

Dear Tracey,

Bloomin' Brands has partnered with ThrivePass to administer their arrears billing services. You are receiving this notice because this is the first time you have an arrears payment due through ThrivePass. Moving forward, all arrears payments from your Bloomin' Brands benefit plan(s) will be billed and collected by ThrivePass.

**ThrivePass offers a secure online portal for you to manage your account and make payments electronically. Visit <https://nexus.thrivepass.com> or scan the QR code below to register your account and set your payment preferences on the ThrivePass Nexus portal.**

Your first payment due date is 01/01/2026. Going forward, arrears payments are due within 45-days of the invoice date. You can make your payment easily in the ThrivePass Nexus portal using either ACH or credit card. Check payments must be made payable to ThrivePass and mailed to the address on your invoice.

You may not have an arrears payment due every month. However, if any premiums are missed from your paycheck, you'll be responsible for making that payment through ThrivePass to keep your Bloomin' Brands coverage active.

If you've chosen to receive monthly invoices, ThrivePass will send you a reminder through your chosen method (mail or email) whenever a payment is due. If you choose not to receive monthly invoices, you will need to check your ThrivePass account each month to see if an arrears payment is due.

Paying arrears on time will help ensure your Bloomin' Brands coverage continues.

Coverage may end under certain circumstances like failure to pay arrears payments or fraud. Payment attempts returned or declined for any reason do not constitute payment. Failure to make a complete and timely payment will result in termination of coverage.

For any questions about the information in this notice or your coverage options, contact ThrivePass via email or phone at [premiumbilling@ThrivePass.com](mailto:premiumbilling@ThrivePass.com) or (866) 855-2844.
