In order to receive the benefits under this Certificate, You must contact Your Primary Care Dentist before You obtain the services except for Emergency Dental Care described in the Covered Services section of this Certificate. Except for Emergency Dental Care described in the Covered Services section of this Certificate, You will be responsible for paying the cost of all care that is provided by Non-Participating Providers.

READ THIS ENTIRE CERTIFICATE CAREFULLY. IT DESCRIBES THE BENEFITS AVAILABLE UNDER THE GROUP CONTRACT. IT IS YOUR RESPONSIBILITY TO UNDERSTAND THE TERMS AND CONDITIONS IN THIS CERTIFICATE.

SECTION II. How Your Coverage Works

A. Your Coverage Under this Certificate.

Your employer (referred to as the "Group") has purchased a Group dental insurance Policy from Us. We will provide the benefits described in this Certificate to covered Members of the Group, that is, to employees of the Group and/or their covered Dependents. However, this Certificate is not a contract between You and Us. You should keep this Certificate with Your other important papers so that it is available for Your future reference.

B. Covered Services.

You will receive Covered Services under the terms and conditions of this Certificate only when the Covered Service is:

- Medically Necessary;
- Provided by a Participating Provider;
- Listed as a Covered Service;
- Not in excess of any benefit limitations described in the Schedule of Benefits issued with this Certificate; and
- Received while Your Certificate is in force.

C. Participating Providers.

To find out if a Provider is a Participating Provider:

- Check Our Provider directory, available at Your request;
- Call the number on Your ID card or
- Visit Our website at www.cigna.com.

The Provider directory will give You the following information about Our Participating Providers:

- Name, address, and telephone number;
- Specialty;
- Board certification (if applicable);
- Languages spoken; and
- Whether the Participating Provider is accepting new patients.

D. The Role of Primary Care Dentists.

This Certificate has a gatekeeper, usually known as a Primary Care Dentist ("PCD"). You need a Referral from a PCD before receiving Specialist care from a Participating Provider.

You may select any participating PCD who is available from the list of PCDs in the Cigna Dental Care Network. Each Member may select a different PCD. Children who are under

the age of 13, covered under this Certificate, may designate a participating PCD who specializes in pediatric care. In certain circumstances, You may designate a Specialist as Your PCD. See the Access to Care and Transitional Care section of this Certificate for more information about designating a Specialist. To select a PCD, visit Our website at www.cigna.com.

E. Services Not Requiring Referral from Your PCD.

Your PCD is responsible for determining the most appropriate treatment for Your dental care needs. You do not need a Referral from Your PCD to a participating Specialist for the following services:

- Covered orthodontic services, or Covered Services provided by a pediatric Specialist (for children under the age of 19).

However, the Participating Provider must discuss the services and treatment plan with Your PCD; agree to follow Our policies and procedures including any procedures regarding Referrals or Preauthorization for services rendered by such Participating Provider; and agree to provide services pursuant to a treatment plan (if any) approved by Us. See the Schedule of Benefits issued with this Certificate for the services that require a Referral.

F. Access to Providers and Changing Providers.

Sometimes Providers in Our Provider directory are not available. Prior to notifying Us of the PCD You selected, You should call the PCD to make sure he or she is a Participating Provider and is accepting new patients.

To see a Provider, call his or her office and tell the Provider that You are a Cigna Dental Care Member, and explain the reason for Your visit. Have Your ID card available. The Provider's office may ask You for Your Member ID number. When You go to the Provider's office, bring Your ID card with You.

To contact Your Provider after normal business hours, call the Provider's office. You will be directed to Your Provider, an answering machine with directions on how to obtain services, or another Provider. If You have an Emergency Condition, seek immediate care at the nearest Hospital emergency department or call 911.

You may change Your PCD by contacting Us at the number on Your ID card. You should complete any dental procedure in progress before transferring to another Dental Office. To arrange a transfer, call Customer Service at the number on Your ID card. To obtain a list of Dental Offices near You, visit Our website at www.cigna.com, or call the Dental Office Locator at the number on Your ID card.

Your transfer request may take up to five days to process. Transfers will be effective the first day of the month after the processing of Your request. Unless You have an emergency, You will be unable to schedule an appointment at the new Dental Office until Your transfer becomes effective. You can check the status of your request by visiting myCigna.com, or by calling us at 1-800-Cigna24. There is no charge to You for the transfer; however, all Cost-Sharing which You owe to Your current Dental Office must be paid before the transfer can be processed.

If We do not have a Participating Provider for certain provider types in the county in which You live or in a bordering county that is within approved time and distance standards, We will approve a Referral to a specific Non-Participating Provider until You no longer need the care or We have a Participating Provider in Our network that meets the time and distance standards and Your care has been transitioned to that Participating Provider. Covered Services rendered by the Non-Participating Provider will be paid as if they were provided by a Participating Provider. You will be responsible only for any applicable in-network Cost-Sharing.

G. Out-of-Network Services.

We cover the services of Non-Participating Providers for Emergency Dental Care only.

H. Services Subject to Preauthorization.

Our Preauthorization is not required before You receive certain Covered Services. Your Participating Provider is responsible for requesting a Referral for in-network services with a participating Specialist.

I. Notification Procedure.

If You seek coverage for out-of-network services that require notification, Your Provider must call Us at the number on Your ID card.

J. Pre-Determination/Pre-Treatment Estimates.

We allow You to request and obtain an estimate of coverage. You or Your Provider may contact Us and request a pre-determination of benefits, also known as a pre-treatment estimate. If We determine that an alternative procedure or treatment is more appropriate than the requested service, You may appeal Our decision through an internal Appeal or external appeal. See the Utilization Review and External Appeal sections of this Certificate for Your right to an internal Appeal and external appeal.

K. Medical Management.

The benefits available to You under this Certificate may be subject to pre-service, concurrent and retrospective reviews to determine when services should be Covered by Us. The purpose of these reviews is to promote the delivery of cost-effective medical care by reviewing the use of procedures and, where appropriate, the setting or place the services are

performed. Covered Services must be Medically Necessary for benefits to be provided.

L. Medical Necessity.

We Cover certain benefits described in this Certificate as long as the dental service, procedure, treatment, test, device, or supply (collectively, "service") is Medically Necessary (e.g., anesthesia). The fact that a Provider has furnished, prescribed, ordered, recommended, or approved the service does not make it Medically Necessary or mean that We have to Cover it.

We may base Our decision on a review of:

- Your dental records;
- Our dental policies and clinical guidelines;
- Medical and/or dental opinions of a professional society, peer review committee or other groups of Physicians;
- Reports in peer-reviewed medical and/or dental literature;
- Reports and guidelines published by nationally-recognized health care organizations that include supporting scientific data;
- Professional standards of safety and effectiveness, which are generally-recognized in the United States for diagnosis, care, or treatment;
- The opinion of health care professionals in the generally-recognized health specialty involved;
- The opinion of the attending Providers, which have credence but do not overrule contrary opinions.

Services will be deemed Medically Necessary only if:

- They are clinically appropriate in terms of type, frequency, extent, site, and duration, and considered effective for Your illness, injury, or disease;
- They are required for the direct care and treatment or management of that condition;
- Your condition would be adversely affected if the services were not provided;
- They are provided in accordance with generally-accepted standards of dental practice;
- They are not primarily for the convenience of You, Your family, or Your Provider;
- They are not more costly than an alternative service or sequence of services, that is at least as likely to produce equivalent therapeutic or diagnostic results;
- When setting or place of service is part of the review, services that can be safely provided to You in a lower cost setting will not be Medically Necessary if they are performed in a higher cost setting.

See the Utilization Review and External Appeal sections of this Certificate for Your right to an internal Appeal and external appeal of Our determination that a service is not Medically Necessary.

SECTION III. Access to Care and Transitional Care

A. Referral to a Non-Participating Provider.

If We determine that We do not have a Participating Provider that has the appropriate training and experience to treat Your condition, We will approve a Referral to an appropriate Non-Participating Provider. Your Participating Provider or You must request prior approval of the Referral to a specific Non-Participating Provider. Approvals of Referrals to Non-Participating Providers will not be made for the convenience of You or another treating Provider and may not necessarily be to the specific Non-Participating Provider You requested. If We approve the Referral, all services performed by the Non-Participating Provider are subject to a treatment plan approved by Us in consultation with Your PCD, the Non-Participating Provider and You. Covered Services rendered by the Non-Participating Provider will be covered as if they were provided by a Participating Provider. You will only be responsible for any applicable in-network Cost-Sharing. In the event a Referral is not approved, any services rendered by a Non-Participating Provider will not be Covered.

B. When a Specialist Can Be Your Primary Care Dentist.

If You have a life-threatening condition or disease or a degenerative and disabling condition or disease that requires specialty care over a long period of time, You may ask that a Specialist who is a Participating Provider be Your PCD. We will consult with the Specialist and Your PCD and decide

whether the Specialist should be Your PCD. Any Referral will be pursuant to a treatment plan approved by Us in consultation with Your PCD, the Specialist and You. We will not approve a non-participating Specialist unless We determine that We do not have an appropriate Provider in Our network. If We approve a non-participating Specialist, Covered Services rendered by the non-participating Specialist pursuant to the approved treatment plan will be paid as if they were provided by a Participating Provider. You will only be responsible for any applicable in-network Cost-Sharing.

C. Standing Referral to a Participating Specialist.

If You need ongoing specialty care, You may receive a "standing Referral" to a Specialist who is a Participating Provider. This means that You will not need a new Referral from Your PCD every time You need to see that Specialist. We will consult with the Specialist and Your PCD and decide whether You should have a standing Referral. Any Referral will be pursuant to a treatment plan approved by Us in consultation with Your PCD, the Specialist and You. The treatment plan may limit the number of visits, or the period during which the visits are authorized and may require the Specialist to provide Your PCD with regular updates on the specialty care provided as well as all necessary medical information. We will not approve a standing Referral to a non-participating Specialist unless We determine that We do not have an appropriate Provider in Our network. If We approve a standing Referral to a non-participating Specialist, Covered Services rendered by the non-participating Specialist pursuant to the approved treatment plan will be paid as if they were provided by a Participating Provider. You will be responsible only for any applicable in-network Cost-Sharing.

D. When Your Provider Leaves the Network.

If You are in an ongoing course of treatment when Your Provider leaves Our network, then You may continue to receive Covered Services for the ongoing treatment from the former Participating Provider for up to 90 days from the date Your Provider's contractual obligation to provide services to You terminates.

The Provider must accept as payment the negotiated fee that was in effect just prior to the termination of Our relationship with the Provider. The Provider must also provide Us necessary medical information related to Your care and adhere to Our policies and procedures, including those for assuring quality of care, obtaining Preauthorization, Referrals, and a treatment plan approved by Us. You will receive the Covered Services as if they were being provided by a Participating Provider. You will be responsible only for any applicable Cost-Sharing. Please note that if the Provider was terminated by Us due to fraud, imminent harm to patients or final disciplinary action by a state board or agency that impairs the Provider's ability to practice, continued treatment with that Provider is not available.

E. New Members In a Course of Treatment.

If You are in an ongoing course of treatment with a Non-Participating Provider when Your coverage under this Certificate becomes effective, You may be able to receive Covered Services for the ongoing treatment from the Non-Participating Provider for up to 60 days from the effective date of Your coverage under this Certificate. This course of treatment must be for a life-threatening disease or condition or a degenerative and disabling condition or disease.

In order for You to continue to receive Covered Services for up to 60 days, the Non-Participating Provider must agree to accept as payment Our fees for such services. The Provider must also agree to provide Us necessary medical information related to Your care and to adhere to Our policies and procedures including those for assuring quality of care, obtaining Preauthorization, Referrals, and a treatment plan approved by Us. If the Provider agrees to these conditions, You will receive the Covered Services as if they were being provided by a Participating Provider. You will only be responsible for any applicable in-network Cost-Sharing.

F. New Members In a Course of Treatment Transferring to a Participating Provider.

You may choose to have a Participating Provider complete an inlay, onlay, crown, fixed bridge, denture, root canal or orthodontic service which is: 1) Covered by this Certificate and 2) started but not completed prior to Your coverage beginning under this Certificate. You are responsible to identify and transfer to a Participating Provider willing to complete the procedure for the amount agreed upon by Us and the Participating Provider.

SECTION IV. Cost-Sharing Expenses and Allowed Amount

A. Deductible.

There is no Deductible for Covered Services under this Certificate during each Plan Year.

B. Copayments.

Except where stated otherwise, You must pay the Copayments, or fixed amounts, in the Schedule of Benefits issued with this Certificate for Covered Services. However, when the Allowed Amount for a service is less than the Copayment, You are responsible for the lesser amount.

C. Allowed Amount. "Allowed Amount" means the maximum amount We will pay for the services or supplies

Covered under this Certificate, before any applicable Copayment, Deductible and Coinsurance amounts are subtracted. We determine Our Allowed Amount as follows:

The Allowed Amount for Participating Providers will be the amount We have negotiated with the Participating Provider.

Our payments to Participating Providers may include financial incentives to help improve the quality of care and promote the delivery of Covered Services in a cost-efficient manner. Payments under this financial incentive program are not made as payment for a specific Covered Service provided to You. Your Cost-Sharing will not change based on any payments made to or received from Participating Providers as part of the financial incentive program.

D. Out-of-Pocket Limit.

This Certificate does not have an Out-of-Pocket Limit.

SECTION V. Who is Covered

A. Who is Covered Under this Certificate.

You, the Subscriber to whom this Certificate is issued, are covered under this Certificate. Members of Your family may also be covered depending upon the type of coverage You selected.

B. Types of Coverage.

We offer the following types of coverage:

1. **Individual.** If You selected individual coverage, then You are covered.
2. **Individual and Spouse.** If You selected individual and Spouse coverage, then You and Your Spouse are covered.
3. **Parent and Child/Children.** If You selected parent and child/children coverage, then You and Your Child or Children, as described below, are covered.
4. **Family.** If You selected family coverage, then You and Your Spouse and Your Child or Children, as described below, are covered.

C. Children Covered Under this Certificate.

If You selected parent and child/children or family coverage, Children covered under this Certificate include Your natural Children, legally adopted Children, step Children, and Children for whom You are the proposed adoptive parent without regard to financial dependence, residency with You, student status or employment. A proposed adopted Child is eligible for coverage on the same basis as a natural Child during any waiting period prior to the finalization of the Child's adoption. Coverage lasts until the end of the month in which the Child turns 26 years of age. Coverage also includes Children for whom You are a legal guardian if the Children are chiefly dependent upon You for support and You have been appointed the legal guardian by a court order.

Coverage shall continue for a Child who is a full-time student when the Child takes a medical leave of absence from school due to illness for a period of 12 months from the last day of attendance in school. However, coverage of the Child is not provided beyond the age at which coverage would otherwise terminate. To qualify for such coverage, We may require that the leave be certified as Medically Necessary by the Child's Physician who is licensed to practice in the state of New York.

Any unmarried dependent Child, regardless of age, who is incapable of self-sustaining employment by reason of mental illness, developmental disability, mental retardation (as defined in the New York Mental Hygiene Law), or physical handicap and who became so incapable prior to attainment of the age at which the Child's coverage would otherwise terminate and who is chiefly dependent upon You for support and maintenance, will remain covered while Your insurance remains in force and Your Child remains in such condition. You have 31 days from the date of Your Child's attainment of the termination age to submit an application to request that the Child be included in Your coverage and proof of the Child's incapacity. We have the right to check whether a Child is qualified and continues to qualify under this section.

We have the right to request and be furnished with such proof as may be needed to determine eligibility status of a prospective or covered Subscriber and all other prospective or covered Members in relation to eligibility for coverage under this Certificate at any time.

D. When Coverage Begins.

Coverage under this Certificate will begin as follows:

1. If You, the Subscriber, elect coverage before becoming eligible, or within 30 days of becoming eligible for other than a special enrollment period, coverage begins on the date You become eligible, or on the date determined by Your Group.
2. If You, the Subscriber, do not elect coverage upon becoming eligible or within 30 days of becoming eligible for other than a special enrollment period, You must wait until the Group's next open enrollment period to enroll, except as provided below.
3. If You, the Subscriber, marry while covered, and We receive notice of such marriage and Premium payment within 30 days thereafter, coverage for Your Spouse and Child starts on the first day of the following month after We receive Your application. If We do not receive notice within 30 days of the marriage, You must wait until the

Group's next open enrollment period to add Your Spouse or Child.

4. If You, the Subscriber, have a newborn or adopted newborn Child and We receive notice of such birth within 30 days thereafter, coverage for Your newborn starts at the moment of birth; otherwise, coverage begins on the date on which We receive notice. Your adopted newborn Child will be covered from the moment of birth if You take physical custody of the infant as soon as the infant is released from the Hospital after birth and You file a petition pursuant to Section 115-c of the New York Domestic Relations Law within 30 days of the infant's birth; and provided further that no notice of revocation to the adoption has been filed pursuant to Section 115-b of the New York Domestic Relations Law, and consent to the adoption has not been revoked. If You have individual or individual and Spouse coverage, You must also notify Us of Your desire to switch to parent and child/children or family coverage and pay any additional Premium within 30 days of the birth or adoption in order for coverage to start at the moment of birth. Otherwise, coverage begins on the date on which We receive notice, provided that You pay any additional Premium when due.

E. Special Enrollment Periods.

You, Your Spouse or Child can also enroll for coverage within 30 days of the loss of coverage in another group dental plan if coverage was terminated because You, Your Spouse or Child are no longer eligible for coverage under the other group dental plan due to:

1. Termination of employment;
2. Termination of the other group dental plan;
3. Death of the Spouse;
4. Legal separation, divorce or annulment;
5. Reduction of hours of employment;
6. Employer contributions towards the group dental plan were terminated for You or Your Dependents's coverage; or
7. A Child no longer qualifies for coverage as a Child under the other group dental plan.

You, Your Spouse or Child can also enroll 30 days from exhaustion of Your COBRA coverage or if You gain a Dependent or become a Dependent through marriage, birth, adoption, or placement for adoption.

We must receive notice and Premium payment within 30 days of one of these events. Your coverage will begin on the first day of the following month after We receive Your application. If You gain a Dependent or become a Dependent due to a birth, adoption, or placement for adoption, Your coverage will begin on the date of the birth, adoption or placement for adoption.

In addition, You, Your Spouse or Child, can also enroll for coverage within 60 days of the occurrence of one of the following events:

8. You or Your Spouse or Child loses eligibility for a state child dental plan; or
9. You or Your Spouse or Child becomes eligible for a state child dental plan.

We must receive notice and Premium payment within 60 days of one of these events. Your coverage will begin on the first day of the following month after We receive Your application.

SECTION VI. Covered Services

Please refer to the Schedule of Benefits issued with this Certificate for Cost-Sharing requirements, day or visit limits, and any Preauthorization or Referral requirements that apply to these benefits.

SECTION VII. Exclusions and Limitations

No coverage is available under this Certificate for the following:

A. Cosmetic Services.

We do not Cover cosmetic services or surgery unless otherwise specified, except that cosmetic surgery shall not include reconstructive surgery when such service is incidental to or follows surgery resulting from trauma, infection or diseases of the involved part, and reconstructive surgery because of congenital disease or anomaly of a covered Child which has resulted in a functional defect, except for orthodontics as described in the Covered Services section of this Certificate.

Cosmetic surgery does not include surgery determined to be Medically Necessary. If a claim for a procedure listed in 11 NYCRR 56 (e.g., certain plastic surgery and dermatology procedures) is submitted retrospectively and without medical information, any denial will not be subject to the Utilization Review process in the Utilization Review and External Appeal sections of this Certificate unless medical information is submitted.

B. Coverage Outside of the United States, Canada or Mexico.

We do not Cover care or treatment provided outside of the United States, its possessions, Canada or Mexico except for Emergency Dental Care as described in the dental care section of this Certificate.

C. Experimental or Investigational Treatment.

We do not Cover any health care service, procedure, treatment, or device that is experimental or investigational. However, We will Cover experimental or investigational treatments, including treatment for Your rare disease or patient costs for Your participation in a clinical trial, when Our denial of services is overturned by an External Appeal Agent certified by the State. However, for clinical trials, We will not Cover the costs of any investigational drugs or devices, non-health services required for You to receive the treatment, the costs of managing the research, or costs that would not be Covered under this Certificate for non-investigational treatments. See the Utilization Review and External Appeal sections of this Certificate for a further explanation of Your Appeal rights.

D. Felony Participation.

We do not Cover any illness, treatment or medical condition due to Your participation in a felony, riot or insurrection.

E. Government Facility.

We do not Cover care or treatment provided in a Hospital that is owned or operated by any federal, state or other governmental entity, except as otherwise required by law.

F. Medical Services.

We do not Cover medical services or dental services that are medical in nature, including any Hospital charges or prescription drug charges.

G. Medically Necessary.

In general, We will not Cover any dental service, procedure, treatment, test or device that We determine is not Medically Necessary. If an External Appeal Agent certified by the State overturns Our denial, however, We will Cover the service, procedure, treatment, test or device for which coverage has been denied, to the extent that such service, procedure, treatment, test or device is otherwise Covered under the terms of this Certificate.

H. Medicare or Other Governmental Program.

We do not Cover services if benefits are provided for such services under the federal Medicare program or other governmental program (except Medicaid).

I. Military Service.

We do not Cover an illness, treatment or medical condition due to service in the Armed Forces or auxiliary units.

J. No-Fault Automobile Insurance.

This exclusion applies even if You do not make a proper or timely claim for the benefits available to You under a mandatory no-fault policy.

SECTION VIII. Claim Determinations

A. Claims.

A claim is a request that benefits or services be provided or paid according to the terms of this Certificate. You or the Provider must file a claim form with Us. If the Provider is not willing to file the claim form, You will need to file it with Us

B. Notice of Claim.

Claims for services must include all information designated by Us as necessary to process the claim, including, but not limited to: Member identification number; name; date of birth; date of service; type of service; the charge for each service;

procedure code for the service as applicable; diagnosis code; name and address of the Provider making the charge; and supporting medical records, when necessary. A claim that fails to contain all necessary information will not be accepted and must be resubmitted with all necessary information. Claim forms are available from Us by calling the number on Your ID card or visiting Our website at www.cigna.com. Completed claim forms should be sent to the address on Your ID card. You may also submit a claim to Us electronically by visiting Our website at www.cigna.com.

C. Timeframe for Filing Claims.

Claims for services must be submitted to Us for payment within 12 months after You receive the services for which payment is being requested. If it is not reasonably possible to submit a claim within the 12-month period, You must submit it as soon as reasonably possible.

D. Claims for Prohibited Referrals.

We are not required to pay any claim, bill or other demand or request by a Provider for clinical laboratory services, pharmacy services, radiation therapy services, physical therapy services or x-ray or imaging services furnished pursuant to a referral by Section 238-a(1) of the New York Public Health Law.

E. Claim Determinations.

Our claim determination procedure applies to all claims that do not relate to a medical necessity or experimental or investigational determination. For example, Our claim determination procedure applies to contractual benefit denials and Referrals. If You disagree with Our claim determination, You may submit a Grievance pursuant to the Grievance Procedures section of this Certificate.

For a description of the Utilization Review procedures and Appeal process for medical necessity or experimental or investigational determinations, see the Utilization Review and External Appeal sections of this Certificate.

F. Pre-Service Claim Determinations.

1. A pre-service claim is a request that a service or treatment be approved before it has been received. If We have all the information necessary to make a determination regarding a pre-service claim (e.g., a covered benefit determination or Referral), We will make a determination and provide notice to You (or Your designee) within 15 days from receipt of the claim.

   If We need additional information, We will request it within 15 days from receipt of the claim. You will have 45 calendar days to submit the information. If We receive the information within 45 days, We will make a determination and provide notice to You (or Your designee) in writing, within 15 days of Our receipt of the information. If all necessary information is not received within 45 days, We will make a determination within 15 calendar days of the end of the 45-day period.
2. **Urgent Pre-Service Reviews.** With respect to urgent pre-service requests, if We have all information necessary to make a determination, We will make a determination and provide notice to You (or Your designee) by telephone, within 72 hours of receipt of the request. Written notice will follow within three (3) calendar days of the decision. If We need additional information, We will request it within 24 hours. You will then have 48 hours to submit the information. We will make a determination and provide notice to You (or Your designee) by telephone within 48 hours of the earlier of Our receipt of the information or the end of the 48-hour period. Written notice will follow within three (3) calendar days of the decision.

G. Post-Service Claim Determinations.

A post-service claim is a request for a service or treatment that You have already received. If We have all information necessary to make a determination regarding a post-service claim, We will make a determination and notify You (or Your designee) within 30 calendar days of the receipt of the claim if We deny the claim in whole or in part. If We need additional information, We will request it within 30 calendar days. You will then have 45 calendar days to provide the information. We will make a determination and provide notice to You (or Your designee) in writing within 15 calendar days of the earlier of Our receipt of the information or the end of the 45-day period if We deny the claim in whole or in part.

H. Payment of Claims.

Where Our obligation to pay a claim is reasonably clear, We will pay the claim within 30 days of receipt of the claim (when submitted through the internet or e-mail) and 45 days of receipt of the claim (when submitted through other means, including paper or fax). If We request additional information, We will pay the claim within 30 days (for claims submitted through the internet or e-mail) or 45 days (for claims submitted through other means, including paper or fax) of receipt of the information.

SECTION IX. Grievance Procedures

A. Grievances.

Our Grievance procedure applies to any issue not relating to a Medical Necessity or experimental or investigational determination by Us. For example, it applies to contractual

benefit denials or issues or concerns You have regarding Our administrative policies or access to Providers.

B. Filing a Grievance.

You can contact Us by phone at the number on Your ID card or in writing to the address that appears on Your explanation of benefits. You or Your designee has up to 180 calendar days from when You received the decision You are asking Us to review to file the Grievance.

When We receive Your Grievance, We will mail an acknowledgment letter within 15 business days. The acknowledgment letter will include the name, address, and telephone number of the person handling Your Grievance, and indicate what additional information, if any, must be provided.

We keep all requests and discussions confidential and We will take no discriminatory action because of Your issue. We have a process for both standard and expedited Grievances, depending on the nature of Your inquiry.

You may ask that We send You electronic notification of a Grievance or Grievance Appeal determination instead of notice in writing or by telephone. You must tell Us in advance if You want to receive electronic notifications. To opt into electronic notifications, call the number on Your ID card or visit Our website at www.cigna.com. You can opt out of electronic notifications at any time.

