IMPORTANT INFORMATION ABOUT YOUR HEALTH COVERAGE

Under this Plan of Benefits, the Benefits you receive will depend on whether the Provider of medical services is a Participating or Non-Participating Provider. You will receive the maximum Benefits that can be paid if you use Participating Providers and you get Preauthorization, when required, before getting medical care. The amount you have to pay may increase when you do not use Participating Providers and if you do not get Preauthorization.

Members of the Blue Cross and Blue Shield Association (BCBSA) attempt to contract with Providers that practice at participating Hospitals. For various reasons, some Providers may elect not to contract as Participating Providers. If you use a Non-Participating Provider, you may have no protection from balance billing from the Provider, except where prohibited by applicable law.

BCBSF (hereafter referred to as Corporation) is the claims administrator for this Preferred Provider Plan. BCBSF has retained BlueCross BlueShield of South Carolina as a primary provider of claims processing, customer service, medical management, and other services.

HOW TO FILE CLAIMS

Participating Providers have agreed to file claims for healthcare services they rendered to you. However, in the event a Provider does not file a claim for such services, it is your responsibility to file the claim. If you choose to use a Non-Participating Provider, you are responsible for filing your claim.

Once the claim has been processed, you will have quick access to an Explanation of Benefits (EOB) through our website or by contacting customer service. The EOB explains who provided the care, the kind of service or supply received, the amount billed, the Allowable Charge, the Coinsurance rate and the amount paid. It also shows Benefit Year Deductible information and the reasons for denying or reducing a claim.

The only time you must pay a Participating Provider is when you have a Benefit Year Deductible, Coinsurance, Copayment or when you have services or supplies that are not Covered Expenses under your Plan of Benefits.

If you need a claim form, you may obtain one from us at the address below or print a copy from the website. You can also call us at the number listed or website on your Identification Card and we will send you a form. After filling out the claim form, send it to the address below:

Please refer to Article VIII of this Plan of Benefits for more information on filing a claim.

This Plan of Benefits does not provide benefits for diagnosis, treatment or other service for any injury or illness that is sustained or alleged by a Member that arises out of, in connection with, or as the result of, any work for wage or profit when coverage is available under any Workers' Compensation Act or similar federal or state law regarding on the job injuries is required or is otherwise available for the Member. Benefits will not be provided under this Plan of Benefits if coverage under the Workers' Compensation Act or similar law would have been available to the Member but the Member or Employer elected exemption from available workers' compensation coverage, waived entitlement to workers' compensation benefits for which he/she is eligible, failed to timely file a claim for workers' compensation benefits or the Member sought treatment for the injury or illness from a Provider which is not authorized by the Member's Employer or Workers' Compensation Carrier.

If the Group Health Plan pays Benefits for an injury or illness and the Group Health Plan determines the Member also received a recovery from the Employer or Employer's Workers' Compensation Carrier by means of a settlement, judgment or other payment for the same injury or illness, the Group Health Plan shall have the right of recovery as outlined in Article VII of this Plan of Benefits.

ARTICLE IV - COORDINATION OF BENEFITS

A. APPLICABILITY

The coordination of benefits rules are intended to prevent duplicate payments from different Plans that otherwise cover a Member for the same Benefits. The rules determine which is the Primary Plan and which is the Secondary Plan.

Generally, unless a specific rule applies, where a claim is submitted for payment under this Plan of Benefits and one (1) or more other Plans, this Plan of Benefits is the Secondary Plan. Additionally, special rules for the coordination of benefits with Medicare may also apply. The Group Health Plan does not coordinate benefits with individual Plans.

B. COORDINATION OF BENEFITS WITH AUTO INSURANCE

This is a self-funded ERISA Plan which does not provide benefits for claims which are paid or payable under automobile insurance coverage. Automobile insurance coverage shall include, but is not limited to, no-fault, personal injury protection, medical payments, liability, uninsured and underinsured coverage, umbrella or any other insurance coverage which may be paid or payable for the injury or illness.

Although benefits for claims which are paid or payable under automobile insurance coverage are not covered by this Plan of Benefits, the Group Health Plan or Corporation may, in its sole discretion, agree to extend Benefits to a Member for the injury or illness. In this instance, if a Member has automobile no-fault, personal injury protection or medical payments coverage, or if such coverage is extended to the Member through a group or their own automobile insurance carrier, that coverage is primary to the Group Health Plan. The Group Health Plan will always be secondary to automobile no-fault, personal injury protection or medical payments coverage plans and the Group Health Plan will coordinate benefits for claims which are payable under those automobile policies.

If the Member resides in a state where automobile no-fault, personal injury protection or medical payments coverage is mandatory and the Member does not have the state mandated automobile coverage, the Group Health Plan will deny Benefits up to the amount of the state mandated automobile coverage.

This coordination of benefits provision applies whether or not the Member submits a claim under the automobile no-fault, personal injury protection or medical payments coverage.

As a condition of receiving Benefits, the Member must:

1. Immediately notify the Group Health Plan or Corporation of an injury or illness for which automobile insurance coverage may be liable, legally responsible, or otherwise makes a payment in connection with the injuries or illness;
2. Execute and deliver to the Corporation an accident questionnaire within one hundred eighty (180) days of the accident questionnaire being mailed to the Member;
3. Deliver to the Group Health Plan or Corporation a copy of your Personal Injury Protection Log, Medical Payments log and/or Medical Authorization within ninety (90) days of being requested to do so;
4. Deliver to the Group Health Plan or Corporation a copy of the police report, incident or accident report, or any other reports issued as a result of the injuries or illness within ninety (90) days of being requested to do so; and,
5. Cooperate fully with the Group Health Plan or Corporation in its exercise of its rights under this provision, do nothing that would interfere with or diminish those rights and furnish any information required by the Group Health Plan or Corporation.

Failure to cooperate with the Group Health Plan as required under this section will entitle the Group Health Plan or Corporation to invoke the Auto Accident Exclusion and deny payment for all claims relating to the injury or illness up to the amount of available or state mandated coverage.

C. ORDER OF DETERMINATION RULES FOR EMPLOYEE MEMBERS

When a Member's claim is submitted under the Group Health Plan and another Plan, the Group Health Plan is a Secondary Plan unless:

1. The other Plan has rules coordinating its benefits with those of the Group Health Plan;
2. There is a statutory requirement establishing that the Group Health Plan is the Primary Plan and such statutory requirement is not pre-empted by ERISA; or,
3. Both the other Plan's rules and the Group Health Plan's rules require that Benefits under this Plan of Benefits be determined before those of the other Plan.

D. ADDITIONAL ORDER OF DETERMINATION RULES

The coordination of benefits is determined using the first of the following rules that apply:

1. Dependents
 - a. The Plan that covers an individual as an Employee or retiree is the Primary Plan.
2. Dependent Child - Parents not Separated or Divorced

When the Group Health Plan and another Plan cover the same child as a dependent then benefits are determined in the following order:

- a. The Plan of the parent whose birthday falls earlier in the year (month and date) is the Primary Plan.
- b. If both parents have the same birthday, the Plan that has covered a parent longer is the Primary Plan.
- c. If the other Plan does not have the rule described in (a) above but instead has a rule based upon the gender of the parent and if, as a result, the Plan and the Corporation do not agree on the order of benefits, the gender rule in the other Plan will apply.

The "birthday rule" does not use the years of the parents' birth in determining which has the earlier birthday.

3. Dependent Child - Separated or Divorced Parents

If two (2) or more Plans cover a person as a dependent child of divorced, separated or unmarried parents, benefits for the child are determined in the following order:

- a. First, the Plan of the parent with custody of the child;
- b. Second, the Plan of the parent's spouse with the custody of the child;
- c. Third, the Plan of the parent not having custody of the child; or,
- d. Fourth, the Plan of the parent's spouse not having custody of the child.

Notwithstanding the foregoing, if the specific terms of a court decree state that one of the parents is responsible for the healthcare expenses (or health insurance coverage) of the child and the entity obligated to pay or provide the benefits of the Plan of that parent has actual knowledge of those terms, that Plan is the Primary Plan. If the parent with responsibility for healthcare expenses has no health insurance coverage for the dependent child, but that parent's spouse does have coverage, the spouse's Plan is the Primary Plan. This paragraph does not apply with respect to any claim determination period or Plan year during which any Benefits are actually paid or provided before the Plan has actual knowledge of the existence of an applicable court decree.

If the specific terms of a court decree state that the parents shall share joint custody without stating that one of the parents is responsible for the healthcare expenses of the child (or if the order provides that both parents are responsible), the Plans covering the child shall follow the order of determination rules outlined in Article IV(D)(2). Once the dependent child reaches the age of eighteen (18) and/or the terms of the court decree are no longer applicable, the Plan which has covered the dependent for a longer period of time will be primary.

4. Active and Inactive Employees

The benefits of the Plan that covers a person as an Employee who is neither laid off nor retired or as that Employee's dependent is the Primary Plan. If the Secondary Plan does not have this rule, and if, as a result, the Plans do not agree on the order of Covered Expenses, this rule does not apply.

5. Medicare

The Group Health Plan is a Primary Plan except where federal law mandates that the Group Health Plan is the Secondary Plan. Any claims where Medicare is primary must be filed by the Member after Medicare payment is made.

6. Longer and Shorter Length of Coverage

If none of the above rules determines the order of benefits, the Plan that has covered the Member longer is the Primary Plan.

7. COBRA

COBRA allows coverage to begin or continue under certain circumstances if the Member already has or obtains coverage under a group health Plan. In these instances, two policies may cover the Member, and the Plan providing COBRA coverage will be the Secondary Plan.

E. EFFECT ON BENEFITS OF THIS PLAN OF BENEFITS

1. The Group Health Plan as Primary Plan

When the Group Health Plan is the Primary Plan, the Benefits shall be determined without consideration of the benefits of any other Plan.

2. The Group Health Plan as Secondary Plan

When the Group Health Plan is a Secondary Plan, the Benefits will be reduced when the sum of the following exceeds the Covered Expenses in a Benefit Year:

- a. The Covered Expenses in the absence of this coordination of benefits provision; plus
- b. The expenses that would be payable under the other Plan, in the absence of provisions with a purpose like that of this coordination of benefits provision, whether or not a claim is made.

When the sum of these two (2) amounts exceeds the maximum amount payable for Covered Expenses in a Benefit Year, the Covered Expenses will be reduced so that they and the Benefits payable under the Primary Plan do not total more than the Covered Expenses. When the Covered Expenses of the Group Health Plan are reduced in this manner, each Benefit is reduced in proportion and then charged against any applicable limit of the Group Health Plan.

3. When a Plan provides benefits in the form of services, the reasonable cash value of each service rendered will be considered for purposes of determining the appropriate level of coverage available.
4. The difference between the cost of a private Hospital room and the cost of a semi-private Hospital room is not a Covered Expense unless the Member's Admission in a private Hospital room is Medically Necessary. When benefits are reduced under a Primary Plan because a Member does not comply with the Primary Plan's requirements, the amount of such reduction in benefits will not be a Covered Expense.

F. RIGHT TO RECEIVE AND RELEASE NEEDED INFORMATION

The Group Health Plan (including through the Corporation) is entitled to such information as it deems reasonably necessary to apply these coordination of benefit provisions, and the Member and the Employer must provide any such information as reasonably requested.

G. PAYMENT

A payment made under another Plan may include an amount that should have been paid under the Group Health Plan. In such a case, the Group Health Plan may pay that amount to the organization that made such payment. That amount will then be treated as though it has been paid under the Group Health Plan. The term "payment" includes providing Benefits in the form of services, in which case "payment" means the reasonable cash value of the Benefits provided in the form of services.

H. RIGHT OF RECOVERY

If the amount of the payments made by the Group Health Plan is more than the Group Health Plan should have paid, the Group Health Plan may recover the excess or overpayment from the Member on whose behalf it has made payments, from a Provider, any group insurer, Plan, or any other person or organization contractually obligated to such Member with respect to such overpayments.

