How To File A Claim

There is no paperwork to submit for Covered Dental Services received from a Participating Provider. Pay Your share of the cost, if any, Your provider will submit a claim to Us for

reimbursement. Claims for services received from a Non-Participating Provider can be submitted by the provider if the provider is able and willing to file on Your behalf. If Your plan provides coverage when care is received only from a Participating Provider, You may still have claims for services received from a Non-Participating Provider. For example, when Emergency Services are received from a Non-Participating Provider, You should follow the claim submission instructions for those claims. Claims can be submitted by the provider if the provider is able and willing to file on Your behalf. If the provider is not submitting on Your behalf, You must send Your completed claim form and itemized bills to the claims address listed on the claim form.

You may get the required claim forms from the website listed on Your identification card, if You received one, or by calling Customer Services using the toll-free number listed below.

Eligibility - Effective Date

Eligible Class

Each Employee as reported to Us by Your Employer.

Eligibility for Dental Insurance

You will become eligible for insurance on the day You complete the Eligibility Waiting Period, if any, and:

- You are an eligible Full-Time Employee;
- You normally work at least 30 hours a week; and
- You pay any required contribution.

Eligibility Waiting Period – New Hire

Salaried Employees and Hourly Employees eligible for Salaried benefits (for example Managers in Training, Sous Chefs/ Executive Sous Chefs, Private Dining Directors , Group Event Dining Managers, and Flex Managers) are eligible for benefits on the first of the month following date of hire or coinciding with date of hire if hired on the First of the month.

Hourly Employees are variable-hour team members so they have to meet 1 year and average 30 hours a week (1,560 eligible hours of service) to be eligible.

Effective Date of Your Insurance

You will become insured on:

- the date that:
 - You are in Active Service and You elect the insurance by:
 - authorizing premium payment,
 - approving a payroll deduction, or
 - signing an enrollment form, as applicable,
- but no earlier than the date You become eligible.

You will become insured on Your first day of eligibility, following Your election, if You are in Active Service on that date, or if You are not in Active Service on that date due to Your health status.

Late Entrant

You are a Late Entrant if:

- You elect the insurance more than 45 days after You initially become eligible; or
- You again elect it after You cancel Your payroll deduction (if required).

If You are a Late Entrant:

- You will not be able to enroll in the plan, until the next enrollment period, except due to a life status change event.

Dependent Insurance

For Your Dependents to be insured under the Policy, You must elect the Dependent Insurance for Yourself no later than 30 days after You become eligible. For Your Dependents to be insured, You will have to pay the required contribution, if any, toward the cost of Dependent Insurance.

Eligibility for Dependent Insurance

Your Dependent will become eligible for Dependent Insurance on the later of:

- the day You meet the eligibility requirements noted above; or
- the day You acquire Your first Dependent.

Effective Date of Dependent Insurance

Insurance for Your Dependents will become effective on the date You elect it, by signing a written agreement with the Employer to make the required contribution, but no earlier than the day You become eligible for Dependent Insurance. All of Your Dependents as defined will be included.

Your Dependents will be insured only if You are insured.

Late Entrant - Dependent

- You elect that insurance more than 45 days after You initially become eligible for it; or
- You again elect it after You cancel Your payroll deduction (if required).

If You are a Late Entrant:

- You will not be able to enroll in the plan, until the next enrollment period, except due to a life status change event.

Eligibility for Coverage for Adopted Children

Any child who is adopted by You, including a child who is placed with You for adoption, will be eligible for Dependent coverage, if otherwise eligible as a Dependent, upon the date of placement with You. A child will be considered placed for adoption when You become legally obligated to support that child, totally or partially prior to that child's adoption. If a child placed for adoption is not adopted, all dental coverage ceases when the placement ends, and will not be continued. The provisions in the Exception for Newborns provision that describe requirements for enrollment and Effective Date of insurance will also apply to an adopted child or a child placed with You for adoption.

Exception for Newborns

Any Dependent child born while You are insured will become insured on the date of the child's birth if You elect Dependent

Insurance no later than 31 days after birth. If You do not elect to insure Your newborn child within such 31 days, coverage for that child will end on the 31st day. No benefits for expenses incurred beyond the 31st day will be payable.

Dual Eligibility

If both You and Your Spouse are in an Eligible Class of the Employer, You may each enroll individually or as a Dependent of the other, but not as both. Any eligible Dependent child may also be enrolled by either You or Your Spouse. If the Spouse who enrolls for Dependent coverage ceases to be eligible, notify Your plan administrator immediately for coverage to continue under the plan of the other Spouse.

Combined Dental Option Plans

Important Information about Your Dental Plan

When You elected Dental Insurance for Yourself and Your Dependents, You elected one of the two options offered:

- Cigna Dental Care; or
- Cigna Dental Preferred Provider

Details of the benefits under each of the options are described in separate certificates/booklets.

When electing an option initially or when changing options as described below, the following rules apply:

- You and Your Dependents may enroll for only one of the options, not for multiple options at the same time.
- Your Dependents will be insured only if You are insured and only for the same option.

Change in Option Elected

If Your plan is subject to Section 125 (an IRS regulation), You are allowed to change options only at Open Enrollment or when You experience a life status change.

If Your plan is not subject to Section 125, You are allowed to change options at any time.

Consult Your plan administrator for the rules that govern Your plan.

Covered Dental Expenses

Dental services described in this section are Covered Dental Expenses when such services are:

- Medically Necessary and/or Dentally Necessary (refer to the section entitled Definitions);
- Provided by or under the direction of a Dentist or other appropriate provider as specifically described;
- Covered after Your Deductible, if any, has been met;
- Eligible for reimbursement because the maximum benefit in The Schedule has not been exceeded;
- The charge does not exceed the amount allowed under the Alternate Benefit Provision; and
- Not excluded as described in the section entitled General Limitations and Expenses Not Covered.

Alternate Benefit Provision

If more than one Covered Dental Service will treat a dental condition, payment is limited to the least costly service provided it is a professionally accepted, Medically Necessary and/or Dentally Necessary, and appropriate treatment.

If the Covered Person requests or accepts a more costly Covered Dental Service, the Covered Person is responsible for expenses that exceed the amount covered for the least costly service. Therefore, We recommend Predetermination of Benefits before major treatment begins.

Predetermination of Benefits

Predetermination of Benefits is a voluntary review of a Dentist's proposed treatment plan and expected charges. It is not preauthorization of service and is not required. The treatment plan should include supporting pre-operative radiographic images and other diagnostic materials as requested by Our dental consultant. If there is a change in the treatment plan, a revised plan should be submitted. We will determine Covered Dental Expenses for the proposed treatment plan. If there is no Predetermination of Benefits, We will determine Covered Dental Expenses when We receive a claim.

Review of proposed treatment is advised whenever extensive dental work is recommended when charges exceed \$200. Predetermination of Benefits is not a guarantee of a set payment. Payment is based on the services that are actually delivered and the coverage in force at the time services are completed.

The following section lists Covered Dental Services. We may agree to cover expenses for a service not listed. To be considered the service should be identified using the American

Dental Association Uniform Code of Dental Procedures and Nomenclature, or by description and then submitted to Us.