C. Grievance Determination.

Qualified personnel will review Your Grievance, or if it is a clinical matter, a licensed, certified or registered health care professional will look into it. We will decide the Grievance and notify You within the following timeframes:

Expedited/Urgent Grievances:	By phone, within the earlier of 48 hours of receipt of all necessary information or 72 hours of receipt of Your Grievance. Written notice will be provided within 72 hours of receipt of Your Grievance.
Pre-Service Grievances: (A request for a service or treatment that has not yet been provided.)	In writing, within 15 calendar days of receipt of Your Grievance.
Post-Service Grievances: (A claim for a service or treatment that has already been provided.)	In writing, within 30 calendar days of receipt of Your Grievance.
All Other Grievances: (That are not in relation to a claim or request for a service or treatment.)	In writing, within 45 calendar days of receipt of all necessary information.

D. Grievance Appeals.

If You are not satisfied with the resolution of Your Grievance, You or Your designee may file an Appeal by phone at the number on Your ID card or in writing. However, Urgent Appeals may be filed by phone. You have up to 60 business days from receipt of the Grievance determination to file an Appeal.

When We receive Your Appeal, We will mail an acknowledgment letter within 15 business days. The acknowledgement letter will include the name, address, and telephone number of the person handling Your Appeal and indicate what additional information, if any, must be provided.

One or more qualified personnel at a higher level than the personnel that rendered the Grievance determination will review it, or if it is a clinical matter, a clinical peer reviewer will look into it. We will decide the Appeal and notify You in writing within the following timeframes:

Expedited/Urgent Grievances:	The earlier of two (2) business days of receipt of all necessary information or 72 hours of receipt of Your Appeal.
Pre-Service Grievances: (A request for a service or treatment that has not yet been provided.)	15 calendar days of receipt of Your Appeal.
Post-Service Grievances: (A claim for a service or treatment that has already been provided.)	30 calendar days of receipt of Your Appeal.
All Other Grievances: (That are not in relation to a claim or request for a service or treatment.)	30 business days of receipt of all necessary information to make a determination

SECTION X. Utilization Review

A. Utilization Review.

We review health services to determine whether the services are or were Medically Necessary or experimental or investigational ("Medically Necessary"). This process is called Utilization Review. Utilization Review includes all review activities, whether they take place prior to the service being performed (Preauthorization); when the service is being performed (concurrent); or after the service is performed (retrospective). If You have any questions about the Utilization Review process, please call the number on Your ID card. The toll-free telephone number is available at least 40 hours a week with an after-hours answering machine.

All determinations that services are not Medically Necessary will be made by: 1) licensed Physicians; or 2) licensed, certified, registered or credentialed health care professionals who are in the same profession and same or similar specialty as the Provider who typically manages Your medical condition or disease or provides the health care service under review. We do not compensate or provide financial incentives to Our employees or reviewers for determining that services are not Medically Necessary. We have developed guidelines and protocols to assist Us in this process. Specific guidelines and protocols are available for Your review upon request. For more information, call the number on Your ID card or visit Our website at www.cigna.com.

You may ask that We send You electronic notification of a Utilization Review determination instead of notice in writing or by telephone. You must tell Us in advance if You want to receive electronic notifications. To opt into electronic notifications, call the number on Your ID card or visit Our website at www.cigna.com. You can opt out of electronic notifications at any time.

B. Preauthorization Reviews.

1. **Non-Urgent Preauthorization Reviews.** If We have all the information necessary to make a determination regarding a Preauthorization review, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within three (3) business days of receipt of the request.

   If We need additional information, We will request it within three (3) business days. You or Your Provider will then have 45 calendar days to submit the information. If We receive the requested information within 45 days, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within three (3) business days of Our receipt of the information. If all necessary information is not received within 45 days, We will make a determination within 15 calendar days of the earlier of receipt of part of the requested information or the end of the 45-day period.

2. **Urgent Preauthorization Reviews.** With respect to urgent Preauthorization requests, if We have all information necessary to make a determination, We will

make a determination and provide notice to You (or Your designee) and Your Provider, by telephone, within 72 hours of receipt of the request. Written notice will be provided within three (3) business days of receipt of the request. If We need additional information, We will request it within 24 hours. You or Your Provider will then have 48 hours to submit the information. We will make a determination and provide notice to You (or Your designee) and Your Provider by telephone within 48 hours of the earlier of Our receipt of the information or the end of the 48 hour period. Written notification will be provided within the earlier of three (3) business days of Our receipt of the information or three (3) calendar days after the verbal notification.

C. Concurrent Reviews.

1. **Non-Urgent Concurrent Reviews.** Utilization Review decisions for services during the course of care (concurrent reviews) will be made, and notice provided to You (or Your designee) and Your Provider, by telephone and in writing, within one (1) business day of receipt of all necessary information. If We need additional information, We will request it within one (1) business day. You or Your Provider will then have 45 calendar days to submit the information. We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within one (1) business day of Our receipt of the information or, if We do not receive the information, within the earlier of 15 calendar days of the receipt of part of the requested information or 15 calendar days of the end of the 45-day period.
2. **Urgent Concurrent Reviews.** For concurrent reviews that involve an extension of urgent care, if the request for coverage is made at least 24 hours prior to the expiration of a previously approved treatment, We will make a determination and provide notice to You (or Your designee) and Your Provider by telephone within 24 hours of receipt of the request. Written notice will be provided within one (1) business day of receipt of the request.

   If the request for coverage is not made at least 24 hours prior to the expiration of a previously approved treatment and We have all the information necessary to make a determination, We will make a determination and provide written notice to You (or Your designee) and Your Provider within the earlier of 72 hours or of one (1) business day of receipt of the request. If We need additional information, We will request it within 24 hours. You or Your Provider will then have 48 hours to submit the information. We will make a determination and provide written notice to You (or Your designee) and Your Provider within the earlier of one (1) business day or 48 hours of Our receipt of the information or, if We do not receive the information, within 48 hours of the end of the 48-hour period.

D. Retrospective Reviews.

If We have all information necessary to make a determination regarding a retrospective claim, We will make a determination and notify You within 30 calendar days of the receipt of the request. If We need additional information, We will request it within 30 calendar days. You or Your Provider will then have 45 calendar days to provide the information. We will make a determination and provide notice to You in writing within 15 calendar days of the earlier of Our receipt of all or part of the requested information or the end of the 45-day period.

Once We have all the information to make a decision, Our failure to make a Utilization Review determination within the applicable time frames set forth above will be deemed an adverse determination subject to an internal Appeal.

E. Retrospective Review of Preauthorized Services.

We may only reverse a preauthorized treatment, service or procedure on retrospective review when:

- The relevant medical information presented to Us upon retrospective review is materially different from the information presented during the Preauthorization review;
- The relevant medical information presented to Us upon retrospective review existed at the time of the Preauthorization but was withheld or not made available to Us;
- We were not aware of the existence of such information at the time of the Preauthorization review; and
- Had We been aware of such information, the treatment, service or procedure being requested would not have been authorized. The determination is made using the same specific standards, criteria or procedures as used during the Preauthorization review.

F. Reconsideration.

If We did not attempt to consult with Your Provider who recommended the Covered Service before making an adverse determination, the Provider may request reconsideration by the same clinical peer reviewer who made the adverse determination or a designated clinical peer reviewer if the original clinical peer reviewer is unavailable. For Preauthorization and concurrent reviews, the reconsideration will take place within one (1) business day of the request for reconsideration. If the adverse determination is upheld, a notice of adverse determination will be given to You and Your Provider, by telephone and in writing.

G. Utilization Review Internal Appeals.

You, Your designee, and, in retrospective review cases, Your Provider, may request an internal Appeal of an adverse determination, either by phone or in writing.

You have up to 180 calendar days after You receive notice of the adverse determination to file an Appeal. We will acknowledge Your request for an internal Appeal within 15 calendar days of receipt. This acknowledgment will if necessary, inform You of any additional information needed before a decision can be made. The Appeal will be decided by a clinical peer reviewer who is not subordinate to the clinical peer reviewer who made the initial adverse determination and who is 1) a Physician or 2) a health care professional in the same or similar specialty as the Provider who typically manages the disease or condition at issue.

1. **Out-of-Network Service Denial.** You also have the right to Appeal the denial of a Preauthorization request for an out-of-network health service when We determine that the out-of-network health service is not materially different from an available in-network health service. A denial of an out-of-network health service is a service provided by a Non-Participating Provider, but only when the service is not available from a Participating Provider. For a Utilization Review Appeal of denial of an out-of-network health service, You, or Your designee, must submit:
   - A written statement from Your attending Physician, who must be a licensed, board-certified or board-eligible Physician qualified to practice in the specialty area of practice appropriate to treat Your condition, that the requested out-of-network health service is materially different from the alternate health service available from a Participating Provider that We approved to treat Your condition; and
   - Two (2) documents from the available medical and scientific evidence that the out-of-network service: 1) is likely to be more clinically beneficial to You than the alternate in-network service; and 2) that the adverse risk of the out-of-network service would likely not be substantially increased over the in-network health service.
2. **Out-of-Network Referral Denial.** You also have the right to Appeal the denial of a request for a Referral to a Non-Participating Provider when We determine that We have a Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service. For a Utilization Review Appeal of an out-of-network Referral denial, You or Your designee must submit a written statement from Your attending Physician, who must be a licensed, board-certified or board-eligible Physician qualified to practice in the specialty area of practice appropriate to treat Your condition:
   - That the Participating Provider recommended by Us does not have the appropriate training and experience to meet Your particular health care needs for the health care service; and
   - Recommending a Non-Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service.

H. Standard Appeal.

1. **Preauthorization Appeal.** If Your Appeal relates to a Preauthorization request, We will decide the Appeal within 30 calendar days of receipt of the Appeal request. Written notice of the determination will be provided to You (or Your designee), and where appropriate, Your Provider, within two (2) business days after the determination is made, but no later than 30 calendar days after receipt of the Appeal request.
2. **Retrospective Appeal.** If Your Appeal relates to a retrospective claim, We will decide the Appeal within 30 calendar days of receipt of the Appeal request. Written notice of the determination will be provided to You (or Your designee), and where appropriate, Your Provider, within two (2) business days after the determination is made, but no later than 30 calendar days after receipt of the Appeal request.
3. **Expedited Appeal.** An Appeal of a review of continued or extended health care services, additional services rendered in the course of continued treatment, home health care services following discharge from an inpatient Hospital admission, services in which a Provider requests an immediate review, or any other urgent matter will be handled on an expedited basis. An expedited Appeal is not available for retrospective reviews. For an expedited Appeal, Your Provider will have reasonable access to the clinical peer reviewer assigned to the Appeal within one (1) business day of receipt of the request for an Appeal. Your Provider and a clinical peer reviewer may exchange information by telephone or fax. An expedited Appeal will be determined within the earlier of 72 hours of receipt of the Appeal or two (2) business days of receipt of the information necessary to conduct the Appeal.

   If You are not satisfied with the resolution of Your expedited Appeal, You may file a standard internal Appeal or an external Appeal.

   Our failure to render a determination of Your Appeal within 30 calendar days of receipt of the necessary information for a standard Appeal or within two (2)

business days of receipt of the necessary information for an expedited Appeal will be deemed a reversal of the initial adverse determination.

I. Full and Fair Review of an Appeal.

We will provide You, free of charge, with any new or additional evidence considered, relied upon, or generated by Us or any new or additional rationale in connection with Your Appeal. The evidence or rationale will be provided as soon as possible and sufficiently in advance of the date on which the notice of final adverse determination is required to be provided to give You a reasonable opportunity to respond prior to that date.

SECTION XI. External Appeal

A. Your Right to an External Appeal.

In some cases, You have a right to an external appeal of a denial of coverage. If We have denied coverage on the basis that a service is not Medically Necessary (including appropriateness, health care setting, level of care or effectiveness of a Covered benefit); or is an experimental or investigational treatment (including clinical trials and treatments for rare diseases); or is an out-of-network treatment, You or Your representative may appeal that decision to an External Appeal Agent, an independent third party certified by the State to conduct these appeals.

In order for You to be eligible for an external appeal You must meet the following two (2) requirements:

- The service, procedure, or treatment must otherwise be a Covered Service under this Certificate; and
- In general, You must have received a final adverse determination through Our internal Appeal process. But, You can file an external appeal even though You have not received a final adverse determination through Our internal Appeal process if:
  - We agree in writing to waive the internal Appeal. We are not required to agree to Your request to waive the internal Appeal; or
  - You file an external appeal at the same time as You apply for an expedited internal Appeal; or
  - We fail to adhere to Utilization Review claim processing requirements (other than a minor violation that is not likely to cause prejudice or harm to You, and We demonstrate that the violation was for good cause or due to matters beyond Our control and the violation occurred during an ongoing, good faith exchange of information between You and Us).

B. Your Right to Appeal a Determination that a Service is Not Medically Necessary.

If We have denied coverage on the basis that the service is not Medically Necessary, You may appeal to an External Appeal Agent if You meet the requirements for an external appeal in paragraph "A" above.

C. Your Right to Appeal a Determination that a Service is Experimental or Investigational.

If We have denied coverage on the basis that the service is an experimental or investigational treatment (including clinical trials and treatments for rare diseases), You must satisfy the two (2) requirements for an external appeal in paragraph "A" above and Your attending Physician must certify that Your condition or disease is one for which:

1. Standard health services are ineffective or medically inappropriate; or
2. There does not exist a more beneficial standard service or procedure Covered by Us; or
3. There exists a clinical trial or rare disease treatment (as defined by law).

In addition, Your attending Physician must have recommended one (1) of the following:

1. A service, procedure or treatment that two (2) documents from available medical and scientific evidence indicate is likely to be more beneficial to You than any standard Covered Service (only certain documents will be considered in support of this recommendation – Your attending Physician should contact the State for current information as to what documents will be considered or acceptable); or
2. A clinical trial for which You are eligible (only certain clinical trials can be considered); or
3. A rare disease treatment for which Your attending Physician certifies that there is no standard treatment that is likely to be more clinically beneficial to You than the requested service, the requested service is likely to benefit You in the treatment of Your rare disease, and such benefit outweighs the risk of the service. In addition, Your attending Physician must certify that Your condition

is a rare disease that is currently or was previously subject to a research study by the National Institutes of Health Rare Disease Clinical Research Network or that it affects fewer than 200,000 U.S. residents per year.

For purposes of this section, Your attending Physician must be a licensed, board-certified or board eligible Physician qualified to practice in the area appropriate to treat Your condition or disease. In addition, for a rare disease treatment, the attending Physician may not be Your treating Physician.

D. Your Right to Appeal a Determination that a Service is Out-of-Network.

If We have denied coverage of an out-of-network treatment because it is not materially different than the health service available in-network, You may appeal to an External Appeal Agent if You meet the two (2) requirements for an external appeal in paragraph "A" above, and You have requested Preauthorization for the out-of-network treatment.

In addition, Your attending Physician must certify that the out-of-network service is materially different from the alternate recommended in-network health service, and based on two (2) documents from available medical and scientific evidence, is likely to be more clinically beneficial than the alternate in-network treatment and that the adverse risk of the requested health service would likely not be substantially increased over the alternate in-network health service.

For purposes of this section, Your attending Physician must be a licensed, board certified or board eligible Physician qualified to practice in the specialty area appropriate to treat You for the health service.

E. Your Right to Appeal an Out-of-Network Referral Denial to a Non-Participating Provider.

If We have denied coverage of a request for a Referral to a Non-Participating Provider because We determine We have a Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service, You may appeal to an External Appeal Agent if You meet the two (2) requirements for an external appeal in paragraph "A" above.

In addition, Your attending Physician must: 1) certify that the Participating Provider recommended by Us does not have the appropriate training and experience to meet Your particular health care needs; and 2) recommend a Non-Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service.

For purposes of this section, Your attending Physician must be a licensed, board certified or board eligible Physician qualified to practice in the specialty area appropriate to treat You for the health service.

F. The External Appeal Process.

You have four (4) months from receipt of a final adverse determination or from receipt of a waiver of the internal Appeal process to file a written request for an external appeal. If You are filing an external appeal based on Our failure to adhere to claim processing requirements, You have four (4) months from such failure to file a written request for an external appeal.

We will provide an external appeal application with the final adverse determination issued through Our internal Appeal process or Our written waiver of an internal Appeal. You may also request an external appeal application from the New York State Department of Financial Services at 1-800-400-8882. Submit the completed application to the Department of Financial Services at the address indicated on the application. If You meet the criteria for an external appeal, the State will forward the request to a certified External Appeal Agent.

You can submit additional documentation with Your external appeal request. If the External Appeal Agent determines that the information You submit represents a material change from the information on which We based Our denial, the External Appeal Agent will share this information with Us in order for Us to exercise Our right to reconsider Our decision. If We choose to exercise this right, We will have three (3) business days to amend or confirm Our decision. Please note that in the case of an expedited external appeal (described below), We do not have a right to reconsider Our decision.

In general, the External Appeal Agent must make a decision within 30 days of receipt of Your completed application. The External Appeal Agent may request additional information from You, Your Physician, or Us. If the External Appeal Agent requests additional information, it will have five (5) additional business days to make its decision. The External Appeal Agent must notify You in writing of its decision within two (2) business days.

If Your attending Physician certifies that a delay in providing the service that has been denied poses an imminent or serious threat to Your health; or if Your attending Physician certifies that the standard external appeal time frame would seriously jeopardize Your life, health or ability to regain maximum function; or if You received emergency services and have not been discharged from a facility and the denial concerns an admission, availability of care, or continued stay, You may request an expedited external appeal. In that case, the External Appeal Agent must make a decision within 72 hours of receipt of Your completed application. Immediately after reaching a decision, the External Appeal Agent must notify You and Us by telephone or facsimile of that decision. The External Appeal Agent must also notify You in writing of its decision.

If the External Appeal Agent overturns Our decision that a service is not Medically Necessary or approves coverage of an experimental or investigational treatment, We will provide coverage subject to the other terms and conditions of this Certificate. Please note that if the External Appeal Agent approves coverage of an experimental or investigational treatment that is part of a clinical trial, We will only Cover the cost of services required to provide treatment to You according to the design of the trial. We will not be responsible for the costs of investigational drugs or devices, the costs of non-health care services, the costs of managing the research, or costs that would not be Covered under this Certificate for non-investigational treatments provided in the clinical trial.

The External Appeal Agent's decision is binding on both You and Us. The External Appeal Agent's decision is admissible in any court proceeding.

G. Your Responsibilities.

It is Your responsibility to start the external appeal process. You may start the external appeal process by filing a completed application with the New York State Department of Financial Services. You may appoint a representative to assist You with Your application; however, the Department of Financial Services may contact You and request that You confirm in writing that You have appointed the representative.

Under New York State law, Your completed request for external appeal must be filed within four (4) months of either the date upon which You receive a final adverse determination, or the date upon which You receive a written waiver of any internal Appeal,

or Our failure to adhere to claim processing requirements. We have no authority to extend this deadline.

SECTION XII. Coordination of Benefits

This section applies when you also have group dental coverage with another plan. When You receive a Covered service, We will coordinate benefit payments with any payment made by another plan. The primary plan will pay its full benefits and the other plan may pay secondary benefits, if necessary, to cover some or all of the remaining expenses. This coordination prevents duplicate payments and overpayments.

A. Definitions.

1. **"Allowable expense"** is the necessary, reasonable, and customary item of expense for specialty dental care, when the item is covered at least in part under any of the plans involved, except where a statute requires a different definition. When a plan provides benefits in the form of services, the reasonable cash value of each service will be considered as both an allowable expense and a benefit paid.
2. **"Plan"** is other group dental coverage with which We will coordinate benefits. The term "plan" includes:
   - Group dental benefits and blanket or group remittance dental benefits coverage, whether insured, self-insured, or self-funded. This includes group HMO and other prepaid group coverage, but does not include blanket school accident coverage or coverages issued to a substantially similar group (e.g., Girl Scouts, Boy Scouts) where the school or organization pays the premiums.
   - Dental benefits coverage, in group and individual automobile "no-fault" and traditional liability "fault" type contracts.
   - Dental benefits coverage of a governmental plan offered, required, or provided by law, except Medicaid or any other plan whose benefits are by law excess to any private benefits coverage.
3. **"Primary plan"** is one whose benefits must be determined without taking the existence of any other plan into consideration. A plan is primary if either: 1) the plan has no order of benefits rules or its rules differ from those required by regulation; or 2) all plans which cover the person use the order of benefits rules required by regulation and under those rules the plan determines its benefits first. More than one plan may be a primary plan (for example, two plans which have no order of benefit determination rules).
4. **"Secondary plan"** is one which is not a primary plan. If a person is covered by more than one secondary plan, the order of benefit determination rules decide the order in which their benefits are determined in relation to each other.

B. Rules to Determine Order of Payment.

The first of the rules listed below in paragraphs 1-6 that applies will determine which plan will be primary:

1. If the other plan does not have a provision similar to this one, then the other plan will be primary.
2. If the person receiving benefits is the Subscriber and is only covered as a Dependent under the other plan, this Certificate will be primary.
3. If a child is covered under the plans of both parents and the parents are not separated or divorced, the plan of the parent whose birthday falls earlier in the year shall be primary. If both parents have the same birthday, the plan which covered the parent longer will be primary. To determine whose birthday falls earlier in the year, only the month and day are considered. However, if the other plan does not have this birthday rule, but instead has a rule based on the sex of the parent and as a result the plans do not agree on which is

primary, then the rule in the other plan will determine which plan is primary.

4. If a child is covered by both parents' plans, the parents are separated or divorced, and there is no court decree between the parents that establishes financial responsibility for the child's dental care expenses:
   - The plan of the parent who has custody will be primary;
   - If the parent with custody has remarried, and the child is also covered as a child under the step-parent's plan, the plan of the parent with custody will pay first, the step-parent's plan will pay second, and the plan of the parent without custody will pay third; and
   - If a court decree between the parents says which parent is responsible for the child's dental care expenses, then that parent's plan will be primary if that plan has actual knowledge of the decree.
5. If the person receiving services is covered under one plan as an active employee or member (i.e., not laid-off or retired), or as the spouse or child of such an active employee, and is also covered under another plan as a laid-off or retired employee or as the spouse or child of such a laid-off or retired employee, the plan that covers such person as an active employee or spouse or child of an active employee will be primary. If the other plan does not have this rule, and as a result the plans do not agree on which will be primary, this rule will be ignored.
6. If none of the above rules determine which plan is primary, the plan that covered the person receiving services longer will be primary.

C. Effects of Coordination.

When this plan is secondary, its benefits will be reduced so that the total benefits paid by the primary plan and this plan during a claim determination period will not exceed Our maximum available benefit for each Covered Service. Also, the amount We pay will not be more than the amount We would pay if We were primary. As each claim is submitted, We will determine Our obligation to pay for allowable expenses based upon all claims that have been submitted up to that point in time during the claim determination period.

D. Right to Receive and Release Necessary Information.

We may release or receive information that We need to coordinate benefits. We do not need to tell anyone or receive consent to do this. We are not responsible to anyone for releasing or obtaining this information. You must give Us any needed information for coordination purposes, in the time frame requested.

E. Our Right to Recover Overpayment.

If We made a payment as a primary plan, You agree to pay Us any amount by which We should have reduced Our payment. Also, We may recover any overpayment from the primary plan or the Provider receiving payment and You agree to sign all documents necessary to help Us recover any overpayment.

F. Coordination with "Always Excess," "Always Secondary," or "Non-Complying" Plans.

We will coordinate benefits with plans, whether insured or self-insured, that provide benefits that are stated to be always excess or always secondary or use order of benefit determination rules that are inconsistent with the rules described above in the following manner:

1. If this Certificate is primary, as defined in this section, We will pay benefits first.
2. If this Certificate is secondary, as defined in this section, We will pay only the amount We would pay as the secondary insurer.
3. If We request information from a non-complying plan and do not receive it within 30 days, We will calculate the amount We should pay on the assumption that the non-complying plan and this Certificate provide identical benefits. When the information is received, We will make any necessary adjustments.

SECTION XIII. Termination of Coverage

Coverage under this Certificate will automatically be terminated on the first of the following to apply:

1. The Group and/or Subscriber has failed to pay Premiums within 30 days of when Premiums are due. Coverage will terminate as of the last day for which Premiums were paid.
2. The end of the month in which the Subscriber ceases to meet the eligibility requirements as defined by the Group. We will provide written notice to the Subscriber at least 30 days prior to when the coverage will cease.
3. Upon the Subscriber's death, coverage will terminate unless the Subscriber has coverage for Dependents. If the Subscriber has coverage for Dependents, then coverage will terminate as of the last day of the month for which the Premium has been paid.
4. For Spouses in cases of divorce, the date of the divorce.
5. For Children, until the end of the month in which the Child turns 26 years of age.
6. For all other Dependents, the end of the month in which the Dependent ceases to be eligible.

7. The end of the month following the Group's provision of written notice of termination of coverage to Us; or on such later termination date requested by the Group's notice.
8. If the Subscriber or the Subscriber's Dependent has performed an act that constitutes fraud or has made a misrepresentation of material fact in writing on his/her enrollment application, or in order to obtain coverage for a service, coverage will terminate immediately upon written notice of termination delivered by Us to the Subscriber and/or the Subscriber's Dependent. However, if the Subscriber makes an intentional misrepresentation of material fact in writing on his or her enrollment application we will rescind coverage if the facts misrepresented would have led Us to refuse to issue the coverage. Rescission means that the termination of Your coverage will have a retroactive effect of up to one (1) year; Your enrollment under the Certificate. If termination is a result of the Subscriber's action, coverage will terminate for the Subscriber and any Dependents. If termination is a result of the Dependent's action, coverage will terminate for the Dependent.
9. The date that the Group Policy is terminated. If We decide to stop offering a particular class of group policies, without regard to claims experience or health related status, to which this Certificate belongs, We will provide the Group and Subscribers at least 90 days' prior written notice.
10. The Group has performed an act or practice that constitutes fraud or made an intentional misrepresentation of material fact under the terms of the coverage.
11. The Group has failed to comply with a material plan provision relating to group participation rules. We will provide written notice to the Group at least 30 days prior to when the coverage will cease.
12. The Group ceases to meet the statutory requirements to be defined as a group for the purposes of obtaining coverage. We will provide written notice to the Group and Subscriber at least 30 days prior to when the coverage will cease.

No termination shall prejudice the right to a claim for benefits which arose prior to such termination.

See the Continuation of Coverage section of this Certificate for Your right to continuation of this coverage under COBRA or USERRA.

SECTION XIV. Extension of Benefits

Upon termination of insurance, whether due to termination of eligibility, or termination of the Certificate, an extension of benefits shall be provided for a period of no less than 30 days for completion of a dental procedure that was started before Your coverage ended.

SECTION XV. Continuation of Coverage

Under the continuation of coverage provisions of the federal Consolidated Omnibus Budget Reconciliation Act of 1985 ("COBRA"), most employer-sponsored group health plans must offer employees and their families the opportunity for a temporary continuation of health insurance coverage when their coverage would otherwise end. Call or write Your employer to find out if You are entitled to temporary continuation of coverage under COBRA. Any period of continuation of coverage will terminate automatically at the end of the period of continuation provided under COBRA.