ARTICLE V – CONTINUATION OF COVERAGE

A. CONTINUATION

1. COBRA

a. Plan Administrator and Sponsor

The Employer is both the Plan Administrator and Plan Sponsor for the Group Health Plan. The Employer agrees to offer continuation of coverage pursuant to the provisions of COBRA, if required, to eligible Members while the Group Health Plan is in force. COBRA requires the Employer to allow eligible individuals to continue their health coverage for eighteen (18), twenty-nine (29) or thirty-six (36) months, depending on the Qualifying Event.

b. Disabled Members

To be eligible for up to twenty-nine (29) months of continuation of coverage due to disability, an Employee or dependent who:

- i. is determined to be disabled under Title II or XVI of the Social Security Act,
- ii. with a disability onset date either before the COBRA event or within the first sixty (60) days of the COBRA continuation coverage must provide a copy of the notice of the determination of disability to the Employer within:
 - aa. sixty (60) days of the determination of disability; and,
 - bb. before the end of the first eighteen (18) months of COBRA coverage.

Such Employee or dependent must also notify the Employer within thirty (30) days of any determination that the Employee or dependent is no longer disabled.

c. Notice of Qualifying Event by the Member

Each Member is responsible for notifying the Employer within sixty (60) days of such Member's Qualifying Event due to divorce, legal separation or when a dependent ceases dependency. If the Member does not give such notice, the Member is not entitled to continuation coverage.

d. Notice by the Employer to the Member

The Employer must notify the COBRA Administrator no later than thirty (30) days after the date the Member loses coverage due to a COBRA event. The COBRA Administrator must send a COBRA Election Notice to each Member no later than fourteen (14) days after receipt of the notice from the Employer. Notice to the dependent spouse is deemed notice to any dependent of the spouse.

e. Election of Coverage

Continuation coverage is not automatic. The Member must elect continuation coverage within sixty (60) days of the later of:

- i. The date the Member's coverage under the Group Health Plan ceases because of the Qualifying Event;
- ii. The date the Member is sent notice by the Employer of the right to elect continuation coverage; or,
- iii. The date the Member becomes an "eligible individual" (as that term is used in the Trade Act of 2002) provided that such election is made not later than six (6) months after the Qualifying Event that gives rise to eligibility under the Trade Act of 2002 (TAA).

f. Premium Required

The Member will be required to pay a premium for the continuation coverage and shall have the option to make payment in monthly installments. The Member has forty-five (45) days from the date of election to pay the first premium, which includes the period when coverage commenced, regardless of the date that the first premium is due.

The TAA created a new tax credit for certain individuals who become eligible for trade adjustment assistance and for certain retired Employees who are receiving pension payments from the Pension Benefit Guaranty Corporation (PBGC) (eligible individuals). Under the new tax provisions, eligible individuals can either take a tax credit or get advance payment of a percentage of the premiums paid for qualified health insurance, including continuation coverage. If you have questions about these new tax provisions, you may call the Health Coverage Tax Credit Customer Contact Center toll free at 866-628-4282. TTD/TTY callers may call toll free at 866-626-4282. More information about the TAA is also available at www.doleta.gov/tradeact/.

g. Length of COBRA Coverage

The maximum period for continuation coverage for a Qualifying Event involving termination of employment or a reduction in hours is generally eighteen (18) months. An Employee or dependent who is determined to be disabled under Title II or XVI of the Social Security Act before the COBRA event or within the first sixty (60) days of COBRA continuation coverage is entitled to twenty-nine (29) months of continuation coverage, but only if such Employee or dependent has provided notice of the determination of disability within sixty (60) days after determination is issued and before the end of eighteen (18) months of coverage. If a second Qualifying Event occurs within this period of continuation coverage, the coverage for any affected dependent who was a Member under the Group Health Plan both at the time of the first and the second Qualifying Events may be extended up to thirty-six (36) months from the first Qualifying Event. For all other Qualifying Events, the maximum period of coverage is thirty-six (36) months. Below is a list of circumstances and the period of COBRA coverage for each circumstance.

- i. Eighteen (18) months for Employees whose working hours are reduced, from full-time to part-time for instance and any dependents who also lose coverage for this reason.
- ii. Eighteen (18) months for Employees who voluntarily quit work and any dependents who also lose coverage for this reason.
- iii. Eighteen (18) months for Employees who are part of a layoff and any dependents who also lose coverage for this reason.
- iv. Eighteen (18) months for Employees who are fired, unless the firing is due to gross misconduct, and any dependents who also lose coverage for this reason.
- v. Twenty-nine (29) months for Employees and all covered dependents who are determined to be disabled under the Social Security Act during the first sixty (60) days after termination of employment or reduction of hours of employment. Notice of the Social Security Disability determination must be given to the COBRA Administrator within sixty (60) days of the determination of disability and before the end of the first eighteen (18) months of continuation of coverage.
- vi. Thirty-six (36) months for Employees' widows or widowers and their dependent children.
- vii. Thirty-six (36) months for legally separated or divorced husbands or wives and their dependent children.
- viii. Thirty-six (36) months for dependent children who lose coverage because they no longer meet the Plan's definition of a dependent child.

- ix. Thirty-six (36) months for dependents who are not eligible for Medicare when the Employee is eligible for Medicare and no longer has coverage with the Employer. This does not apply to any Employees or their dependents if the Employee voluntarily quit work. See Article V(A)(1)(g)(ii) of this section for coverage for Employees who voluntarily quit.
- x. For Plans providing coverage for retired Employees and their dependents, a special rule applies for such persons who would lose coverage due to the Employer filing for Title 11 Bankruptcy (loss of coverage includes a substantial reduction of coverage within a year before or after the bankruptcy filing). Upon occurrence of such an event, retired Employees and their eligible dependents may continue their coverage under the Plan until the date of death of the retiree. If a retiree dies while on this special continued coverage, surviving dependents may elect to continue coverage for up to thirty-six (36) additional months.

2. USERRA

- a. In any case in which an Employee or any of such Employee's dependents has coverage under the Plan of Benefits and such Employee is not actively at work by reason of active duty service in the uniformed services, the Employee may elect to continue coverage under the Plan of Benefits as provided in this Article V(A)(2). The maximum period of coverage of the Employee and such Employee's dependents under such an election shall be the lesser of:
 - i. The twenty-four (24) month period beginning on the date on which the Employee's absence from being actively at work by reason of active duty service in the uniformed services begins; or,
 - ii. The day after the date on which the Employee fails to apply for or return to a position of employment, as determined under USERRA.

The continuation of coverage period under USERRA will be counted toward any continuation of coverage period available under COBRA.

- b. An Employee who elects to continue coverage under this section of this Plan of Benefits must pay one hundred and two percent (102%) such Employee's normal premium. Except that, in the case of an Employee who performs service in the uniformed services for less than thirty-one (31) days, such Employee will pay the normal contribution for the thirty-one (31) days.
- c. An Employee who is qualified for re-employment under the provisions of USERRA will be eligible for reinstatement of coverage under the Group Health Plan upon re-employment. Except as otherwise provided in this Article upon re-employment and reinstatement of coverage no new exclusion or probationary period will be imposed in connection with the reinstatement of such coverage if an exclusion would normally have been imposed. This Article applies to the Employee who is re-employed and to a dependent who is eligible for coverage under this Plan of Benefits by reason of the reinstatement of the coverage of such Employee.
- d. The Article V(A)(2)(c) shall not apply to the coverage of any illness or injury determined by the Secretary of Veteran's Affairs to have been incurred in, or aggravated during, performance of service in the uniformed services.

B. QUALIFIED MEDICAL CHILD SUPPORT ORDER

The Group Health Plan shall pay Covered Expenses in accordance with the applicable requirements of any Qualified Medical Child Support Order.

1. Procedural Requirements

a. Timely Notifications and Determinations

In the case of any Medical Child Support Order received by the Group Health Plan:

- i. The Employer shall promptly notify the Employee and each Alternate Recipient of the receipt of the Medical Child Support Order and the Employer's procedures for determining whether Medical Child Support Orders are Qualified Medical Child Support Orders; and,
- ii. Within a reasonable period after receipt of such Qualified Medical Child Support Order, the Employer shall determine whether such order is a Qualified Medical Child Support Order and notify the Employee and each Alternate Recipient of such determination.

b. Establishment of Procedures for Determining Qualified Status of Orders

The Employer shall establish reasonable procedures to determine whether Medical Child Support Orders are Qualified Medical Child Support Orders and to administer the provision of Covered Expenses under such qualified orders. The Employer's procedures:

- i. Shall be in writing;
- ii. Shall provide for the notification of each person specified in a Medical Child Support Order as eligible to receive Benefits under the Plan of Benefits (at the address included in the Medical Child Support Order) of the Employer's procedures promptly upon receipt by the Plan Administrator of the Medical Child Support Order; and,
- iii. Shall permit an Alternate Recipient to designate a representative for receipt of copies of notices that are sent to the Alternate Recipient with respect to a Medical Child Support Order.

c. Actions Taken by Fiduciaries

If a fiduciary for the Group Health Plan acts in accordance with these procedural requirements in treating a Medical Child Support Order as being (or not being) a Qualified Medical Child Support Order, then the Group Health Plan obligation to the Member and each Alternate Recipient shall be discharged to the extent of any payment made pursuant to such act of the fiduciary.

2. Treatment of Alternate Recipients

a. Under ERISA

A person who is an Alternate Recipient under any Medical Child Support Order shall be considered a beneficiary under the Group Health Plan for purposes of any provisions of ERISA, as amended, and shall be treated as a participant under the reporting and disclosure requirements of ERISA.

b. Direct Provision of Benefits Provided to Alternate Recipients

Any payment for Covered Expenses made by the Group Health Plan pursuant to a Medical Child Support Order in reimbursement for expenses paid by an Alternate Recipient or an Alternate Recipient's custodial parent or legal guardian shall be made to the Alternate Recipient or the Alternate Recipient's custodial parent or legal guardian.

c. Plan Enrollment and Payroll Deductions

If an Employee remains covered under the Group Health Plan but fails to enroll an Alternate Recipient under the Plan of Benefits after receiving notice of the Qualified Medical Child Support Order from the Employer, the Employer shall enroll the Alternate Recipient and deduct the additional premium from the Employee's paycheck.

d. Termination of Coverage

Except for any coverage continuation rights otherwise available under the Group Health Plan, the coverage for the Alternate Recipient shall end on the earliest of:

- i. The date the Employee's coverage ends;
- ii. The date the Qualified Medical Child Support Order is no longer in effect;
- iii. The date the Employee obtains other comparable health coverage through another insurer or Plan to cover the Alternate Recipient; or,
- iv. The date the Employer eliminates family health coverage for all of its Employees.

ARTICLE VI – SUBROGATION AND REIMBURSEMENT

A. BENEFITS SUBJECT TO THIS PROVISION

This provision shall apply to all Benefits provided under any section of the Plan of Benefits. All Benefits under this Plan of Benefits are being provided by a self-funded ERISA plan.

B. STATEMENT OF PURPOSE

Subrogation and Reimbursement represent significant Group Health Plan assets and are vital to the financial stability of the Group Health Plan. Subrogation and Reimbursement recoveries are used to pay future claims by other Group Health Plan members. Anyone in possession of these assets holds them as a fiduciary and constructive trustee for the benefit of the Group Health Plan. The Group Health Plan has a fiduciary obligation under the Employee Retirement Income Security Act (ERISA) to pursue and recover these Group Health Plan assets to the fullest extent possible.

C. DEFINITIONS

1. Another Party

Another Party shall mean any individual or entity, other than this Group Health Plan, who is liable or legally responsible to pay expenses, compensation or damages in connection with a Member's injuries or illness.

Another Party shall include the party or parties who caused the injuries or illness; the liability insurer, guarantor or other indemnifier of the party or parties who caused the injuries or illness; a Member's own insurance coverage, such as uninsured, underinsured, medical payments, no-fault, homeowner's, renter's or any other insurer; a workers' compensation insurer or governmental entity; or, any other individual, corporation, association or entity that is liable or legally responsible for payment in connection with the injuries or illness.

2. Member

As it relates to the Subrogation and Reimbursement Provision, a Member shall mean any person, dependent or representatives, other than the Group Health Plan, who is bound by the terms of the Subrogation and Reimbursement Provision herein. A Member shall include but is not limited to any beneficiary, dependent, spouse or person who has or will receive Benefits under the Group Health Plan, and any legal or personal representatives of that person, including parents, guardians, attorneys, trustees, administrators or executors of an estate of a Member, and heirs of the estate.