HCDFB-COV19

Payment Option

If You or any one of Your Dependents, while insured for these benefits, incurs Covered Dental Expenses, We will pay an amount determined as follows:

Dental PPO - Participating and Non-Participating Provider Payment

Plan payment for a Covered Dental Service delivered by a Participating Provider is the Contracted Fee for that procedure, times the benefit percentage that applies to the class of service, as specified in The Schedule. The Covered Person is responsible for the balance of the Contracted Fee.

Plan payment for a Covered Dental Service delivered by a Non-Participating Provider is the Maximum Reimbursable Charge for that procedure times the benefit percentage that applies to the class of service, as specified in The Schedule. The Covered Person is responsible for the balance of the Non-Participating Provider's actual charge.

HCDFB-DEN133

06-21

Missing Tooth Limitation

There is no payment for replacement of teeth that are missing when a person first becomes insured.

This payment limitation no longer applies after 24 months of continuous coverage.

HCDFB-MTL21

06-21

Cigna Dental Preferred Provider Insurance

The Schedule

Benefits For You and Your Dependents

The Dental Benefits Plan offered by Your Employer includes two options. When You select a Participating Provider, this plan pays a greater share of the cost than if You were to select a Non-Participating Provider.

Emergency Services

The Benefit Percentage for Emergency Services incurred for charges made by a Non-Participating Provider is the same Benefit Percentage as for Participating Provider charges.

Deductibles

Deductibles are expenses to be paid by You or Your Dependent. Deductibles are in addition to any Coinsurance. Once the Deductible maximum in The Schedule has been reached You and Your family need not satisfy any further dental deductible for the rest of that year.

Participating Provider Payment

Services are paid based on the Contracted Fee that is agreed to by the provider and Us. Based on the provider's Contracted Fee, a higher level of plan payment (shown below as "The Percentage of Covered Expenses the Plan Pays") may be made to a Participating Provider resulting in a lower payment responsibility for You. To determine how Your Participating Provider compares refer to Your provider directory.

Provider information may change annually; refer to Your provider directory prior to receiving a service. You have access to a list of all providers who participate in the network by visiting www.mycigna.com.

Non-Participating Provider Payment

Benefit Payment

Services are paid based on the Maximum Reimbursable Charge. For this plan, the Maximum Reimbursable Charge is calculated at the 90th percentile. See definition section for further explanation of Maximum Reimbursable Charge.

VI

Coordination of Benefits

This section applies if You or any one of Your Dependents are covered under more than one Plan and determines how benefits payable from all such Plans will be coordinated. You should file all claims with each Plan. Any other health coverage plans for You or any of Your covered Dependents are taken into account when benefits are paid.

Coverage under this Plan plus another Plan will not guarantee 100% reimbursement.

Definitions

For the purposes of this section, the following terms have the meanings set forth below:

- Plan.** A Plan is any of the following that provides benefits or services for medical or dental care or treatment. Plan includes group and non-group insurance contracts, health maintenance organization (HMO) contracts, Closed Panel Plans or other forms of group or non-group type coverage (whether insured or uninsured); and medical or dental benefits under group or individual automobile contracts; Medicare, Medicaid or any other federal governmental plan, as permitted by law.
Each Plan or part of a Plan which has the right to coordinate benefits will be considered a separate Plan.
- Closed Panel Plan.** A Plan that provides medical or dental benefits primarily in the form of services through a panel of employed or contracted providers, and that limits or excludes benefits provided by providers outside of the panel, except in the case of emergency or if referred by a provider within the panel.
- Primary Plan.** The Plan that determines and provides or pays benefits without taking into consideration the existence of any other Plan. A Plan that does not contain a coordination of benefits provision that is consistent with this section is always primary.
- Secondary Plan.** A Plan that determines, and may reduce its benefits after taking into consideration, the benefits provided or paid by the Primary Plan. A Secondary Plan

may also recover from the Primary Plan the Reasonable Cash Value of any services it provided to You.

- E. **Allowable Expenses.** The amount of charges considered for payment under the Plan for a Covered Dental Service prior to any reductions due to Coinsurance or Deductible amounts. If We contract with an entity to arrange for the provision of Covered Dental Services through that entity's contracted network of health care providers, the amount that We have agreed to pay that entity is the allowable amount used to determine Your Coinsurance or Deductible payments. If the Plan provides benefits in the form of services, the Reasonable Cash Value of each service is the Allowable Expense and is a paid benefit.

Examples of expenses or services that are not Allowable Expenses include, but are not limited to the following:

- An expense or service or a portion of an expense or service that is not covered by any of the Plans is not an Allowable Expense.
 - If You are covered by two or more Plans that provide services or supplies on the basis of Reasonable and Customary fees, any amount in excess of the highest Reasonable and Customary fee is not an Allowable Expense.
 - If You are covered by one Plan that provides services or supplies on the basis of Reasonable and Customary fees and one Plan that provides services and supplies on the basis of negotiated fees, the Primary Plan's fee arrangement shall be the Allowable Expense.
 - If Your benefits are reduced under the Primary Plan (through the imposition of a higher Coinsurance percentage, a Deductible, and/or a penalty) because You did not comply with Plan provisions or because You did not use a Participating Provider, the amount of the reduction is not an Allowable Expense. Such Plan provisions include second surgical opinions and precertification of services.
- F. **Custodial Parent.** The parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the child resides more than one-half of the Calendar Year, excluding any temporary visitation.
- G. **Claim Determination Period.** A Calendar Year, but does not include any part of a year during which You are not covered under this Policy or any date before this section or any similar provision takes effect.
- H. **Reasonable Cash Value.** An amount which a duly licensed provider of health care services usually charges patients and which is within the range of fees usually charged for the same service by other health care providers located within the immediate geographic area where the health care service is rendered under similar or comparable circumstances.

Order of Benefit Determination Rules

A Plan that does not have a coordination of benefits rule consistent with this section shall always be the Primary Plan. If the Plan does have a coordination of benefits rule consistent with this section, the first of the following rules that applies to the situation is the one to use:

- **Employee:** The Plan that covers a person as an Employee shall be the Primary Plan and the Plan that covers a person as a Dependent shall be the Secondary Plan.
- **Dependent:** For a Dependent child whose parents are not divorced or legally separated, the Primary Plan shall be the Plan which covers the parent whose birthday falls first in the Calendar Year.
- For the Dependent of divorced or separated parents, benefits for the Dependent shall be determined in the following order:
 - first, if a court decree states that one parent is responsible for the child's healthcare expenses or health coverage and the Plan for that parent has actual knowledge of the terms of the order, but only from the time of actual knowledge;
 - then, the Plan of the parent with custody of the child;
 - then, the Plan of the Spouse of the parent with custody of the child;
 - then, the Plan of the noncustodial parent of the child; and
 - finally, the Plan of the Spouse of the parent not having custody of the child.
- **Employee in Active Service or laid-off Employee or Retiree:** The Plan that covers You as an Employee in Active Service and Your Dependent shall be the Primary Plan and the Plan that covers You as a laid-off Employee or Retiree and Your Dependent shall be the Secondary Plan. If the other Plan does not have a similar provision and, as a result, the Plans cannot agree on the order of benefit determination, this paragraph shall not apply.
- **COBRA or State Continuation of Coverage:** The Plan that covers You under a right of continuation which is provided by federal or state law shall be the Secondary Plan and the Plan that covers You as an Employee in Active Service or Retiree or Your Dependent shall be the Primary Plan. If the other Plan does not have a similar provision and, as a result, the Plans cannot agree on the order of benefit determination, this paragraph shall not apply.
- If one of the Plans that covers You is issued out of the state whose laws govern this Policy, and determines the order of benefits based upon the gender of a parent, and as a result, the Plans do not agree on the order of benefit determination, the Plan with the gender rules shall determine the order of benefits.