Qualifying Events.

Pursuant to federal COBRA, You, the Subscriber, Your Spouse and Your Children may be able to temporarily continue coverage under this Certificate in certain situations when You would otherwise lose coverage, known as qualifying events.

1. If Your coverage ends due to voluntary or involuntary termination of employment or a change in Your employee class (e.g., a reduction in the number of hours of employment) You may continue coverage. Coverage may be continued for You, Your Spouse and any of Your covered Children.
2. If You are a covered Spouse, You may continue coverage if Your coverage ends due to:
   - Voluntary or involuntary termination of the Subscriber's employment;
   - Reduction in the hours worked by the Subscriber or other change in the Subscriber's class;
   - Divorce or legal separation from the Subscriber;
   - Death of the Subscriber; or
   - The covered employee becoming entitled to Medicare.
3. If You are a covered Child, You may continue coverage if Your coverage ends due to:
   - Voluntary or involuntary termination of the Subscriber's employment;
   - Reduction in the hours worked by the Subscriber or other change in the Subscriber's class;
   - Loss of covered Child status under the plan rules;
   - Death of the Subscriber; or
   - The covered employee becoming entitled to Medicare.

If You want to continue coverage You must request continuation from the Group in writing and make the first Premium payment within the 60-day period following the later of:

1. The date coverage would otherwise terminate; or
2. The date You are sent notice by first class mail of the right of continuation by the Group.

The Group may charge up to 102% of the Group Premium for continued coverage.

Continued coverage under this section will terminate at the earliest of the following:

1. The date 18 months after the Subscriber's coverage would have terminated because of termination of employment; provided that the Subscriber or their dependents may continue for a total of 29 months if the Member is determined to be disabled under the United States Social Security Act;
2. If You are a covered Spouse or Child, the date 36 months after coverage would have terminated due to the death of the Subscriber, divorce or legal separation, the Subscriber's eligibility for Medicare, or the failure to qualify under the definition of "Children";
3. The date You become covered by an insured or uninsured arrangement that provides group hospital, surgical or medical coverage;
4. The date You become entitled to Medicare;
5. The date to which Premiums are paid if You fail to make a timely payment; or
6. The date the Group Policy terminates. However, if the Group Policy is replaced with similar coverage, You have the right to become covered under the new Group Policy for the balance of the period remaining for Your continued coverage.

Continuation Rights During Active Duty

Under the Uniformed Services Employment and Reemployment Rights Act ("USERRA"), most employer-sponsored group health plans must offer employees and their families the opportunity for a temporary continuation of health insurance coverage when their coverage would otherwise end due to service in the uniformed services or upon becoming eligible for medical and dental care under federal health insurance by reason of their service. Call or write Your Group to find out if You are entitled to temporary continuation of coverage under USERRA.

The Group may charge up to 102% of the Group Premium for continued coverage. This does not apply if You or Your dependents serve less than 31 days.

Continued coverage under this section will terminate at the earliest of the following:

1. The 24-month period beginning on the date on which the absence begins; or
2. The day after the date on which You or Your Dependent fail to apply for or return to a position of employment.

An exclusion or waiting period may not be imposed in connection with the reinstatement of coverage upon reemployment unless an exclusion or waiting period would have been imposed under the health plan had coverage not been terminated.

1. This shall not apply to the coverage of any illness or injury determined by the Secretary of Veterans Affairs to have been incurred in, or aggravated during, performance of service in the uniformed services.

If You or Your Dependent's coverage under a health plan is terminated by reason of the person having become eligible for federal health insurance for former members of the uniformed services and their dependents, but subsequently do not commence a period of active duty under the order to active duty that established such eligibility because the order is canceled before such active duty commences, any exclusion or waiting period in connection with the reinstatement of coverage shall apply to the continued employment in the same manner as if You or Your Dependents had become reemployed upon such termination of eligibility.

SECTION XVI. General Provisions

Agreements between Us and Participating Providers.

Any agreement between Us and Participating Providers may only be terminated by Us or the Providers. This Certificate does not require any Provider to accept a Member as a patient. We do not guarantee a Member's admission to any Participating Provider or any dental benefits program.

Assignment.

You cannot assign any benefits under this Certificate or legal claims based on a denial of benefits or request for plan documents to any person, corporation, or other organization. Any assignment of benefits or legal claims based on a denial of benefits or request for plan documents by You will be void and unenforceable.

Assignment means the transfer to another person, corporation or organization of Your right to the services provided under this Certificate or Your right to sue based on a denial of benefits or request for plan documents. However, You may request Us to make payment for services directly to Your Provider instead of You. Nothing in this paragraph shall affect

Your right to appoint a designee or representative as otherwise permitted by applicable law.

Changes in this Certificate.

We may unilaterally change this Certificate upon renewal, if We give the Group 45 days' prior written notice.

Choice of Law.

This Certificate shall be governed by the laws of the State of New York.

Clerical Error.

Clerical error, whether by the Group or Us, with respect to this Certificate, or any other documentation issued by Us in connection with this Certificate, or in keeping any record pertaining to the coverage hereunder, will not modify or invalidate coverage otherwise validly in force or continue coverage otherwise validly terminated.

Conformity with Law.

Any term of this Certificate which is in conflict with New York State law or with any applicable federal law that imposes additional requirements from what is required under New York State law will be amended to conform with the minimum requirements of such law.

Continuation of Benefit Limitations.

Some of the benefits in this Certificate may be limited to a specific number of visits, a benefit maximum, and/or subject to a Deductible. You will not be entitled to any additional benefits if Your coverage status should change during the year. For example, if Your coverage status changes from covered family member to Subscriber, all benefits previously utilized when You were a covered family member will be applied toward Your new status as a Subscriber.

Enrollment ERISA.

The Group will develop and maintain complete and accurate payroll records, as well as any other records of the names, addresses, ages, and social security numbers of all Group Members covered under this Certificate, and any other information required to confirm their eligibility for coverage.

The Group will provide Us with this information upon request. The Group may also have additional responsibilities as the "plan administrator" as defined by the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The "plan administrator" is the Group, or a third party appointed by the Group. We are not the ERISA plan administrator.

Entire Agreement.

This Certificate, including any endorsements, riders and the attached applications, if any, constitutes the entire Certificate.

Fraud and Abusive Billing.

We have processes to review claims before and after payment to detect fraud and abusive billing. Members seeking services from Non-Participating Providers could be balance billed by the Non-Participating Provider for those services that are determined to be not payable as a result of a reasonable belief of fraud or other intentional misconduct or abusive billing.

Furnishing Information and Audit.

All persons covered under this Certificate will promptly furnish Us with all information and records that We may require from time to time to perform Our obligations under this Certificate. You must provide Us with certain information over the telephone for reasons such as the following: to determine the level of care You need; so that We may certify care authorized by Your Provider; or make decisions regarding the medical necessity of Your care. The Group will, upon reasonable notice, make available to Us, and We may audit and make copies of, any and all records relating to enrollment at the Group's New York office.

Identification Cards.

Identification ("ID") cards are issued by Us for identification purposes only. Possession of any ID card confers no right to services or benefits under this Certificate. To be entitled to such services or benefits, Your Premiums must be paid in full at the time that the services are sought to be received.

Incontestability.

No statement made by the Subscriber in an application for coverage under this Policy shall avoid the Policy or be used in any legal proceedings unless the application or an exact copy is attached to this Policy.

Independent Contractors.

Participating Providers are independent contractors. They are not Our agents or employees. We and Our employees are not the agent or employee of any Participating Provider. We are not liable for any claim or demand on account of damages arising out of, or in any manner connected with, any injuries alleged to be suffered by You, Your covered Spouse or Children while receiving care from any Participating Provider or in any Participating Provider's facility.

Material Accessibility.

We will give the Group, and the Group will give You ID cards, Certificates, Policies, riders and other necessary materials.

More Information about Your Dental Plan.

You can request additional information about Your coverage under this Certificate. Upon Your request, We will provide the following information:

- A list of the names, business addresses and official positions of Our board of directors, officers and members; and Our most recent annual certified financial statement which includes a balance sheet and a summary of the receipts and disbursements.
- The information that We provide the State regarding Our consumer complaints.
- A copy of Our procedures for maintaining confidentiality of Member information.
- A written description of Our quality assurance program.
- A copy of Our medical policy regarding an experimental or investigational drug, medical device or treatment in clinical trials.
- A copy of Our clinical review criteria (e.g. Medical Necessity criteria), and where appropriate, other clinical information We may consider regarding a specific disease, course of treatment or Utilization Review guidelines.
- Written application procedures and minimum qualification requirements for Providers.

Notice.

Any notice that We give You under this Certificate will be mailed to Your address as it appears in Our records or delivered electronically if You consent to electronic delivery or to the address of the Group. If notice is delivered to You electronically, You may also request a copy of the notice from Us. You agree to provide Us with notice of any change of Your address. If You have to give Us any notice, it should be sent by U.S. Mail, first class, postage prepaid to the address on Your ID card.

Premium Refund.

We will give any refund of Premiums which are paid by You, if due, to the Group.

Recovery of Overpayments.

On occasion a payment will be made to You when You are not covered, for a service that is not Covered, or which is more than is proper. When this happens We will explain the problem to You and You must return the amount of the overpayment to Us within 60 days after receiving notification from Us. However, We shall not initiate overpayment recovery efforts more than 24 months after the original payment was made unless We have a reasonable belief of fraud or other intentional misconduct.

Renewal Date.

The renewal date for this Certificate is the anniversary of the effective date of the Group Policy of each year. This Certificate will automatically renew each year on the renewal date unless otherwise terminated by Us, as permitted by this Certificate, or by the Group upon 30 days' prior written notice to Us.

Right to Develop Guidelines and Administrative Rules.

We may develop or adopt standards that describe in more detail when We will or will not make payments under this Certificate. Those standards will not be contrary to the descriptions in this Certificate. If You have a question about the standards that apply to a particular benefit, You may contact Us and We will explain the standards or send You a copy of the standards. We may also develop administrative rules pertaining to enrollment and other administrative matters. We shall have all the powers necessary or appropriate to enable Us to carry out Our duties in connection with the administration of this Certificate.

We review and evaluate new technology according to technology evaluation criteria developed by Our medical directors and reviewed by a designated committee, which consists of health care professionals from various medical specialties. Conclusions of the committee are incorporated into Our medical policies to establish decision protocols for determining whether a service is Medically Necessary, experimental or investigational, or included as a Covered benefit.

Right to Offset.

If We make a claim payment to You or on Your behalf in error or You owe Us any money, You must repay the amount You owe Us. Except as otherwise required by law, if We owe You a payment for other claims received, We have the right to subtract any amount You owe Us from any payment We owe You.

Severability.

The unenforceability or invalidity of any provision of this Certificate shall not affect the validity and enforceability of the remainder of this Certificate.

Significant Change in Circumstances.

If We are unable to arrange for Covered Services as provided under this Certificate as the result of events outside of Our control, We will make a good faith effort to make alternative arrangements. These events would include a major disaster, epidemic, the complete or partial destruction of facilities, riot, civil insurrection, disability of a significant part of Participating Providers' personnel or similar causes. We will make reasonable attempts to arrange for Covered Services. We

and Our Participating Providers will not be liable for delay, or failure to provide or arrange for Covered Services if such failure or delay is caused by such an event.

Subrogation and Reimbursement.

These paragraphs apply when another party (including any insurer) is, or may be found to be, responsible for Your injury, illness or other condition and We have provided benefits related to that injury, illness or condition. As permitted by applicable state law, unless preempted by federal law, We may be subrogated to all rights of recovery against any such party (including Your own insurance carrier) for the benefits We have provided to You under this Certificate. Subrogation means that We have the right, independently of You, to proceed directly against the other party to recover the benefits that We have provided.

Subject to applicable state law, unless preempted by federal law, We may have a right of reimbursement if You or anyone on Your behalf receives payment from any responsible party (including Your own insurance carrier) from any settlement, verdict or insurance proceeds, in connection with an injury, illness, or condition for which We provided benefits. Under Section 5-335 of the New York General Obligations Law, Our right of recovery does not apply when a settlement is reached between a plaintiff and defendant, unless a statutory right of reimbursement exists. The law also provides that, when entering into a settlement, it is presumed that You did not take any action against Our rights or violate any contract between You and Us. The law presumes that the settlement between You and the responsible party does not include compensation for the cost of dental care services for which We provided benefits.

We request that You notify Us within 30 days of the date when any notice is given to any party, including an insurance company or attorney, of Your intention to pursue or investigate a claim to recover damages or obtain compensation due to injury, illness or condition sustained by You for which We have provided benefits. You must provide all information requested by Us or Our representatives including, but not limited to, completing and submitting any applications or other forms or statements as We may reasonably request.

Third Party Beneficiaries.

No third party beneficiaries are intended to be created by this Certificate and nothing in the Certificate shall confer upon any person or entity other than You or Us any right, benefit, or remedy of any nature whatsoever under or by reason of this Certificate. No other party can enforce this Certificate's provisions or seek any remedy arising out of either Our or Your performance or failure to perform any portion of this Certificate, or to bring an action or pursuit for the breach of any terms of this Certificate.

Time to Sue.

No action at law or in equity may be maintained against Us prior to the expiration of 60 days after written submission of a claim has been furnished to Us as required in this Certificate. You must start any lawsuit against Us under this Certificate within two (2) years from the date the claim was required to be filed.

Translation Services.

Translation services are available free of charge under this Certificate for non-English speaking Members. Please contact Us at the number on Your ID card to access these services.

Waiver.

The waiver by any party of any breach of any provision of this Certificate will not be construed as a waiver of any subsequent breach of the same or any other provision. The failure to exercise any right hereunder will not operate as a waiver of such right.

Who May Change this Certificate.

This Certificate may not be modified, amended, or changed, except in writing and signed by Our Chief Executive Officer ("CEO"), Chief Operating Officer ("COO") President, or a person designated by the CEO, COO, or President. No employee, agent, or other person is authorized to interpret, amend, modify, or otherwise change this Certificate in a manner that expands or limits the scope of coverage, or the conditions of eligibility, enrollment, or participation, unless in writing and signed by the CEO, COO, or President or person designated by the CEO, COO, or President.

Who Receives Payment under this Certificate.

Payments under this Certificate for services provided by a Participating Provider will be made directly by Us to the Provider. If You receive services from a Non-Participating Provider, We reserve the right to pay either You or the Provider regardless of whether an assignment has been made.

Workers' Compensation Not Affected.

The coverage provided under this Certificate is not in lieu of and does not affect any requirements for coverage by workers' compensation insurance or law.

Your Dental Records and Reports.

In order to provide Your coverage under this Certificate, it may be necessary for Us to obtain Your dental records and information from Providers who treated You. Our actions to provide that coverage include processing Your claims, reviewing Grievances, Appeals, or complaints involving Your care, and quality assurance reviews of Your care, whether

based on a specific complaint or a routine audit of randomly selected cases. By accepting coverage under this Certificate, except as prohibited by state or federal law, You automatically give Us or Our designee permission to obtain and use Your dental records for those purposes and You authorize each and every Provider who renders services to You to:

- Disclose all facts pertaining to Your care, treatment, and physical condition to Us or to a dental professional that We may engage to assist Us in reviewing a treatment or claim, or in connection with a complaint or quality of care review;
- Render reports pertaining to Your care, treatment, and physical condition to Us, or to a dental professional that We may engage to assist Us in reviewing a treatment or claim; and
- Permit copying of Your dental records by Us.

We agree to maintain Your dental information in accordance with state and federal confidentiality requirements. However, to the extent permitted under state or federal law, You automatically give Us permission to share Your information with the New York State Department of Health, quality oversight organizations, and third parties with which We contract to assist Us in administering this Certificate, so long as they also agree to maintain the information in accordance with state and federal confidentiality requirements.

Qualified Medical Child Support Order (QMCSO)

Eligibility for Coverage Under a QMCSO

If a Qualified Medical Child Support Order (QMCSO) is issued for your child, that child will be eligible for coverage as required by the order and you will not be considered a Late Entrant for Dependent Insurance.

You must notify your Employer and elect coverage for that child, and yourself if you are not already enrolled, within 31 days of the QMCSO being issued.

Qualified Medical Child Support Order Defined

A Qualified Medical Child Support Order is a judgment, decree or order (including approval of a settlement agreement) or administrative notice, which is issued pursuant to a state domestic relations law (including a community property law), or to an administrative process, which provides for child support or provides for health benefit coverage to such child and relates to benefits under the group health plan, and satisfies all of the following:

- the order recognizes or creates a child's right to receive group health benefits for which a participant or beneficiary is eligible;
- the order specifies your name and last known address, and the child's name and last known address, except that the name and address of an official of a state or political subdivision may be substituted for the child's mailing address;
- the order provides a description of the coverage to be provided, or the manner in which the type of coverage is to be determined;
- the order states the period to which it applies; and
- if the order is a National Medical Support Notice completed in accordance with the Child Support Performance and Incentive Act of 1998, such Notice meets the requirements above.

The QMCSO may not require the health insurance policy to provide coverage for any type or form of benefit or option not otherwise provided under the policy, except that an order may require a plan to comply with State laws regarding health care coverage.

Payment of Benefits

Any payment of benefits in reimbursement for Covered Expenses paid by the child, or the child's custodial parent or legal guardian, shall be made to the child, the child's custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the child.

HC-FED4 10-10

Effect of Section 125 Tax Regulations on This Plan

Your Employer has chosen to administer this Plan in accordance with Section 125 regulations of the Internal Revenue Code. Per this regulation, you may agree to a pretax salary reduction put toward the cost of your benefits. Otherwise, you will receive your taxable earnings as cash (salary).

A. Coverage elections

Per Section 125 regulations, you are generally allowed to enroll for or change coverage only before each annual benefit period. However, exceptions are allowed:

- if your Employer agrees, and you meet the criteria shown in the following Sections B through F and enroll for or change coverage within the time period established by your Employer.

B. Change of status

A change in status is defined as:

- change in legal marital status due to marriage, death of a spouse, divorce, annulment or legal separation;
- change in number of Dependents due to birth, adoption, placement for adoption, or death of a Dependent;
- change in employment status of Employee, spouse or Dependent due to termination or start of employment, strike, lockout, beginning or end of unpaid leave of absence, including under the Family and Medical Leave Act (FMLA), or change in worksite;
- changes in employment status of Employee, spouse or Dependent resulting in eligibility or ineligibility for coverage;
- change in residence of Employee, spouse or Dependent to a location outside of the Employer's network service area; and
- changes which cause a Dependent to become eligible or ineligible for coverage.

C. Court order

A change in coverage due to and consistent with a court order of the Employee or other person to cover a Dependent.

D. Medicare or Medicaid eligibility/entitlement

The Employee, spouse or Dependent cancels or reduces coverage due to entitlement to Medicare or Medicaid, or enrolls or increases coverage due to loss of Medicare or Medicaid eligibility.

E. Change in cost of coverage

If the cost of benefits increases or decreases during a benefit period, your Employer may, in accordance with plan terms, automatically change your elective contribution.

When the change in cost is significant, you may either increase your contribution or elect less-costly coverage. When a significant overall reduction is made to the benefit option you have elected, you may elect another available benefit option. When a new benefit option is added, you may change your election to the new benefit option.

F. Changes in coverage of spouse or Dependent under another employer's plan

You may make a coverage election change if the plan of your spouse or Dependent: incurs a change such as adding or deleting a benefit option; allows election changes due to Change in Status, Court Order or Medicare or Medicaid Eligibility/Entitlement; or this Plan and the other plan have different periods of coverage or open enrollment periods.

Eligibility for Coverage for Adopted Children

Any child who is adopted by you, including a child who is placed with you for adoption, will be eligible for Dependent Insurance, if otherwise eligible as a Dependent, upon the date of placement with you. A child will be considered placed for adoption when you become legally obligated to support that child, totally or partially, prior to that child's adoption.

If a child placed for adoption is not adopted, all health coverage ceases when the placement ends, and will not be continued.

HC-FED67V1 09-14

Group Plan Coverage Instead of Medicaid

If your income and liquid resources do not exceed certain limits established by law, the state may decide to pay premiums for this coverage instead of for Medicaid, if it is cost effective. This includes premiums for continuation coverage required by federal law.

HC-FED13 10-10

Requirements of Family and Medical Leave Act of 1993 (as amended) (FMLA)

Any provisions of the policy that provide for: continuation of insurance during a leave of absence; and reinstatement of insurance following a return to Active Service; are modified by the following provisions of the federal Family and Medical Leave Act of 1993, as amended, where applicable:

Continuation of Health Insurance During Leave

Your health insurance will be continued during a leave of absence if:

- that leave qualifies as a leave of absence under the Family and Medical Leave Act of 1993, as amended; and
- you are an eligible Employee under the terms of that Act.

The cost of your health insurance during such leave must be paid, whether entirely by your Employer or in part by you and your Employer.

Reinstatement of Canceled Insurance Following Leave

Upon your return to Active Service following a leave of absence that qualifies under the Family and Medical Leave Act of 1993, as amended, any canceled insurance (health, life or disability) will be reinstated as of the date of your return.

You will not be required to satisfy any eligibility or benefit waiting period to the extent that they had been satisfied prior to the start of such leave of absence.

Your Employer will give you detailed information about the Family and Medical Leave Act of 1993, as amended.

HC-FED93 10-17

Uniformed Services Employment and Re-Employment Rights Act of 1994 (USERRA)

The Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) sets requirements for continuation of health coverage and re-employment in regard to an Employee's military leave of absence. These requirements apply to medical and dental coverage for you and your Dependents. They do not apply to any Life, Short-term or Long-term Disability or Accidental Death & Dismemberment coverage you may have.

Continuation of Coverage

For leaves of less than 31 days, coverage will continue as described in the Termination section regarding Leave of Absence.

For leaves of 31 days or more, you may continue coverage for yourself and your Dependents as follows:

You may continue benefits by paying the required premium to your Employer, until the earliest of the following:

- 24 months from the last day of employment with the Employer;
- the day after you fail to return to work; and
- the date the policy cancels.

Your Employer may charge you and your Dependents up to 102% of the total premium.

Following continuation of health coverage per USERRA requirements, you may convert to a plan of individual coverage according to any "Conversion Privilege" shown in your certificate.

Reinstatement of Benefits (applicable to all coverages)

If your coverage ends during the leave of absence because you do not elect USERRA or an available conversion plan at the expiration of USERRA and you are reemployed by your current Employer, coverage for you and your Dependents may be reinstated if you gave your Employer advance written or verbal notice of your military service leave, and the duration of all military leaves while you are employed with your current Employer does not exceed 5 years.

You and your Dependents will be subject to only the balance of a waiting period that was not yet satisfied before the leave began. However, if an Injury or Sickness occurs or is aggravated during the military leave, full Plan limitations will apply.

If your coverage under this plan terminates as a result of your eligibility for military medical and dental coverage and your order to active duty is canceled before your active duty service commences, these reinstatement rights will continue to apply.

HC-FED18 10-10

Claim Determination Procedures under ERISA

Procedures Regarding Medical Necessity Determinations

In general, health services and benefits must be Medically Necessary to be covered under the plan. The procedures for determining Medical Necessity vary, according to the type of service or benefit requested, and the type of health plan.

You or your authorized representative (typically, your health care professional) must request Medical Necessity determinations according to the procedures described below,

in the Certificate, and in your provider's network participation documents as applicable.

When services or benefits are determined to be not covered, you or your representative will receive a written description of the adverse determination, and may appeal the determination. Appeal procedures are described in the Certificate, in your provider's network participation documents as applicable, and in the determination notices.

Postservice Determinations

When you or your representative requests a coverage determination or a claim payment determination after services have been rendered, Cigna will notify you or your representative of the determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control Cigna will notify you or your representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request.

If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed and you or your representative must provide the specified information to Cigna within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and the determination period will resume on the date you or your representative responds to the notice.

Notice of Adverse Determination

Every notice of an adverse benefit determination will be provided in writing or electronically, and will include all of the following that pertain to the determination: the specific reason or reasons for the adverse determination; reference to the specific plan provisions on which the determination is based; a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary; a description of the plan's review procedures and the time limits applicable, including a statement of a claimant's rights to bring a civil action under section 502(a) of ERISA following an adverse benefit determination on appeal, if applicable; upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your claim, and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit; and in the case of a claim involving urgent care, a description of the expedited review process applicable to such claim.

HC-FED83 03-13

COBRA Continuation Rights Under Federal Law

For You and Your Dependents

What is COBRA Continuation Coverage?

Under federal law, you and/or your Dependents must be given the opportunity to continue health insurance when there is a "qualifying event" that would result in loss of coverage under the Plan. You and/or your Dependents will be permitted to continue the same coverage under which you or your Dependents were covered on the day before the qualifying event occurred, unless you move out of that plan's coverage area or the plan is no longer available. You and/or your Dependents cannot change coverage options until the next open enrollment period.

When is COBRA Continuation Available?

For you and your Dependents, COBRA continuation is available for up to 18 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your termination of employment for any reason, other than gross misconduct; or
- your reduction in work hours.

For your Dependents, COBRA continuation coverage is available for up to 36 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your death;
- your divorce or legal separation; or
- for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Who is Entitled to COBRA Continuation?

Only a "qualified beneficiary" (as defined by federal law) may elect to continue health insurance coverage. A qualified beneficiary may include the following individuals who were covered by the Plan on the day the qualifying event occurred: you, your spouse, and your Dependent children. Each qualified beneficiary has their own right to elect or decline COBRA continuation coverage even if you decline or are not eligible for COBRA continuation.

The following individuals are not qualified beneficiaries for purposes of COBRA continuation: domestic partners, grandchildren (unless adopted by you), stepchildren (unless adopted by you). Although these individuals do not have an independent right to elect COBRA continuation coverage, if you elect COBRA continuation coverage for yourself, you may also cover your Dependents even if they are not considered qualified beneficiaries under COBRA. However, such individuals' coverage will terminate when your COBRA continuation coverage terminates. The sections titled "Secondary Qualifying Events" and "Medicare Extension For Your Dependents" are not applicable to these individuals.

Secondary Qualifying Events

If, as a result of your termination of employment or reduction in work hours, your Dependent(s) have elected COBRA continuation coverage and one or more Dependents experience another COBRA qualifying event, the affected Dependent(s) may elect to extend their COBRA continuation coverage for an additional 18 months (7 months if the secondary event occurs within the disability extension period) for a maximum of 36 months from the initial qualifying event. The second qualifying event must occur before the end of the initial 18 months of COBRA continuation coverage or within the disability extension period discussed below. Under no circumstances will COBRA continuation coverage be available for more than 36 months from the initial qualifying event. Secondary qualifying events are: your death; your divorce or legal separation; or, for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Disability Extension

If, after electing COBRA continuation coverage due to your termination of employment or reduction in work hours, you or one of your Dependents is determined by the Social Security Administration (SSA) to be totally disabled under Title II or XVI of the SSA, you and all of your Dependents who have elected COBRA continuation coverage may extend such continuation for an additional 11 months, for a maximum of 29 months from the initial qualifying event.