3. Recovery

Recovery shall mean any and all monies identified, paid or payable to the Member through or from Another Party by way of judgment, award, settlement, covenant, release or otherwise (no matter how those monies may be characterized, designated or allocated) to compensate for any losses caused by, or in connection with, the injuries or illness. A Recovery exists as soon as any fund is identified as compensation for a Member from Another Party. Any recovery shall be deemed to apply, first, for Reimbursement of the Group Health Plan's lien. The amount owed from the Recovery as Reimbursement of the Group Health Plan's lien is an asset of the Group Health Plan.

4. Reimbursement

Reimbursement shall mean repayment to the Group Health Plan of recovered medical or other Benefits that it has paid toward care and treatment of the injuries or illness for which there has been a Recovery.

5. Subrogation

Subrogation shall mean the Group Health Plan's right to pursue the Member's claims for medical or other charges paid by the Group Health Plan against Another Party.

D. WHEN THIS PROVISION APPLIES

This provision applies when a Member incurs medical or other charges related to injuries or illness caused in part or in whole by the act or omission of the Member or another person; or Another Party may be liable or legally responsible for payment of charges incurred in connection with the injuries or illness; or Another Party may otherwise make a payment without an admission of liability. If so, the Member may have a claim against that other person or Another Party for payment of the medical or other charges. In that event, the Member agrees, as a condition of receiving Benefits from the Group Health Plan, to transfer to the Group Health Plan all rights to recover damages in full for such Benefits.

E. DUTIES OF THE MEMBER

The Member will execute and deliver all required instruments and papers provided by the Group Health Plan or Corporation, including an accident questionnaire, as well as doing and providing whatever else is needed, to secure the Group Health Plan's rights of Subrogation and Reimbursement, before any medical or other Benefits will be paid by the Group Health Plan for the injuries or illness. The Group Health Plan or Corporation may determine, in its sole discretion, that it is in the Group Health Plan's best interests to pay medical or other Benefits for the injuries or illness before these papers are signed (for example, to obtain a prompt payment discount); however, in that event, the Group Health Plan will remain entitled to Subrogation and Reimbursement. In addition, the Member will do nothing to prejudice the Group Health Plan's right to Subrogation and Reimbursement and acknowledges that the Group Health Plan precludes operation of the made-whole and common-fund doctrines. A Member who receives any Recovery (whether by judgment, settlement, compromise, or otherwise) has an absolute obligation to immediately tender the portion of the Recovery subject to the Group Health Plan's lien to the Group Health Plan under the terms of this provision. A Member who receives any such Recovery and does not immediately tender the Group Health Plan's portion of the Recovery to the Group Health Plan will be deemed to hold the Group Health Plan's portion of the Recovery in constructive trust for the Group Health Plan, because the Member is not the rightful owner of the Group Health Plan's portion of the Recovery and should not be in possession of the Recovery until the Group Health Plan has been fully reimbursed. The portion of the Recovery owed by the Member for the Group Health Plan's lien is an asset of the Group Health Plan.

As a condition of receiving Benefits, the Member must:

1. Immediately notify the Group Health Plan or Corporation of an injury or illness for which Another Party may be liable, legally responsible or otherwise makes a payment in connection with the injuries or illness;
2. Execute and deliver to the Corporation an accident questionnaire within one hundred eighty (180) days of the accident questionnaire being mailed to the Member;
3. Deliver to the Group Health Plan or Corporation a copy of the Personal Injury Protection Log, Medical Payments log and/or Medical Authorization within ninety (90) days of being requested to do so;
4. Deliver to the Group Health Plan or Corporation a copy of the police report, incident or accident report, or any other reports issued as a result of the injuries or illness within ninety (90) days of being requested to do so;
5. Authorize the Group Health Plan or Corporation to sue, compromise and settle in the Member's name to the extent of the amount of medical or other Benefits paid for the injuries or illness under the Group Health Plan and the expenses incurred by the Group Health Plan or Corporation in collecting this amount, and assign to the Group Health Plan the Member's rights to Recovery when this provision applies;
6. Include the amount paid for Benefits as a part of the damages sought against Another Party. Immediately reimburse the Group Health Plan or Corporation, out of any Recovery made from Another Party, the amount of medical or other Benefits paid for the injuries or illness by the Group Health Plan up to the amount of the Recovery and without reduction for attorneys' fees, costs, comparative negligence, limits of collectability or responsibility, or otherwise;
7. Immediately notify the Group Health Plan or Corporation in writing of any proposed settlement and obtain the Group Health Plan or Corporation's written consent before signing any release or agreeing to any settlement; and,

8. Cooperate fully with the Group Health Plan or Corporation in its exercise of its rights under this provision, do nothing that would interfere with or diminish those rights and furnish any information required by the Group Health Plan or Corporation.

F. FIRST PRIORITY RIGHT OF SUBROGATION AND/OR REIMBURSEMENT

Any amounts recovered will be subject to Subrogation or Reimbursement. The Member's submission of claims for illnesses or injury caused by Another Party constitutes the Member's agreement to the terms of this provision and the Member's grant to the Group Health Plan of a first priority equitable lien by agreement. The Group Health Plan's right to recover exists regardless of whether it is based on Subrogation or Reimbursement.

The Group Health Plan will be subrogated to all rights the Member may have against that other person or Another Party and will be entitled to first priority Reimbursement out of any Recovery to the extent of the Group Health Plan's payments. In addition, the Group Health Plan shall have a first priority equitable lien against any Recovery to the extent of Benefits paid and to be payable in the future. The Group Health Plan's first priority equitable lien supersedes any right that the Member may have to be "made whole." In other words, the Group Health Plan is entitled to the right of first Reimbursement out of any Recovery the Member procures or may be entitled to procure regardless of whether the Member has received full compensation for any of his or her damages or expenses, including attorneys' fees or costs and regardless of whether the Recovery is designated as payment for medical expenses or otherwise. Additionally, the Group Health Plan's right of first Reimbursement will not be reduced for any reason, including attorneys' fees, costs, comparative or contributory negligence, limits of collectability or responsibility, characterization of Recovery as pain and suffering or otherwise. As a condition to receiving Benefits under the Group Health Plan and Plan of Benefits, the Member agrees that acceptance of Benefits is constructive notice of this provision.

G. WHEN A MEMBER RETAINS AN ATTORNEY

An attorney who receives any Recovery (whether by judgment, settlement, compromise, or otherwise) for an injury or illness in which the Group Health Plan has paid or will pay Benefits, has an absolute obligation to immediately tender the portion of the Recovery subject to the Group Health Plan's equitable lien to the Group Health Plan under the terms of this provision. As a possessor of a portion of the Recovery, the Member's attorney holds the Recovery as a constructive trustee and fiduciary and is obligated to tender the Group Health Plan's portion of the Recovery immediately over to the Group Health Plan. A Member's attorney who receives any such Recovery and does not immediately tender the Group Health Plan's portion of the Recovery to the Group Health Plan will be deemed to hold the Recovery in constructive trust for the Group Health Plan, because neither the Member nor the attorney is the rightful owner of the portion of the Recovery subject to the Group Health Plan's lien. The portion of the Recovery owed for the Group Health Plan's lien is an asset of the Group Health Plan.

If the Member retains an attorney, the Member's attorney must recognize and consent to the fact that this provision precludes the operation of the "made-whole" and "common fund" doctrines, and the attorney must agree not to assert either doctrine against the Group Health Plan in his or her pursuit of Recovery. The Group Health Plan will not pay the Member's attorneys' fees and costs associated with the recovery of funds, nor will it reduce its Reimbursement pro rata for the payment of the Member's attorneys' fees and costs, without the expressed written consent of the Corporation.

H. WHEN THE MEMBER IS A MINOR OR IS DECEASED OR INCAPACITATED

This Subrogation and Reimbursement Provision will apply with equal force to the parents, trustees, guardians, administrators, or other representatives of a minor, incapacitated, or deceased Member and to the heirs or personal and legal representatives, regardless of applicable law. No representative of a Member listed herein may allow proceeds from a Recovery to be allocated in a way that reduces or minimizes the Group Health Plan's claim by arranging for others to receive proceeds of any judgment, award, settlement, covenant, release or other payment or releasing any claim in whole or in part without full compensation therefore or without the prior written consent from the Group Health Plan or Corporation.

I. WHEN A MEMBER DOES NOT COMPLY

When a Member does not comply with the provisions of this section, the Group Health Plan or Corporation shall have the authority, in its sole discretion, to deny payment of any claims for Benefits by the Member and to deny or reduce future Benefits payable (including payment of future Benefits for other injuries or illnesses) under the Plan of Benefits by the amount due as satisfaction for the Reimbursement to the Group Health Plan. The Group Health Plan or Corporation may also, in its sole discretion, deny or reduce future Benefits (including future Benefits for other injuries or illnesses) for the Member under any other group benefits plan maintained by the Employer. The reductions will equal the amount of the required Reimbursement; however, under no circumstances shall the Reimbursement, denial or reduction of Benefits exceed the amount of the Recovery. If the Group Health Plan must bring an action against a Member to enforce the provisions of this section, then the Member agrees to pay the Group Health Plan's attorneys' fees and costs, regardless of the action's outcome.

J. PRIOR RECOVERIES

In certain circumstances, a Member may receive a Recovery that exceeds the amount of the Group Health Plan's payments for past and/or present expenses for treatment of the injuries or illness that is the subject of the Recovery. In other situations, based on the extent of the Member's injuries or illness, the Member may have received a prior Recovery for treatment of the injuries or illness that is the subject of a claim for Benefits under the Group Health Plan. In these situations, the Group Health Plan will not provide Benefits for any expenses related to the injuries or illness for which compensation was provided through a current or previous Recovery. The Member is required to submit full and complete documentation of any such Recovery in order for the Group Health Plan to consider eligible expenses. To the extent a Member's Recovery exceeds the amount of the Group Health Plan's lien, the Group Health Plan is entitled to deny that amount as an offset against any claims for future Benefits relating to the injuries or illness. In those situations, the Member will be solely responsible for payment of medical bills related to the injuries or illness. The Group Health Plan also precludes operation of the made-whole and common-fund doctrines in applying this provision.

The Group Health Plan or Corporation has sole discretion to determine whether expenses are related to the injuries or illness to the extent this provision applies. Acceptance of Benefits under this Plan of Benefits for injuries or illness which the Member has already received a Recovery may be considered fraud, and the Member will be subject to any sanctions determined by the Group Health Plan or Corporation, in their sole discretion, to be appropriate, including denial of present or future Benefits under this Plan of Benefits.

ARTICLE VII - WORKERS' COMPENSATION PROVISION

This Plan of Benefits does not provide benefits for diagnosis, treatment or other service for any injury or illness that is sustained or alleged by a Member that arises out of, in connection with, or as the result of, any work for wage or profit when coverage under any Workers' Compensation Act or similar law is required or is otherwise available for the Member. Benefits will not be provided under this Plan of Benefits if coverage under the Workers' Compensation Act or similar law would have been available to the Member but the Member or the Employer elected exemption from available workers' compensation coverage; waived entitlement to workers' compensation benefits for which he/she is eligible; failed to timely file a claim for workers' compensation benefits; or the Member sought treatment for the injury or illness from a Provider not authorized by the Member's Employer or Workers' Compensation carrier.

Although treatment for work-related or alleged work-related injuries or illness is excluded under this Plan of Benefits, the Group Health Plan or Corporation may, in its sole discretion, agree to extend coverage to a Member for the injury or illness. In this instance, the Member agrees, as a condition of receiving Benefits, to reimburse the Group Health Plan in full from any workers' compensation recovery as described herein. The Member further agrees as a condition of receiving Benefits, to execute and deliver all required instruments and papers provided by the Group Health Plan or Corporation, including an accident questionnaire, as well as doing and providing whatever else is needed, to secure the Group Health Plan's right of recovery, before any medical or other Benefits will be paid by the Group Health Plan for the injuries or illness. The Group Health Plan or Corporation may determine, in its sole discretion, that it is in the Group Health Plan's best interests to pay medical or other Benefits for the injuries or illness before these papers are signed (for example, to obtain a prompt payment discount); however, in that event, the Group Health Plan will remain entitled to reimbursement from any workers' compensation recovery the Member may receive.