- **Longer or Shorter Length of Coverage:** The Plan that covers a person for a longer period of time is the Primary Plan and the Plan that covered the person for the shorter period of time is the Secondary Plan.

If the preceding rules do not determine the order of benefits, the Allowable Expenses shall be shared equally between each of the Plans meeting the definition of a Plan. In addition, this Plan will not pay more than it would have paid had it been the Primary Plan.

Effect on the Benefits of This Plan

If this Plan is the Secondary Plan, this Plan may reduce benefits so that the total benefits paid by all Plans during a Claim Determination Period are not more than 100% of the total of all Allowable Expenses.

The difference between the amount that this Plan would have paid if this Plan had been the Primary Plan, and the benefit payments that this Plan had actually paid as the Secondary Plan, will be recorded as a benefit reserve for You. We will use this benefit reserve to pay any Allowable Expense not otherwise paid during the Claim Determination Period.

As each claim is submitted, We will determine the following:

- Our obligation to provide services and supplies under this Policy;
- whether a benefit reserve has been recorded for You; and
- whether there are any unpaid Allowable Expenses during the Claims Determination Period.

If there is a benefit reserve, We will use the benefit reserve recorded for You to pay up to 100% of the total of all Allowable Expenses. At the end of the Claim Determination Period, Your benefit reserve will return to zero and a new benefit reserve will be calculated for each new Claim Determination Period.

Recovery of Excess Benefits

If We pay charges for benefits that should have been paid by the Primary Plan, or if We pay charges in excess of those for which We are obligated to provide under the Policy, We will have the right to recover the actual payment made or the Reasonable Cash Value of any services.

We will have sole discretion to seek such recovery from any person to, or for whom, or with respect to whom, such services were provided or such payments made by any insurance company, healthcare plan or other organization. If We request, You must execute and deliver to Us such instruments and documents as We determine are necessary to secure the right of recovery.

Right to Receive and Release Information

We, without consent or notice to You, may obtain information from and release information to any other Plan with respect to You in order to coordinate Your benefits pursuant to this

section. You must provide Us with any information We request in order to coordinate Your benefits pursuant to this section. This request may occur in connection with a submitted claim; if so, You will be advised that the "other coverage" information, (including an Explanation of Benefits paid under the Primary Plan) is required before the claim will be processed for payment. If no response is received within 55 days of the request, the claim will be closed. If the requested information is subsequently received, the claim will be processed.

Expenses For Which A Third Party May Be Responsible

This plan does not cover:

- Expenses incurred by You or Your Dependent(s) for which another party may be responsible as a result of having caused or contributed to an injury or sickness.
- Expenses incurred by You or Your Dependent(s) to the extent any payment is received either directly or indirectly from a third party tortfeasor or as a result of a settlement, judgment or arbitration award in connection with any automobile medical, automobile no-fault, uninsured or underinsured motorist, homeowners, workers' compensation, government insurance (other than Medicaid), or similar type of insurance or coverage. The coverage under this plan is secondary to any automobile no-fault or similar coverage.

Right of Reimbursement

If a Covered Person incurs expenses for Covered Dental Services for which another party may be responsible or for which the Covered Person may receive payment as described above, We will be granted a right of reimbursement, to the extent of the benefits provided by Us, from the proceeds of any recovery whether by settlement, judgment, or otherwise.

Lien of the Plan

By accepting benefits under this plan, a Covered Person:

- grants a lien and assigns to Us an amount equal to the benefits paid under this plan against any recovery made by or on behalf of the Covered Person which is binding on any attorney or other party who represents the Covered Person whether or not an agent of the Covered Person or of any insurance company or other financially responsible party against whom a Covered Person may have a claim provided said attorney, insurance carrier or other party has been notified by Us or Our agents;

- agrees that this lien shall constitute a charge against the proceeds of any recovery and We shall be entitled to assert a security interest thereon;
- agrees to hold the proceeds of any recovery in trust for Our benefit to the extent of any payment made by Us.

Additional Terms

- No adult Covered Person may assign any rights that the Covered Person may have to recover dental expenses from any third party or other person or entity to any Dependent child without Our prior express written consent. Our right to recover shall apply to decedents', minors', and incompetent or disabled persons' settlements or recoveries.
- No Covered Person shall make any settlement, which specifically reduces or excludes, or attempts to reduce or exclude, the benefits provided by the plan.
- Our right of recovery shall be a prior lien against any proceeds recovered by the Covered Person. This right of recovery shall not be defeated nor reduced by the application of any so-called "Made-Whole Doctrine", "Rimes Doctrine", or any other such doctrine purporting to defeat Our recovery rights by allocating the proceeds exclusively to non-dental expense damages.
- No Covered Person shall incur any expenses on behalf of the plan in pursuit of the plan's rights. Specifically; no court costs, attorneys' fees, or other representatives' fees may be deducted from the plan's recovery without Our prior express written consent. This right shall not be defeated by any so-called "Fund Doctrine", "Common Fund Doctrine", or "Attorney's Fund Doctrine".
- We shall recover the full amount of benefits provided under the plan without regard to any claim of fault on the part of any Covered Person, whether under comparative negligence or otherwise.
- We hereby disavow all equitable defenses in the pursuit of Our right of recovery. Our recovery rights are neither affected nor diminished by equitable defenses.
- In the event that a Covered Person fails or refuses to honor his obligations under the plan, We shall be entitled to recover any costs incurred in enforcing the terms of the Policy including, but not limited to, attorney's fees, litigation, court costs, and other expenses. We shall also be entitled to offset the reimbursement obligation against any entitlement to future dental benefits under the Covered Person has fully complied with his reimbursement obligations, regardless of how those future dental benefits are incurred.
- Any reference to state law in any other provision of this plan shall not be applicable to this provision, if the plan is governed by ERISA. By acceptance of benefits under the plan, the Covered Person agrees that a breach hereof would

cause irreparable and substantial harm and that no adequate remedy at law would exist. Further, We shall be entitled to invoke such equitable remedies as may be necessary to enforce the terms of the plan, including, but not limited to, specific performance, restitution, the imposition of an equitable lien and/or constructive trust, as well as injunctive relief.

- Covered Persons must assist Us in pursuing any recovery rights by providing requested information.

Payment of Benefits

Assignment and Payment of Benefits

You may not assign to any party, including, but not limited to, a provider of healthcare services/items, Your right to benefits under this plan, nor may You assign any administrative, statutory, or legal rights or causes of action You may have under ERISA, including, but not limited to, any right to make a claim for plan benefits, to request plan or other documents, to file appeals of denied claims or grievances, or to file lawsuits under ERISA. Any attempt to assign such rights shall be void and unenforceable under all circumstances.