To qualify for the disability extension, all of the following requirements must be satisfied:

- SSA must determine that the disability occurred prior to or within 60 days after the disabled individual elected COBRA continuation coverage; and
- A copy of the written SSA determination must be provided to the Plan Administrator within 60 calendar days after the date the SSA determination is made AND before the end of the initial 18-month continuation period.

If the SSA later determines that the individual is no longer disabled, you must notify the Plan Administrator within 30 days after the date the final determination is made by SSA. The 11-month disability extension will terminate for all covered persons on the first day of the month that is more than 30 days after the date the SSA makes a final determination that the disabled individual is no longer disabled.

All causes for "Termination of COBRA Continuation" listed below will also apply to the period of disability extension.

Medicare Extension for Your Dependents

When the qualifying event is your termination of employment or reduction in work hours and you became enrolled in Medicare (Part A, Part B or both) within the 18 months before the qualifying event, COBRA continuation coverage for your Dependents will last for up to 36 months after the date you became enrolled in Medicare. Your COBRA continuation coverage will last for up to 18 months from the date of your termination of employment or reduction in work hours.

Termination of COBRA Continuation

COBRA continuation coverage will be terminated upon the occurrence of any of the following:

- the end of the COBRA continuation period of 18, 29 or 36 months, as applicable;
- failure to pay the required premium within 30 calendar days after the due date;
- cancellation of the Employer's policy with Cigna;
- after electing COBRA continuation coverage, a qualified beneficiary enrolls in Medicare (Part A, Part B, or both);

- after electing COBRA continuation coverage, a qualified beneficiary becomes covered under another group health plan, unless the qualified beneficiary has a condition for which the new plan limits or excludes coverage under a pre-existing condition provision. In such case coverage will continue until the earliest of: the end of the applicable maximum period; the date the pre-existing condition provision is no longer applicable; or the occurrence of an event described in one of the first three bullets above;
- any reason the Plan would terminate coverage of a participant or beneficiary who is not receiving continuation coverage (e.g., fraud).

Employer's Notification Requirements

Your Employer is required to provide you and/or your Dependents with the following notices:

- An initial notification of COBRA continuation rights must be provided within 90 days after your (or your spouse's) coverage under the Plan begins (or the Plan first becomes subject to COBRA continuation requirements, if later). If you and/or your Dependents experience a qualifying event before the end of that 90-day period, the initial notice must be provided within the time frame required for the COBRA continuation coverage election notice as explained below.
- A COBRA continuation coverage election notice must be provided to you and/or your Dependents within the following timeframes:
  - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the loss of coverage, 44 days after loss of coverage under the Plan;
  - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the occurrence of a qualifying event, 44 days after the qualifying event occurs; or
  - in the case of a multi-employer plan, no later than 14 days after the end of the period in which Employers must provide notice of a qualifying event to the Plan Administrator.

How to Elect COBRA Continuation Coverage

The COBRA coverage election notice will list the individuals who are eligible for COBRA continuation coverage and inform you of the applicable premium. The notice will also include instructions for electing COBRA continuation coverage. You must notify the Plan Administrator of your election no later than the due date stated on the COBRA election notice. If a written election notice is required, it must be post-marked no later than the due date stated on the COBRA election notice. If you do not make proper notification by the due date shown on the notice, you and your Dependents will lose the right to elect COBRA continuation coverage. If you reject COBRA continuation coverage before the due date, you may change your mind as long as you furnish a completed election form before the due date.

Each qualified beneficiary has an independent right to elect COBRA continuation coverage. Continuation coverage may be elected for only one, several, or for all Dependents who are qualified beneficiaries. Parents may elect to continue coverage on behalf of their Dependent children. You or your spouse may elect continuation coverage on behalf of all the qualified beneficiaries. You are not required to elect COBRA continuation coverage in order for your Dependents to elect COBRA continuation.

How Much Does COBRA Continuation Coverage Cost?

Each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount may not exceed 102% of the cost to the group health plan (including both Employer and Employee contributions) for coverage of a similarly situated active Employee or family member. The premium during the 11-month disability extension may not exceed 150% of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated active Employee or family member.

For example: If the Employee alone elects COBRA continuation coverage, the Employee will be charged 102% (or 150%) of the active Employee premium. If the spouse or one Dependent child alone elects COBRA continuation coverage, they will be charged 102% (or 150%) of the active Employee premium. If more than one qualified beneficiary elects COBRA continuation coverage, they will be charged 102% (or 150%) of the applicable family premium.

When and How to Pay COBRA Premiums

First payment for COBRA continuation

If you elect COBRA continuation coverage, you do not have to send any payment with the election form. However, you must make your first payment no later than 45 calendar days after the date of your election. (This is the date the Election Notice is postmarked, if mailed.) If you do not make your first payment within that 45 days, you will lose all COBRA continuation rights under the Plan.

Subsequent payments

After you make your first payment for COBRA continuation coverage, you will be required to make subsequent payments of the required premium for each additional month of coverage. Payment is due on the first day of each month. If you make a payment on or before its due date, your coverage

under the Plan will continue for that coverage period without any break.

Grace periods for subsequent payments

Although subsequent payments are due by the first day of the month, you will be given a grace period of 30 days after the first day of the coverage period to make each monthly payment. Your COBRA continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period for that payment. However, if your payment is received after the due date, your coverage under the Plan may be suspended during this time. Any providers who contact the Plan to confirm coverage during this time may be informed that coverage has been suspended. If payment is received before the end of the grace period, your coverage will be reinstated back to the beginning of the coverage period. This means that any claim you submit for benefits while your coverage is suspended may be denied and may have to be resubmitted once your coverage is reinstated. If you fail to make a payment before the end of the grace period for that coverage period, you will lose all rights to COBRA continuation coverage under the Plan.

You Must Give Notice of Certain Qualifying Events

If you or your Dependent(s) experience one of the following qualifying events, you must notify the Plan Administrator within 60 calendar days after the later of the date the qualifying event occurs or the date coverage would cease as a result of the qualifying event:

- Your divorce or legal separation; or
- Your child ceases to qualify as a Dependent under the Plan.
- The occurrence of a secondary qualifying event as discussed under "Secondary Qualifying Events" above (this notice must be received prior to the end of the initial 18- or 29-month COBRA period).

(Also refer to the section titled "Disability Extension" for additional notice requirements.)

Notice must be made in writing and must include: the name of the Plan, name and address of the Employee covered under the Plan, name and address(es) of the qualified beneficiaries affected by the qualifying event; the qualifying event; the date the qualifying event occurred; and supporting documentation (e.g., divorce decree, birth certificate, disability determination, etc.).

Newly Acquired Dependents

If you acquire a new Dependent through marriage, birth, adoption or placement for adoption while your coverage is being continued, you may cover such Dependent under your COBRA continuation coverage. However, only your newborn or adopted Dependent child is a qualified beneficiary and may continue COBRA continuation coverage for the remainder of the coverage period following your early termination of COBRA coverage or due to a secondary qualifying event. COBRA coverage for your Dependent spouse and any Dependent children who are not your children (e.g., stepchildren or grandchildren) will cease on the date your COBRA coverage ceases and they are not eligible for a secondary qualifying event.

COBRA Continuation for Retirees Following Employer's Bankruptcy

If you are covered as a retiree, and a proceeding in bankruptcy is filed with respect to the Employer under Title 11 of the United States Code, you may be entitled to COBRA continuation coverage. If the bankruptcy results in a loss of coverage for you, your Dependents or your surviving spouse within one year before or after such proceeding, you and your covered Dependents will become COBRA qualified beneficiaries with respect to the bankruptcy. You will be entitled to COBRA continuation coverage until your death. Your surviving spouse and covered Dependent children will be entitled to COBRA continuation coverage for up to 36 months following your death. However, COBRA continuation coverage will cease upon the occurrence of any of the events listed under "Termination of COBRA Continuation" above.

Interaction With Other Continuation Benefits

You may be eligible for other continuation benefits under state law. Refer to the Termination section for any other continuation benefits.

Discretionary Authority

The Plan Administrator delegates to Cigna the discretionary authority to interpret and apply plan terms and to make factual determinations in connection with its review of claims under the plan. Such discretionary authority is intended to include, but not limited to, the determination of the eligibility of persons desiring to enroll in or claim benefits under the plan, the determination of whether a person is entitled to benefits under the plan, and the computation of any and all benefit payments. The Plan Administrator also delegates to Cigna the discretionary authority to perform a full and fair review, as required by ERISA, of each claim denial which has been appealed by the claimant or his duly authorized representative.

Plan Modification, Amendment and Termination

The Employer as Plan Sponsor reserves the right to, at any time, change or terminate benefits under the Plan, to change or terminate the eligibility of classes of employees to be covered by the Plan, to amend or eliminate any other plan term or condition, and to terminate the whole plan or any part of it. Contact the Employer for the procedure by which benefits may be changed or terminated, by which the eligibility of classes of employees may be changed or terminated, or by which part or all of the Plan may be terminated. No consent of any participant is required to terminate, modify, amend or change the Plan.

Termination of the Plan together with termination of the insurance policy(s) which funds the Plan benefits will have no adverse effect on any benefits to be paid under the policy(s) for any covered medical expenses incurred prior to the date that policy(s) terminates. Likewise, any extension of benefits under the policy(s) due to you or your Dependent's total disability which began prior to and has continued beyond the date the policy(s) terminates will not be affected by the Plan termination. Rights to purchase limited amounts of life and medical insurance to replace part of the benefits lost because the policy(s) terminated may arise under the terms of the policy(s). A subsequent Plan termination will not affect the extension of benefits and rights under the policy(s).

Your coverage under the Plan's insurance policy(s) will end on the earliest of the following dates:

- the date you leave Active Service (or later as explained in the Termination Section;)
- the date you are no longer in an eligible class;
- if the Plan is contributory, the date you cease to contribute;
- the date the policy(s) terminates.

See your Plan Administrator to determine if any extension of benefits or rights are available to you or your Dependents under this policy(s). No extension of benefits or rights will be available solely because the Plan terminates.

Statement of Rights

As a participant in the plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

- examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure room of the Employee Benefits Security Administration.
- obtain, upon written request to the Plan Administrator, copies of documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

- receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each person under the Plan with a copy of this summary financial report.

Continue Group Health Plan Coverage

- continue health care coverage for yourself, your spouse or Dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your Dependents may have to pay for such coverage. Review the documents governing the Plan on the rules governing your federal continuation coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA. If your claim for a welfare benefit is denied or ignored you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Enforce Your Rights

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of documents governing the plan or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to $110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court.

In addition, if you disagree with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

Usual Fee - the customary fee that an individual dentist most frequently charges for a given dental service.

II. Introduction To Your Cigna Dental Plan

Welcome to the Cigna Dental Plan. We encourage you to use your dental benefits. Please note that enrollment in the Dental Plan allows the release of patient records to Cigna Dental or its designee for health plan operation purposes.

III. Eligibility/When Coverage Begins

To enroll in the Dental Plan, you and your Dependents must be able to seek treatment for Covered Services within a Cigna Dental Service Area. Other eligibility requirements are determined by your Group.

If you enrolled in the Dental Plan before the effective date of your Group Contract, you will be covered on the first day the Group Contract is effective. If you enrolled in the Dental Plan after the effective date of the Group Contract, you will be covered on the first day of the month following processing of your enrollment (unless effective dates other than the first day of the month are provided for in your Group Contract).

Dependents may be enrolled in the Dental Plan at the time you enroll, during an open enrollment, or within 31 days of becoming eligible due to a life status change such as marriage, birth, adoption, placement, or court or administrative order. You may drop coverage for your Dependents only during the open enrollment periods for your Group, unless there is a change in status such as divorce. Cigna Dental may require evidence of good dental health at your expense if you or your Dependents enroll after the first period of eligibility (except during open enrollment) or after disenrollment because of nonpayment of Premiums.

If you have family coverage, a newborn child is automatically covered during the first 31 days of life. If you wish to continue coverage beyond the first 31 days, your baby must be enrolled in the Dental Plan and you must begin paying Premiums, if any additional are due, during that period.

Under the Family and Medical Leave Act of 1993, you may be eligible to continue coverage during certain leaves of absence from work. During such leaves, you will be responsible for paying your Group the portion of the Premiums, if any, which you would have paid if you had not taken the leave. Additional information is available through your Benefits Representative.

IV. Your Cigna Dental Coverage

The information below outlines your coverage and will help you to better understand your Dental Plan. Included is information about which services are covered, which are not, and how much dental services will cost you. A copy of the Group Contract will be furnished to you upon your request.

A. Customer Service

If you have any questions or concerns about the Dental Plan, Customer Service Representatives are just a toll-free phone call away. They can explain your benefits or help with matters regarding your Dental Office or Dental Plan. For assistance with transfers, specialty referrals, eligibility, second opinions, emergencies, Covered Services, plan benefits, ID cards, location of Dental Offices, conversion coverage or other matters, call Customer Service from any location at 1-800-Cigna24. The hearing impaired may contact the state TTY toll-free relay service number listed in their local telephone directory.

B. Premiums

Your Group sends a monthly fee to Cigna Dental for customers participating in the Dental Plan. The amount and term of this fee is set forth in your Group Contract. You may contact your Benefits Representative for information regarding any part of this fee to be withheld from your salary or to be paid by you to the Group.

C. Other Charges – Patient Charges

Network General Dentists are typically reimbursed by Cigna Dental through fixed monthly payments and supplemental payments for certain procedures. No bonuses or financial incentives are used as an inducement to limit services. Network Dentists are also compensated by the fees which you pay, as set out in your Patient Charge Schedule.

Your Patient Charge Schedule lists the dental procedures covered under your Dental Plan. Some dental procedures are covered at no charge to you. For other Covered Services, the Patient Charge Schedule lists the fees you must pay when you visit your Dental Office. There are no deductibles and no annual dollar limits for services covered by your Dental Plan.

Your Network General Dentist should tell you about Patient Charges for Covered Services, the amount you must pay for non-Covered Services and the Dental Office's payment policies. Timely payment is important. It is possible that the Dental Office may add late charges to overdue balances.

Your Patient Charge Schedule is subject to annual change in accordance with your Group Contract. Cigna Dental will give written notice to your Group of any change in Patient Charges at least 60 days prior to such change. You will be responsible for the Patient Charges listed on the Patient Charge Schedule that is in effect on the date a procedure is started.

D. Choice of Dentist

You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise Cigna Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when Cigna Dental otherwise authorizes payment for out-of-network benefits.

You may select a network Pediatric Dentist as the Network General Dentist for your dependent child under age 7 by calling Customer Service at 1-800-Cigna24 to

get a list of network Pediatric Dentists in your Service Area or if your Network General Dentist sends your child under the age of 7 to a network Pediatric Dentist, the network Pediatric Dentist's office will have primary responsibility for your child's care. For children 7 years and older, your Network General Dentist will provide care. If your child continues to visit the Pediatric Dentist upon the age of 7, you will be fully responsible for the Pediatric Dentist's Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, Cigna Dental will let you know and will arrange a transfer to another Dental Office. Refer to the Section titled "Office Transfers" if you wish to change your Dental Office.

To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24. It is available 24 hours a day, 7 days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Customer Service.

E. Your Payment Responsibility (General Care)

For Covered Services at your Dental Office, you will be charged the fees listed on your Patient Charge Schedule. For services listed on your Patient Charge Schedule at any other dental office, you may be charged Usual Fees. For non-Covered Services, you are responsible for paying Usual Fees.

If, on a temporary basis, there is no Network General Dentist in your Service Area, Cigna Dental will let you know and you may obtain Covered Services from a non-Network Dentist. You will pay the non-Network Dentist the applicable Patient Charge for Covered Services. Cigna Dental will pay the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge.

See Section IX, *Specialty Referrals*, regarding payment responsibility for specialty care.

All contracts between Cigna Dental and Network Dentists state that you will not be liable to the Network Dentist for any sums owed to the Network Dentist by Cigna Dental.

F. Emergency Dental Care - Reimbursement

An emergency is a dental condition of recent onset and severity which would lead a prudent layperson possessing an average knowledge of dentistry to believe the condition needs immediate dental procedures necessary to control excessive bleeding, relieve severe pain, or eliminate acute infection. You should contact your Network General Dentist if you have an emergency in your Service Area.

1. Emergency Care Away From Home

If you have an emergency while you are out of your Service Area or you are unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above from any general dentist. Routine restorative procedures or definitive treatment (e.g. root canal) are not considered emergency care. You should return to your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Patient Charges listed on your Patient Charge Schedule. Cigna Dental will reimburse you the difference, if any, between the dentist's Usual Fee for emergency Covered Services and your Patient Charge, up to a total of $50 per incident. To receive reimbursement, send appropriate reports and x-rays to Cigna Dental at the address listed for your state on the front of this booklet.

2. Emergency Care After Hours

There is a Patient Charge listed on your Patient Charge Schedule for emergency care rendered after regularly scheduled office hours. This charge will be in addition to other applicable Patient Charges.

G. Limitations on Covered Services

Listed below are limitations on services when covered by your Dental Plan:

- **Frequency** - The frequency of certain Covered Services, like cleanings, is limited. Your Patient Charge Schedule lists any limitations on frequency.

- **Prosthesis Over Implant -** When covered on the Patient Charge Schedule, a prosthetic device, supported by an implant or implant abutment is considered a separate distinct service(s) from surgical placement of an implant. Replacement of any type of prosthesis with a prosthesis supported by an implant or implant abutment is only covered if the existing prosthesis is at least 5 calendar years old, is not serviceable and cannot be repaired.

  Should any law require coverage for any particular service(s) noted above, the exclusion or limitation for that service(s) shall not apply.

V. Appointments

To make an appointment with your Network Dentist, call the Dental Office that you have selected. When you call, your Dental Office will ask for your identification number and will check your eligibility.

VI. Broken Appointments

The time your Network Dentist schedules for your appointment is valuable to you and the dentist. Broken appointments make it difficult for your Dental Office to schedule time with other patients.

If you or your enrolled Dependent breaks an appointment with less than 24 hours notice to the Dental Office, you may be charged a broken appointment fee.

VII. Office Transfers

If you decide to change Dental Offices, we can arrange a transfer. You should complete any dental procedure in progress before transferring to another Dental Office. To

arrange a transfer, call Customer Service at 1-800-Cigna24. To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24.

Your transfer request will take about 5 days to process. Transfers will be effective the first day of the month after the processing of your request. Unless you have an emergency, you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective.

There is no charge to you for the transfer; however, all Patient Charges which you owe to your current Dental Office must be paid before the transfer can be processed.

VIII. Specialty Care

Your Network General Dentist at your Dental Office has primary responsibility for your professional dental care. Because you may need specialty care, the Cigna Dental Network includes the following types of specialty dentists:

- Pediatric Dentists – children's dentistry.
- Endodontists – root canal treatment.
- Periodontists – treatment of gums and bone.
- Oral Surgeons – complex extractions and other surgical procedures.
- Orthodontists – tooth movement.

There is no coverage for referrals to prosthodontists or other specialty dentists not listed above.

When specialty care is needed, your Network General Dentist must start the referral process. X-rays taken by your Network General Dentist should be sent to the Network Specialty Dentist.

See Section IV.D, *Choice of Dentist*, regarding treatment by a Pediatric Dentist.

IX. Specialty Referrals

A. In General

Upon referral from a Network General Dentist, your Network Specialty Dentist will submit a specialty care treatment plan to Cigna Dental for payment authorization, except for Pediatrics, Orthodontics and Endodontics, for which prior authorization is not required. You should verify with the Network Specialty Dentist that your treatment plan has been authorized for payment by Cigna Dental before treatment begins.

When Cigna Dental authorizes payment to the Network Specialty Dentist, the fees or no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in Section IX.B., Orthodontics. Treatment by the Network Specialty Dentist must begin within 90 days from the date of Cigna Dental's authorization. If you are unable to obtain treatment within the 90 day period, please call Customer Service to request an extension. Your coverage must be in effect when each procedure begins.

For non-Covered Services or if Cigna Dental does not authorize payment to the Network Specialty Dentist for Covered Services, including Adverse Determinations, you must pay the Network Specialty Dentist's Usual Fee. If you have a question or concern regarding an authorization or a denial, contact Customer Service.

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, it will be your responsibility to pay for treatment at the dentist's Usual Fees.

When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available, as determined by Cigna Dental, Cigna Dental will authorize a referral to a non-Network Specialty Dentist. The referral procedures applicable to specialty care will apply. In such cases, you will be responsible for the applicable Patient Charge for Covered Services. Cigna Dental will reimburse the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge. For non-Covered Services or services not authorized for payment, including Adverse Determinations, you must pay the dentist's Usual Fee.

B. Orthodontics (This section is applicable only when Orthodontics is listed on your Patient Charge Schedule.)

1. **Definitions –** If your Patient Charge Schedule indicates coverage for orthodontic treatment, the following definitions apply:
   a. **Orthodontic Treatment Plan and Records** – the preparation of orthodontic records and a treatment plan by the Orthodontist.
   b. **Interceptive Orthodontic Treatment –** treatment prior to full eruption of the permanent teeth, frequently a first phase preceding comprehensive treatment.
   c. **Comprehensive Orthodontic Treatment –** treatment after the eruption of most permanent

teeth, generally the final phase of treatment before retention.

d. **Retention (Post Treatment Stabilization) –** the period following orthodontic treatment during which you may wear an appliance to maintain and stabilize the new position of the teeth.

2. Patient Charges

The Patient Charge for your entire orthodontic case, including retention, will be based upon the Patient Charge Schedule in effect on the date of your visit for Treatment Plan and Records. However, if a. banding/appliance insertion does not occur within 90 days of such visit, b. your treatment plan changes, or c. there is an interruption in your coverage or treatment, a later change in the Patient Charge Schedule may apply.

The Patient Charge for Orthodontic Treatment is based upon 24 months of interceptive and/or comprehensive treatment. If you require more than 24 months of treatment in total, you will be charged an additional amount for each additional month of treatment, based upon the Orthodontist's Contract Fee. If you require less than 24 months of treatment, your Patient Charge will be reduced on a pro-rated basis.

3. Additional Charges

You will be responsible for the Orthodontist's Usual Fees for the following non-Covered Services:

a. incremental costs associated with optional/elective materials, including but not limited to ceramic, clear, lingual brackets, or other cosmetic appliances;

b. orthognathic surgery and associated incremental costs;

c. appliances to guide minor tooth movement;

d. appliances to correct harmful habits; and

e. services which are not typically included in Orthodontic Treatment. These services will be identified on a case-by-case basis.

4. Orthodontics In Progress

If Orthodontic Treatment is in progress for you or your Dependent at the time you enroll, the fee listed on the Patient Charge Schedule is not applicable. Please call Customer Service at 1-800-Cigna24 to find out if you are entitled to any benefit under the Dental Plan.

X. Complex Rehabilitation/Multiple Crown Units

Complex rehabilitation is extensive dental restoration involving 6 or more "units" of crown, bridge and/or implant supported prosthesis (including crowns and bridges) in the same treatment plan. Using full crowns (caps), fixed bridges and/or implant supported prosthesis (including crowns and bridges) which are cemented in place, your Network General Dentist will rebuild natural teeth, fill in spaces where teeth are missing and establish conditions which allow each tooth to function in harmony with the occlusion (bite). The extensive procedures involved in complex rehabilitation require an extraordinary amount of time, effort, skill and laboratory collaboration for a successful outcome.

Complex rehabilitation will be covered when performed by your Network General Dentist after consultation with you about diagnosis, treatment plan and charges. Each tooth or tooth replacement included in the treatment plan is referred to as a "unit" on your Patient Charge Schedule. The crown, bridge and/or implant supported prosthesis (including crowns and bridges) charges on your Patient Charge Schedule are for each unit of crown or bridge. You pay the per unit charge for each unit of crown, bridge and/or implant supported prosthesis (including crowns and bridges) PLUS an additional charge for each unit when 6 or more units are prescribed in your Network General Dentist's treatment plan.

Note: Complex rehabilitation only applies for implant supported prosthesis, when implant supported prosthesis are specifically listed on your Patient Charge Schedule.

XI. What To Do If There Is A Problem

For the purposes of this section, any reference to "you" or "your" also refers to a representative or dentist designated by you to act on your behalf. **Time frames or requirements may vary depending on the laws in your State. Consult your State Rider for further details.**

Most problems can be resolved between you and your dentist. However, we want you to be completely satisfied with the Dental Plan. That is why we have established a process for addressing your concerns and complaints. The complaint procedure is voluntary and will be used only upon your request.

A. Start with Customer Service

We are here to listen and to help. If you have a concern about your Dental Office or the Dental Plan, you can call 1-800-Cigna24 toll-free and explain your concern to one of our Customer Service Representatives. You can also express that concern in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047. We will do our

best to resolve the matter during your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, usually by the end of the next business day, but in any case within 30 days.

If you are not satisfied with the results of a coverage decision, you may start the appeals procedure.

B. Appeals Procedure

Cigna Dental has a two-step appeals procedure for coverage decisions. To initiate an appeal, you must submit a request in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047, within 1 year from the date of the initial Cigna Dental decision. You should state the reason you feel your appeal should be approved and include any information to support your appeal. If you are unable or choose not to write, you may ask Customer Service to register your appeal by calling 1-800-Cigna24.

1. Level-One Appeals

Your level-one appeal will be reviewed and the decision made by someone not involved in the initial review. Appeals involving dental necessity or clinical appropriateness will be reviewed by a dental professional.

If your appeal concerns a denied pre-authorization, we will respond with a decision within 15 calendar days after we receive your appeal. For appeals concerning all other coverage issues, we will respond with a decision within 30 calendar days after we receive your appeal. If we need more information to make your level-one appeal decision, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, Cigna Dental will respond orally with a decision within 72 hours, followed up in writing.

If you are not satisfied with our level-one appeal decision, you may request a level-two appeal.

2. Level-Two Appeals

To initiate a level-two appeal, follow the same process required for a level-one appeal. Your level-two appeal will be reviewed and a decision made by someone not involved in the level-one appeal. For appeals involving dental necessity or clinical appropriateness, the decision will be made by a dentist. If specialty care is in dispute, the appeal will be conducted by a dentist in the same or similar specialty as the care under review.

The review will be completed within 30 calendar days. If we need more information to complete the appeal, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review. The decision will include the specific contractual or clinical reasons for the decision, as applicable.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, the Dental Plan will respond orally with a decision within 72 hours, followed up in writing.