As a condition of receiving Benefits, the Member must:

1. Immediately notify the Group Health Plan or Corporation of an injury or illness for which his or her Employer and/or Employers' Workers' Compensation carrier may be liable, legally responsible or otherwise makes a payment in connection with the injuries or illness;
2. Execute and deliver to the Corporation an accident questionnaire within one hundred eighty (180) days of the accident questionnaire being mailed to the Member;
3. Deliver to the Group Health Plan or Corporation a copy of the police report, incident or accident report or any other reports issued as a result of the injury or illness within ninety (90) days of being requested to do so;
4. Assert a claim or lawsuit against the Employer and/or Employer's Workers' Compensation carrier or any other insurance coverage to which the Member may be entitled;
5. Include the amount paid for as a part of the damages sought against his or her Employer and/or Employer's Workers' Compensation carrier. Immediately reimburse the Group Health Plan, out of any recovery made from the Employer and/or Employer's Workers' Compensation carrier, the amount of medical or other Benefits paid for the injuries or illness by the Group Health Plan up to the amount of the recovery and without reduction for attorneys' fees, costs, comparative negligence, limits of collectability or responsibility, or otherwise;
6. Immediately notify the Group Health Plan or Corporation in writing of any proposed settlement and obtain the Group Health Plan or Corporation's written consent before signing any release or agreeing to any settlement; and,

7. Cooperate fully with the Group Health Plan or Corporation in its exercise of its rights under this provision, do nothing that would interfere with or diminish those rights and furnish any information required by the Group Health Plan or Corporation.

The Group Health Plan or Corporation has sole discretion to determine whether claims for Benefits submitted under the Plan of Benefits are related to the injuries or illness to the extent this provision applies. If the Group Health Plan or Corporation pays Benefits for an injury or illness and the Group Health Plan or Corporation determines the Member also received a recovery from the Employer and/or Employer's Workers' Compensation carrier by means of a settlement, judgment or other payment for the same injury or illness, the Member shall reimburse the Group Health Plan from the recovery for all Benefits paid by the Group Health Plan relating to the injury or illness. However, under no circumstances shall the Member's reimbursement to the Group Health Plan exceed the amount of such recovery.

If the Member receives a recovery from the Employer and/or Employer's Workers' Compensation carrier, the Group Health Plan's right of reimbursement from the recovery will be applied even if: liability is denied, disputed or is made by means of a compromised, doubtful and disputed, clincher or other settlement; no final determination is made that the injury or illness was sustained in the course of or resulted from the Member's employment; the amount of workers' compensation benefits due to medical or healthcare is not agreed upon or defined by the Member, Employer or the Workers' Compensation carrier; or the medical or healthcare benefits are specifically excluded from the settlement or compromise.

Failure to reimburse the Group Health Plan from the recovery as required under this section will entitle the Group Health Plan or Corporation to invoke the Workers' Compensation exclusion and deny payment for all claims relating to the injury or illness.

ARTICLE VIII - CLAIMS FILING AND APPEAL PROCEDURES

A. CLAIMS FILING PROCEDURES

1. Where a Participating Provider renders services, generally the Participating Provider should either file the claim on a Member's behalf or provide an electronic means for the Member to file a claim while the Member is in the Participating Provider's office. However, the Member is responsible for ensuring that the claim is filed.
2. For Benefits not provided by a Participating Provider, the Member is responsible for filing claims with the Corporation. When filing the claims, the Member will need the following:
 - a. A claim form for each Member. Members can get claim forms from a Member services representative at the telephone number indicated on the Identification Card or via the Corporation's website, www.MyHealthToolkitFL.com.
 - b. Itemized bills from the Provider (s). These bills should contain all the following:
 - i. Provider's name and address;
 - ii. Member's name and date of birth;
 - iii. Member's Identification Card number;
 - iv. Description and cost of each service;
 - v. Date that each service took place; and,
 - vi. Description of the illness or injury and diagnosis.

- c. Members must complete each claim form and attach the itemized bill(s) to it. If a Member has other insurance that already paid on the claim(s), the Member should also attach a copy of the other Plan's EOB notice.
 - d. Members should make copies of all claim forms and itemized bills for the Member's records since they will not be returned. Claims should be mailed to the Corporation's address listed on the claim form.
3. Except in the absence of legal capacity, claims must be filed no later than twelve (12) months following the date services were received.
4. Receipt of a claim by the Corporation will be deemed written proof of loss and will serve as written authorization from the Member to the Corporation to obtain any medical or financial records and documents useful to the Corporation. The Corporation, however, is not required to obtain any additional records or documents to support payment of a claim and is responsible to pay claims only on the basis of the information supplied at the time the claim was processed. Any party who submits medical or financial reports and documents to the Corporation in support of a Member's claim will be deemed to be acting as the agent of the Member. If the Member desires to appoint an authorized representative in connection with such Member's claims, the Member should contact the Corporation for an authorized representative form.
5. There are four (4) types of claims: Pre-Service Claims, Urgent Care Claims, Post-Service Claims and Concurrent Care claims. Determinations for each type of claim will be made within the following time periods:
 - a. Pre-Service Claim
 - i. A determination will be provided in writing or in electronic form within a reasonable period of time, appropriate to the medical circumstances, but no later than fifteen (15) days from receipt of the claim.
 - ii. If a Pre-service Claim is improperly filed or otherwise does not follow applicable procedures, the Member will be sent notification within five (5) days of receipt of the claim.
 - iii. An extension of fifteen (15) days is permitted if the Corporation (on behalf of the Group Health Plan) determines that, for reasons beyond the control of the Corporation, an extension is necessary. If an extension is necessary the Corporation will notify the Member within the initial fifteen (15) day time period that an extension is necessary, the circumstances requiring the extension and the date the Corporation expects to render a determination. If the extension is necessary to request additional information, the extension notice will describe the required information. The Member will have at least forty-five (45) days to provide the required information. If the Corporation does not receive the required information within the forty-five (45) day time period, the claim will be denied. The Corporation will make its determination within fifteen (15) days of receipt of the requested information or, if earlier, the deadline to submit the information. If the Corporation receives the requested information after the forty-five (45) days but within two hundred twenty-five (225) days, the claim will be reviewed as a first level appeal. Reference Article VIII(B) for details regarding the appeals process.
 - b. Urgent Care Claim
 - i. A determination will be sent to the Member in writing or in electronic form as soon as possible, taking into account the medical exigencies, but no later than seventy-two (72) hours from receipt of the claim.

- ii. If the Member's Urgent Care Claim is determined to be incomplete, the Member will be sent a notice to this effect within twenty-four (24) hours of receipt of the claim. The Member will then have forty-eight (48) hours to provide the additional information. Failure to provide the additional information within forty-eight (48) hours may result in the denial of the claim.
 - iii. If the Member requests an extension of urgent care Benefits beyond an initially determined period and makes the request at least twenty-four (24) hours prior to the expiration of the original determination period, the Member will be notified within twenty-four (24) hours of receipt of the request for an extension.
- c. Post-Service Claim
- i. A determination will be sent within a reasonable time period but no later than thirty (30) days from receipt of the claim.
 - ii. An extension of fifteen (15) days may be necessary if the Corporation (on behalf of the Group Health Plan) determines that, for reasons beyond the control of the Corporation, an extension is necessary. If an extension is necessary, the Corporation will notify the Member within the initial thirty (30) day time period that an extension is necessary, the circumstances requiring the extension and the date the Corporation expects to render a determination. If the extension is necessary to request additional information, the extension notice will describe the required information. The Member will have at least forty-five (45) days to provide the required information. If the Corporation does not receive the required information within the forty-five (45) day time period, the claim will be denied. The Corporation will make its determination within fifteen (15) days of receipt of the requested information or, if earlier, the deadline to submit the information. If the Corporation receives the requested information after the forty-five (45) days but within two hundred twenty-five (225) days, the claim will be reviewed as a first level appeal. Reference Article VIII(B) for details regarding the appeals process.

d. Concurrent Care Claim

The Member will be notified if there is to be any reduction or termination in coverage for ongoing care sufficiently in advance of such reduction or termination to allow the Member time to appeal the decision before the Benefits are reduced or terminated.

6. Notice of Determination

- a. If the Member's claim is filed properly and the claim is in part or wholly denied, the Member will receive notice of an Adverse Benefit Determination, in a culturally and linguistically appropriate manner, that will:
 - i. Include information sufficient to identify the claim involved (including date of service, healthcare Provider, claim amount (if applicable)) and a statement describing the availability, upon request, of the diagnosis and treatment codes and their corresponding meanings;
 - ii. State the specific reason(s) for the Adverse Benefit Determination, including the denial code and its corresponding meaning, as well as a description of the standard (if any) that was used in denying the claim;
 - iii. State that the Member is entitled to receive, upon request and free of charge, reasonable access to and copies of all documents, records and other information relevant to the Member's claim;
 - iv. Reference the specific Plan of Benefits provisions on which the determination is based;

- v. Describe additional material or information, if any, needed to complete the claim and the reasons such material or information is necessary;
 - vi. Describe the claims review procedures and the Plan of Benefits and the time limits applicable to such procedures, including a statement of the Member's right to bring a civil action under section 502(a) of ERISA following an Adverse Benefit Determination on review;
 - vii. If the reason for denial is based on a lack of Medical Necessity, Investigational or Experimental exclusion or similar limitation, explain the scientific or clinical judgment for the determination (or state that such information will be provided free of charge upon request);
 - viii. Disclose any internal rule, guideline or protocol relied on in making the Adverse Benefit Determination (or state that such information will be provided free of charge upon request);
 - ix. Provide a description of available internal appeals and external review processes, including information regarding how to initiate such appeals;
 - x. Disclose the availability of, and contact information for, any applicable office of health insurance consumer assistance or ombudsman established under section 2793 of the Public Health Service Act to assist individuals with the internal claims and appeals and external review processes; and,
 - xi. Include a statement regarding the Member's right to bring an action under section 502(a) of ERISA.
- b. The Member will be provided, as soon as practicable upon request, the diagnosis and treatment codes and their corresponding meanings associated with the Adverse Benefit Determination.
 - c. No decisions regarding hiring, compensation, termination, promotion or other similar matters with respect to any individual will be made based upon the likelihood that the individual will support the denial of Benefits.
 - d. The Member will also receive a notice if the claim is approved.

B. APPEAL PROCEDURES FOR AN ADVERSE BENEFIT DETERMINATION

1. Member has one hundred eighty (180) days from receipt of an Adverse Benefit Determination to file an appeal. An appeal must meet the following requirements:
 - a. An appeal must be in writing;
 - b. An appeal must be sent (via U.S. mail) to the following address:

BlueCross BlueShield
P.O. Box 100121
Columbia, South Carolina 29202
 - c. The appeal request must state that a formal appeal is being requested and include all pertinent information regarding the claim in question; and,
 - d. An appeal must include the Member's name, address, identification number and any other information, documentation or materials that support the Member's appeal.

2. The Member may submit written comments, documents or other information in support of the appeal and will (upon request) have access to all documents relevant to the claim. A person other than the person who made the initial decision will conduct the appeal. No deference will be afforded to the initial determination.
3. The Member must raise all issues and grounds for appealing an Adverse Benefit Determination at every stage of the appeals process or such issues and grounds will be deemed permanently waived.
4. If the appealed claim involves an exercise of medical judgment, the claims administrator will consult with an appropriately qualified healthcare practitioner with training and experience in the relevant field of medicine. If a healthcare professional was consulted for the initial determination, a different healthcare professional will be consulted on the appeal.
5. The final decision on the appeal will be made within the time periods specified below:

- a. Pre-Service Claim

The Corporation (on behalf of the Group Health Plan) will decide the appeal within a reasonable period of time, taking into account the medical circumstances, but no later than thirty (30) days after receipt of the appeal.

- b. Urgent Care Claim

The Member may request an expedited appeal of an Urgent Care Claim. This expedited appeal request may be made orally, and the Corporation (on behalf of the Group Health Plan) will communicate with the Member by telephone or facsimile. The Corporation (on behalf of the Group Health Plan) will decide the appeal within a reasonable period of time, taking into account the medical circumstances, but no later than seventy-two (72) hours after receipt of the request for an expedited appeal.