You may, however, authorize Us to pay any healthcare benefits under this Policy to a Participating or Non-Participating Provider. When You authorize the payment of Your healthcare benefits to a Participating or Non-Participating Provider, You authorize the payment of the entire amount of the benefits due on that claim. If a provider is overpaid because of accepting duplicate payments from You and Us, it is the provider's responsibility to reimburse the overpayment to You. We may pay all healthcare benefits for Covered Dental Services directly to a Participating Provider without Your authorization. You may not interpret or rely upon this discrete authorization or permission to pay any healthcare benefits to a Participating or Non-Participating Provider as the authority to assign any other rights under this Policy to any party, including, but not limited to, a provider of healthcare services/items.

Even if the payment of healthcare benefits to a Non-Participating Provider has been authorized by You, We may, at Our option, make payment of benefits to You. When benefits are paid to You, You or Your Dependents are responsible for reimbursing the Non-Participating Provider.

Initial Determination

A claim for dental benefits will be reviewed upon receipt. We will notify You of Our decision to approve or deny the claim within 30 days from the date You submitted the claim, unless

an extension is required due to matters beyond Our control. Any extension will not be more than 15 days.

If We require an extension, You will be notified in writing before the end of the initial 30 day period. The notice of extension will explain the reasons for the extension and will state when a determination will be made. If an extension is required because We require additional information from You, the time from the date of Our notice requesting further information and the time We receive the necessary information does not count toward the time period We are allowed to notify You of the claim determination. You will have 45 days from the date You receive the request for additional information to provide the requested information.

Claim Denial

If Your claim is denied, in whole or in part, the notification of the claim decision will state the reason why Your claim was denied and reference the specific plan provisions upon which the denial is based. If the claim is denied because more information is needed from You, the claims decision will describe the additional information needed and why such information is needed. If We relied on an internal rule or other criterion when denying the claim, the claim decision will include the rule or other criteria or will indicate that such rule or criteria was relied upon and You may request a copy free of charge.

To Whom Payable

Dental benefits are assignable to the provider. When You assign benefits to a provider, You have assigned the entire amount of the benefits due on that claim. If the provider is overpaid because of accepting a patient's payment on the charge, it is the provider's responsibility to reimburse the patient. Because of Our contracts with providers, all claims from contracted providers should be assigned.

We may, at Our option, make payment to You for the cost of any Covered Services from a Non-Participating Provider even if benefits have been assigned. When benefits are paid to You or Your Dependent(s), You or Your Dependent(s) are responsible for reimbursing the provider.

If any person to whom benefits are payable is a minor or is not able to give a valid receipt for any payment due that person, such payment will be made to that person's legal guardian. If no request for payment has been made by that person's legal guardian, We will make payment to the person or institution appearing to have assumed that person's custody and support.

In the event of the death of a Covered Person, We may receive notice that an executor of the estate has been established. The executor has the same rights as the Covered Person and benefit payments for unassigned claims should be made payable to the executor.

Payment as described above will release Us from all liability to the extent of any payment made.

Recovery of Overpayment

When We have made an overpayment, We will have the right at any time to: recover that overpayment from the person to whom or on whose behalf it was made; or offset the amount of that overpayment from a future claim payment. In addition, Your acceptance of benefits under this Policy and/or assignment of benefits separately creates an equitable lien by agreement pursuant to which We may seek recovery of any overpayment. You agree that in seeking recovery of any overpayment as a contractual right or as an equitable lien by agreement, We may pursue the general assets of the person or entity to whom or on whose behalf the overpayment was made.

Timelines for performance shall be extended to the extent necessary and agreed upon by both parties, provided that the party whose performance is affected notifies the other promptly of the existence and nature of the delay and the impacted party makes good faith effort to provide or arrange for the provision of service, taking into account the severity of the event.

Time Limit on Certain Defenses

After two years from the Effective Date, no misstatements, except fraudulent misstatements, made by You in the application or any application amendment will be used to void this Certificate or to deny a claim for loss incurred after the expiration of such two-year period. No claim for loss commencing after 12 months from the Effective Date will be reduced or denied on the grounds that a disease or physical condition, not excluded from coverage by name or specific description, had existed prior to such Effective Date.

Your Dental Records

In order to provide benefits under this Certificate, process claims, make payments or review appeals and/or grievances, We may need to obtain information and records from Dentists who provided Your services or treatment. Effect of Section 125 Tax Regulations on This Plan

Your Employer has chosen to administer this Plan in accordance with Section 125 regulations of the Internal Revenue Code. Per this regulation, you may agree to a pretax salary reduction put toward the cost of your benefits. Otherwise, you will receive your taxable earnings as cash (salary).

A. Coverage elections

Per Section 125 regulations, you are generally allowed to enroll for or change coverage only before each annual benefit period. However, exceptions are allowed:

- if your Employer agrees, and you meet the criteria shown in the following Sections B through F and enroll for or change coverage within the time period established by your Employer.

B. Change of status

A change in status is defined as:

- change in legal marital status due to marriage, death of a spouse, divorce, annulment or legal separation;
- change in number of Dependents due to birth, adoption, placement for adoption, or death of a Dependent;
- change in employment status of Employee, spouse or Dependent due to termination or start of employment, strike, lockout, beginning or end of unpaid leave of absence, including under the Family and Medical Leave Act (FMLA), or change in worksite;
- changes in employment status of Employee, spouse or Dependent resulting in eligibility or ineligibility for coverage;

D. Medicare or Medicaid eligibility/entitlement

The Employee, spouse or Dependent cancels or reduces coverage due to entitlement to Medicare or Medicaid, or enrolls or increases coverage due to loss of Medicare or Medicaid eligibility.

E. Change in cost of coverage

If the cost of benefits increases or decreases during a benefit period, your Employer may, in accordance with plan terms, automatically change your elective contribution.

When the change in cost is significant, you may either increase your contribution or elect less-costly coverage. When a significant overall reduction is made to the benefit option you have elected, you may elect another available benefit option. When a new benefit option is added, you may change your election to the new benefit option.

F. Changes in coverage of spouse or Dependent under another employer's plan

You may make a coverage election change if the plan of your spouse or Dependent: incurs a change such as adding or deleting a benefit option; allows election changes due to Change in Status, Court Order or Medicare or Medicaid Eligibility/Entitlement; or this Plan and the other plan have different periods of coverage or open enrollment periods.

Requirements of Family and Medical Leave Act of 1993 (as amended) (FMLA)

Any provisions of the policy that provide for: continuation of insurance during a leave of absence; and reinstatement of insurance following a return to Active Service; are modified by the following provisions of the federal Family and Medical Leave Act of 1993, as amended, where applicable:

Continuation of Health Insurance During Leave

Your health insurance will be continued during a leave of absence if:

- that leave qualifies as a leave of absence under the Family and Medical Leave Act of 1993, as amended; and
- you are an eligible Employee under the terms of that Act.

The cost of your health insurance during such leave must be paid, whether entirely by your Employer or in part by you and your Employer.

Reinstatement of Canceled Insurance Following Leave

Upon your return to Active Service following a leave of absence that qualifies under the Family and Medical Leave Act of 1993, as amended, any canceled insurance (health, life or disability) will be reinstated as of the date of your return.

You will not be required to satisfy any eligibility or benefit waiting period to the extent that they had been satisfied prior to the start of such leave of absence.

Your Employer will give you detailed information about the Family and Medical Leave Act of 1993, as amended.