3. Independent Review Procedure

The independent review procedure is a voluntary program arranged by the Dental Plan and is not available in all areas. Consult your State Rider for more details if applicable.

4. Appeals to the State

You have the right to contact your State's Department of Insurance and/or Department of Health for assistance at any time. **See your State Rider for further details.**

Cigna Dental will not cancel or refuse to renew your coverage because you or your Dependent has filed a complaint or an appeal involving a decision made by Cigna Dental. You have the right to file suit in a court of law for any claim involving the professional treatment performed by a dentist.

XII. Dual Coverage

You and your Dependents may not be covered twice under this Dental Plan. If you and your spouse have enrolled each

other or the same Dependents twice, please contact your Benefit Administrator.

If you or your Dependents have dental coverage through your spouse's employer or other sources such as an HMO or similar dental plan, applicable coordination of benefit rules will determine which coverage is primary or secondary. In most cases, the plan covering you as an employee is primary for you, and the plan covering your spouse as an employee is primary for him or her. Your children are generally covered as primary by the plan of the parent whose birthday occurs earlier in the year. Dual coverage should result in lowering or eliminating your out-of-pocket expenses. It should not result in reimbursement for more than 100% of your expenses.

Coordination of benefit rules are attached to the Group Contract and may be reviewed by contacting your Benefit Administrator. Cigna Dental coordinates benefits only for specialty care services.

XIII. Disenrollment From the Dental Plan – Termination of Benefits

A. Time Frames for Disenrollment/Termination

Except as otherwise provided in the sections titled "Extension/Continuation of Benefits" or in your Group Contract, disenrollment from the Dental Plan and termination of benefits will occur on the last day of the month:

1. in which Premiums are not remitted to Cigna Dental.
2. in which eligibility requirements are no longer met.
3. after 30 days notice from Cigna Dental due to permanent breakdown of the dentist-patient relationship as determined by Cigna Dental, after at least two opportunities to transfer to another Dental Office.
4. after 30 days notice from Cigna Dental due to fraud or misuse of dental services and/or Dental Offices.
5. after 60 days notice by Cigna Dental, due to continued lack of a Dental Office in your Service Area.
6. after voluntary disenrollment.

B. Effect on Dependents

When one of your Dependents is disenrolled, you and your other Dependents may continue to be enrolled. When you are disenrolled, your Dependents will be disenrolled as well.

XIV. Extension of Benefits

Coverage for completion of a dental procedure (other than orthodontics) which was started before your disenrollment from the Dental Plan will be extended for 90 days after disenrollment unless disenrollment was due to nonpayment of Premiums.

Coverage for orthodontic treatment which was started before disenrollment from the Dental Plan will be extended to the end of the quarter or for 60 days after disenrollment, whichever is later, unless disenrollment was due to nonpayment of Premiums.

XV. Continuation of Benefits (COBRA)

For Groups with 20 or more employees, federal law requires the employer to offer continuation of benefits coverage for a specified period of time after termination of employment or reduction of work hours, for any reason other than gross misconduct. You will be responsible for sending payment of the required Premiums to the Group. Additional information is available through your Benefits Representative.

XVI. Conversion Coverage

If you are no longer eligible for coverage under your Group's Dental Plan, you and your enrolled Dependents may continue your dental coverage by enrolling in the Cigna Dental conversion plan. You must enroll within three (3) months after becoming ineligible for your Group's Dental Plan. Premium payments and coverage will be retroactive to the date coverage under your Group's Dental Plan ended. You and your enrolled Dependents are eligible for conversion coverage unless benefits were discontinued due to:

- Permanent breakdown of the dentist-patient relationship,
- Fraud or misuse of dental services and/or Dental Offices,
- Nonpayment of Premiums by the Subscriber,
- Selection of alternate dental coverage by your Group, or
- Lack of network/Service Area.

Benefits and rates for Cigna Dental conversion coverage and any succeeding renewals will be based on the Covered Services listed in the then-current standard conversion plan and may not be the same as those for your Group's Dental Plan. Please call the Cigna Dental Conversion Department at 1-800-Cigna24 to obtain current rates and make arrangements for continuing coverage.

XVII. Confidentiality/Privacy

Cigna Dental is committed to maintaining the confidentiality of your personal and sensitive information. Information about Cigna Dental's confidentiality policies and procedures is made available to you during the enrollment process and/or as part of your customer plan materials. You may obtain additional information about Cigna Dental's confidentiality policies and procedures by calling Customer Service at 1-800-Cigna24, or via the Internet at myCigna.com.

XVIII. Miscellaneous

As a Cigna Dental plan customer, you may be eligible for various discounts, benefits, or other consideration for the purpose of promoting your general health and well being. Please visit our website at myCigna.com for details.

As a Cigna Dental plan customer, you may also be eligible for additional dental benefits during certain health conditions. XI. What to Do if There is a Problem

Section B, "Appeals Procedure," is hereby deleted and replaced with the following:

B. Problems Concerning Denied Pre-authorizations or Denied Claims for Services Already Provided

If your problem concerns a specialty referral pre-authorization that is not approved for payment or a claim for services already provided that is denied by Cigna Dental, you or your designated representative may request a review as set out below by contacting Customer Service, P.O. Box 188047, Chattanooga, TN 37422, Telephone 1-800-Cigna24.

1. Expedited Review Process (Pre-authorizations Only)

a. Expedited Review

An Expedited Review is available if your Network Dentist certifies in writing that the time to follow the Informal Reconsideration process, as described below, would cause a significant negative change in your medical condition. Cigna Dental will notify you and your dentist of its decision, by telephone and by mail within 1 business day after receipt of all documentation. If Cigna Dental upholds the denial, the written

notice will include the criteria used, the clinical reasons for the decision, references to any supporting documentation, and notice of your right to proceed to an Expedited Appeal.

b. Expedited Appeal

An Expedited Appeal is available if Cigna Dental upholds the denial of a pre-authorization at the Expedited Review level. To request an Expedited Appeal, your Network Dentist must immediately inform Cigna Dental, in writing, that you are requesting an Expedited Appeal. Cigna Dental will notify you and your dentist of its decision, by telephone and by mail, within 72 hours of receiving the request. If Cigna Dental upholds the denial, you may request an Expedited External Independent Review.

c. Expedited External Independent Review

An Expedited External Independent Review is available if Cigna Dental upholds the denial of a pre-authorization at the Expedited Appeal level. You have 5 business days from the date you receive written notice that your denial was upheld at the Expedited Appeal level to request an Expedited External Independent Review. You must send your request in writing to the Appeals Coordinator at the above address. Cigna Dental will notify the Director of Insurance and will acknowledge your request in writing within 1 business day. The Director of Insurance will advise you and your treating dentist of the decision.

2. Informal Reconsideration (Pre-authorizations Only)

An Informal Reconsideration is available if Cigna Dental denies a pre-authorization that does not qualify for Expedited Review. You have up to 2 years from the date your pre-authorization was denied to request Informal Reconsideration. Your coverage must be in effect at the time of the request. Cigna Dental will acknowledge your request for Informal Reconsideration in writing within 5 business days. An Appeals Information Packet will be included. Cigna Dental will notify you and your treating dentist of its decision in writing within 15 days. If Cigna Dental upholds the denial, the notice will include a description of the criteria used, the clinical reasons for the decision, references to any supporting documentation, and notice of your right to proceed to a Formal Appeal.

3. Formal Appeal (Pre-authorizations and Claims for Services Already Provided)

a. Denied Pre-authorizations: You have 60 days from the date you receive notice that your denial was upheld at the Informal Reconsideration level to request a Formal Appeal. Cigna Dental will notify you and your dentist of its decision in writing within 15 days.

b. Denied Claims for Services Already Provided: You have 2 years from the date your claim was denied to request a Formal Appeal. Cigna Dental will notify you and your dentist of its decision in writing within 60 days.

You must send your request for a Formal Appeal in writing to the Appeals Coordinator at the above address. You or your Network Dentist must provide Cigna Dental with any material justification or documentation to support your request. Cigna Dental will acknowledge your appeal in writing within 5 business days of your request. If Cigna Dental upholds the denial, the written notice will include the criteria used, the clinical reasons for the decision, references to any supporting documentation, and your right to proceed to External Independent Review.

4. External Independent Review (Pre-authorizations and Claims for Services Already Provided)

If Cigna Dental upholds the denial of a pre-authorization or a claim for services already provided at the Formal Appeal level, you may seek an External Independent Review. You have 30 days from the date you receive notice that your denial was upheld at the Formal Appeal level to request an External Independent Review. You must send your request for an External Independent Review in writing to the Appeals Coordinator at the above address. Cigna Dental will notify the Director of Insurance and will acknowledge your request in writing within 5 business days. The Director of Insurance will notify you and your treating dentist of the Independent Review Organization's decision.

Further information concerning the above Appeal Process is contained in the Appeals information Packet. You may obtain a replacement packet by contacting Customer Service at 1-800-Cigna24.

5. Appeals to the State

You have the right to contact the Arizona Department of Insurance and/or Department of Health for assistance at any time.

XII. Dual Coverage

If you are also an insured or a certificate holder under an indemnity health insurance policy that provides benefits for Covered Services provided by the Dental Plan, the indemnity health insurance policy will pay benefits without regard to the existence of the Cigna Dental Plan. Notwithstanding, the indemnity plan is not obligated to pay any amount for a procedure provided under the Dental Plan at no charge or to pay in excess of the amount of the Patient Charge for any Covered Service. In the event the Patient Charge has been paid to the Network Dentist, then the Indemnity Plan must remit any payments due directly to you.

IX. Specialty Referrals

If you have a dental emergency which requires Specialty Care, your Network Dentist will contact Cigna Dental for an expedited referral.

Referrals approved by Cigna Dental cannot be retrospectively denied except for fraud or abuse; however, your Cigna Dental coverage must be in effect at the time your Network Specialist begins each procedure.

XI. What to Do if There is a Problem

The following is applicable only to Adverse Determinations and is in addition to the Appeals Procedure listed in Sections XI.B.1 and XI.B.2. of your Plan Booklet:

1. Level One Appeals: The reviewer will consult with a dentist in the same or similar specialty as the care under consideration. A resolution to your written complaint will be provided to you and your Network Dentist, in writing, within 20 working days of receipt. The written decision will contain the name, title, and qualifying credentials of the reviewer and of any specialist consulted, a statement of the reviewer's understanding of the reason for your appeal, clinical rationale, a reference to the documentation used to make the determination, clinical criteria used, and instructions for requesting the clinical review criteria, and a description of the process for requesting a second level appeal.
2. Level Two Appeals: A majority of the Appeals Committee will consist of licensed Dentists who have appropriate expertise. The licensed Dentist may not have been previously involved in the care or decision under consideration, may not be members of the board of directors or employees of Cigna Dental, and may have no direct financial interest in either the case or its outcome.

   The Appeals Committee will schedule and hold a review within 45 working days of receipt of your request. You will be notified in writing at least 15 working days prior to the review date of your right to: be present at the review; present your case to the Grievance Committee, in person or in writing; submit supporting documentation; ask questions of the reviewers prior to or at the review; and be represented by a person of your choice. If you wish to be present, the review will be held during regular business hours at a location reasonably accessible to you. If a face-to-face meeting is not practical for geographic reasons, you will have the opportunity to be present by conference call at Cigna Dental's expense. Please notify Cigna Dental within 5 working days prior to the review if you intend to have an attorney present.

   The Appeals Committee's decision will include: the names, titles and qualifying credentials of the reviewers; a statement of the reviewer's understanding of the nature of the appeal and the pertinent facts; the rationale for the decision; reference to any documentation used in making the decision; instructions for requesting the clinical

rationale, including the review criteria used to make the determination; additional appeal rights, if any; and the right to contact the Department of Insurance, including the address and telephone number of the Commissioner's office.

3. Expedited Appeals: Within 1 working day after your request, Cigna Dental will provide reasonable access to the Dentist who will perform the expedited review.

The following process replaces Section XI.B.3. of your Plan Booklet, entitled "Independent Review Procedure":

If the Appeals Committee upholds a denial based on clinical necessity, and you have exhausted Cigna Dental's Appeals Process, you may request that your appeal be referred to an Independent Review Organization (IRO). In order to request a referral to an IRO, the reason for the denial must be based on a dental necessity determination by Cigna Dental. Administrative, eligibility or benefit coverage limits are not eligible for additional review under this process.

There is no charge for you to initiate this independent review process; however, you must provide written authorization permitting Cigna Dental to release the information to the Independent Reviewer selected. The IRO is composed of persons who are not employed by Cigna Dental or any of its affiliates. Cigna Dental will abide by the decision of the IRO.

To request a referral to an IRO, you must notify the Appeals Coordinator within 60 days of your receipt of the Appeals Committee's level two appeal review denial. Cigna Dental will then forward the file to the Colorado Department of Insurance within 2 working days, or within 1 working day for expedited reviews. We will send you descriptive information on the entity that the Department selects to conduct the review.

The IRO may request additional information to support the request for an independent review. Upon receipt of copies of any additional information, Cigna Dental may reconsider its decision. If Cigna Dental provides coverage, the independent review process will end.

The IRO will provide written notice of its decision to you, your provider and Cigna Dental within 30 working days after Cigna Dental receives your request for an independent review. When requested and when a delay would be detrimental to your dental condition as certified by your treating dentist, the IRO will complete the review within 7 working days after Cigna Dental receives your request. The IRO may request another 10 working days, or another 5 working days for expedited requests, to consider additional information.

If the IRO reverses Cigna Dental's adverse decision, we will provide coverage within 1 working day for preauthorizations and within 5 working days for services already rendered.

XVIII. Miscellaneous

III. Eligibility/When Coverage Begins

If you are required under an order to provide dental insurance coverage for your child and you are eligible for dependent dental insurance:

- regardless of enrollment period restrictions, Cigna will allow the insured to enroll in dependent coverage and include his child in that coverage specified in the enrollment form;
- if the insured is enrolled in dental insurance but does not include his child in the enrollment, Cigna will allow either the noninsuring parent, the Child Support Enforcement Agency, or the Maryland Department of Health to apply for the enrollment on behalf of such child and include such child in dental insurance under the enrollment regardless of enrollment period restrictions; and

Cigna may not disenroll or eliminate dental insurance for the child, unless written evidence is provided to Cigna that:

- the order is no longer in effect;
- the child has been or will be enrolled under other reasonable dental insurance which will take effect no later than the effective date of the disenrollment;

- the employer has eliminated dependent dental insurance from the plan for all Employees; or
- the employer no longer employs the parent under whose name the child has been enrolled for coverage except to the extent that if the parent elects to exercise the provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) then the dental insurance coverage must be provided for the child consistent with the employer's plan relating to post-employment dental insurance coverage for dependents.

IV. Your Cigna Dental Coverage

D. Choice of Dentist

You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise Cigna Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when Cigna Dental otherwise approves payment for out-of-network benefits.

You may select a network Pediatric Dentist as the Network General Dentist for your dependent child under age 13 by calling Customer Service at 1.800.Cigna24 to get a list of network Pediatric Dentists in your Service Area or if your Network General Dentist sends your child under the age of 13 to a network Pediatric Dentist, the network Pediatric Dentist's office will have primary responsibility for your child's care. For children 13 years and older, your Network General Dentist will provide care. If your child continues to visit the Pediatric Dentist upon the age of 13, you will be fully responsible for the Pediatric Dentist's Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, Cigna Dental will let you know and will arrange a transfer to another Dental Office. Refer to the Section titled "Office Transfers" if you wish to change your Dental Office.

If, due to circumstances beyond the control of Cigna Dental, such as complete or partial destruction of Dental Offices, war, riot, civil insurrection, labor disputes, or the disability of a significant number of Network Dentists, no Network Dentist can render Covered Services, then you may seek Covered Services from a non-Network Dentist and Cigna Dental will reimburse you as follows: 1. for no-charge services as listed on the applicable Patient Charge Schedule, to the extent that the non-Network Dentist's fees are reasonable and customary for dentists in the same geographical area; and 2. for other Covered Services, the difference between the applicable Patient Charge Schedule and the non-Network Dentist's reasonable and customary fee. This reimbursement will be made after you submit appropriate reports and X-rays to Cigna Dental.

To obtain a list of Dental Offices near you, visit our website at my.cigna.com, or call the Dental Office Locator at 1.800.Cigna24. It is available 24 hours a day, 7 days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Customer Service.

Continuity of Care Notice

You have special rights in Maryland when you are a new enrollee and may be moving from Maryland Medical Assistance or another company's dental plan to Cigna Dental coverage and if you currently are receiving treatment.

Right to use non-network providers. If you have been receiving services from a health care provider, and that provider is a non- network provider under your new health plan with us, you may be able to continue to see your provider as though the provider were an in-network provider. You or your parent, guardian, designee, or health care provider may also contact us on your behalf at 1-800-Cigna24 to request the right to continue to see the non-network provider as if the provider were an in-network provider with us.

This right applies only if you are being treated by the non-network provider for covered services for one or more of the following types of conditions:

1. Acute dental conditions;
2. Serious chronic dental conditions;
3. Any other condition upon which we and the out-of-network provider agree.

There is a time limit for how long you can continue to see a non-network provider and only need to pay cost-sharing as though the provider were an in-network provider. For all conditions the time limit is 90 days or until the course of treatment is completed, whichever is sooner. The 90-day limit is measured from the date your coverage starts under the new plan.

You or your representative need to contact Cigna so that Cigna can pay your claim as if you are still receiving care from a network dentist. If the non-network dentist accepts Cigna's rate of payment, the dentist is only permitted to bill you for the in-network cost-sharing amounts that apply to the service, such as copayments, coinsurance and deductible.

If the non-network dentist will not accept Cigna's rate of payment, the dentist may decide not to provide services to you, or may continue to provide services to you and bill you not only for any copayment, coinsurance or deductible that applies, but also bill you for the difference between the dentist's fee and the allowable charge determined by Cigna.

If you have any questions please contact us at 1-800-Cigna24.

F. Emergency Dental Care - Reimbursement

1. Emergency Care Away From Home

If you have an emergency while you are out of your Service Area or you are unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above from any general dentist. Routine restorative procedures or definitive treatment (e.g. root canal) are not considered emergency care. You should return to your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Patient Charges listed on your Patient Charge Schedule. Cigna Dental will reimburse you the difference, if any, between the dentist's Usual Fee for emergency Covered Services and your Patient Charge, up to a total of $50 per incident. To receive reimbursement, send appropriate reports and x-rays to Cigna Dental at the address listed for your state on the front of this booklet.

G. Limitations on Covered Services

Listed below are limitations on services when covered by your Dental Plan:

- **Pediatric Dentistry** - Coverage for treatment by a Pediatric Dentist ends on your child's 13th birthday. Effective on your child's 13th birthday, dental services must be obtained from a Network General Dentist however, exceptions for medical reasons may be considered on an individual basis.

H. Services Not Covered Under Your Dental Plan

The following bullet is amended for Maryland residents

- general anesthesia, sedation and nitrous oxide, unless specifically listed on your Patient Charge Schedule. When listed on your Patient Charge Schedule, general anesthesia and IV sedation are covered when medically necessary and provided in conjunction with Covered Services performed by an Oral Surgeon or Periodontist. **Maryland residents: General anesthesia is covered when medically necessary and authorized by your physician.** There is no coverage for general anesthesia or intravenous sedation when used for the purposes of anxiety control or patient management.

IX. Specialty Referrals

A. In General

Preauthorization is not required for coverage of services by a Network Specialty Dentist.

When Cigna Dental approves payment to the Network Specialty Dentist, the fees or no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in Section IX.B., Orthodontics. Treatment by the Network

Specialty Dentist must begin within 90 days from the date of Cigna Dental's approval. If you are unable to obtain treatment within the 90 day period, please call Customer Service to request an extension. Your coverage must be in effect when each procedure begins.

For non-Covered Services or if Cigna Dental does not approve payment to the Network Specialty Dentist for Covered Services, including Adverse Determinations, you must pay the Network Specialty Dentist's Usual Fee. If you have a question or concern regarding an approval or a denial, contact Customer Service.

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, it will be your responsibility to pay for treatment at the dentist's Usual Fees.

When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available, as determined by Cigna Dental, Cigna Dental will approve a referral to a non-Network Specialty Dentist. The referral procedures applicable to specialty care will apply. In such cases, you will be responsible for the applicable Patient Charge for Covered Services. Cigna Dental will reimburse the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge. For non-Covered Services or services not approved for payment, including Adverse Determinations, you must pay the dentist's Usual Fee.

Your Network General Dentist may not refer you to a dental care entity in which your Network General Dentist and/or his or her immediate family owns a beneficial interest or has a compensation arrangement, unless the services are personally performed by your Network General Dentist or under his or her direct supervision. This provision does not prohibit a referral to another dentist in the same group practice as your Network General Dentist.

If your Network General Dentist refers you to a specialist who is not a Network Specialty Dentist, Cigna Dental will reimburse the non-Network Specialty Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge. You must pay the specialist's Usual Fee for non-Covered Services.

Referral for Services by a Non-Participating Specialist or Non-physician Specialist:

You may receive a referral to a non-participating specialist or non-physician specialist if you are diagnosed with a condition or disease that requires specialized health care services or medical care; we do not have a participating specialist or non-physician specialist with the professional training and expertise to treat or provide health care services for the condition or disease; or we cannot provide reasonable access to a specialist or non-physician specialist with the professional training and expertise to treat or provide health care services for the condition or disease without unreasonable delay or travel. Any deductible or coinsurance applicable to the services for which the referral is requested will be calculated as if the services were received from a Participating Provider.

XI. What To Do If There Is A Problem

The following information replaces Section XI of your Plan Booklet in its entirety.

For the purposes of this section, any reference to "you" or "your" also refers to a representative or provider designated by you to act on your behalf.

Most problems can be resolved between you and your dentist. However, we want you to be completely satisfied with the Dental Plan. That is why we have established a process for addressing your concerns and complaints. The complaint procedure is voluntary and will be used only upon your request.

A. Start With Customer Service

We are here to listen and to help. If you have a concern about your Dental Office or the Dental Plan, you can call 1.800.Cigna24 toll-free and explain your concern to one of our Customer Service Representatives. You can also express that concern in writing to the address listed for your state on the cover page of your Plan Booklet. We'll do our best to resolve the matter during your initial contact. If we need more time to review or investigate your concern, we'll get back to you as soon as possible, usually by the end of the next business day, but in any case within 30 days.

The Maryland Insurance Administration is also available to assist you with any complaint you may have against the Dental Plan. If your complaint concerns a Coverage Decision or an Adverse Determination, please refer to the appropriate section below. For all other issues, you may register your complaint with the Maryland Insurance

Administration, Life and Health Inquiry and Investigation Unit, 200 St. Paul Place, Suite 2700 Baltimore, MD, 21202, telephone 410.468.2244.

B. Complaints Involving Coverage Decisions

   a. **Appeal -** a protest regarding a coverage decision filed under Cigna Dental's internal appeal process.

   b. **Appeal Decision -** a final determination by Cigna Dental on an appeal of a coverage decision filed under Cigna Dental's internal appeal process.

   c. **Coverage Decision -** an initial determination by Cigna Dental that results in non-coverage of a dental procedure; a determination that an individual is not eligible for coverage under the plan; or, a determination that results in the recission of an individual's coverage under the plan. It also includes non-payment of all or any part of a claim. A coverage decision does not include an Adverse Determination, as defined in subsection C. "Complaints Involving Adverse Determinations" of this rider.

   d. **Urgent Medical Condition -** a condition that satisfies either of the following:

      1. A medical condition, including a physical or dental condition, where the absence of medical attention within 72 hours could reasonably be expected by an individual, acting on behalf of a carrier, applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine, to result in:

         (a) Placing your life or health in serious jeopardy;

         (b) The inability to regain maximum function;

         (c) Serious impairment to bodily function; or

         (d) Serious dysfunction of any bodily organ or part; or

      2. A medical condition, including a physical or dental condition, where the absence of medical attention within 72 hours, in the opinion of a health care provider with knowledge of your medical condition, would subject you to severe pain that cannot be adequately managed without the care or treatment that is the subject of the Coverage Decision.

2. Appeals Procedure

If you are not satisfied with the results of a Coverage Decision, you may start the Appeals Procedure. Cigna Dental has a two-step Appeals Procedure for Coverage Decisions. To initiate an Appeal, you must submit a request in writing to Cigna Dental, at the address listed for your state on the cover page of your Plan Booklet, within 1 year from the date of the initial Cigna Dental decision. You should state the reason you feel your Appeal should be approved and include any information to support your Appeal. If you are unable or choose not to write, you may ask Customer Service to register your Appeal by calling 1.800.Cigna24. Following a coverage decision, the HAU is also available to assist in mediating and filing an appeal under the internal process. After an Appeal Decision, the Health Education and Advocacy Unit is available to assist the member in filing a complaint with the Commissioner. You may contact the Health Education and Advocacy Unit at:

Office of the Attorney General
Consumer Protection Division
200 St. Paul Place, 16th floor
Baltimore MD 21202
Email:heau@oag.state.md.us

Fax: 410.576.6571
TTY: 1.800.576.6372

a. Level One Appeals

Your Level One Appeal will be reviewed and the decision made by someone not involved in the initial review. If your Appeal concerns a denied pre-authorization, Cigna Dental will render a final decision in writing, to you and any provider acting on your behalf, within 15 calendar days after we receive your Appeal. For Appeals concerning all other Coverage Decisions, Cigna Dental will render a final decision in writing, to you and any provider acting on your behalf, within 30 calendar days after we receive your Appeal. If we need more time or information to make the decision, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

You may request that the Appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality

that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, Cigna Dental will respond orally with a decision within 72 hours, followed up in writing.

If you are not satisfied with our Level One Appeal decision, you may either (1) proceed to a Level Two Appeal or (2) register a complaint with the Maryland Insurance Administration (see "Appeals to the State" below).

b. Level Two Appeals

To initiate a Level Two Appeal, follow the same process required for a Level One Appeal. Level Two Appeals will be conducted by an Appeals Committee consisting of at least 3 people. Anyone involved in the prior decision may not vote on the Appeals Committee. If specialty care is in dispute, the Appeals Committee will consult with a dentist in the same or similar specialty as the care under review.

Cigna Dental will acknowledge your Appeal in writing within 5 business days and schedule an Appeals Committee review. The acknowledgment letter will include the name, address, and telephone number of the Appeals Coordinator. We may request additional information at that time. If your Appeal concerns a denied pre-authorization, the Appeals Committee review will be completed within 15 calendar days. For Appeals concerning all other coverage issues, the Appeals Committee review will be completed within 30 calendar days. If we need more time or information to complete the review, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed by the Appeals Committee to complete the review.