- c. Post-Service Claim

The Corporation (on behalf of the Group Health Plan) will decide the appeal within a reasonable period of time but no later than sixty (60) days after receipt of the appeal.

- d. Concurrent Care Claim

The Corporation (on behalf of the Group Health Plan) will decide the appeal of Concurrent Care claims within the time frames set forth in Article VIII(B)(5)(a-c) depending on whether such claim is also a Pre-Service Claim, an Urgent Care Claim or a Post-Service Claim.

6. Notice of Final Internal Appeals Determination

- a. If a Member's appeal is denied in whole or in part, the Member will receive notice of an Adverse Benefit Determination, in a culturally and linguistically appropriate manner, that will:
 - i. Include information sufficient to identify the claim involved (including date of service, healthcare Provider, claim amount (if applicable)) and a statement describing the availability, upon request, of the diagnosis and treatment codes and their corresponding meanings;
 - ii. State specific reason(s) for the Adverse Benefit Determination, including the denial code and its corresponding meaning, as well as a description of the standard (if any) that was used in denying the claim and a discussion of the decision;

- iii. Reference specific provision(s) of the Plan of Benefits on which the Benefit determination is based;
 - iv. State that the Member is entitled to receive, upon request and free of charge, reasonable access to and copies of all documents, records and other information relevant to the claim for Benefits;
 - v. Describe any voluntary appeal procedures offered by the Corporation (on behalf of the Group Health Plan) and the Member's right to obtain such information;
 - vi. Disclose any internal rule, guideline or protocol relied on in making the Adverse Benefit Determination (or state that such information is available free of charge upon request);
 - vii. If the reason for an Adverse Benefit Determination on appeal is based on a lack of Medical Necessity, Investigational or Experimental or other limitation or exclusion, explain the scientific or clinical judgment for the determination (or state that such information will be provided free of charge upon request);
 - viii. Provide a description of available internal appeals and external review processes, including information regarding how to initiate such appeals;
 - ix. Disclose the availability of, and contact information for, any applicable office of health insurance consumer assistance or ombudsman established under section 2793 of the Public Health Service Act, to assist individuals with the internal claims and appeals and external review processes; and,
 - x. Include a statement regarding the Member's right to bring an action under section 502(a) of ERISA.
- b. The Member will also receive, free of charge, any new or additional evidence considered, relied upon or generated in connection with the claim. This evidence will be provided as soon as possible and sufficiently in advance of the date on which the notice of Adverse Benefit Determination is received to give the Member a reasonable opportunity to respond prior to that date.
 - c. If the Adverse Benefit Determination is based on a new or additional rationale, then the Member will be provided with the rationale, free of charge. The rationale will be provided as soon as possible and sufficiently in advance of the date of the Adverse Benefit Determination to give the Member a reasonable opportunity to respond prior to that date.
 - d. The Member will be provided, as soon as practicable upon request, the diagnosis and treatment codes and their corresponding meanings associated with the Adverse Benefit Determination.
 - e. No decisions regarding hiring, compensation, termination, promotion or other similar matters with respect to any individual will be made based upon the likelihood that the individual will support the denial of Benefits.
 - f. A Member's claim and appeals will be decided pursuant to a good faith interpretation of the Plan of Benefits, in the best interest of the Member, without taking into account either the amount of the Benefits that will be paid to the Member or the financial impact on the Group Health Plan.
 - g. The Member will also receive a notice if the claim on appeal is approved.

7. The Employer has retained the Corporation to assist the Employer in making the initial claims determination as well as determinations on appeal as the claims fiduciary. Accordingly, Employer has delegated to the Corporation discretionary authority to construe and interpret questions of related to claims for Benefits under the terms of the Group Health Plan. The Employer delegates to the Corporation the discretionary authority to make utilization review and precertification determinations for the purpose of making claim decisions under the Plan of Benefits and to interpret and construe the Plan of Benefits as necessary to make such determinations. It is understood and agreed that the Corporation is a fiduciary with respect to its exercise of such discretionary authority. In making its decision, the Corporation will rely on the Plan of Benefits, its internal procedures and will rely on eligibility data provided by the Employer. The Corporation will undertake the responsibility for providing the initial and appellate review and final determination of claims that have been denied in whole or in part in accordance with the rules set forth in applicable federal law and the regulations there under.

C. EXTERNAL REVIEW PROCEDURES

1. After a Member has completed the appeal process, a Member may be entitled to an additional, external review of the Member's claim at no cost to the Member. An external review may be used to reconsider the Member's claim if the Corporation has denied, either in whole or in part, the Member's claim. In order to qualify for external review, the claim must have been denied, reduced, or terminated because:
 - a. It does not meet the requirements for Medical Necessity, appropriateness, healthcare setting, level of care or effectiveness; or,
 - b. It is an Investigational or Experimental service and it involves a life-threatening or seriously disabling condition.
2. After a Member has completed the appeal process (and an Adverse Benefit Determination has been made), such Member will be notified in writing of such Member's right to request an external review. The Member should file a request for external review within four (4) months of receiving the notice of the Corporation's decision on the Member's appeal. In order to receive an external review, the Member will be required to authorize the release of such Member's medical records (if needed in the review for the purpose of reaching a decision on Member's claim).
3. Within five (5) business days of the date of receipt of a Member's request for an external review, the Corporation will respond by either:
 - a. Assigning the Member's request for an external review to an independent review organization and forwarding the Members records to such organization; or,
 - b. Notifying the Member in writing that the Member's request does not meet the requirements for an external review and the reasons for the Corporation's decision.
4. The external review organization will take action on the Member's request for an external review within forty-five (45) days after it receives the request for external review from the Corporation.
5. Expedited external reviews are available if the Member's Provider certifies that the Member has a serious medical condition. A serious medical condition, as used in this Article VIII(C)(5), means one that requires immediate medical attention to avoid serious impairment to body functions, serious harm to an organ or body part, or that would place the Member's health in serious jeopardy. If the Member may be held financially responsible for the treatment, a Member may request an expedited review of the Corporation's decision if the Corporation's denial of Benefits involves Emergency Services and the Member has not been discharged from the treating Hospital. The independent review organization must make its decision within seventy-two (72) hours after it receives the request for expedited review.

ARTICLE IX - GENERAL PROVISIONS

ADMINISTRATIVE SERVICES ONLY

The Corporation provides administrative claims payment services only and does not assume any financial risk or obligation with respect to claims. The Group Health Plan is a self-funded health Plan and the Employer assumes all financial risk and obligation with respect to claims.

AMENDMENT

Upon thirty (30) days prior written notice, the Employer may unilaterally amend the Group Health Plan. Increases in the Benefits provided or decreases in the premium are effective without such prior notice. The Corporation has no responsibility to provide individual notices to each Member when an amendment to the Group Health Plan has been made.

AUTHORIZED REPRESENTATIVES

A Provider may be considered a Member's Authorized Representative without a specific designation by the Member when the Preauthorization request is for Urgent Care Claims. A Provider may be a Member's Authorized Representative with regard to non-Urgent Care Claims only when the Member gives the Corporation or the Provider a specific designation, in a format that is reasonably acceptable to the Group Health Plan to act as an Authorized Representative. If the Member has designated an Authorized Representative, all information and notifications will be directed to that representative unless the Member gives contrary directions.

THE BLUECARD PROGRAM

A. Inter-Plan Arrangements

BCBSF and its Designated Agent have a variety of relationships with other Blue Cross and/or Blue Shield Licensees referred to generally as "Inter-Plan Arrangements." These Inter-Plan Arrangements operate under rules and procedures issued by the Blue Cross Blue Shield Association ("Association"). Whenever members access healthcare services outside the geographic area BCBSF's Designated Agent serves (i.e. South Carolina), the claim for those services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described generally below.

Typically, when accessing care outside the geographic area BCBSF's Designated Agent serves (i.e. South Carolina), members obtain care from healthcare providers that have a contractual agreement ("participating providers") with the local Blue Cross and/or Blue Shield Licensee in that other geographic area ("Host Blue"). In some instances, members may obtain care from healthcare providers in the Host Blue geographic area that do not have a contractual agreement ("nonparticipating providers") with the Host Blue. BCBSF remains responsible for fulfilling our contractual obligations to Employer. BCBSF's and/or its Designated Agent's payment practices in both instances are described below. For purposes of Inter-Plan Arrangements, BCBSF is a Host Plan for services provided within Florida.

This disclosure describes how claims are administered for Inter-Plan Arrangements and the fees that are charged in connection with Inter-Plan Arrangements. (Note that Dental Care Benefits, except when not paid as medical claims/benefits, and those Prescription Drug Benefits or Vision Care Benefits that may be administered by a third party contracted by BCBSF and/or its Designated Agent to provide the specific service or services are not processed through Inter-Plan Arrangements.)

B. BlueCard® Program

The BlueCard® Program is an Inter-Plan Arrangement. Under this Arrangement, when members access covered healthcare services within the geographic area served by a Host Blue, the Host Blue will be responsible for contracting and handling all interactions with its participating healthcare providers. The financial terms of the BlueCard Program are described generally below.

1. Liability Calculation Method Per Claim – In General

a. Member Liability Calculation

Unless subject to a fixed dollar copayment, the calculation of the member liability on claims for covered healthcare services will be based on the lower of the participating provider's billed covered charges or the negotiated price made available to BCBSF and/or its Designated Agent by the Host Blue.

b. Employer Liability Calculation

The calculation of Employer liability on claims for covered healthcare services processed through the BlueCard Program will be based on the negotiated price made available to BCBSF and/or its Designated Agent by the Host Blue (under the contract between the Host Blue and the provider). Sometimes, this negotiated price may be greater for a given service or services than the billed charge in accordance with how the Host Blue has negotiated with its participating healthcare provider(s) for specific healthcare services. In cases where the negotiated price exceeds the billed charge, Employer may be liable for the excess amount even when the member's deductible has not been satisfied. This excess amount reflects an amount that may be necessary to secure (a) the provider's participation in the network and/or (b) the overall discount negotiated by the Host Blue. In such a case, the entire contracted price is paid to the provider, even when the contracted price is greater than the billed charge.

2. Claims Pricing

Host Blues determine a negotiated price, which is reflected in the terms of each Host Blue's provider contracts. The negotiated price made available to BCBSF and/or its Designated Agent by the Host Blue may be represented by one of the following:

- (i) An actual price. An actual price is a negotiated rate of payment in effect at the time a claim is processed without any other increases or decreases; or
- (ii) An estimated price. An estimated price is a negotiated rate of payment in effect at the time a claim is processed, reduced or increased by a percentage to take into account certain payments negotiated with the provider and other claim- and non-claim related transactions. Such transactions may include, but are not limited to, anti-fraud and abuse recoveries, provider refunds not applied on a claim specific basis, retrospective settlements and performance related bonuses or incentives; or
- (iii) An average price. An average price is a percentage of billed covered charges in effect at the time a claim is processed representing the aggregate payments negotiated by the Host Blue with all of its healthcare providers or a similar classification of its providers and other claim- and non-claim related transactions. Such transactions may include the same ones as noted above for an estimated price.

The Host Blue determines whether it will use an actual, estimated or average price. The use of estimated or average pricing may result in a difference (positive or negative) between the price Employer pays on a specific claim and the actual amount the Host Blue pays to the

provider. However, the BlueCard Program requires that the amount paid by the member and Employer is a final price; no future price adjustment will result in increases or decreases to the pricing of past claims.

Any positive or negative differences in estimated or average pricing are accounted for through variance accounts maintained by the Host Blue and are incorporated into future claim prices. As a result, the amounts charged to Employer will be adjusted in a following year, as necessary, to account for over- or underestimation of the past years' prices. The Host Blue will not receive compensation from how the estimated price or average price methods, described above, are calculated. Because all amounts paid are final, neither positive variance account amounts (funds available to be paid in the following year), nor negative variance amounts (the funds needed to be received in the following year), are due to or from Employer. If Employer terminates, you will not receive a refund or charge from the variance account.