Uniformed Services Employment and Re-Employment Rights Act of 1994 (USERRA)

The Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) sets requirements for continuation of health coverage and re-employment in regard to an Employee's military leave of absence. These requirements apply to medical and dental coverage for you and your Dependents. They do not apply to any Life, Short-term or Long-term Disability or Accidental Death & Dismemberment coverage you may have.

Continuation of Coverage

For leaves of less than 31 days, coverage will continue as described in the Termination section regarding Leave of Absence.

For leaves of 31 days or more, you may continue coverage for yourself and your Dependents as follows:

You may continue benefits by paying the required premium to your Employer, until the earliest of the following:

- 24 months from the last day of employment with the Employer;
- the day after you fail to return to work; and
- the date the policy cancels.

Your Employer may charge you and your Dependents up to 102% of the total premium.

Reinstatement of Benefits (applicable to all coverages)

If your coverage ends during the leave of absence because you do not elect USERRA at the expiration of USERRA and you are reemployed by your current Employer, coverage for you and your Dependents may be reinstated if you gave your Employer advance written or verbal notice of your military service leave, and the duration of all military leaves while you are employed with your current Employer does not exceed 5 years.

You and your Dependents will be subject to only the balance of a waiting period that was not yet satisfied before the leave began. However, if an Injury or Sickness occurs or is aggravated during the military leave, full Plan limitations will apply.

If your coverage under this plan terminates as a result of your eligibility for military medical and dental coverage and your order to active duty is canceled before your active duty service commences, these reinstatement rights will continue to apply.

Claim Determination Procedures under ERISA Procedures Regarding Medical Necessity Determinations

In general, health services and benefits must be Medically Necessary to be covered under the plan. The procedures for determining Medical Necessity vary, according to the type of service or benefit requested, and the type of health plan.

You or your authorized representative (typically, your health care professional) must request Medical Necessity determinations according to the procedures described below, in the booklet, and in your provider's network participation documents as applicable.

When services or benefits are determined to be not covered, you or your representative will receive a written description of the adverse determination, and may appeal the determination. Appeal procedures are described in the booklet, in your provider's network participation documents as applicable, and in the determination notices.

Postservice Determinations

When you or your representative requests a coverage determination or a claim payment determination after services have been rendered, Cigna will notify you or your representative of the determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control Cigna will notify you or your representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request.

If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed and you or your representative must provide the specified information to Cigna within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and the determination period will resume on the date you or your representative responds to the notice.

Notice of Adverse Determination

Every notice of an adverse benefit determination will be provided in writing or electronically, and will include all of the following that pertain to the determination: the specific reason or reasons for the adverse determination; reference to the specific plan provisions on which the determination is based; a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary; a description of the plan's review procedures and the time limits applicable, including a statement of a claimant's rights to bring a civil action under section 502(a) of ERISA following an adverse benefit determination on appeal, if applicable; upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your claim, and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit; and in the case of a claim involving urgent care, a description of the expedited review process applicable to such claim.

Appointment of Authorized Representative

You may appoint an authorized representative to assist you in submitting a claim or appealing a claim denial. However, Cigna may require you to designate your authorized representative in writing using a form approved by Cigna. At all times, the appointment of an authorized representative is revocable by you. To ensure that a prior appointment remains valid, Cigna may require you to re-appoint your authorized representative, from time to time.

Cigna reserves the right to refuse to honor the appointment of a representative if Cigna reasonably determines that:

- the signature on an authorized representative form may not be yours, or
- the authorized representative may not have disclosed to you all of the relevant facts and circumstances relating to the overpayment or underpayment of any claim, including, for example, that the billing practices of the provider of medical services may have jeopardized your coverage through the waiver of the cost-sharing amounts that you are required to pay under your plan.

If your designation of an authorized representative is revoked, or Cigna does not honor your designation, you may appoint a new authorized representative at any time, in writing, using a form approved by Cigna.

Dental - When You Have a Complaint or an Appeal

For the purposes of this section, any reference to "you" or "your" also refers to a representative or provider designated by you to act on your behalf, unless otherwise noted.

We want you to be completely satisfied with the care you receive. That is why we have established a process for addressing your concerns and solving your problems.

Start With Customer Services

We are here to listen and help. If you have a concern regarding a person, a service, the quality of care, or contractual benefits, you may call the toll-free number on your ID card, explanation of benefits, or claim form and explain your concern to one of our Customer Service representatives. You may also express that concern in writing.

We will do our best to resolve the matter on your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, but in any case within 30 days. If you are not satisfied with the results of a coverage decision, you may start the appeals procedure.

Internal Appeals Procedure

To initiate an appeal, you must submit a request for an appeal in writing to Cigna within 180 days of receipt of a denial notice. You should state the reason why you feel your appeal should be approved and include any information supporting your appeal. If you are unable or choose not to write, you may ask Cigna to register your appeal by telephone. Call or write us at the toll-free number on your ID card, explanation of benefits, or claim form.

Your appeal will be reviewed and the decision made by someone not involved in the initial decision. Appeals involving Medical Necessity or clinical appropriateness will be considered by a health care professional.

We will respond in writing with a decision within 30 calendar days after we receive an appeal for a postservice coverage determination. If more time or information is needed to make the determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

Notice of Benefit Determination on Appeal

Every notice of a determination on appeal will be provided in writing or electronically and, if an adverse determination, will include: the specific reason or reasons for the adverse determination; reference to the specific plan provisions on which the determination is based; a statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to and copies of all documents, records, and other Relevant Information as defined below; a statement describing any voluntary appeal procedures offered by the plan and the claimant's right to bring an action under ERISA section 502(a), if applicable; upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your appeal, and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit.

You also have the right to bring a civil action under section 502(a) of ERISA if you are not satisfied with the decision on review. You or your plan may have other voluntary alternative dispute resolution options such as Mediation. One way to find out what may be available is to contact your local U.S. Department of Labor office and your State insurance regulatory agency. You may also contact the Plan Administrator.

Relevant Information

Relevant information is any document, record or other information which: was relied upon in making the benefit determination; was submitted, considered or generated in the course of making the benefit determination, without regard to whether such document, record, or other information was

relied upon in making the benefit determination; demonstrates compliance with the administrative processes and safeguards required by federal law in making the benefit determination; or constitutes a statement of policy or guidance with respect to the plan concerning the denied treatment option or benefit for the claimant's diagnosis, without regard to whether such advice or statement was relied upon in making the benefit determination.

Legal Action

If your plan is governed by ERISA, you have the right to bring a civil action under section 502(a) of ERISA if you are not satisfied with the outcome of the Appeals Procedure. In most instances, you may not initiate a legal action against Cigna until you have completed the appeal processes. However, no action will be brought at all unless brought within 3 years after a claim is submitted for In-Network Services or within three years after proof of claim is required under the Plan for Out-of-Network services.

COBRA Continuation Rights Under Federal Law

For You and Your Dependents

What is COBRA Continuation Coverage?

Under federal law, you and/or your Dependents must be given the opportunity to continue health insurance when there is a "qualifying event" that would result in loss of coverage under the Plan. You and/or your Dependents will be permitted to continue the same coverage under which you or your Dependents were covered on the day before the qualifying event occurred, unless you move out of that plan's coverage area or the plan is no longer available. You and/or your Dependents cannot change coverage options until the next open enrollment period.

When is COBRA Continuation Available?