You may present your Appeal to the Appeals Committee in person or by conference call. You must advise Cigna Dental 5 days in advance if you or your representative plan to attend in person. Cigna Dental will notify you, and any provider acting on your behalf, of the Appeals Committee's final decision, in writing, within 5 business days after the meeting. The decision will include the specific contractual or clinical reasons for the decision, as applicable.

You may request that the Appeal resolution be expedited if the timeframes under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, the Dental Plan will respond orally with a decision within 72 hours, followed up in writing.

If you are not satisfied with our Level Two Appeal Decision, you may register a complaint with the Maryland Insurance Administration by following the instructions below.

3. Appeals to the State

Before seeking the assistance of the Maryland Insurance Administration regarding the Appeal of a Coverage Decision, you must first exhaust Cigna Dental's Level One Appeals Procedure. However, if your complaint involves an Urgent Medical Condition for which care has not yet been rendered, you may file a complaint with the Maryland Insurance Administration without first exhausting Cigna Dental's Level One Appeals Procedure.

If you are not satisfied with Cigna Dental's final resolution regarding your Coverage Decision, you may, within 4 months of receipt of Cigna Dental's Level One or Level Two Appeal Decision, file a written complaint with the Maryland Insurance Administration. Your complaint should be addressed to the Maryland Insurance Administration, 500 St. Paul Place, Suite 2700 Baltimore, MD 21202, telephone (410) 468-2000 or (800 492-6116, fax (410) 468-2270, TTY (800) 735-2258.

C. Complaints Involving Adverse Determinations

The following applies to decisions made by Cigna Dental that a proposed or delivered Covered Service is or was not necessary, appropriate or efficient and which resulted in non-coverage of the service. For such Adverse Determinations, the complaint/appeal process is designated as a grievance process under Maryland law. Adverse determination means a utilization review determination that a proposed or delivered health care service covered under the member's contract is or was not medically necessary, appropriate, or efficient; and may result in non coverage of the health care service.

1. In General

The Cigna Dental Appeals Coordinator is responsible for the internal grievance process and may be contacted at Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047; Phone 1.800.Cigna24.

A grievance may be filed by you or your designated representative, which may include your Network Dentist.

"Filing Date," as used below, refers to the earlier of 5 days after the date of mailing or the date of receipt.

2. Grievances Involving Pre-authorization Requests and Covered Services Already Provided

For grievances involving preauthorization requests, you or your Network Dentist may request a review in writing within 60 days of receipt of an Adverse Determination. Cigna Dental will render a final decision in writing within 30 working days after the date a grievance is filed unless:

a. the grievance involves an emergency. An emergency is a service necessary to treat a condition or illness that, without immediate dental attention, would:

(1) seriously jeopardize the life or health of the member or the member's ability to regain maximum function, or

(2) cause the member to be a danger to self or others.

(3) cause the member to continue using intoxicating substances in an imminently dangerous manner.

If your grievance involves an emergency, Cigna Dental will respond orally with a decision within 24 hours after the grievance is filed.

b. you or your designated representative agrees in writing to an extension for a period not to exceed 30 working days;

c. the grievance involves Covered Services already provided.

For grievances involving Covered Services already provided, you or your Network Dentist may request a review in writing within 180 days of receipt of an Adverse Determination. Cigna Dental shall render a final decision in writing within 45 working days after the date a grievance is filed; unless you or your designated representative agrees in writing to an extension for a period not to exceed 30 working days.

If, within 5 days of the Filing Date, Cigna Dental does not have sufficient information to complete the grievance process, Cigna Dental will request additional information for review and will assist you or your Network Dentist in gathering information as required.

2. Grievances Involving Preauthorized Requests and Covered Services Already Provided (Continued)

Cigna Dental will notify you or your designated representative orally of its grievance decision, followed up in writing to you and your designated representative, within 5 working days, and within 1 day if your grievance involves an emergency, after the decision is made. The notice shall include:

a. the specific factual basis for the decision;

b. the specific criteria and standards, including interpretive guidelines, on which the grievance decision was based;

c. the name, business address and telephone number of the Cigna Dental Appeals Coordinator; and

d. the instructions and timeframe for filing a complaint with the Maryland Insurance Commissioner, including the Commissioner's address, telephone number and facsimile number.

3. Appeals to the State

The Maryland Health Education and Advocacy Unit is available to assist you in filing a grievance under Cigna Dental's internal grievance process or in mediating a resolution to an Adverse Determination. However, it is not available to represent or accompany you during grievance proceedings. The Health Education and Advocacy Unit can be reached at: Consumer Protection Division, Office of the Attorney General, 200 St. Paul Place, 16th Floor, Baltimore, MD 21202; Phone (410) 528-1840 or 1-877-261-8807; Fax (410) 576-6571; Email: heau@oag.state.md.us

If you have exhausted Cigna Dental's internal grievance process and are not satisfied with Cigna Dental's decision, you may also file a written complaint with the Maryland Insurance Commissioner, within four months of receipt of Cigna Dental's grievance decision, at Maryland Insurance Administration, Chief of Complaints, 200 St. Paul Place, Suite 2700 Baltimore, MD 21202; Phone (410) 468-2000 or (800) 492-6116; Fax (410) 468-2270, TTY (800) 735-2258.

You may also file a complaint with the Insurance Commissioner if you do not receive a grievance decision on a timely basis as set out in Section 2.

You or your Network Dentist may file a complaint with the Maryland Insurance Commissioner without first exhausting Cigna Dental's internal grievance process, if you can demonstrate to the Commissioner a compelling reason why you should not proceed under Cigna Dental's internal grievance process. A "compelling reason" demonstrates that the potential delay in receipt of a health care service until after the member or health care provider exhausts the internal grievance process and obtains a final decision under the grievance process could result in loss of life, serious impairment to a

bodily function, serious dysfunction of a bodily organ, or the member remaining seriously mentally ill or using intoxicating substances with symptoms that cause the member to be a danger to self or others, or the member continuing to experience severe withdrawal symptoms.

XIII. Disenrollment From the Dental Plan – Termination of Benefits

The following supercedes the provisions of Section XIII, Subsection A.4. of your Plan Booklet.

4. After 30 days notice from Cigna Dental due to fraud or misuse of dental services and/or Dental Offices. Cigna Dental may not terminate coverage for an entire family because a Dependent fraudulently uses the membership card; only the Dependent's coverage may be terminated.

XI. What To Do If There Is A Problem

B.1 Level-One Appeals

Complaints involving an adverse determination will be reviewed by a Dentist in the same or similar specialty as the care under consideration, when reasonably necessary as determined by Cigna Dental, or if requested by your Network Dentist. We will notify you and your Network Dentist in writing of the decision within 15 working days of the request for review.

If your complaint involves any matter other than an adverse determination, you will be provided with the name, address, and telephone number of the person designated to coordinate the review, within 3 days after receipt. You will be provided with a written resolution within 15 working days of receipt of a written complaint. If the review cannot be completed within 15 working days, we will notify you in writing on or before the 15th day of the reason for the delay. The review will be completed within 15 days after that.

The resolution to any written complaint will contain the following: the name, title, and qualifying credentials of the reviewer, a statement of the reviewer's understanding of your complaint, the decision in clear terms and the contract basis or clinical rationale in sufficient detail for you to respond further to Cigna Dental's position, a reference to the evidence or documentation used as the basis for the decision, and, in cases involving an adverse determination, the instructions for requesting a written statement of clinical rationale, including the clinical review criteria used to make the determination. You will also be provided with instructions on how you may proceed to a Level-Two Appeal and how you may contact the Nebraska Department of Insurance.

2. Level-Two Appeals

To initiate a level-two appeal, follow the same process required for a level-one appeal. Level-two appeals will be conducted by an Appeals Committee consisting of at least 3 people. Anyone involved in the prior decision may not vote on the Appeals Committee. For appeals involving dental necessity or clinical appropriateness, the Appeals Committee will include at least one dentist. If specialty care is in dispute, the Appeals Committee will

consult with a dentist in the same or similar specialty as the care under review.

Cigna Dental will acknowledge your appeal in writing within 5 business days and schedule an Appeals Committee review. The acknowledgment letter will include the name, address, and telephone number of the Appeals Coordinator. We may request additional information at that time. If your appeal concerns a denied pre-authorization, the Appeals Committee review will be completed within 15 calendar days. For appeals concerning all other coverage issues, the Appeals Committee review will be completed within 30 calendar days. If we need more time or information to complete the review, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed by the Appeals Committee to complete the review.

You may present your appeal to the Appeals Committee in person or by conference call. You must advise Cigna Dental 5 days in advance if you or your representative plan to attend in person. You will be notified in writing of the Appeals Committee's decision within 5 business days after the meeting. The decision will include the specific contractual or clinical reasons for the decision, as applicable.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, the Dental Plan will respond orally with a decision within 72 hours, followed up in writing.

Ohio Residents:

The following is in addition to the information on the first page of your Plan Booklet:

NOTICE: IF YOU OR YOUR FAMILY MEMBERS ARE COVERED BY MORE THAN ONE HEALTH CARE PLAN, YOU MAY NOT BE ABLE TO COLLECT BENEFITS FROM BOTH PLANS. EACH PLAN MAY REQUIRE YOU TO FOLLOW ITS RULES OR USE SPECIFIC DOCTORS AND HOSPITALS, AND IT MAY BE IMPOSSIBLE TO COMPLY WITH BOTH PLANS AT THE SAME TIME. READ ALL OF THE RULES VERY CAREFULLY, INCLUDING THE COORDINATION OF BENEFITS SECTION, AND COMPARE THEM WITH THE RULES OF ANY OTHER PLAN THAT COVERS YOU OR YOUR FAMILY.

The following definition is revised under Section I. Definitions:

Dependent - your lawful spouse;

your unmarried child (including newborns, adopted children, step-children, a child for whom you must provide dental coverage under a court order; or, a dependent child who resides in your home as a result of court order or administrative placement) who is:

(a) less than 26 years old; or

(b) less than 23 years old if he or she is both:

  i. a full-time student enrolled at an accredited educational institution, and

  ii. reliant upon you for maintenance and support; or

(c) any age if he or she is both:

  i. incapable of self-sustaining employment due to mental or physical disability, and

  ii. reliant upon you for maintenance and support.

For a dependent child 19 years of age or older who is a full-time student at an educational institution, coverage will be provided for an entire academic term during which the child begins as a full-time student and remains enrolled, regardless of whether the number of hours of instruction for which the child is enrolled is reduced to a level that changes the child's academic status to less than that of a full-time student.

A Newly Acquired Dependent is a dependent child who is adopted, born, or otherwise becomes your dependent after you become covered under the Plan.

Coverage for dependents living outside a Cigna Dental service area is subject to the availability of an approved network where the de-pendent resides.

The following definition is added to Section I. Definitions:

I. Definitions

Telehealth services - health care services provided through the use of information and communication technology by a health care professional, within the professional's scope of practice, who is located at a site other than the site where either of the following is located:

(a) The patient receiving the services;

(b) Another health care professional with whom the provider of the services is consulting regarding the patient.

Tele-dentistry - the delivery of dental services through the use of synchronous, real-time communication and the delivery of services of a dental hygienist or expanded function dental auxiliary pursuant to a dentist's authorization.

Synchronous, real time communication - a live, two-way interaction between a patient and a dentist conducted through audiovisual technology.

The following is in addition to the process described in Section III. Eligibility/When Coverage Begins:

III. Eligibility/When Coverage Begins

You and your Dependents must live or work in the service area to be eligible for coverage.

Under Ohio law, if you divorce, you cannot terminate coverage for enrolled Dependents until the court determines that you are no longer responsible for providing coverage.

Cigna Dental does not require, make inquiries into, or rely upon genetic screening or testing in processing applications for enrollment or in determining insurability under the Dental Plan.

Section IV is renamed:

IV. Your Cigna Dental Plan

The Choice of Dentist provision under Section IV. D. is deleted and is replaced with the following:

D. Choice Of Dentist

You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise Cigna Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when Cigna Dental otherwise approves payment for out-of-network benefits.

You may select a network Pediatric Dentist as the Network General Dentist for your dependent child under age 13 by calling Customer Service at 1.800.Cigna24 to get a list of network Pediatric Dentists in your Service Area or if your Network General Dentist sends your child under the age of 13 to a network Pediatric Dentist, the network Pediatric Dentist's office will have primary responsibility for your child's care. For children 13 years and older, your Network General Dentist will provide care. If your child continues to visit the Pediatric Dentist upon the age of 13, you will be fully responsible for the Pediatric Dentist's Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, Cigna Dental will let you know and will arrange a transfer to another Dental Office. Refer to the Section titled "Office Transfers" if you wish to change your Dental Office.

To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1.800.Cigna24. It is available 24 hours a day, 7 days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Customer Service.

The following is in addition to the process described in Section IV. E. of your Plan Booklet:

E. Your Payment Responsibility (General Care)

If, on a temporary basis, there is no Network General Dentist in your Service Area, Cigna Dental will let you know and you may obtain Covered Services from a non-Network Dentist. You will pay the non-Network Dentist the applicable Patient Charge for Covered Services. Cigna Dental will pay the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge. There is no additional cost to you.

Cigna Dental is not a member of any Guaranty Fund. In the event of Cigna Dental's insolvency, you will not be liable to the Network Dentist for any sums owed to the Network Dentist by Cigna Dental. However, you may be financially responsible for services rendered by a non-network dentist whether or not Cigna Dental authorizes payment for a referral.

If you are undergoing treatment and the Dental Plan becomes insolvent, Cigna Dental will arrange for the continuation of services until the expiration of your Group Contract.

Provision 1 of Emergency Dental Care – Reimbursement under Section IV. F. is deleted and is replaced with the following:

F. Emergency Dental Care – Reimbursement

1. Emergency Care Away From Home

If you have an emergency while you are out of your Service Area or you are unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above from any general dentist. Routine restorative procedures or definitive treatment (e.g. root canal) are not considered emergency care. You should return to your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Patient Charges listed on your Patient Charge Schedule. Cigna Dental will reimburse you the difference, if any, between the dentist's Usual Fee for emergency Covered Services and your Patient Charge, up to a total of $50 per incident. To receive reimbursement, send appropriate reports and x-rays to Cigna Dental at the address listed for your state on the front of this booklet.

The Pediatric Dentistry provision under Section IV. G. is deleted and replaced with the following:

G. Limitations on Covered Services

Listed below are limitations on services when covered by your Dental Plan:

- **Pediatric Dentistry** - Coverage for treatment by a Pediatric Dentist ends on your child's 13th birthday. Effective on your child's 13th birthday, dental services must be obtained from a Network General Dentist however, exceptions for medical reasons may be considered on an individual basis.

The Office Transfers provision under Section VII. is deleted and replaced with the following:

VII. Office Transfers

If you decide to change Dental Offices, we can arrange a transfer. You should complete any dental procedure in progress before transferring to another Dental Office. To arrange a transfer, call Customer Service at 1.800.Cigna24. To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1.800.Cigna24.

Your transfer request may take up to 5 days to process. Transfers will be effective the first day of the month after the processing of your request. Unless you have an emergency, you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective. You can check the status of your request by visiting myCigna.com, or by calling us at 1.800.Cigna24.

There is no charge to you for the transfer; however, all Patient Charges which you owe to your current Dental Office must be paid before the transfer can be processed.

The Specialty Referrals provision under Section IX. A is deleted and replaced with the following:

IX. Specialty Referrals

A. In General

Preauthorization is not required for coverage of services by a Network Specialty Dentist.

When Cigna Dental approves payment to the Network Specialty Dentist, the fees or no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in Section IX.B., Orthodontics. Treatment by the Network Specialty Dentist must begin within 90 days from the date of Cigna Dental's approval. If you are unable to obtain treatment within the 90 day period, please call Customer Service to request an extension. Your coverage must be in effect when each procedure begins.

For non-Covered Services or if Cigna Dental does not approve payment to the Network Specialty Dentist for Covered Services, including Adverse Determinations, you must pay the Network Specialty Dentist's Usual Fee. If you have a question or concern regarding an approval or a denial, contact Customer Service.

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, it will be your responsibility to pay for treatment at the dentist's Usual Fees.

When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available, as determined by Cigna Dental, Cigna Dental will approve a referral to a non-Network Specialty Dentist. The referral procedures applicable to specialty care will apply. In such cases, you will be responsible for the applicable Patient Charge for Covered Services. Cigna Dental will reimburse the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge. For non-Covered Services or

services not approved for payment, including Adverse Determinations, you must pay the dentist's Usual Fee.

The following is in addition to the process described in Section XI of your Plan Booklet:

XII. Dual Coverage

(This section is not applicable when Cigna Dental does not make payments toward specialty care as indicated by your Patient Charge Schedule. For those plans, Cigna Dental is always the primary plan.)

The following supersedes Section XII of your Plan Booklet:

A. Coordination Of Benefits

The Coordination of Benefits ("COB") provision applies when a person has health care coverage under more than one Plan. Plan is defined below.

The order of benefit determination rules govern the order in which each Plan will pay a claim for benefits. The Plan that pays first is called the Primary Plan. The Primary Plan must pay benefits in accordance with its Policy terms without regard to the possibility that another Plan may cover some expenses. The Plan that pays after the Primary Plan is the Secondary Plan. The Secondary Plan may reduce the benefits it pays so that payments from all Plans does not exceed 100% of the total Allowable expense.

Definitions

A. Plan is any of the following that provides benefits or services for medical or dental care or treatment. If separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same Plan and there is no COB among those separate contracts.

   (1) Plan includes: group and nongroup insurance contracts, health insuring corporation ("HIC") contracts, closed panel Plans or other forms of group or group-type coverage (whether insured or uninsured); medical care components of long-term care contracts, such as skilled nursing care; medical benefits under group or individual automobile contracts; and Medicare or any other federal governmental Plan, as permitted by law.

   (2) Plan does not include: hospital indemnity coverage or other fixed indemnity coverage; accident only coverage; specified disease or specified accident coverage; supplemental coverage as described in Revised Code sections 3923.37 and 1751.56; school accident type coverage; benefits for non-medical components of long-term care policies; Medicare supplement policies; Medicaid policies; or coverage under other federal governmental Plans, unless permitted by law.

   Each contract for coverage under (1) or (2) is a separate Plan. If a Plan has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate Plan.

B. This Plan means, in a COB provision, the part of the contract providing the health care benefits to which the COB provision applies and which may be reduced because of the benefits of other Plans. Any other part of the contract providing health care benefits is separate from This Plan. A contract may apply one COB provision to certain benefits, such as dental benefits, coordinating only with similar benefits, and may apply another COB provision to coordinate other benefits.

C. The order of benefit determination rules determine whether This Plan is a Primary Plan or Secondary Plan when the person has health care coverage under more than one Plan.

   When This Plan is primary, it determines payment for its benefits first before those of any other Plan without considering any other Plan's benefits. When This Plan is secondary, it determines its benefits after those of another Plan and may reduce the benefits it pays so that all Plan benefits do not exceed 100% of the total Allowable expense.

D. Allowable expense is a health care expense, including deductibles, coinsurance and copayments, that is covered at least in part by any Plan covering the person. When a Plan provides benefits in the form of services, the reasonable cash value of each service will be considered an Allowable expense and a benefit paid. An expense that is not covered by any Plan covering the person is not an Allowable expense. In addition, any expense that a provider by law or in accordance with a contractual agreement is prohibited from charging a covered person is not an Allowable expense.

The following are examples of expenses that are not Allowable expenses:

(1) The difference between the cost of a semi-private hospital room and a private hospital room is not an Allowable expense, unless one of the Plans provides coverage for private hospital room expenses.

(2) If a person is covered by 2 or more Plans that compute their benefit payments on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology, any amount in excess of the highest reimbursement amount for a specific benefit is not an Allowable expense.

(3) If a person is covered by 2 or more Plans that provide benefits or services on the basis of negotiated fees, an amount in excess of the highest of the negotiated fees is not an Allowable expense.

(4) If a person is covered by one Plan that calculates its benefits or services on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology and another Plan that provides its benefits or services on the basis of negotiated fees, the Primary Plan's payment arrangement shall be the Allowable expense for all Plans. However, if the provider has contracted with the Secondary Plan to provide the benefit or service for a specific negotiated fee or payment amount that is different than the Primary Plan's payment arrangement and if the provider's contract permits, the negotiated fee or payment shall be the Allowable expense used by the Secondary Plan to determine its benefits.

(5) The amount of any benefit reduction by the Primary Plan because a covered person has failed to comply with the Plan provisions is not an Allowable expense. Examples of these types of Plan provisions include second surgical opinions, precertification of admissions, and preferred provider arrangements.

E. Closed panel Plan is a Plan that provides health care benefits to covered persons primarily in the form of services through a panel of providers that have contracted with or are employed by the Plan, and that excludes coverage for services provided by other providers, except in cases of emergency or referral by a panel member.

F. Custodial parent is the parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the child resides more than one half of the calendar year excluding any temporary visitation.

Order of Benefit Determination Rules

When a person is covered by two or more Plans, the rules for determining the order of benefit payments are as follows:

A. The Primary Plan pays or provides its benefits according to its terms of coverage and without regard to the benefits of under any other Plan.

B. (1) Except as provided in Paragraph (2), a Plan that does not contain a coordination of benefits provision that is consistent with this regulation is always primary unless the provisions of both Plans state that the complying Plan is primary.

(2) Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that this supplementary coverage shall be excess to any other parts of the Plan provided by the contract holder. Examples of these types of situations are major medical coverages that are superimposed over base Plan hospital and surgical benefits, and insurance type coverages that are written in connection with a Closed panel Plan to provide out-of-network benefits.

C. A Plan may consider the benefits paid or provided by another Plan in calculating payment of its benefits only when it is secondary to that other Plan.

D. Each Plan determines its order of benefits using the first of the following rules that apply:

(1) Non-Dependent or Dependent. The Plan that covers the person other than as a dependent, for example as an employee, member, policyholder, subscriber or retiree is the Primary Plan and the Plan that covers the person as a dependent is the Secondary Plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the Plan covering the person as a dependent, and primary to the Plan covering the person as other than a dependent (e.g. a retired employee), then the order

of benefits between the two Plans is reversed so that the Plan covering the person as an employee, member, policyholder, subscriber or retiree is the Secondary Plan and the other Plan is the Primary Plan.

(2) Dependent child covered under more than one Plan. Unless there is a court decree stating otherwise, when a dependent child is covered by more than one Plan the order of benefits is determined as follows:

(a) For a dependent child whose parents are married or are living together, whether or not they have ever been married:

The Plan of the parent whose birthday falls earlier in the calendar year is the Primary Plan; or

If both parents have the same birthday, the Plan that has covered the parent the longest is the Primary Plan.

However, if one spouse's Plan has some other coordination rule (for example, a "gender rule" which says the father's Plan is always primary), we will follow the rules of that Plan.

(b) For a dependent child whose parents are divorced or separated or not living together, whether or not they have ever been married:

(i) If a court decree states that one of the parents is responsible for the dependent child's health care expenses or health care coverage and the Plan of that parent has actual knowledge of those terms, that Plan is primary. This rule applies to Plan years commencing after the Plan is given notice of the court decree;

(ii) If a court decree states that both parents are responsible for the dependent child's health care expenses or health care coverage, the provisions of Subparagraph (a) above shall determine the order of benefits;

(iii) If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the dependent child, the provisions of Subparagraph (a) above shall determine the order of benefits; or

(iv) If there is no court decree allocating responsibility for the dependent child's health care expenses or health care coverage, the order of benefits for the child are as follows:

The Plan covering the Custodial parent;

The Plan covering the spouse of the Custodial parent;

The Plan covering the non-custodial parent; and then

The Plan covering the spouse of the non-custodial parent.

(c) For a dependent child covered under more than one Plan of individuals who are not the parents of the child, the provisions of Subparagraph (a) or (b) above shall determine the order of benefits as if those individuals were the parents of the child.

(3) Active employee or retired or laid-off employee. The Plan that covers a person as an active employee, that is, an employee who is neither laid off nor retired, is the Primary Plan. The Plan covering that same person as a retired or laid-off employee is the Secondary Plan. The same would hold true if a person is a dependent of an active employee and that same person is a dependent of a retired or laid-off employee. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled D(1) can determine the order of benefits.

(4) COBRA or state continuation coverage. If a person whose coverage is provided pursuant to COBRA or under a right of continuation provided by state or other federal law is covered under another Plan, the Plan covering the person as an employee, member, subscriber or retiree or covering the person as a dependent of an employee, member, subscriber or retiree is the Primary Plan and the COBRA or state or other federal continuation coverage is the Secondary Plan. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled D(1) can determine the order of benefits.

(5) Longer or shorter length of coverage. The Plan that covered the person as an employee, member, policyholder, subscriber or retiree longer is the Primary Plan and the Plan that covered the person the shorter period of time is the Secondary Plan.

(6) If the preceding rules do not determine the order of benefits, the Allowable expenses shall be shared

equally between the Plans meeting the definition of Plan. In addition, This Plan will not pay more than it would have paid had it been the Primary Plan.

Effect on the Benefits of this Plan

A. When This Plan is secondary, it may reduce its benefits so that the total benefits paid or provided by all Plans during a Plan year are not more than the total Allowable expenses. In determining the amount to be paid for any claim, the Secondary Plan will calculate the benefits it would have paid in the absence of other health care coverage and apply that calculated amount to any Allowable expense under its Plan that is unpaid by the Primary Plan. The Secondary Plan may then reduce its payment by the amount so that, when combined with the amount paid by the Primary Plan, the total benefits paid or provided by all Plans for the claim do not exceed the total Allowable expense for that claim. In addition, the Secondary Plan shall credit to its Plan deductible any amounts it would have credited to its deductible in the absence of other health care coverage.

B. If a covered person is enrolled in two or more Closed panel Plans and if, for any reason, including the provision of service by a non-panel provider, benefits are not payable by one Closed panel Plan, COB shall not apply between that Plan and other Closed panel Plans.

Right to Receive and Release Needed Information

Certain facts about health care coverage and services are needed to apply these COB rules and to determine benefits payable under This Plan and other Plans. We may get the facts it needs from or give them to other organizations or persons for the purpose of applying these rules and determining benefits payable under This Plan and other Plans covering the person claiming benefits. We need not tell, or get the consent of, any person to do this. Each person claiming benefits under This Plan must give Us any facts it needs to apply those rules and determine benefits payable.

Facility of Payment

A payment made under another Plan may include an amount that should have been paid under This Plan. If it does, We may pay that amount to the organization that made that payment. That amount will then be treated as though it were a benefit paid under This Plan. We will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means the reasonable cash value of the benefits provided in the form of services.

Right of Recovery

If the amount of the payments made by Us is more than it should have paid under this COB provision, it may recover the excess from one or more of the persons it has paid or for whom it has paid, or any other person or organization that may be responsible for the benefits or services provided for the covered person. II. Introduction to Your Cigna Dental Plan

Welcome to the Cigna Dental Plan. We encourage you to use your dental benefits. Please note that enrollment in the Dental Plan allows the release of patient records to Cigna Dental or its designee for Dental Plan operation purposes.

