORMATION

To ensure that all covered individuals receive information properly and timely, it is important that you notify our Customer Service Department at (866) 451-3399 of any change in dependent status or any address change of any family member as soon as possible. Certain changes must be submitted to us in writing. You should keep a copy, for your records, of any notices you send. Failure on your part to notify us of any changes may result in delayed notification or loss of continuation of coverage options.

OTHER COVERAGE OPTIONS

Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

ENROLLMENT IN MEDICARE

In general, if you don't enroll in Medicare Part A or B when you are first eligible because you are still employed, after the Medicare initial enrollment period, you have an 8-month special enrollment period to sign up for Medicare Part A or B, beginning on the earlier of the month after your employment ends or the month after group health plan coverage based on current employment ends. For more information visit <https://www.medicare.gov/sign-up-change-plans/how-do-i-get-parts-a-b/part-a-part-b-sign-up-periods>.

If you don't enroll in Medicare Part B and elect COBRA continuation coverage instead, you may have to pay a Part B late enrollment penalty and you may have a gap in coverage if you decide you want Part B later. If you elect COBRA continuation coverage and later enroll in Medicare Part A or B before the COBRA continuation coverage ends, the Plan may terminate your continuation coverage. However, if Medicare Part A or B is effective on or before the date of the COBRA election, COBRA coverage may not be discontinued on account of Medicare entitlement, even if you enroll in the other part of Medicare after the date of the election of COBRA coverage.

If you are enrolled in both COBRA continuation coverage and Medicare, Medicare will generally pay first (primary payer) and COBRA will pay second. Certain plans may pay as if secondary to Medicare, even if you are not enrolled in Medicare.

For more information visit <https://www.medicare.gov/medicare-and-you>.

For more information about your rights under ERISA, including COBRA, the Patient Protection and Affordable Care Act, and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit www.dol.gov/ebsa. (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.) For more information about the Marketplace, visit www.HealthCare.gov.

If you have any questions about COBRA, please contact our Customer Service Department at (866) 451-3399 during business hours.

WEX Health, Inc.