Variance account balances are small amounts relative to the overall paid claims amounts and will be liquidated over time. The timeframe for their liquidation depends on variables, including, but not limited to, overall volume/number of claims processed and variance account balance. Variance account balances may earn interest at the federal funds or similar rate. Host Blues may retain interest earned on funds held in variance accounts.

3. BlueCard Program Fees and Compensation

Employer understands and agrees to reimburse BCBSF and/or its Designated Agent for certain fees and compensation which BCBSF is obligated under the BlueCard Program to pay to the Host Blues, to the Association and/or to vendors of BlueCard Program related services. The specific BlueCard Program fees and compensation that are charged to Employer are set forth in this Exhibit B. BlueCard Program Fees and compensation may be revised from time to time.

Only the BlueCard Program access fee and the BlueCard Administrative Expenses Allowance (AEA) fee may be charged separately each time a claim is processed through the BlueCard Program. All other BlueCard Program related fees are included in the Base Administrative Fees.

The access fee is charged by the Host Blue to BCBSF and/or its Designated Agent for making its applicable provider network available to Employer's members. The access fee will not apply if the provider does not participate in the applicable Host Blue's network. The access fee is charged on a per claim basis and is charged as a percentage of the discount/differential BCBSF and/or its Designated Agent receives from the applicable Host Blue subject to a maximum of \$2,000 per claim. When charged BCBSF and/or its Designated Agent pass the access fee directly on to Employer.

Instances may occur in which the claim payment is zero or BCBSF and/or its Designated Agent pays only a small amount because the amounts eligible for payment were applied to patient cost sharing (such as a deductible or coinsurance). In these instances, BCBSF and/or its Designated Agent will pay the Host Blue's access fee and pass it along directly to Employer as stated above even though Employer paid little or had no claim liability.

The AEA fee is a fixed per claim dollar amount charged by the Host Blue to BCBSF and/or its Designated Agent for administrative services that the Host Blue provides in processing claims for Employer's members. The dollar amount is normally based on the type of claim (e.g. institutional, professional, international, etc.) and can also be based on the size of your group enrollment. When charged, BCBSF and/or its Designated Agent pass the AEA fee directly on to Employer.

See the fee section of this Exhibit B for the BlueCard Program access fee and AEA fee and

for BCBSF's Base Administrative Fee. The Base Administrative Fee includes all other fees relative to the BlueCard Program. These fees include the central financial agency fee, ITS transaction fee, toll free number fee, PPO provider directory fee and Blue Cross Blue Shield Global® Core Program Fees, if applicable.

A Base Administrative Fee encompasses fees BCBSF charges to Employer for administering Employer's benefit plan. They may include both local (within BCBSF's Designated Agent's service area, i.e. South Carolina) and Inter-Plan fees. For purposes of this Agreement they include the following BlueCard Program related fees other than the BlueCard Program access fee and AEA fee: namely central financial agency fee, ITS transaction fee, toll free number fee, PPO provider directory fee and Blue Cross Blue Shield Global Core Program Fees, if applicable.

C. Negotiated Arrangements

With respect to one or more Host Plans, instead of using the BlueCard Program, BCBSF and/or its Designated Agent may process your member claims for covered healthcare services through Negotiated Arrangements. Negotiated Arrangements or Negotiated National Account Arrangements are agreements negotiated between a Home Licensee and one or more Host Licensees for any national account that is not delivered through the BlueCard Program.

In addition, if BCBSF and Employer have agreed that (a) Host Blue(s) shall make available (a) custom healthcare provider network(s) in connection with this Agreement, then the terms and conditions set forth in BCBSF's Negotiated Arrangement(s) for National Accounts with such Host Blue(s) shall apply. These include the provisions governing the processing and payment of claims when members access such network(s). In negotiating such arrangement(s), BCBSF is not acting on behalf of or as an agent for Employer, Employer's group health plan or Employer's members.

Member Liability Calculation

Member liability calculation will be based on the negotiated price (refer to the description of negotiated price under Section A, BlueCard Program) that the Host Blue makes available to BCBSF and/or its Designated Agent and that allows Employer's members access to negotiated participation agreement networks of specified participating providers outside of BCBSF's Designated Agent's service area (i.e. South Carolina).

The amount the member pays for covered healthcare services under such arrangement at the point of service, if not a flat dollar copayment, will be calculated based on the "price" that the Host Blue passed to BCBSF and/or its Designated Agent and that allows Employer's members access to negotiated participation agreement networks of specified participating providers outside of BCBSF's Designated Agent's service area (i.e. South Carolina). The "price" may be the:

- (i) Negotiated price/lower of either billed covered charges or negotiated price; or
- (ii) Lower of either billed covered charges or negotiated price (refer to the description of negotiated price under Section A, BlueCard Program).

Under certain circumstances, if BCBSF and/or its Designated Agent pay the healthcare provider amounts that are the responsibility of the member BCBSF and/or its Designated Agent may collect such amounts from the member.

In situations where participating agreements allow for bulk settlement reconciliations for Episode-Based Payment/Bundled Payments, BCBSF and/or its Designated Agent may include a factor for such settlement reconciliations as part of the fees BCBSF and/or its Designated Agent charges

to Employer.

Fees and Compensation

Employer understands and agrees to reimburse BCBSF and/or its Designated Agent for certain fees and compensation which we are obligated under applicable Inter-Plan Arrangement requirements to pay to the Host Blues, to the Association and/or to vendors of Inter-Plan Arrangement related services. Fees and compensation under applicable Inter-Plan Arrangements may be revised from time to time. In addition, the participation agreement with the Host Blue may provide that BCBSF and/or its Designated Agent must pay an administrative and/or a network access fee to the Host Blue, and Employer further agrees to reimburse BCBSF and/or its Designated Agent for any such applicable administrative and/or network access fees. The specific fees and compensation that are charged to BCBSF and/or its Designated Agent under Negotiated Arrangements are set forth in this Exhibit B

D. Special Cases: Value-Based Programs

Value-Based Programs Definitions

Accountable Care Organization (ACO): A group of healthcare providers who agree to deliver coordinated care and meet performance benchmarks for quality and affordability in order to manage the total cost of care for their member populations.

Global Payment/Total Cost of Care: A payment methodology that is defined at the patient level and accounts for either all patient care or for a specific group of services delivered to the patient such as outpatient, physician, ancillary, hospital services and prescription drugs.

Patient-Centered Medical Home (PCMH): A model of care in which each patient has an ongoing relationship with a primary care physician who coordinates a team to take collective responsibility for patient care and, when appropriate, arranges for care with other qualified physicians.

Shared Savings: A payment mechanism in which the provider and payer share cost savings achieved against a target cost budget based upon agreed upon terms and may include downside risk.

Value-Based Program (VBP): An outcomes-based payment arrangement and/or a coordinated care model facilitated with one or more local providers that is evaluated against cost and quality metrics/factors and is reflected in provider payment.

Value-Based Programs Overview

Employer's members may access covered healthcare services from providers that participate in a Host Blue's Value-Based Program. Value-Based Programs may be delivered either through the BlueCard Program or a Negotiated Arrangement. These Value-Based Programs may include, but are not limited to, Accountable Care Organizations, Global Payment/Total Cost of Care arrangements, Patient Centered Medical Homes and Shared Savings arrangements.

Value-Based Programs under the BlueCard Program

Under Value-Based Programs, a Host Blue may pay providers for reaching agreed upon cost/quality goals in the following ways:

The Host Blue may pass these provider payments to BCBSF and/or its Designated Agent, which BCBSF and/or its Designated Agent will pass directly on to Employer as either an amount included in the price of the claim or an amount charged separately in addition to the claim.

When such amounts are included in the price of the claim, the claim may be billed using one of the following pricing methods, as determined by the Host Blue:

- (i) Actual Pricing: The charge to accounts for Value-Based Programs incentives/Shared Savings settlements is part of the claim. These charges are passed to Employer via an enhanced provider fee schedule.
- (ii) Supplemental Factor: The charge to accounts for Value-Based Programs incentives/Shared Savings settlements is a supplemental amount that is included in the claim as an amount based on a specified supplemental factor (e.g., a small percentage increase in the claim amount). The supplemental factor may be adjusted from time to time.

When such amounts are billed separately from the price of the claim, they may be billed as follows:

- Per Member Per Month (PMPM) Billings: Per member per month billings for Value-Based Programs incentives/Shared Savings settlements to accounts are outside of the claim system. BCBSF and/or its Designated Agent will pass these Host Blue charges directly through to Employer as a separately identified amount on the group billings; or,
- Where Host Blues pass on the costs of Value-Based Programs to BCBSF and/or its Designated Agent as PMPM amounts not attached to specific claims, BCBSF and/or its Designated Agent may elect to pass these amounts to Employer as a claim amount.

The amounts used to calculate either the supplemental factors for estimated pricing or PMPM billings are fixed amounts that are estimated to be necessary to finance the cost of a particular Value-Based Program. Because amounts are estimates, there may be positive or negative differences based on actual experience, and such differences will be accounted for in a variance account maintained by the Host Blue (in the same manner as described in the BlueCard claim pricing section above) until the end of the applicable Value-Based Program payment and/or reconciliation measurement period. The amounts needed to fund a Value-Based Program may be changed before the end of the measurement period if it is determined that amounts being collected are projected to exceed the amount necessary to fund the program or if they are projected to be insufficient to fund the program.

At the end of the Value-Based Program payment and/or reconciliation measurement period for these arrangements, Host Blues will take one of the following actions:

- Use any surplus in funds in the variance account to fund Value-Based Program payments or reconciliation amounts in the next measurement period.
- Address any deficit in funds in the variance account through an adjustment to the PMPM billing amount or the reconciliation billing amount for the next measurement period.

The Host Blue will not receive compensation resulting from how estimated, average or PMPM price methods, described above, are calculated. If Employer terminates, you will not receive a refund or charge from the variance account. This is because any resulting surpluses or deficits would be eventually exhausted through prospective adjustment to the settlement billings in the case of Value-Based Programs. The measurement period for determining these surpluses or deficits may differ from the term of this Agreement.

Variance account balances are small amounts relative to the overall paid claims amounts and will be liquidated over time. The timeframe for their liquidation depends on variables, including, but

not limited to, overall volume/number of claims processed and variance account balance. Variance account balances may earn interest, and interest is earned at the federal funds or similar rate. Host Blues may retain interest earned on funds held in variance accounts.

Note: Members will not bear any portion of the cost of Value-Based Programs except when a Host Blue uses either average pricing or actual pricing to pay providers under Value-Based Programs.

Care Coordinator Fees

Host Blues may also bill BCBSF and/or its Designated Agent for care coordinator fees for provider services which we will pass on to Employer as follows:

1. PMPM billings; or
2. Individual claim billings through applicable care coordination codes from the most current editions of either Current Procedural Terminology (CPT) published by the American Medical Association (AMA) or Healthcare Common Procedure Coding System (HCPCS) published by the U.S. Centers for Medicare and Medicaid Services (CMS).

As part of this Agreement, BCBSF and Employer will not impose member cost sharing for care coordinator fees.

Value-Based Programs under Negotiated Arrangements

If BCBSF has entered into a Negotiated Arrangement/ with a Host Blue to provide Value-Based Programs to Employer's members BCBSF and/or its Designated Agent will follow the same procedures for Value-Based Programs administration and care coordination fees as noted in the BlueCard Program section.

E. Return of Overpayments

Recoveries from a Host Blue or its participating and nonparticipating providers can arise in several ways, including, but not limited to, anti-fraud and abuse recoveries, audits, utilization review refunds and unsolicited refunds. Recoveries will be applied so that corrections will be made, in general, on either a claim-by-claim or prospective basis. If recovery amounts are passed on a claim-by-claim basis from a Host Blue to BCBSF and/or its Designated Agent they will be credited to Employer. In some cases, the Host Blue will engage a third party to assist in identification or collection of recovery amounts. The fees of such a third party may be charged to Employer as a percentage of the recovery.

F. Inter-Plan Programs: Federal/State Taxes/Surcharges/Fees

In some instances federal or state laws or regulations may impose a surcharge, tax or other fee that applies to self-funded accounts. If applicable, BCBSF and/or its Designated Agent will disclose any such surcharge, tax or other fee to Employer, which will be Employer's liability.