For you and your Dependents, COBRA continuation is available for up to 18 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your termination of employment for any reason, other than gross misconduct; or
- your reduction in work hours.

For your Dependents, COBRA continuation coverage is available for up to 36 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your death;

- your divorce or legal separation; or
- for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Who is Entitled to COBRA Continuation?

Only a “qualified beneficiary” (as defined by federal law) may elect to continue health insurance coverage. A qualified beneficiary may include the following individuals who were covered by the Plan on the day the qualifying event occurred: you, your spouse, and your Dependent children. Each qualified beneficiary has their own right to elect or decline COBRA continuation coverage even if you decline or are not eligible for COBRA continuation.

The following individuals are not qualified beneficiaries for purposes of COBRA continuation: domestic partners, grandchildren (unless adopted by you), stepchildren (unless adopted by you). Although these individuals do not have an independent right to elect COBRA continuation coverage, if you elect COBRA continuation coverage for yourself, you may also cover your Dependents even if they are not considered qualified beneficiaries under COBRA. However, such individuals’ coverage will terminate when your COBRA continuation coverage terminates. The sections titled “Secondary Qualifying Events” and “Medicare Extension For Your Dependents” are not applicable to these individuals.

Secondary Qualifying Events

If, as a result of your termination of employment or reduction in work hours, your Dependent(s) have elected COBRA continuation coverage and one or more Dependents experience another COBRA qualifying event, the affected Dependent(s) may elect to extend their COBRA continuation coverage for an additional 18 months (7 months if the secondary event occurs within the disability extension period) for a maximum of 36 months from the initial qualifying event. The second qualifying event must occur before the end of the initial 18 months of COBRA continuation coverage or within the disability extension period discussed below. Under no circumstances will COBRA continuation coverage be available for more than 36 months from the initial qualifying event. Secondary qualifying events are: your death; your divorce or legal separation; or, for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Disability Extension

If, after electing COBRA continuation coverage due to your termination of employment or reduction in work hours, you or one of your Dependents is determined by the Social Security Administration (SSA) to be totally disabled under Title II or XVI of the SSA, you and all of your Dependents who have elected COBRA continuation coverage may extend such continuation for an additional 11 months, for a maximum of 29 months from the initial qualifying event.

To qualify for the disability extension, all of the following requirements must be satisfied:

- SSA must determine that the disability occurred prior to or within 60 days after the disabled individual elected COBRA continuation coverage; and
- A copy of the written SSA determination must be provided to the Plan Administrator within 60 calendar days after the date the SSA determination is made AND before the end of the initial 18-month continuation period.

If the SSA later determines that the individual is no longer disabled, you must notify the Plan Administrator within 30 days after the date the final determination is made by SSA. The 11-month disability extension will terminate for all covered persons on the first day of the month that is more than 30 days after the date the SSA makes a final determination that the disabled individual is no longer disabled.

All causes for “Termination of COBRA Continuation” listed below will also apply to the period of disability extension.

Medicare Extension for Your Dependents

When the qualifying event is your termination of employment or reduction in work hours and you became enrolled in Medicare (Part A, Part B or both) within the 18 months before the qualifying event, COBRA continuation coverage for your Dependents will last for up to 36 months after the date you became enrolled in Medicare. Your COBRA continuation coverage will last for up to 18 months from the date of your termination of employment or reduction in work hours.

Termination of COBRA Continuation

COBRA continuation coverage will be terminated upon the occurrence of any of the following:

- the end of the COBRA continuation period of 18, 29 or 36 months, as applicable;
- failure to pay the required premium within 30 calendar days after the due date;
- cancellation of the Employer’s policy with Cigna;
- after electing COBRA continuation coverage, a qualified beneficiary enrolls in Medicare (Part A, Part B, or both);
- after electing COBRA continuation coverage, a qualified beneficiary becomes covered under another group health plan, unless the qualified beneficiary has a condition for which the new plan limits or excludes coverage under a pre-existing condition provision. In such case coverage will continue until the earliest of: the end of the applicable maximum period; the date the pre-existing condition provision is no longer applicable; or the occurrence of an event described in one of the first three bullets above;
- any reason the Plan would terminate coverage of a participant or beneficiary who is not receiving continuation coverage (e.g., fraud).

Employer's Notification Requirements

Your Employer is required to provide you and/or your Dependents with the following notices:

- An initial notification of COBRA continuation rights must be provided within 90 days after your (or your spouse's) coverage under the Plan begins (or the Plan first becomes subject to COBRA continuation requirements, if later). If you and/or your Dependents experience a qualifying event before the end of that 90-day period, the initial notice must be provided within the time frame required for the COBRA continuation coverage election notice as explained below.
- A COBRA continuation coverage election notice must be provided to you and/or your Dependents within the following timeframes:
 - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the loss of coverage, 44 days after loss of coverage under the Plan;
 - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the occurrence of a qualifying event, 44 days after the qualifying event occurs; or
 - in the case of a multi-employer plan, no later than 14 days after the end of the period in which Employers must provide notice of a qualifying event to the Plan Administrator.

How to Elect COBRA Continuation Coverage

The COBRA coverage election notice will list the individuals who are eligible for COBRA continuation coverage and inform you of the applicable premium. The notice will also include instructions for electing COBRA continuation coverage. You must notify the Plan Administrator of your election no later than the due date stated on the COBRA election notice. If a written election notice is required, it must be post-marked no later than the due date stated on the COBRA election notice. If you do not make proper notification by the due date shown on the notice, you and your Dependents will lose the right to elect COBRA continuation coverage. If you reject COBRA continuation coverage before the due date, you may change your mind as long as you furnish a completed election form before the due date.

Each qualified beneficiary has an independent right to elect COBRA continuation coverage. Continuation coverage may be elected for only one, several, or for all Dependents who are qualified beneficiaries. Parents may elect to continue coverage on behalf of their Dependent children. You or your spouse may elect continuation coverage on behalf of all the qualified beneficiaries. You are not required to elect COBRA

continuation coverage in order for your Dependents to elect COBRA continuation.

How Much Does COBRA Continuation Coverage Cost?

Each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount may not exceed 102% of the cost to the group health plan (including both Employer and Employee contributions) for coverage of a similarly situated active Employee or family member. The premium during the 11-month disability extension may not exceed 150% of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated active Employee or family member.

For example: If the Employee alone elects COBRA continuation coverage, the Employee will be charged 102% (or 150%) of the active Employee premium. If the spouse or one Dependent child alone elects COBRA continuation coverage, they will be charged 102% (or 150%) of the active Employee premium. If more than one qualified beneficiary elects COBRA continuation coverage, they will be charged 102% (or 150%) of the applicable family premium.

When and How to Pay COBRA Premiums

First payment for COBRA continuation

If you elect COBRA continuation coverage, you do not have to send any payment with the election form. However, you must make your first payment no later than 45 calendar days after the date of your election. (This is the date the Election Notice is postmarked, if mailed.) If you do not make your first payment within that 45 days, you will lose all COBRA continuation rights under the Plan.

Subsequent payments

After you make your first payment for COBRA continuation coverage, you will be required to make subsequent payments of the required premium for each additional month of coverage. Payment is due on the first day of each month. If you make a payment on or before its due date, your coverage under the Plan will continue for that coverage period without any break.