III. Eligibility/When Coverage Begins

A. In General

To enroll in the Dental Plan, you and your Dependents must live or work in the Service Area and be able to seek treatment for Covered Services within the Cigna Dental Service Area. Other eligibility requirements are determined by your Group.

If you enrolled in the Dental Plan before the effective date of your Group Contract, you will be covered on the first day the Group Contract is effective. If you enrolled in the Dental Plan after the effective date of the Group Contract, you will be covered on the first day of the month following processing of your enrollment (unless effective dates other than the first day of the month are provided for in your Group Contract).

Dependents may be enrolled in the Dental Plan at the time you enroll, during an open enrollment, or within 31 days of becoming eligible due to a life status change such as marriage, birth, adoption, placement, or court or administrative order. You may drop coverage for your Dependents only during the open enrollment periods for your Group, unless there is a change in status such as divorce.

If you have family coverage, a newborn child is automatically covered during the first 31 days of life. If you wish to continue coverage beyond the first 31 days, your baby must be enrolled in the Dental Plan and you must begin paying Prepayment Fees, if any additional are due, during that period.

Under the Family and Medical Leave Act of 1993, you may be eligible to continue coverage during certain leaves of absence from work. During such leaves, you will be responsible for paying your Group the portion of the Prepayment Fees, if any, which you would have paid if you had not taken the leave. Additional information is available through your Benefits Representative.

B. New Enrollee Transition of Care

If you or your enrolled Dependents are new enrollees currently receiving services for any of the conditions described hereafter from a non-Network Dentist, you may request Cigna Dental to approve completion of the services by the non-Network Dentist. Cigna Dental does not cover services provided by non-Network Dentists except for the conditions described hereafter that have been approved by Cigna Dental prior to treatment. Rare instances where prolonged treatment by a non-Network Dentist might be indicated will be evaluated on a case-by-case basis by the Dental Director in accordance with professionally recognized standards of dental practice. Approval to complete services started by a non-Network Dentist before you or your enrolled Dependents became eligible for Cigna Dental shall be considered only for the following conditions:

(1) an acute condition. An acute condition is a dental condition that involves a sudden onset of symptoms due to an illness, injury, or other dental problem that requires prompt dental attention and that has a

limited duration. Completion of the Covered Services shall be provided for the duration of the acute condition.

(2) newborn children between birth and age 36 months. Cigna Dental shall provide for the completion of Covered Services for newborn children between birth and age 36 months for 12 months from the effective date of coverage for a newly covered enrollee.

(3) performance of a surgery or other procedure that is approved by Cigna Dental and has been recommended and documented by the non-Network Dentist to occur within 180 days of the effective date of your Cigna Dental coverage.

C. Renewal Provisions

Your coverage under the Dental Plan will automatically be renewed, except as provided in the section entitled "Disenrollment From The Dental Plan – Termination of Benefits." All renewals will be in accordance with the terms and conditions of your Group Contract. Cigna Dental reserves any and all rights to change the Prepayment Fees or applicable Copayments during the term of the Group Contract if Cigna Dental determines the Group's information relied upon by Cigna Dental in setting the Prepayment Fees materially changes or is determined by Cigna Dental to be inaccurate.

IV. Your Cigna Dental Coverage

Cigna Dental maintains its principal place of business at 400 North Brand Boulevard, Suite 400, Glendale, CA 91203, with a telephone number of 1.800.Cigna24.

This section provides information that will help you to better understand your Dental Plan. Included is information about how to access your dental benefits and your payment responsibilities.

A. Customer Service

If you have any questions or concerns about the Dental Plan, Customer Service Representatives are just a toll-free phone call away. They can explain your benefits or help with matters regarding your Dental Office or Dental Plan. For assistance with transfers, specialty referrals, eligibility, emergencies, Covered Services, plan benefits, ID cards, location of Dental Offices, conversion coverage or other matters, call Customer Service from any location at 1.800.Cigna24. If you have a question about your treatment plan, we can arrange a second opinion or consultation. The hearing impaired may contact the state TTY toll-free relay service number listed in their local telephone directory.

B. Prepayment Fees

Your Group sends a monthly Prepayment Fee (premium) to Cigna Dental for customers participating in the Dental Plan. The amount and term of this prepayment fee is set forth in your Group Contract. You may contact your Benefits Representative for information regarding any part of this Prepayment Fee to be withheld from your salary or to be paid by you to the Group.

C. Other Charges - Copayments

Network General Dentists are typically reimbursed by Cigna Dental through fixed monthly payments and supplemental payments for certain procedures. Network Specialty Dentists are compensated based on a contracted fee arrangement for services rendered. No bonuses or financial incentives are used as inducements to limit services. Network Dentists are also compensated by the Copayments that you pay, as set out in your Patient Charge Schedule. You may request general information about these matters from Customer Service or from your Network Dentist.

Your Patient Charge Schedule lists the dental procedures covered under your Dental Plan, subject to plan exclusions and limitations. Some dental procedures are covered at no charge to you. For other Covered Services, the Patient Charge Schedule lists the Copayments you must pay when you visit your Dental Office. There are no deductibles and no annual dollar limits for services covered by your Dental Plan.

Your Network General Dentist is instructed to tell you about Copayments for Covered Services, the amount you must pay for optional or non-Covered Services and the Dental Office's payment policies. Timely payment is important. It is possible that the Dental Office may add late charges to overdue balances. IMPORTANT: If you opt to receive dental services that are not Covered Services under this plan, a participating dentist may charge you his or her usual and customary rate for those services. Prior to providing a patient with dental services that are not a covered benefit, the dentist should provide to the patient a treatment plan that includes each anticipated service to be provided and the estimated cost of each service. If you would like more information about dental coverage options, you may call Customer Service at 1.800.Cigna24 or your insurance broker. To fully understand your coverage, you may wish to carefully review this evidence of coverage document.

Your Patient Charge Schedule is subject to change in accordance with your Group Contract. Cigna Dental will give written notice to your Group of any change in Copayments at least 30 days prior to such change. You

will be responsible for the Copayments listed on the Patient Charge Schedule that is in effect on the date a procedure is started.

D. Facilities - Choice of Dentist

1. In General

You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise Cigna Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when Cigna Dental otherwise approves payment for out-of-network benefits.

You may select a Network Pediatric Dentist as the Network General Dentist for your Dependent child under age 13 by calling Customer Service at 1.800.Cigna24 to get a list of Network Pediatric Dentists in your Service Area or if your Network General Dentist sends your child under the age of 13 to a Network Pediatric Dentist, the Network Pediatric Dentist's office will have primary responsibility for your child's care. For children 13 years and older, your Network General Dentist will provide care. If your child continues to visit the Pediatric Dentist upon the age of 13, you will be fully responsible for the Pediatric Dentist's Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, Cigna Dental will let you know and will arrange a transfer to another Dental Office. Refer to the section titled "Office Transfers" if you wish to change your Dental Office.

To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1.800.Cigna24. It is available 24 hours a day, 7 days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Customer Service.

2. Appointments

To make an appointment with your Network Dentist, call the Dental Office that you have selected. When you call, your Dental Office will ask for your identification number and will check your eligibility.

3. Office Transfers

If you decide to change Dental Offices, we encourage you to complete any dental procedure in progress first. To arrange a transfer, call Customer Service at 1.800.Cigna24. To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1.800.Cigna24.

Your transfer request may take up to 5 days to process. Transfers will be effective the first day of the month after the processing of your request. Unless you have an emergency, you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective. You can check the status of your request by visiting myCigna.com, or by calling us at 1.800.Cigna24.

There is no charge to you for the transfer; however, all Copayments which you owe to your current Dental Office must be paid before the transfer can be processed. Copayments for procedures not completed at the time of transfer may be required to be prorated between your current Dental Office and the new Dental Office, but will not exceed the amount listed on your Patient Charge Schedule.

E. Your Payment Responsibility (General Care)

For Covered Services at your Dental Office, you will be charged the Copayments listed on your Patient Charge Schedule, subject to applicable exclusions and limitations. For services listed on your Patient Charge Schedule provided at any other dental office, you may be charged Usual Fees. For non-Covered Services, you are responsible for paying Usual Fees.

If, on a temporary basis, there is no Network General Dentist available in the Service Area to treat you, Cigna Dental will let you know and you may obtain Covered Services from a non-Network Dentist. You will pay the non-Network Dentist the applicable Copayment for Covered Services. Cigna Dental will pay the non-Network Dentist the difference between his or her Usual Fee and the applicable Copayment. If you seek treatment for Covered Services from a non-Network Dentist without approval from Cigna Dental, you will be responsible for paying the non-Network Dentist his or her Usual Fee.

See Section IV.G, *Specialty Referrals*, regarding payment responsibility for specialty care.

All contracts between Cigna Dental and Network Dentists state that you will not be liable to the Network Dentist for any sums owed to the Network Dentist by Cigna Dental.

F. Specialty Care

Your Network General Dentist at your Dental Office has primary responsibility for your professional dental care. Because you may need specialty care, the Cigna Dental Network includes the following types of specialty dentists:

- Pediatric Dentists - children's dentistry.
- Endodontists - root canal treatment.
- Periodontists - treatment of gums and bone.
- Oral Surgeons - complex extractions and other surgical procedures.
- Orthodontists - tooth movement.

When specialty care is needed, your Network General Dentist must start the referral process. X-rays taken by your Network General Dentist should be sent to the Network Specialty Dentist.

See Section IV.D *Facilities-Choice of Dentist*, regarding treatment by a Pediatric Dentist.

G. Specialty Referrals

1. In General

Payment authorization is not required for coverage of services by a Network Specialty Dentist.

If your Patient Charge Schedule reflects coverage for Orthodontic services, a referral from a Network General Dentist is not required to receive care from a Network Orthodontist. However, your Network General Dentist may be helpful in assisting you to choose or locate a Network Orthodontist.

When Cigna Dental approves payment to the Network Specialty Dentist, the fees or no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in Section V.A.7, *Orthodontics*.

If a pre-determination of treatment has been approved by Cigna Dental, such treatment by the Network Specialty Dentist must begin within 90 days from the date of Cigna Dental's approval. If you are unable to obtain treatment within the 90-day period, please call Customer Service to request an extension. Your coverage must be in effect when each procedure begins.

If Cigna Dental makes an Adverse Determination of the requested referral (i.e. Cigna Dental does not approve payment to the Network Specialty Dentist for Covered Services), or if the dental services sought are not Covered Services, you will be responsible to pay the Network Specialty Dentist's Usual Fee for the services rendered. If you have a question or concern regarding an approval or a denial, contact Customer Service.

Specialty referrals will be approved by Cigna Dental if the services sought are: Covered Services; rendered to an eligible customer; within the scope of the Specialty Dentists skills and expertise; and meet Clinical Necessity requirements. Cigna Dental may request medical information regarding your condition and the information surrounding the dentist's determination of the Clinical Necessity for the request. Cigna Dental shall respond in a timely fashion appropriate for the nature of your condition, not to exceed five business days from Cigna Dental's receipt of the information reasonably necessary and requested by Cigna Dental to make the determination. When you face imminent and serious threat to your health, including, but not limited to, the potential loss of life, limb, or other major bodily function, or the normal time frame for the decision making process would be detrimental to your life or health or could jeopardize your ability to regain maximum function, the decision to approve, modify, or deny requests shall be made in a timely fashion appropriate for the nature of your condition, not to exceed 72 hours after receipt of the request. Decisions to approve, modify, or deny requests for approval prior to the provision of dental services shall be communicated to the requesting dentist within 24 hours of the decision. Decisions resulting in denial, delay, or modification of all or part of the requested dental service shall be communicated to the customer in writing within 2 business days of the decision. Adverse Determinations may be appealed as described in the Section entitled "What To Do If There Is A Problem/Grievances."

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, it will be your responsibility to pay for treatment at the dentist's Usual Fees.

When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available, as determined by Cigna Dental, Cigna Dental will approve a referral to a non-Network Specialty Dentist. The referral procedures

applicable to specialty care will apply. In such cases, you will be responsible for the applicable Copayment for Covered Services. Cigna Dental will reimburse the non-Network Dentist the difference between his or her Usual Fee and the applicable Copayment. For non-Covered Services or services not approved for payment, including Adverse Determinations, you must pay the dentist's Usual Fee. Or, if you seek treatment for Covered Services from a non-Network Dentist without approval from Cigna Dental, you will be responsible for paying the dentist's Usual Fee.

You may request from Customer Service a copy of the process that Cigna Dental uses to authorize, modify, or deny requests for specialty referrals and services.

2. Second Opinions

If you have questions or concerns about your treatment plan, second opinions are available to you upon request by calling Customer Service. Second opinions will generally be scheduled within 5 days. In the case of an imminent and serious health threat, as determined by Cigna Dental clinicians, second opinions will be rendered within 72 hours. Cigna Dental's policy statement on second opinions may be requested from Customer Service.

V. Covered Dental Services

A. Categories of Covered Services

Dental procedures in the following categories of Covered Services are covered under your Dental Plan when listed on your Patient Charge Schedule and performed by your Network Dentist. Please refer to your Patient Charge Schedule for the procedures covered under each category and the associated Copayment. While most dental procedures are performed in the dentist's office, the Plan's contracted providers may suggest the use of telehealth when appropriate for Plan members. Telehealth provides an opportunity to remotely diagnose and formulate the member's treatment plan. If your dentist or dental provider determine that telehealth is a viable option, members are encouraged to discuss and understand the nature of care prior to receiving the telehealth services. The Plan or Insurer will cover applicable covered services delivered through telehealth providers contracted with the Plan, including third-party telehealth providers. Services delivered via telehealth will be covered on the same basis and to the same extent as services rendered in-person. Patient charge responsibility and frequency limitations will be the same for applicable services whether rendered in-person or via telehealth. There are no additional patient charge responsibility or frequency limitations for telehealth services. Additionally, there are no benefit maximums applicable for telehealth services. Please refer to your Patient Charge Schedule to view all applicable patient charge responsibility and frequency limitations for services rendered.

1. Diagnostic/Preventive

Diagnostic treatment consists of the evaluation of a patient's dental needs based upon observation, examination, x-rays and other tests. Preventive dentistry involves the education and treatment devoted to and concerned with preventing the development of dental disease. Preventive Services includes dental cleanings, oral hygiene instructions to promote good home care and prevent dental disease, and fluoride application for children to strengthen teeth.

a. Limitation

The frequency of certain Covered Services, like cleanings, is limited. Your Patient Charge Schedule lists any limitations on frequency. If your Network Dentist certifies to Cigna Dental that, due to medical necessity you require certain Covered Services more frequently than the limitation allows, Cigna Dental will waive the limitation.

2. Restorative (Fillings)

Restorative dentistry involves materials or devices used to replace lost tooth structure or to replace a lost tooth or teeth.

3. Crown and Bridge

An artificial crown is a restoration covering or replacing the major part, or the whole of the clinical crown of a tooth. A fixed bridge is a prosthetic replacement of one or more missing teeth cemented to the abutment teeth adjacent to the space. The artificial tooth used in a bridge to replace the missing tooth is called a pontic.

a. Complex Rehabilitation/Multiple Crown Units

Complex rehabilitation is extensive dental restoration involving 6 or more "units" of crown, bridge, and/or implant supported prosthesis (including crowns and bridges) in the same treatment plan. Using full crowns (caps), fixed bridges, and/or implant supported prosthesis (including crowns and bridges) which are

cemented in place, your Network General Dentist will rebuild natural teeth, fill in spaces where teeth are missing and establish conditions which allow each tooth to function in harmony with the occlusion (bite). The extensive procedures involved in complex rehabilitation require an extraordinary amount of time, effort, skill and laboratory collaboration for a successful outcome.

Complex rehabilitation will be covered when performed by your Network General Dentist after consultation with you about diagnosis, treatment plan and charges. Each tooth or tooth replacement included in the treatment plan is referred to as a "unit" on your Patient Charge Schedule. The crown, bridge and/or implant supported prosthesis (including crowns and bridges) charges on your Patient Charge Schedule are for each unit of crown or bridge. You pay the per unit Copayment for each unit of crown, bridge and /or implant supported prosthesis (including crowns and bridges) PLUS an additional charge for complex rehabilitation for each unit beginning with the 6th unit when 6 or more units are prescribed in your Network General Dentist's treatment plan. The additional charge for complex rehabilitation will not be applied to the first 5 units of crown or bridge.

Note: Complex rehabilitation only applies for implant supported prosthesis, when implant supported prosthesis are specifically listed on your Patient Charge Schedule.

b. Limitations

(1) all charges for crown and bridge are per unit (each replacement or supporting tooth equals one unit).

(2) limit 1 every 5 years unless Cigna Dental determines that replacement is necessary because the existing crown or bridge is unsatisfactory as a result of poor quality of care, or because the tooth involved has experienced extensive loss or changes in tooth structure or supporting tissues since the placement of the crown or bridge.

c. Exclusion

(1) there is no coverage for crowns, bridges used solely for splinting. This exclusion will not apply if a crown or bridge is determined by Cigna Dental to be the treatment most consistent with professionally accepted standards of care.

(2) there is no coverage for implant supported prosthesis used solely for splinting unless specifically listed on your Patient Charge Schedule.

(3) there is no coverage for resin bonded retainers and associated pontics.

(4) there is no coverage for the recementation of any inlay, onlay, crown, post and core, fixed bridge within 180 days of initial placement. Cigna Dental considers recementation within this timeframe to be incidental to and part of the charges for the initial restoration.

(5) the recementation of any implant supported prosthesis (including crowns, bridges and dentures) within 180 days of initial placement. Cigna Dental considers recementation within this timeframe to be incidental to and part of the charges for the initial restoration unless specifically listed on your Patient Charge Schedule.

4. Endodontics

Endodontics is root canal treatment, which may be required when the nerve of a tooth is damaged due to trauma, infection, or inflammation. Treatment consists of removing the damaged nerve from the root of the tooth and filling the root canal with a rubber-like material. Following endodontic treatment, a crown is usually needed to strengthen the weakened tooth.

Exclusions

1. Coverage is not provided for Endodontic treatment of teeth exhibiting a poor or hopeless periodontal prognosis.
2. Coverage is not provided for intentional root canal treatment in the absence of injury or disease to solely facilitate a restorative procedure.

5. Periodontics

Periodontics is treatment of the gums and bone which support the teeth. Periodontal disease is chronic. It progresses gradually, sometimes without pain or other symptoms, destroying the support of the gums and bone. The disease is a combination of deterioration plus infection.

a. Preliminary Consultation

This consultation by your Network General Dentist is the first step in the care process. During the visit, you and your Network General Dentist will discuss the health of your gums and bone.

b. Evaluation, Diagnosis and Treatment Plan

If periodontal disease is found, your Network General Dentist or Network Specialty Dentist will develop a treatment plan. The treatment plan consists of mapping the extent of the disease around the teeth, charting the depth of tissue and bone damage and listing the procedures necessary to correct the disease.

Depending on the extent of your condition, your Network General Dentist or Network Specialty Dentist may recommend any of the following procedures:

(1) **Non-surgical Program -** this is a conservative approach to periodontal therapy. Use of this program depends upon how quickly you heal and how consistently you follow instructions for home care. This program may include:

- scaling and root planing
- oral hygiene instruction
- full mouth debridement

(2) **Scaling and Root Planing -** this periodontal therapy procedure combines scaling of the crown and root surface with root planing to smooth rough areas of the root. This procedure may be performed by the dental hygienist or your Network General Dentist.

(3) **Osseous Surgery -** bone (osseous) surgery is a procedure used in advanced cases of periodontal disease to restructure the supporting gums and bone. Without this surgery, tooth or bone loss may occur. Two checkups by the Periodontist are covered within the year after osseous surgery.

(4) **Occlusal Adjustment -** occlusal adjustment requires the study of the contours of the teeth, how they bite (occlude) and their position in the arch. It consists of a recontouring of biting surfaces so that direct biting forces are along the long axis of the tooth. If the biting forces are not properly distributed, the bone, which supports the teeth, may deteriorate.

(5) **Bone Grafts and other regenerative procedures -** this procedure involves placing a piece of tissue or synthetic material in contact with tissue to repair a defect or supplement a deficiency.

c. Limitations

1. Periodontal regenerative procedures are limited to one regenerative procedure per site (or per tooth, if applicable), when covered on the Patient Charge Schedule.
2. Localized delivery of antimicrobial agents is limited to eight teeth (or eight sites, if applicable) per 12 consecutive months, when covered on the Patient Charge Schedule.

d. Exclusion

1. General anesthesia, sedation and nitrous oxide are not covered, unless specifically listed on your Patient Charge Schedule. When listed on your Patient Charge Schedule, IV sedation is covered when medically necessary and provided in conjunction with Covered Services performed by a Periodontist. General anesthesia is not covered when provided by a Periodontist. There is no coverage for general anesthesia or intravenous sedation when used for the purposes of anxiety control or patient management.
2. There is no coverage for Periodontal (gum tissue and supporting bone) surgery of teeth exhibiting a poor or hopeless periodontal prognosis.
3. There is no coverage for the replacement of an occlusal guard (night guard) beyond one per any 24 consecutive month period, when this limitation is noted on the Patient Charge Schedule.
4. There is no coverage for bone grafting and/or guided tissue regeneration when

performed at the site of a tooth extraction, unless specifically listed on your Patient Charge Schedule.

5. There is no coverage for bone grafting and/or guided tissue regeneration when performed in conjunction with an apicoectomy or periradicular surgery.
6. There is no coverage for localized delivery of antimicrobial agents when performed alone or in the absence of traditional periodontal therapy.

6. Oral Surgery

Oral surgery involves the surgical removal of teeth or associated surgical procedures by your Network General Dentist or Network Specialty Dentist.

a. Limitation

The surgical removal of a wisdom tooth may not be covered if the tooth is not diseased or if the removal is only for orthodontic reasons. Temporary pain from normal eruption is not considered disease. Your Patient Charge Schedule lists any limitations on oral surgery.

b. Exclusion

General anesthesia, sedation and nitrous oxide are not covered unless specifically listed on your Patient Charge Schedule. When listed on your Patient Charge Schedule, general anesthesia and IV sedation are covered when medically necessary and provided in conjunction with Covered Services performed by an Oral Surgeon. There is no coverage for general anesthesia or intravenous sedation when used for the purposes of anxiety control or patient management.

7. Orthodontics (This section is applicable only when Orthodontics is listed on your Patient Charge Schedule.)

a. Definitions - If your Patient Charge Schedule indicates coverage for orthodontic treatment, the following definitions apply:

(1) **Orthodontic Treatment Plan and Records -** the preparation of orthodontic records and a treatment plan by the Orthodontist.

(2) **Interceptive Orthodontic Treatment -** treatment prior to full eruption of the permanent teeth, frequently a first phase preceding comprehensive treatment.

(3) **Comprehensive Orthodontic Treatment -** treatment after the eruption of most permanent teeth, generally the final phase of treatment before retention.

(4) **Retention (Post Treatment Stabilization) -** the period following orthodontic treatment during which you may wear an appliance to maintain and stabilize the new position of the teeth.

b. Copayments

The Copayment for your entire orthodontic case, including retention, will be based upon the Patient Charge Schedule in effect on the date of your visit for Orthodontic Treatment Plan and Records. However, if (a) banding/appliance insertion does not occur within 90 days of such visit, (b) your treatment plan changes, or (c) there is an interruption in your coverage or treatment, a later change in the Patient Charge Schedule may apply.

The Copayment for orthodontic treatment is based upon 24 months of interceptive and/or comprehensive treatment. If you require more than 24 months of treatment in total, you will be charged an additional amount for each additional month of treatment, based upon the Orthodontist's Contract Fee. If you require less than 24 months of treatment, your Copayment will be reduced on a prorated basis.

c. Additional Charges

You will be responsible for the Orthodontist's Usual Fees for the following non-Covered Services:

(1) incremental costs associated with optional/elective materials, including but not limited to ceramic, clear, lingual brackets, or other cosmetic appliances;

(2) orthognathic surgery and associated incremental costs;

(3) appliances to guide minor tooth movement;

(4) appliances to correct harmful habits; and

(5) services which are not typically included in orthodontic treatment. These services will be identified on a case-by-case basis.

d. Orthodontics in Progress

If orthodontic treatment is in progress for you or your Dependent at the time you enroll, call

Customer Service at 1.800.Cigna24 to find out the benefit to which you are entitled based upon your individual case and the remaining months of treatment.

e. Exclusion

Replacement of fixed and/or removable orthodontic appliances (including fixed and removable orthodontic appliances) that have been lost, stolen, or damaged due to patient abuse, misuse or neglect.

B. Emergency Dental Care - Reimbursement

An emergency is a dental condition of recent onset and severity which would lead a prudent layperson possessing an average knowledge of dentistry to believe the condition needs immediate dental procedures necessary to control excessive bleeding, relieve severe pain, or eliminate acute infection. Emergency dental care services may include examination, x-rays, sedative fillings, dispensing of antibiotics or pain relief medication or other palliative services prescribed by the treating dentist. You should contact your Network General Dentist if you have an emergency in your Service Area.

1. Emergency Care Away From Home

If you have an emergency while you are out of your Service Area or you are unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above from any general dentist. Routine restorative procedures or definitive treatment (e.g., root canal) are not considered emergency care. You should return to your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Copayments listed on your Patient Charge Schedule. Cigna Dental will reimburse you the difference between the dentist's Usual Fee for emergency Covered Services and your Copayment, up to a total of $50 per incident. To receive reimbursement, send the dentist's itemized statement to Cigna Dental at the address listed for your state on the front of this booklet.

2. Emergency Care After Hours

There is a Copayment listed on your Patient Charge Schedule for emergency care rendered after regularly scheduled office hours. This charge will be in addition to other applicable Copayments.