G. Nonparticipating Providers Outside BCBSF's Designated Agent's Service Area (i.e. South Carolina)

1. Member Liability Calculation

a. In General

When covered healthcare services are provided outside of BCBSF's Designated Agent's service area (i.e. South Carolina) by nonparticipating providers, the amount(s) a member pays for such services will be based on either the Host Blue's nonparticipating healthcare

provider local payment or the pricing arrangements required by applicable state law. In these situations, the member may be responsible for the difference between the amount that the nonparticipating provider bills and the payment BCBSF and/or its Designated Agent will make for the covered services as set forth in this paragraph. Payments for out-of-network emergency services will be governed by applicable federal and state law.

b. Exceptions

In some exception cases, at Employer's direction, BCBSF and/or its Designated Agent may pay claims from nonparticipating healthcare providers outside of BCBSF's Designated Agent's service area (i.e., South Carolina) based on the provider's billed charge. This may occur in situations where a member did not have reasonable access to a participating provider, as determined by BCBSF and/or its Designated Agent in BCBSF's and/or its Designated Agent's sole and absolute discretion, or by applicable state law. In other exception cases, at Employer's direction, BCBSF and/or its Designated Agent may pay such claims based on the payment BCBSF and/or its Designated Agent would make if BCBSF and/or its Designated Agent were paying a nonparticipating provider inside BCBSF's Designated Agent's service area (i.e. South Carolina), as described elsewhere in this Agreement. This may occur where the Host Blue's corresponding payment would be more than BCBSF's Designated Agent's in-service area nonparticipating provider payment. BCBSF and/or its Designated Agent may choose to negotiate a payment with such a provider on an exception basis.

The member may be responsible for the difference between the amount that the nonparticipating healthcare provider bills and the payment BCBSF and/or its Designated Agent will make for the covered services as set forth in this paragraph.

2. Fees and Compensation

Employer understands and agrees to reimburse BCBSF and/or its Designated Agent for certain fees and compensation which we are obligated under applicable Inter-Plan Arrangement requirements to pay to the Host Blues, to the Association and/or to vendors of Inter-Plan Arrangement related services. The specific fees and compensation that are charged to Employer are set forth in this Exhibit B, if applicable. Fees and compensation under applicable Inter-Plan Arrangements may be revised from time to time.

H. Blue Cross Blue Shield Global[®] Core Program

1. General Information

If members are outside the United States, (the Commonwealth of Puerto Rico and the U.S. Virgin Islands) (hereinafter: "BlueCard service area"), they may be able to take advantage of the Blue Cross Blue Shield Global Core Program when accessing covered healthcare services. The Blue Cross Blue Shield Global Core Program is unlike the BlueCard Program available in the BlueCard service area in certain ways. For instance, although the Blue Cross Blue Shield Global Core Program assists members with accessing a network of inpatient, outpatient and professional providers, the network is not served by a Host Blue. As such, when members receive care from providers outside the BlueCard service area, the members will typically have to pay the providers and submit the claims themselves to obtain reimbursement for these services.

- Inpatient Services

In most cases, if members contact the Blue Cross Blue Shield Global Core Service Center for assistance, hospitals will not require members to pay for covered inpatient services, except for their cost-share amounts. In such cases, the hospital will submit member claims to the Blue Cross Blue Shield Global Core Service Center to initiate claims processing. However, if the member paid in full at the time of service, the member must submit a claim to obtain reimbursement for covered healthcare services. Members must contact BCBSF and/or its Designated Agent to obtain precertification for non-emergency inpatient services.

- **Outpatient Services**

Physicians, urgent care centers and other outpatient providers located outside the BlueCard service area will typically require members to pay in full at the time of service. Members must submit a claim to obtain reimbursement for covered healthcare services.

- **Submitting a Blue Cross Blue Shield Global Core Claim**

When members pay for covered healthcare services outside the BlueCard service area, they must submit a claim to obtain reimbursement. For institutional and professional claims, members should complete a Blue Cross Blue Shield Global Core International claim form and send the claim form with the provider's itemized bill(s) to the Blue Cross Blue Shield Global Core Service Center address on the form to initiate claims processing. The claim form is available from BCBSF and/or its Designated Agent, the Blue Cross Blue Shield Global Core Service Center, or online at www.bluecardworldwide.com. If members need assistance with their claim submissions, they should call the Blue Cross Blue Shield Global Core Service Center at 1.800.810.BLUE (2583) or call collect at 1.804.673.1177, 24 hours a day, seven days a week.

2. Blue Cross Blue Shield Global Core Program-Related Fees

Employer understands and agrees to reimburse BCBSF and/or its Designated Agent for certain fees and compensation which we are obligated under applicable Inter-Plan Arrangement requirements to pay to the Host Blues, to the Association and/or to vendors of Inter-Plan Arrangement related services. The specific fees and compensation that are charged to Employer under the Blue Cross Blue Shield Global Core Program are set forth in this Exhibit B, if applicable. Fees and compensation under applicable Inter-Plan Arrangements may be revised from time to time.

CLERICAL ERRORS

Clerical errors by the Corporation or the Employer will not cause a denial of Benefits that should otherwise have been granted, nor will clerical errors extend Benefits that should otherwise have ended.

DISCLOSURE OF PHI TO PLAN SPONSOR

The Group Health Plan will disclose (or will require the Corporation to disclose) Member's PHI to the Plan Sponsor only to permit the Plan Sponsor to carry out plan administration functions for the Group Health Plan not inconsistent with the requirements of HIPAA. Any disclosure to and use by the Plan Sponsor will be subject to and consistent with the provisions of paragraphs A and B of this section.

A. Restrictions on the Plan Sponsor's Use and Disclosure of PHI.

1. The Plan Sponsor will neither use nor further disclose Member's PHI, except as permitted or required by the Group Health Plan documents, as amended, or required by law.

2. The Plan Sponsor will ensure that any agent, including any subcontractor, to whom it provides Member PHI agrees to the restrictions and conditions of the Plan of Benefits with respect to Member's PHI.
3. The Plan Sponsor will not use or disclose Member PHI for employment-related actions or decisions or in connection with any other benefit or employee benefit plan of the Plan Sponsor.
4. The Plan Sponsor will report to the Group Health Plan any use or disclosure of Member PHI that is inconsistent with the uses and disclosures allowed under this section promptly upon learning of such inconsistent use or disclosure.
5. The Plan Sponsor will make PHI available to the Member who is the subject of the information in accordance with HIPAA.
6. The Plan Sponsor will make Member PHI available for amendment and will, on notice, amend Member PHI in accordance with HIPAA.
7. The Plan Sponsor will track disclosures it may make of Member PHI so that it can make available the information required for the Group Health Plan to provide an accounting of disclosures in accordance with HIPAA.
8. The Plan Sponsor will make its internal practices, books and records relating to its use and disclosure of Member PHI available to the Group Health Plan and to the U.S. Department of Health and Human Services to determine compliance with HIPAA.
9. The Plan Sponsor will, if feasible, return or destroy all Member PHI, in whatever form or medium (including in any electronic medium under the Plan Sponsor's custody or control), received from the Group Health Plan, including all copies of and any data or compilations derived from and allowing identification of any Member who is the subject of the PHI, when the Member's PHI is no longer needed for the Group Health Plan administration functions for which the disclosure was made. If it is not feasible to return or destroy all Member PHI, the Plan Sponsor will limit the use or disclosure of any Member PHI it cannot feasibly return or destroy to those purposes that make the return or destruction of the information infeasible.
10. The Plan Sponsor will implement administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity and availability of the ePHI that the Plan Sponsor creates, receives, maintains or transmits on behalf of the Group Health Plan.
11. The Plan Sponsor will ensure that any agent, including a subcontractor, to whom the Plan Sponsor provides ePHI (that the Plan Sponsor creates, receives, maintains or transmits on behalf of the Group Health Plan) agrees to implement reasonable and appropriate security measures to protect this information.
12. The Plan Sponsor shall report any security incident of which it becomes aware to the Group Health Plan as provided below.

- a. In determining how and how often the Plan Sponsor shall report security incidents to the Group Health Plan, both the Plan Sponsor and the Group Health Plan agree that unsuccessful attempts at unauthorized access or system interference occur frequently and that there is no significant benefit for data security from requiring the documentation and reporting of such unsuccessful intrusion attempts. In addition, both parties agree that the cost of documenting and reporting such unsuccessful attempts as they occur outweigh any potential benefit gained from reporting them. Consequently, both the Plan Sponsor and the Group Health Plan agree that this Agreement shall constitute the documentation, notice and written report of any such unsuccessful attempts at unauthorized access or system interference as required above and by 45 C.F.R. Part 164, Subpart C and that no further notice or report of such attempts will be required. By way of example (and not limitation in any way), the parties consider the following to be illustrative (but not exhaustive) of unsuccessful security incidents when they do not result in unauthorized access, use, disclosure, modification or destruction of ePHI or interference with an information system:
 - i. Pings on a party's firewall;
 - ii. Port scans;
 - iii. Attempts to log on to a system or enter a database with an invalid password or username;
 - iv. Denial-of-service attacks that do not result in a server being taken offline; and,
 - v. Malware (e.g., worms, viruses).
- b. The Plan Sponsor shall, however, separately report to the Group Health Plan any successful unauthorized access, use, disclosure, modification or destruction of the Group Health Plan's ePHI of which the Plan Sponsor becomes aware if such security incident either (a) results in a breach of confidentiality; (b) results in a breach of integrity but only if such breach results in a significant, unauthorized alteration or destruction of the Group Health Plan's ePHI; or (c) results in a breach of availability of the Group Health Plan's ePHI, but only if said breach results in a significant interruption to normal business operations. Such reports will be provided in writing within ten (10) business days after the Plan Sponsor becomes aware of the impact of such security incident upon the Group Health Plan's ePHI.

B. Adequate Separation between the Plan Sponsor and the Group Health Plan.

1. Only Employees or other workforce members under the control of the Plan Sponsor ("Employees") who, in the normal course of their duties, assist in the administration of Employee Benefits or the Group Health Plan or the Group Health Plan finances or other classes of Employees as designated in writing by the Plan Sponsor, may be given access to Member PHI received from the Group Health Plan or a business associate servicing the Group Health Plan.
2. These Employees will have access to Member PHI only to perform the Group Health Plan administration functions that the Plan Sponsor provides for the Group Health Plan.
3. These Employees will be subject to disciplinary action and sanctions, including termination of employment or affiliation with the Plan Sponsor, for any use or disclosure of Member PHI in breach or violation of or noncompliance with the provisions of this section. The Plan Sponsor will promptly report such breach, violation or noncompliance to the Group Health Plan and will cooperate with the Group Health Plan to correct the breach, violation or noncompliance to impose appropriate disciplinary action or sanctions on each Employee or other workforce member causing the breach, violation or noncompliance and to mitigate any deleterious effect of the breach, violation or noncompliance on any Member, the privacy of whose PHI may have been compromised by the breach, violation or noncompliance.

4. The Plan Sponsor will ensure that the separation required by the above provisions will be supported by reasonable and appropriate security measures.

The Plan Sponsor certifies that the Group Health Plan contains and that the Plan Sponsor agrees to the provisions outlined above.

EMPLOYER IS AGENT OF MEMBERS

By accepting Benefits, a Member agrees that the Employer is the Member's agent for all purposes of any notice under the Group Health Plan and Plan of Benefits. The Member further agrees that notifications received from, or given to, the Employer by the Corporation are notification to the Employees except for any notice required by law to be given to the Members by the Corporation.

GOVERNING LAW

The Group Health Plan and Plan of Benefits (including the Schedule of Benefits) are governed by and subject to applicable federal law. If and to the extent that federal law does not apply, the Group Health Plan and Plan of Benefits are governed by and subject to the laws of the State of Florida. If federal law conflicts with any state law, then such federal law shall govern. If any provision of the Group Health Plan or Plan of Benefits conflicts with such law, the Group Health Plan and Plan of Benefits shall automatically be amended solely as required to comply with such state or federal law.

IDENTIFICATION CARD

A Member must present his or her Identification Card prior to receiving Benefits.