Grace periods for subsequent payments

Although subsequent payments are due by the first day of the month, you will be given a grace period of 30 days after the first day of the coverage period to make each monthly payment. Your COBRA continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period for that payment. However, if your payment is received after the due date, your coverage under the Plan may be suspended during this time. Any providers who contact the Plan to confirm coverage during this time may be informed that coverage has been suspended. If payment is received before the end of the grace period, your coverage will be reinstated

back to the beginning of the coverage period. This means that any claim you submit for benefits while your coverage is suspended may be denied and may have to be resubmitted once your coverage is reinstated. If you fail to make a payment before the end of the grace period for that coverage period, you will lose all rights to COBRA continuation coverage under the Plan.

You Must Give Notice of Certain Qualifying Events

If you or your Dependent(s) experience one of the following qualifying events, you must notify the Plan Administrator within 60 calendar days after the later of the date the qualifying event occurs or the date coverage would cease as a result of the qualifying event:

- Your divorce or legal separation; or
- Your child ceases to qualify as a Dependent under the Plan.
- The occurrence of a secondary qualifying event as discussed under “Secondary Qualifying Events” above (this notice must be received prior to the end of the initial 18- or 29-month COBRA period).

(Also refer to the section titled “Disability Extension” for additional notice requirements.)

Notice must be made in writing and must include: the name of the Plan, name and address of the Employee covered under the Plan, name and address(es) of the qualified beneficiaries affected by the qualifying event; the qualifying event; the date the qualifying event occurred; and supporting documentation (e.g., divorce decree, birth certificate, disability determination, etc.).

Newly Acquired Dependents

If you acquire a new Dependent through marriage, birth, adoption or placement for adoption while your coverage is being continued, you may cover such Dependent under your COBRA continuation coverage. However, only your newborn or adopted Dependent child is a qualified beneficiary and may continue COBRA continuation coverage for the remainder of the coverage period following your early termination of COBRA coverage or due to a secondary qualifying event. COBRA coverage for your Dependent spouse and any Dependent children who are not your children (e.g., stepchildren or grandchildren) will cease on the date your COBRA coverage ceases and they are not eligible for a secondary qualifying event.

COBRA Continuation for Retirees Following Employer’s Bankruptcy

If you are covered as a retiree, and a proceeding in bankruptcy is filed with respect to the Employer under Title 11 of the United States Code, you may be entitled to COBRA continuation coverage. If the bankruptcy results in a loss of coverage for you, your Dependents or your surviving spouse within one year before or after such proceeding, you and your

covered Dependents will become COBRA qualified beneficiaries with respect to the bankruptcy. You will be entitled to COBRA continuation coverage until your death. Your surviving spouse and covered Dependent children will be entitled to COBRA continuation coverage for up to 36 months following your death. However, COBRA continuation coverage will cease upon the occurrence of any of the events listed under “Termination of COBRA Continuation” above.

Interaction With Other Continuation Benefits

You may be eligible for other continuation benefits under state law. Refer to the Termination section for any other continuation benefits.

You may contact the Plan Administrator to determine whether the Plan is maintained pursuant to one or more collective bargaining agreements and if a particular Employer is a sponsor. A copy is available for examination from the Plan Administrator upon written request.

Discretionary Authority

The Plan Administrator delegates to Cigna the discretionary authority to interpret and apply plan terms and to make factual determinations in connection with its review of claims under the plan. Such discretionary authority is intended to include, but not limited to, the determination of the eligibility of persons desiring to enroll in or claim benefits under the plan, the determination of whether a person is entitled to benefits under the plan, and the computation of any and all benefit payments. The Plan Administrator also delegates to Cigna the discretionary authority to perform a full and fair review, as required by ERISA, of each claim denial which has been appealed by the claimant or his duly authorized representative.

Plan Modification, Amendment and Termination

The Employer as Plan Sponsor reserves the right to, at any time, change or terminate benefits under the Plan, to change or terminate the eligibility of classes of employees to be covered by the Plan, to amend or eliminate any other plan term or condition, and to terminate the whole plan or any part of it. Contact the Employer for the procedure by which benefits may be changed or terminated, by which the eligibility of classes of employees may be changed or terminated, or by which part or all of the Plan may be terminated. No consent of any participant is required to terminate, modify, amend or change the Plan.

Termination of the Plan together with termination of the insurance policy(s) which funds the Plan benefits will have no adverse effect on any benefits to be paid under the policy(s) for any covered medical expenses incurred prior to the date that policy(s) terminates. Likewise, any extension of benefits under the policy(s) due to you or your Dependent's total disability which began prior to and has continued beyond the date the policy(s) terminates will not be affected by the Plan termination. Rights to purchase limited amounts of life and medical insurance to replace part of the benefits lost because the policy(s) terminated may arise under the terms of the policy(s). A subsequent Plan termination will not affect the extension of benefits and rights under the policy(s).

Your coverage under the Plan's insurance policy(s) will end on the earliest of the following dates:

- the date you leave Active Service (or later as explained in the Termination Section;)

- the date you are no longer in an eligible class;
- if the Plan is contributory, the date you cease to contribute;
- the date the policy(s) terminates.

See your Plan Administrator to determine if any extension of benefits or rights are available to you or your Dependents under this policy(s). No extension of benefits or rights will be available solely because the Plan terminates.

Statement of Rights

As a participant in the plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

- examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure room of the Employee Benefits Security Administration.
- obtain, upon written request to the Plan Administrator, copies of documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each person under the Plan with a copy of this summary financial report.

Continue Group Health Plan Coverage

- continue health care coverage for yourself, your spouse or Dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your Dependents may have to pay for such coverage. Review the documents governing the Plan on the rules governing your federal continuation coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA. If your claim for a welfare benefit is denied or ignored you have a right to know why this was done, to obtain

copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Enforce Your Rights

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of documents governing the plan or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court.

In addition, if you disagree with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

Important Information

If the following text regarding “If Cigna determines...required to pay.” is included in your **Important Information** section of your certificate, it does not apply to you.

Coupons, Incentives and Other Communications

If Cigna determines that a Pharmacy, pharmaceutical manufacturer or other third party is or has waived, reduced, or forgiven any portion of the charges and/or any portion of Copayment, Deductible, and/or Coinsurance amount(s) you are required to pay for a Prescription Drug Product without Cigna’s express consent, then Cigna in its sole discretion shall

have the right to deny the payment of plan benefits in connection with the Prescription Drug Product, or reduce the benefits in proportion to the amount of the Copayment, Deductible, and/or Coinsurance amounts waived, forgiven or reduced, regardless of whether the Pharmacy, pharmaceutical manufacturer or other third party represents that you remain responsible for any amounts that your plan does not cover. In the exercise of that discretion, Cigna shall have the right to require you to provide proof sufficient to Cigna that you have made your required cost share payment(s) prior to the payment of any benefits by the plan.

For example, if you use a coupon provided by a pharmaceutical manufacturer or other third party that discounts the cost of a Prescription Drug Product, Cigna may, in its sole discretion, reduce the benefits provided under the plan in proportion to the amount of the Copayment, Deductible, and/or Coinsurance amounts to which the value of the coupon has been applied by the Pharmacy or other third party, and/or exclude from accumulation toward any plan Deductible or Out-of-Pocket Maximum the value of any coupon applied to any Copayment, Deductible and/or Coinsurance you are required to pay.