Identification Cards are for identification only. Having an Identification Card creates no right to Benefits or other services. To be entitled to Benefits, the cardholder must be a Member whose premium has been paid. Any person receiving Covered Expenses to which the person is not entitled will be responsible for the charges.

INFORMATION AND RECORDS

The Corporation and the Employer are entitled to obtain such medical and Hospital records as may reasonably be required from any Provider incident to the treatment, payment and healthcare operations for the administration of the Benefits hereunder and the attending Provider's certification as to the Medical Necessity for care or treatment.

LEGAL ACTIONS

No Member may bring an action at law or in equity to recover under the Group Health Plan or Plan of Benefits until such Member has exhausted the appeal process as set forth in Article VIII of the Plan of Benefits. No such action may be brought after the expiration of any applicable period prescribed by law.

NEGLIGENCE OR MALPRACTICE

The Corporation and Employer do not practice medicine. Any medical treatment, service or Medical Supplies rendered to or supplied to any Member by a Provider is rendered or supplied by such Provider and not by the Corporation or the Employer. The Corporation and Employer are not liable for any improper or negligent act, inaction or act of malfeasance of any Provider in rendering such medical treatment, service, Medical Supply or medication.

NOTICES

Except as otherwise provided in this Plan of Benefits, any notice under this Plan of Benefits may be given by United States registered or certified mail, postage paid, return receipt requested or nationally recognized carrier and addressed:

1. To the Corporation:

BlueCross BlueShield
P.O. Box 100121
Columbia, South Carolina 29202

2. To a Member: To the last known name and address listed for the Employee related to such Member on the membership application. Members are responsible for notifying the Corporation of any name or address changes within thirty-one (31) days of the change.
3. To the Employer: To the name and address last given to the Corporation. The Employer is responsible for notifying the Corporation and Members of any name or address change within thirty-one (31) days of the change.

NO WAIVER OF RIGHTS

On occasion, the Corporation (on behalf of the Group Health Plan) or the Employer may, at their discretion, choose not to enforce all of the terms and conditions of the Group Health Plan or Plan of Benefits. Such a decision does not mean the Group Health Plan or Employer waives or gives up any rights under the Group Health Plan or Plan of Benefits in the future.

OTHER INSURANCE

Each Member must provide the Group Health Plan (and its designee, including the Corporation) and Employer with information regarding all other health insurance coverage to which such Member is entitled.

PAYMENT OF CLAIMS

A Member is expressly prohibited from assigning any right to payment of or related to Benefits. The Group Health Plan may pay all Benefits directly to the Member upon receipt of due proof of loss when a Non-Participating Provider renders services. When payment is made directly to the Member, the Member is responsible for any payment to the Provider. Where a Member has received Benefits from a Participating Provider, the Group Health Plan will pay Benefits directly to such Participating Provider.

PHYSICAL EXAMINATION

The Group Health Plan has the right to have examined, at their own expense, a Member whose injury or sickness is the basis of a claim (whether a Pre-Service Claim, Post-Service Claim, Concurrent Care claim or Urgent Care Claim). Such physical examination may be made as often as the Group Health Plan (through its designee, including the Corporation) may reasonably require while such claim for Benefits or request for Preauthorization is pending.

REPLACEMENT COVERAGE

If the Group Health Plan replaced the Employer's prior Plan, all eligible persons who were validly covered under that Plan on its termination date will be covered under the Plan of Benefits Effective Date of the Group Health Plan, provided such persons are enrolled.

CONSOLIDATED APPROPRIATIONS ACT (CAA) AMENDMENT

Employer Name: OSI Restaurant Partners, LLC
Employer Number: 71-6002N-00 and appropriate subgroups
Effective Date: January 1, 2022

The Plan of Benefits between the Employer and the Corporation is amended as follows:

The following definitions in **Article I – DEFINITIONS** are added or revised as follows:

Allowable Charge: the amount the Corporation or a licensee of the BCBSA agrees to pay a Provider as payment in full for a service, procedure, supply or equipment. Additionally:

1. The Allowable Charge shall not exceed the Maximum Payment, unless otherwise required by applicable law;
2. The Allowable Charge for Emergency Services (including air ambulance services) provided by Non-Participating Providers, as well as non-Emergency Services provided by Non-Participating Providers at Participating Hospitals, Hospital outpatient departments, Critical Access Hospitals, or Ambulatory Surgical Centers, will pay in accordance with applicable federal law; and,
3. In addition to the Member's liability for Benefit Year Deductibles, Copayments and/or Coinsurance, the Member may be balance billed by the Non-Participating Provider for any difference between the Allowable Charge and the Billed Charge, except where prohibited by applicable law.

For covered items and services described in item 2, above, the Allowable Charge will be the Recognized Amount (less any applicable Benefit Year Deductible, Copayment and/or Coinsurance), unless otherwise prescribed under applicable law. If the Provider disputes such Allowable Charge and initiates a 30-day open negotiation and/or independent dispute resolution process in accordance with applicable federal law, the Corporation will administer such processes.

Notwithstanding anything herein to the contrary, the Member's responsibility for Benefit Year Deductibles, Copayments and/or Coinsurance for covered items and services provided by Non-Participating Providers described in item 2, above, will be calculated as if the item or service was furnished by a Participating Provider, and based on the Recognized Amount (which may differ from the Allowable Charge).

Ambulatory Surgical Center: a licensed facility that:

1. Has permanent facilities and equipment for the primary purpose of performing surgical procedures on an outpatient basis;
2. Provides treatment by or under the supervision of licensed medical doctors or oral surgeons and provides nursing services when the Member is in the facility;
3. Does not provide inpatient accommodations; and,
4. Is not, other than incidentally, a facility used as an office or clinic for the private practice of a licensed medical doctor or oral surgeon.

An Ambulatory Surgical Center includes any licensed facility described in section 1833(i)(1)(A) of the Social Security Act.

Continuation of Care: the payment of Participating Provider level of Benefits for services rendered by certain Non-Participating Providers for a definite period of time in order to ensure continuity of care for covered Members for a Serious Medical Condition.

Continuing Care Patient: a Member who, with respect to a Provider or facility, is either:

1. Undergoing a course of treatment for a serious and complex condition from the Provider or facility;
2. Undergoing a course of institutional or inpatient care from the Provider or facility;
3. Scheduled to undergo nonelective surgery from the Provider or facility, including receipt of postoperative care;
4. Pregnant and undergoing a course of treatment for the pregnancy from the Provider or facility; or,
5. Receiving treatment for a terminal illness from the Provider or facility.

For this purpose, a serious and complex condition means a condition that, in the case of an acute illness, is serious enough to require specialized medical treatment to avoid the reasonable possibility of death or permanent harm, or in the case of a chronic illness or condition, is life-threatening, degenerative, potentially disability, or congenital and requires specialized medical care over a prolonged period of time.

Critical Access Hospital: a facility that is designated by the state in which it is located, and certified by the United States Department of Health and Human Services, as a critical access hospital.

Emergency Medical Condition: a medical condition, including a mental health condition or Substance Use Disorder, manifesting itself by acute symptoms of sufficient severity, including severe pain, such that a prudent layperson who possesses an average knowledge of health and medicine could reasonably expect the absence of immediate medical attention to result in:

1. Placing the health of the Member, or with respect to a pregnant Member, the health of the Member or her unborn child, in serious jeopardy;
2. Serious impairment to bodily functions; or,
3. Serious dysfunction of any bodily organ or part.

Emergency Services: an appropriate medical screening examination, services, supplies and treatment for stabilization, evaluation and/or initial treatment of an Emergency Medical Condition when provided on an outpatient basis at a Hospital emergency room or department or an independent freestanding emergency department, as well as post-stabilization services provided as part of outpatient observation or an inpatient or outpatient stay with respect to the visit in which the Emergency Services are furnished.

Maximum Payment: the maximum amount the Group Health Plan will pay (as determined by the Corporation) for a particular Benefit. The Maximum Payment will not be affected by any credit. The Maximum Payment will be one of the following as determined by the Corporation in its discretion, subject to any different amount that may be required under applicable law:

1. The actual charge submitted to the Corporation for the service, procedure, supply or equipment by a Provider;
2. An amount based upon the reimbursement rates established by the Plan Sponsor in its Benefits Checklist;
3. An amount that has been agreed upon in writing by a Provider and the Corporation or a licensee of the BCBSA;

4. An amount established by the Corporation, based upon factors including, but not limited to:
 - a. Governmental reimbursement rates applicable to the service, procedure, supply or equipment; or,
 - b. Reimbursement for a comparable or similar service, procedure, supply or equipment, taking into consideration the degree of skill, time and complexity involved; geographic location and circumstances giving rise to the need for the service, procedure, supply or equipment; or,
5. The lowest amount of reimbursement the Corporation allows for the same or similar service, procedure, supply or equipment when provided by a Participating Provider.

In addition, the Maximum Payment for Emergency Services or Air Ambulance Services by a Non-Participating Provider, or non-Emergency Services by a Non-Participating Provider at a Participating Hospital, Hospital outpatient department, Critical Access Hospital, or Ambulatory Surgical Center, will be the Recognized Amount, unless a different Maximum Payment amount is permitted or required under applicable law.

Recognized Amount: the lesser of the Non-Participating Provider's Billed Charges or the Corporation's median contracted rate for Participating Providers for the same or similar item or service furnished in the same or similar specialty in the same geographic region; provided that, except in connection with air ambulance services, if there is a recognized amount specified for this purpose under an applicable All-Payer Model Agreement under Section 1115A of the Social Security Act, or if not, under applicable state law, then such amount, as applicable, will instead serve as the Recognized Amount.

Serious Medical Condition: a health condition or illness that requires medical attention and for which failure to provide the current course of treatment through the current Provider would place the Member's health in serious jeopardy. This includes cancer, acute myocardial infarction and pregnancy.

The benefit entitled **Emergency Services** in **Article II- BENEFITS** is deleted in its entirety and the following substituted therefore:

EMERGENCY SERVICES

Benefits will be paid for the treatment of Emergency Medical Conditions. Benefits are only available to treat an Emergency Medical Condition provided on an outpatient basis at a Hospital emergency room or department and only for as long as the condition continues to be considered an Emergency Medical Condition, unless otherwise required by applicable law.

Article VIII – CLAIMS FILING AND APPEAL PROCEDURES is amended by the deletion of **Section C(1)** in its entirety and the following substituted therefore:

1. After a Member has completed the appeal process, a Member may be entitled to an additional, external review of the Member's claim at no cost to the Member. An external review may be used to reconsider the Member's claim if the Corporation has denied, either in whole or in part, the Member's claim. In order to qualify for external review, the termination or denial or reduction of the claim must be related to:
 - a. Medical Necessity, appropriateness, healthcare setting, level of care or effectiveness of a Benefit;
 - b. An Investigational or Experimental service that involves a life-threatening or seriously disabling condition; or,

- c. Administration of the Plan of Benefits' provisions related to cost-sharing and surprise billing protections for emergency or air ambulance services by Non-Participating Providers and care provided by Non-Participating Providers at certain Participating Provider facilities.

Article IX – GENERAL PROVISIONS is amended by the addition of the following **CONTINUATION OF CARE** section:

CONTINUATION OF CARE

If a Participating Provider's contract ends or is not renewed for any reason other than fraud or a failure to meet applicable quality standards and the Member is a Continuing Care Patient, the Member may be eligible to continue to receive in-network Benefits from that Provider with respect to the course of treatment relating to the Member's status as a Continuing Care Patient.

In order to receive this Continuation of Care, the Member must submit a request to the Corporation on the appropriate form. Upon receipt of the request, the Corporation will notify the Member and the Provider of the last date the Provider is part of the network and a summary of Continuation of Care requirements. The Corporation will review the request to determine qualification for the Continuation of Care. If additional information is necessary to make a determination, the Corporation may contact the Member or the Provider for such information. If the Corporation approves the request, in-network Benefits for that Provider will be provided, with respect to the course of treatment relating to the Member's status as a Continuing Care Patient, for ninety (90) days or until the date the Member is no longer a Continuing Care Patient for the Provider. During this time, the Provider will accept the network allowance as payment in full. Continuation of Care is subject to all other terms and conditions of this contract, including regular Benefit limits.

THIS IS AN AMENDMENT TO YOUR PRESENT PLAN OF BENEFITS.