Choice of Participating Dental Facility

NOTE: For members receiving services from LA Providers: The CDH managed dental care network has been carefully selected for your convenience. Under Louisiana law, you may choose to go to a non-plan LA dentist. If you want to make this choice and there is another dental plan for you to select, it is recommended that you select that plan and benefits. If you choose the in-network plan you can still go to a non-plan dentist. However, the non-plan dentist is not under contract with CDH and does not have to charge you in accordance with the CDH Patient Charge Schedule. Therefore, you will have to pay the dentist's usual and customary fees for any procedures performed, minus a minimal payment from CDH representing the amount we would have paid to a dentist under contract with us. Please call CDH Member Services at 1-800-Cigna24 for further explanation and arrangement for payment.

Termination of Insurance

Continuation of Dental Insurance during Active Military Duty

If your coverage would otherwise cease because you are a Reservist in the United States Armed Forces and are called to active duty, the insurance for you and your Dependents will be continued during your active duty only if you elect it in writing, and will continue until the earliest of the following dates:

- 90 days from the date your military service ends;
- the last day for which you made any required contribution for the insurance; or
- the date the group policy cancels.

Reinstatement of Dental Insurance

If your coverage ceases because you are a Reservist in the United States Armed Forces and are called to active duty, the insurance for you and your Dependents will be automatically reinstated after your deactivation, provided that you return to Active Service within 90 days.

Such reinstatement will be without the application of: a new waiting period, or a new Pre-existing Condition Limitation. A new Pre-existing Condition Limitation will not be applied to any condition that you or your Dependent developed while coverage was interrupted. The remainder of a Pre-existing Condition Limitation which existed prior to interruption of coverage may still be applied.

Termination Of Insurance

Employees and Dependents

Special Continuation of Dental Insurance

If your Dental Insurance would otherwise cease because of a reduction in the number of hours you work or your termination of employment for any reason other than gross misconduct, you may continue the insurance by paying the required premium to the Employer. The insurance may be continued until the earliest of:

- 18 months from the date your Active Service ends;
- the last day for which you have paid the required premium;
- the date you become eligible for insurance under another group policy for dental benefits, including Medicare, unless you have a pre-existing condition for which the new policy limits coverage, in which case coverage under this Plan will continue until the pre-existing condition limitation has been satisfied, unless coverage under this Plan otherwise ends in accordance with this section;
- the date the policy cancels.

The Employer will notify you of your right to elect such continuation.

You must elect to continue insurance within 60 days of the later of:

- the date notice of the right to continue insurance is received; or
- the date the insurance would otherwise cease.

If your insurance is being continued, as outlined above, the insurance for any of your Dependents insured on the date your insurance would otherwise cease may be continued, subject to the above provisions. The insurance will continue until the earlier of:

- the date your insurance ceases; or
- with respect to any one Dependent, the date that Dependent no longer qualifies as a Dependent.

When this Special Provision ceases, the provisions of the "Dental Conversion Privilege" section will apply for your Dependents.

For Dependents of Deceased Employee

If you die while insured for your Dependents, the insurance for your Dependents will be continued in accordance with the "Dependent Dental Insurance After Your Death" provision.

However, if the Dependents elect to continue the insurance beyond the last day of the "Dependent Dental Insurance After Your Death" provision, they must notify the Employer within 90 days of your death and pay the required premium. Such continued insurance will cease on the earliest date below:

- the date coverage ends due to the Dependents' failure to make payment of the required premium;
- the date the insurance for your Dependents would have ceased if you had not died;
- the date the Dependent ceases to qualify as a Dependent, except as provided in the "Continuation for Dependent Children" provision;
- the date the Dependent becomes insured under another group health plan, including Medicare, except as provided in the "Continuation for Dependent Children" provision;
- the date the policy cancels.

Dependent Insurance After Divorce or Legal Separation

The Dental Expense Insurance for:

- your insured spouse; and
- any insured child who would cease to qualify as your Dependent as a result of your divorce or legal separation;
- may be continued, with premium payment, if you are required by decree to provide continued Dental Expense Insurance for them. However, the insurance on those Dependents will cease on the earliest date below:
 - the date coverage ends due to your failure to make payment of the required premium;
 - the date your insurance ceases;
 - the date your Dependent ceases to qualify as a Dependent, other than due to the spouse's remarriage;
 - the date Dependent Insurance is canceled.

To have Dependent Dental Insurance continued, you must notify the Employer of the decree and pay any required contribution to the Employer within 30 days after the Dependent Dental Insurance would otherwise cease.

If you die, any other terms which continue Dependent Dental Insurance after your death will apply.

The Continuation for Dependent Children provision and Dental Conversion Privilege will be available when this Dependent Dental Insurance ceases.

Reinstatement of Insurance

If your coverage ceases because of active duty in: the armed forces of the United States, or the National Guard, the insurance for you and your Dependents will be reinstated after your deactivation, provided that:

- you apply for such reinstatement within 90 days after deactivation; and

NOTICE TO POLICYHOLDERS

Insurance companies licensed to sell life insurance, health insurance, or annuities in the State of Utah are required by law to be members of an organization called the Utah Life and Health Insurance Guaranty Association ("ULHIGA"). If an insurance company that is licensed to sell insurance in Utah becomes insolvent (bankrupt), and is unable to pay claims to its policyholders, the law requires ULHIGA to pay some of the insurance company's claims. The purpose of this notice is to briefly describe some of the benefits and limitations provided to Utah insureds by ULHIGA.

PEOPLE ENTITLED TO COVERAGE

You must be a Utah resident.

You must have insurance coverage under an individual or group policy.

POLICIES COVERED

ULHIGA provides coverage for certain life, health and annuity insurance policies.

EXCLUSIONS AND LIMITATIONS

Several kinds of insurance policies are specifically excluded from coverage. There are also a number of limitations to coverage. The following are not covered by ULHIGA:

- Coverage through an HMO.
- Coverage by insurance companies not licensed in Utah.
- Self-funded and self-insured coverage provided by an employer that is only administered by an insurance company.
- Policies protected by another state's guaranty association.
- Policies where the insurance company does not guarantee the benefits.
- Policies where the policyholder bears the risk under the policy.
- Re-insurance contracts.
- Annuity policies that are not issued to and owned by an individual, unless the annuity policy is issued to a pension benefit plan that is covered.
- Policies issued to pension benefits plans protected by the Federal Pension Benefit Guaranty Corporation.
- Policies issued to entities that are not members of ULHIGA, including health plans, fraternal benefits societies, state pooling plans and mutual assessment companies.

LIMITS ON AMOUNT OF COVERAGE

Caps are placed on the amount ULHIGA will pay. These caps apply even if you are insured by more than one policy issued by the insolvent company. The maximum ULHIGA will pay is the amount of your coverage or \$500,000 - whichever is lower. Other caps also apply:

- \$200,000 in net cash surrender values.
 - \$500,000 in life insurance death benefits (including cash surrender values).
 - \$500,000 in health insurance benefits.
 - \$200,000 in annuity benefits - if the annuity is issued to and owned by an individual or the annuity is issued to a pension plan covering government employees.
 - \$5,000,000 in annuity benefits to the contract holder of annuities issued to pension plans covered by the law. (Other limitations apply).
- Interest rates on some policies may be adjusted downward.