VI. Exclusions

In addition to the exclusions listed in Section V, listed below are the services or expenses which are also NOT covered under your Dental Plan and which are your responsibility at the dentist's Usual Fees. There is no coverage for:

- services not listed on the Patient Charge Schedule.
- services provided by a non-Network Dentist without Cigna Dental's prior approval (except emergencies, as described in Section V.B.).
- services to the extent you, or your Dependent, are compensated for them under any group medical plan.
- services considered to be unnecessary or experimental in nature or do not meet commonly accepted dental standards.
- surgical placement of a dental implant; repair, maintenance or removal of a dental implant; implant abutment(s); or any services related to the surgical placement of a dental implant, unless specifically listed on your Patient Charge Schedule.
- cosmetic dentistry or cosmetic dental surgery (dentistry or dental surgery performed solely to improve appearance) unless specifically listed on your Patient Charge Schedule. If bleaching (tooth whitening) is listed on your Patient Charge Schedule, only the use of take-home bleaching gel with trays is covered; all other types of bleaching methods are not covered.
- prescription medications.
- hospitalization, including any associated incremental charges for dental services performed in a hospital. (Benefits are available for Network Dentist charges for Covered Services performed at a hospital. Other associated charges are not covered and should be submitted to the medical carrier for benefit determination. If special circumstances arise where a Network Dentist is not available, the Plan will make special arrangements for the provision of covered benefits as necessary for the dental health of the customer.)
- procedures, appliances or restorations if the main purpose is to: change vertical dimension (degree of separation of the jaw when teeth are in contact); restore asymptomatic teeth where loss of tooth structure was caused by attrition, abrasion, erosion and/or abfraction and the primary purpose of the restoration is: to change the vertical dimension of occlusion; or for cosmetic purposes.
- procedures or appliances for minor tooth guidance or to control harmful habits.
- charges by Dental Offices for failing to cancel an appointment or canceling an appointment with less than 24

hours notice (i.e. a broken appointment). You will be responsible for paying any broken appointment fee unless your broken appointment was unavoidable due to emergency or exigent circumstances.

- consultations and/or evaluations associated with services that are not covered.
- infection control and/or sterilization. Cigna Dental considers this to be incidental to and part of the charges for services provided and not separately chargeable.
- services to correct congenital malformations, including the replacement of congenitally missing teeth.

As noted in Section V, the following exclusions also apply:

- there is no coverage for crowns, bridges used solely for splinting. This exclusion will not apply if a crown or bridge is determined by Cigna Dental to be the treatment most consistent with professionally accepted standards of care.
- there is no coverage for implant supported prosthesis used solely for splinting unless specifically listed on your Patient Charge Schedule.
- there is no coverage for resin bonded retainers and associated pontics.
- general anesthesia, sedation and nitrous oxide are not covered, unless specifically listed on your Patient Charge Schedule. There is no coverage for general anesthesia or intravenous sedation when used for the purposes of anxiety control or patient management.
- replacement of fixed and/or removable orthodontic appliances (including fixed and removable orthodontic appliances) that have been lost, stolen, or damaged due to patient abuse, misuse or neglect.
- endodontic treatment and/or periodontal (gum tissue and supporting bone) surgery of teeth exhibiting a poor or hopeless periodontal prognosis.
- the recementation of any inlay, onlay, crown, post and core or fixed bridge within 180 days of initial placement. Cigna Dental considers recementation within this timeframe to be incidental to and part of the charges for the initial restoration.
- the recementation of any implant supported prosthesis (including crowns, bridges and dentures) within 180 days of initial placement. Cigna Dental considers recementation within this timeframe to be incidental to and part of the charges for the initial restoration unless specifically listed on your Patient Charge Schedule.
- the replacement of an occlusal guard (night guard) beyond one per any 24 consecutive month period, when this limitation is noted on the Patient Charge Schedule.
- intentional root canal treatment in the absence of injury or disease to solely facilitate a restorative procedure.
- bone grafting and/or guided tissue regeneration when performed at the site of a tooth extraction, unless specifically listed on your Patient Charge Schedule.
- bone grafting and/or guided tissue regeneration when performed in conjunction with an apicoectomy or periradicular surgery.
- localized delivery of antimicrobial agents when performed alone or in the absence of traditional periodontal therapy.

Should any law require coverage for any particular service(s) noted above, the exclusion for that service(s) shall not apply.

VII. Limitations

In addition to the limitations listed in Section V, listed below are the services or expenses which have limited coverage under your Dental Plans. No payment will be made for expense incurred or services received:

- for or in connection with an injury arising out of, or in the course of, any employment for wage or profit.
- for charges which would not have been made in any facility, other than a Hospital or a Correctional Institution owned or operated by the United States Government or by a state or municipal government if the person had no insurance.
- to the extent that payment is unlawful where the person resides when the expenses are incurred or the services are received.
- for the charges which the person is not legally required to pay.
- for charges which would not have been made if the person had no insurance.
- due to injuries which are intentionally self-inflicted.

In addition to the above the following limitations will also apply:

- **Clinical Oral Evaluations** – When this limitation is noted on the Patient Charge Schedule, periodic oral evaluations, comprehensive oral evaluations, comprehensive periodontal evaluations, and oral evaluations for patients under 3 years of age, are limited to a combined total of 4 evaluations during a 12 consecutive month period.
- **Surgical Placement of Implant Services** – When covered on the Patient Charge Schedule, surgical placement of a dental implant; repair, maintenance, or removal of a dental implant; implant abutment(s); or any services related to the surgical placement of a dental implant are limited to one per

year with replacement of a surgical implant frequency limitation of one every 10 years.

- **Prosthesis Over Implant** – When covered on the Patient Charge Schedule, a prosthetic device, supported by an implant or implant abutment is considered a separate distinct service(s) from surgical placement of an implant. Replacement of any type of prosthesis with a prosthesis supported by an implant or implant abutment is only covered if the existing prosthesis is at least 5 calendar years old, is not serviceable and cannot be repaired.

Should any law require coverage for any particular service(s) noted above, the limitation for that service(s) shall not apply.

VIII. What To Do If There Is A Problem/Grievances

For the purposes of this section, any reference to "you" or "your" also refers to a representative or dentist designated by you to act on your behalf.

Most problems can be resolved between you and your dentist. However, we want you to be completely satisfied with the Dental Plan. That is why we have established a process for addressing your concerns and complaints. The complaint procedure is voluntary and will be used only upon your request. No Plan employee shall retaliate or discriminate against a customer (including seeking disenrollment of the customer) solely on the basis that the customer filed a grievance. Instances of such retaliation or discrimination shall be grounds for disciplinary action, (including termination) against the employee.

A. Your Rights to File Grievances With Cigna Dental

We want you to be completely satisfied with the care you receive. That is why we have established an internal grievance process for addressing your concerns and resolving your problems.

Grievances include both complaints and appeals. Complaints may include concerns about people, quality of service, quality of care, benefit interpretations or eligibility. Appeals are requests to reverse a prior denial or modified decision about your care. You may contact us by telephone or in writing with a grievance.

You have 365 days following the action that is the subject of your dissatisfaction to submit a grievance. If your grievance relates to the cancellation of your coverage, you have 365 days as of the date of the notice you allege to be improper to submit a grievance.

B. How to File a Grievance

To contact us by phone, call us toll-free at 1.800.Cigna24 or the toll-free telephone number on your Cigna identification card. The hearing impaired may call the state TTY toll-free service listed in their local telephone directory.

Send written grievances to:

Cigna Dental Health of California, Inc.
P.O. Box 188047
Chattanooga, TN 37422-8047

We will provide you with a grievance form upon request, but you are not required to use the form in order to make a written grievance.

You may also submit a grievance online through the following Cigna website: http://myCigna.com/health/consumer/medical/state/ca.html#dental.

If the customer is a minor, is incompetent or unable to exercise rational judgment or give consent, the parent, guardian, conservator, relative, or other legal representative acting on behalf of the customer, as appropriate, may submit a grievance to Cigna Dental or the California Department of Managed Health Care (DMHC or "Department"), as the agent of the customer. Also, a participating dentist may join with or assist you or your agent in submitting a grievance to Cigna Dental or the DMHC.

1. Complaints

If you are concerned about the quality of service or care you have received, a benefit interpretation, or have an eligibility issue, you should contact us to file a verbal or written complaint. If you contact us by telephone to file a complaint, we will attempt to document and/or resolve your complaint over the telephone. If we receive your complaint in writing, we will send you a letter confirming that we received the complaint within 5 calendar days of receiving your notice. This notification will tell you whom to contact should you have questions or would like to submit additional information about your complaint. We will investigate your complaint and will notify you of the outcome within 30 calendar days.

2. Appeals

If your grievance does not involve a complaint about the quality of service or care, a benefit interpretation or an eligibility issue, but instead involves dissatisfaction with the outcome of a decision that was made about your care and you want to request

Cigna Dental to reverse the previous decision, you should contact us within one year of receiving the denial notice to file a verbal or written appeal. Be sure to share any new information that may help justify a reversal of the original decision. Within 5 calendar days from when we receive your appeal, we will confirm with you, in writing, that we received it. We will tell you whom to contact at Cigna Dental should you have questions or would like to submit additional information about your appeal. We will make sure your appeal is handled by someone who has authority to take action and who was not involved in the original decision. We will investigate your appeal and notify you of our decision, within 30 calendar days. You may request that the appeal process be expedited, if there is an imminent and serious threat to your health, including severe pain, potential loss of life, limb or major bodily function. A Dental Director for Cigna Dental, in consultation with your treating dentist, will decide if an expedited appeal is necessary. When an appeal is expedited, Cigna Dental will respond orally and in writing with a decision within 72 hours.

C. You Have Additional Rights Under State Law

Cigna Dental is regulated by the California Department of Managed Health Care (DMHC or the "Department"). If you are dissatisfied with the resolution of your complaint or appeal, the law states that you have the right to submit the grievance to the department for review as follows:

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at 1.800.Cigna24 and use your health plan's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number **(1-888-466-2219)** and a TDD line **(1-877-688-9891)** for the hearing and speech impaired. The department's internet website www.dmhc.ca.gov has complaint forms, IMR application forms and instructions online.

There is no application or processing fee of any kind associated with the Independent Medical Review process.

You may file a grievance with the DMHC if Cigna Dental has not completed the complaint or appeal process described above within 30 days of receiving your grievance. You may immediately file an appeal with Cigna Dental and/or the DMHC in a case involving an imminent and serious threat to the health, including, but not limited to, severe pain, the potential loss of life, limb, or major bodily function, or in any other case where the DMHC determines that an earlier review is warranted.

D. Voluntary Mediation

If you have received an appeal decision from Cigna Dental with which you are not satisfied, you may also request voluntary mediation with us before exercising the right to submit a grievance to the DMHC. In order for mediation to take place, you and Cigna Dental each have to voluntarily agree to the mediation. Cigna Dental will consider each request for mediation on a case by case basis. Each side will equally share the expenses of the mediation. To initiate mediation, please submit a written request to the Cigna Dental address listed above. If you request voluntary mediation, you may elect to submit your grievance directly to the DMHC after participating in the voluntary mediation process for at least 30 days.

For more specific information regarding these grievance procedures, please contact our Customer Service Department.

IX. Coordination of Benefits

Coordination of benefit rules explain the payment process when you are covered by more than one Dental Plan. You and your Dependents may not be covered twice under this Dental Plan. If you and your spouse have enrolled each other or the same Dependents twice, please contact your Benefit Administrator.

If you or your Dependents have dental coverage through your spouse's employer or other sources, applicable coordination of benefit rules will determine which coverage is primary or secondary. In most cases, the plan covering you as an employee is primary for you, and the plan covering your spouse as an employee is primary for him or her. Your children are generally covered as primary by the plan of the parent whose birthday occurs earlier in the year. Coordination of Benefits should result in lowering or eliminating your out-

of-pocket expenses. It should not result in reimbursement for more than 100% of your expenses.

The following is a more detailed explanation of the rules used to determine which plan must pay first (your "primary" plan) and which plan must pay second (your "secondary" plan):

A. A customer may be covered as an employee by his/her employer and as a Dependent by his/her spouse's employer. The plan that covers the customer as an employee (the policyholder) is the primary plan.

B. Under most circumstances, if a child is covered as a Dependent under both parents' coverage (and parents are not separated or divorced), the plan of the parent with the earliest birthday in the year is the primary plan.

C. If a child of divorced or separated parents is covered as a Dependent under at least one of the parents' (or stepparents') coverage, benefits are determined in the following order:
   1. According to a court decree that designates the person financially responsible for the dental care coverage; or without such decree,
   2. The plan of the parent who has custody of the child;
   3. If the parent with custody of the child is remarried; then the stepparent's plan; and finally,
   4. The plan of the parent without custody of the child.

D. The benefits of a plan that covers an active employee (and any Dependents) are determined before those of a program which covers an inactive employee (laid-off or retired). However, if one of the plans does not have a provision regarding retired or laid-off employees, this section may not apply. Please contact the Plan at the number below for further instruction.

E. If a customer is covered under a continuation plan (e.g. COBRA) AND has coverage under another plan, the following determines the order of benefits:
   1. The plan that covers the customer as an employee (or Dependent of employee) will be primary;
   2. The continuation plan will be secondary.

   However, if the plan that covers the person as an employee does not follow these guidelines and the plans disagree about the order of determining benefits, then this rule may be ignored. Please contact Cigna Dental at the number below for further instructions.

F. If none of the above rules determines the order of benefits, the plan that has been in effect longer is the primary plan. To determine which plan has been in effect longer, we will take into consideration the coverage you had previously with the same employer, even if it was a different plan, as long as there was no drop in eligibility during the transition between plans.

G. Workers' Compensation – Should any benefit or service rendered result from a Workers' Compensation Injury Claim, the customer shall assign his/her right to reimbursement from other sources to Cigna Dental or to the Participating Provider who rendered the service.

H. When Cigna Dental is primary, we will provide or pay dental benefits without considering any other plan's benefits. When Cigna Dental is secondary, we shall pay the lesser of either the amount that we would have paid in the absence of any other dental coverage, or your total out of pocket cost payable under the primary Dental Plan for benefits covered by Cigna Dental.

I. Please call Cigna Dental at 1.800.Cigna24 if you have questions about which plan will act as your primary plan or if you have other questions about coordination of benefits.

Additional coordination of benefit rules are attached to the Group Contract and may be reviewed by contacting your Benefit Administrator. Cigna Dental coordinates benefits only for specialty care services.

X. Disenrollment From the Dental Plan – Termination of Benefits

Except for extensions of coverage as otherwise provided in the sections titled "Extension/Continuation of Benefits" or in your Group Contract, disenrollment from the Dental Plan/termination of benefits and coverages will be as follows:

A. For the Group

The Dental Plan is renewable with respect to the Group except as follows:

1. for nonpayment of the required Prepayment Fees;
2. for fraud or other intentional misrepresentation of material fact by the Group;
3. low participation (i.e. less than ten enrollees);
4. if the Dental Plan ceases to provide or arrange for the provision of dental services for new Dental Plans in the state; provided, however, that notice of the decision to cease new or existing Dental Plans shall be provided as required by law at least 180 days prior to discontinuation of coverage; or
5. if the Dental Plan withdraws a Group Dental Plan from the market; provided, however, that notice of withdrawal shall be provided as required by law at least 90 days prior to the discontinuation and that any

other Dental Plan offered is made available to the Group.

B. For You and Your Enrolled Dependents

The Dental Plan may not be canceled or not renewed except as follows:

1. failure to pay the charge for coverage if you have been notified and billed for the charge and at least 30 days have elapsed since the date of the notice of start of the Grace Period.
2. fraud or deception in the use of services or Dental Offices or knowingly permitting such fraud or deception by another.

C. Termination Effective Date

The effective date of the termination for you and/or your Dependents shall be as follows:

1. Cigna Dental shall provide written notice of non-receipt of payment on or before the twelfth (12th) day of the month following the month for which Premiums/Prepayment Fees remain due and owing. The Group shall have at least 30 days after the date of the notice of start of the Grace Period for the payment of any Premium/Prepayment Fee. The Contract shall remain in full force and effect during this Grace Period. If the Premium/Prepayment Fees are not remitted by the end of the Grace Period, the Contract will terminate upon expiration of the Grace Period.
2. in the case of failure to meet eligibility requirements enrollment will be canceled as of the date of termination specified in the written notice, provided that at least 15 days have expired since the date of notification.
3. on the last day of the month after voluntary disenrollment by you and/or your Dependents.
4. Termination of Benefits due to fraud or deception shall be effective as described in the notice of Cancellation, Rescission, or Nonrenewal that will be issued at least 30 days before the cancellation, rescission, or nonrenewal.

D. Effect on Dependents

When one of your Dependents disenrolls, you and your other Dependents may continue to be enrolled. When you are disenrolled, your Dependents will be disenrolled as well.

E. Right to Review

If you believe that your termination from the Dental Plan is due to your dental health status or requirements for dental care services, you may request review of the termination by the Director of the Department of Managed Health Care. Grievances received by the Dental Plan pertaining to cancellations, rescissions, or nonrenewals will be treated in the same manner as expedited grievances.

F. Notice of End of Coverage

If the Group Contract is terminated for any reason described in this section, the Notice of End of Coverage of the Group Contract or your coverage under the Group Contract shall be mailed by the Dental Plan to your Group or to you, as applicable. Such notice shall be dated and shall include information about your rights and other information as required by state law.

XI. Continuity of Care

If you are receiving care from a Network Dentist who has been terminated from the Cigna Dental network, Cigna Dental will arrange for you to continue to receive care from that dentist if the dental services you are receiving are for one of the following conditions:

(1) an acute condition. An acute condition is a dental condition that involves a sudden onset of symptoms due to an illness, injury, or other dental problem that requires prompt dental attention and that has a limited duration. Completion of the Covered Services shall be provided for the duration of the acute condition.

(2) newborn children between birth and age 36 months. Cigna Dental shall provide for the completion of Covered Services for newborn children between birth and age 36 months for 12 months from the termination date of the Network Dentist's contract.

(3) performance of a surgery or other procedure that is approved by Cigna Dental and has been recommended and documented by the terminated dentist to occur within 180 days of the effective date of termination of the dentist's contract.

Cigna Dental is not obligated to arrange for continuation of care with a terminated dentist who has been terminated for medical disciplinary reasons or who has committed fraud or other criminal activities.

In order for the terminated Participating Provider to continue to care for you, the terminated dentist must comply with the Cigna Dental's contractual and credentialing requirements and must meet the Cigna Dental's standards for utilization review and quality assurance. The terminated dentist must also agree with Cigna Dental to a mutually acceptable rate of payment. If these conditions are not met, Cigna Dental is not required to arrange for continuity of care.

If you meet the necessary requirements for continuity of care as described above, and would like to continue your care with the terminated Dentist, you should call Customer Service.

If you do not meet the requirements for continuity of care or if the terminated dentist refuses to render care or has been determined unacceptable for quality or contractual reasons, Cigna Dental will work with you to accomplish a timely transition to another qualified Network Dentist.

XII. Continuation of Benefits (COBRA)

For Groups with 20 or more employees, federal law requires the employer to offer continuation of benefits coverage for a specified period of time after termination of employment or reduction of work hours, for any reason other than gross misconduct. You will be responsible for sending payment of the required Prepayment Fees to the Group. Additional information is available through your Benefits Representative.

XIII. Individual Continuation of Benefits

If you are no longer eligible for coverage under your Group's Dental Plan, you and your enrolled Dependents may continue your dental coverage by enrolling in the Cigna Dental conversion plan. You must enroll within 3 months after becoming ineligible for your Group's Dental Plan. Premium payments and coverage will be retroactive to the date coverage under your Group's Dental Plan ended. You and your enrolled Dependents are eligible for conversion coverage unless benefits were discontinued due to:

- permanent breakdown of the dentist-patient relationship,
- fraud or misuse of dental services and/or Dental Offices,
- nonpayment of Prepayment Fees by the Subscriber,
- selection of alternate dental coverage by your Group, or
- lack of network/Service Area.

Benefits and rates for Cigna Dental conversion coverage and any succeeding renewals will be based on the Covered Services listed in the then-current standard conversion plan and may not be the same as those for your Group's Dental Plan. Please call the Cigna Dental Conversion Department at 1.800.Cigna24 to obtain current rates and make arrangements for continuing coverage.

XIV. Confidentiality/Privacy

Cigna Dental is committed to maintaining the confidentiality of your personal and sensitive information. Information about Cigna Dental's confidentiality policies and procedures is made available to you during the enrollment process and/or as part of your customer plan materials. You may obtain additional information about Cigna Dental's confidentiality policies and procedures by calling Customer Service at 1.800.Cigna24, or via the Internet at myCigna.com.

Confidential Medical Information - Confidential Communication Request

California law prohibits the Healthplan from disclosing to anyone, without express written authorization, a Member (Protected Individual)'s Medical Information or information that indicates the Member received a Sensitive Service.

The Healthplan permits Members to request, and will accommodate requests for, confidential communication in the form and format requested by the Member, if it is readily producible in the requested form and format, or at alternative locations.

The Healthplan permits Members to submit a Confidential Communication Request designating a specific mailing address, email address, and/or telephone number for receiving Healthplan communications containing the Member's Medical Information or any information that indicates the Member received a Sensitive Service. To make a Confidential Communication Request, contact the Healthplan at the phone number or website on the back of your ID card.

The Healthplan must implement a Confidential Communication Request within 7 calendar days of receiving a request that is submitted by electronic transmission or telephone; or within 14 calendar days of receiving a request by first class mail. The Healthplan will, upon request from the Member, acknowledge receipt of the Confidential Communication Request and advise the Member of implementation status.

A Confidential Communication Request applies to all communications that disclose medical information or provider name and address related to receipt of medical services by the Member requesting the confidential communication.

An implemented Confidential Communication Request will be valid until a revocation of the request is submitted, or until a new Confidential Communication request is submitted.

As used here:

regarding a patient's medical history, mental or physical condition, or treatment.

- Individually Identifiable Information is medical information that includes or contains any element of personal identifying information sufficient to allow identification of the individual, such as the patient's name, address, electronic mail address, telephone number, or social security number, or other information that, alone or in combination with other publicly available information, reveals the individual's identity.

XV. Miscellaneous

A. Programs Promoting General Health

As a Cigna Dental plan customer, you may be eligible for various benefits, or other consideration for the purpose of promoting your general health and well being. Please visit our website at myCigna.com for details.

As a Cigna Dental plan customer, you may also be eligible for additional dental benefits during certain episodes of care. For example, certain frequency limitations for dental services may be relaxed for pregnant women. Please review your plan enrollment materials for details.

B. Organ and Tissue Donation

Donating organ and tissue provides many societal benefits. Organ and tissue donation allows recipients of transplants to go on to lead fuller and more meaningful lives. Currently, the need for organ transplants far exceeds availability. The California Health and Safety Code states that an anatomical gift may be made by one of the following ways:

- a document of gift signed by the donor.
- a document of gift signed by another individual and by two witnesses, all of whom have signed at the direction and in the presence of the donor and of each other and state that it has been so signed.
- a document of gift orally made by a donor by means of a tape recording in his or her own voice.

One easy way individuals can make themselves eligible for organ donation is through the Department of Motor Vehicles (DMV). Every time a license is renewed or a new one is issued to replace one that was lost, the DMV will automatically send an organ donor card. Individuals may complete the card to indicate that they are willing to have their organs donated upon their death. They will then be given a small dot to stick on their driver's license, indicating they have an organ donor card on file. For more information, contact your local DMV office and request an organ donor card.

TABLE OF CONTENTS

I. Definitions

Capitalized terms, unless otherwise defined, have the meanings listed below.

Adverse Determination - a decision by Cigna Dental not to authorize payment for certain limited specialty care procedures on the basis of necessity or appropriateness of care. To be considered clinically necessary, the treatment or service must be reasonable and appropriate and meet the following requirements:

A. be consistent with the symptoms, diagnosis or treatment of the condition present;

B. conform to commonly accepted standards throughout the dental field;

C. not be used primarily for the convenience of the customer or dentist of care; and

D. not exceed the scope, duration, or intensity of that level of care needed to provide safe and appropriate treatment.

Requests for payment authorizations that are declined by Cigna Dental based upon the above criteria will be the responsibility of the customer at the dentist's Usual Fees. A licensed dentist will make any such denial.

Cigna Dental - Cigna Dental Health, Inc., on behalf of Cigna HealthCare of Connecticut, Inc. (said corporations are affiliates and are herein after referred to as "Cigna Dental"), contracts with participating general dentists for the provision of dental care. Cigna Dental Health, Inc. also provides management and information services to customers and participating dental offices.

Contract Fees - the fees contained in the Network Dentist agreement with Cigna Dental.

Covered Services - the dental procedures listed on your Patient Charge Schedule.

Dental Office - your selected office of Network General Dentist(s).

Dental Plan - managed dental care plan offered through the Group Contract between Cigna HealthCare of Connecticut, Inc. and your Group.

Dependent - your lawful spouse; your unmarried child (including newborns, adopted children, stepchildren, a child for whom you must provide dental coverage under a court order; or, a Dependent child who resides in your home as a result of court order or administrative placement) who is:

A. less than 26 years old; or

B. less than 26 years old if he or she is both:

   1. a full-time student enrolled at an accredited educational institution, and

   2. reliant upon you for maintenance and support; or

C. any age if he or she is both:

   1. incapable of self-sustaining employment due to mental or physical disability; and

   2. reliant upon you for maintenance and support.

For a Dependent child 26 years of age or older who is a full-time student at an educational institution, coverage will be provided for an entire academic term during which the child begins as a full-time student and remains enrolled, regardless of whether the number of hours of instruction for which the child is enrolled is reduced to a level that changes the child's academic status to less than that of a full-time student.

For a child who falls into category (b) or (c) above, you will need to furnish Cigna Dental evidence of his or her reliance upon you, in the form requested, within 31 days after the Dependent reaches the age of 26 and once a year thereafter during his or her term of coverage.

Coverage for Dependents living outside a Cigna Dental service area is subject to the availability of an approved network where the Dependent resides.

This definition of "Dependent" applies unless modified by your Group Contract.

Coverage for a Dependent child will continue until the next Group Contract anniversary date after the limiting age is reached.

Group - employer, labor union or other organization that has entered into a Group Contract with Cigna HealthCare of Connecticut, Inc. for managed dental services on your behalf.

Medically necessary or medical necessity - means health care services that a physician/dentist, exercising prudent clinical judgment, would provide to a patient for the purpose of preventing, evaluating, diagnosing or treating an illness, injury, disease or its symptoms, and that are:

(1) In accordance with generally accepted standards of medical/dental practice;

(2) Clinically appropriate, in terms of type, frequency, extent, site and duration and considered effective for the patient's illness, injury or disease; and

(3)Not primarily for the convenience of the patient, physician/dentist or other health care provider and not more costly than an alternative service or sequence of services at least as likely to produce equivalent therapeutic or diagnostic

results as to the diagnosis or treatment of that patient's illness, injury or disease.

For the purposes of this definition, "generally accepted standards of medical/dental practice" means standards that are based on credible scientific evidence published in peer-reviewed medical/dental literature generally recognized by the relevant medical/dental community or otherwise consistent with the standards set forth in policy issues involving clinical judgment.

Network Dentist - a licensed dentist who has signed an agreement with Cigna Dental to provide general dentistry or specialty care services to you. The term, when used, includes both Network General Dentists and Network Specialty Dentists.

Network General Dentist - a licensed dentist who has signed an agreement with Cigna Dental under which he or she agrees to provide dental care services to you.

Network Specialty Dentist - a licensed dentist who has signed an agreement with Cigna Dental under which he or she agrees to provide specialized dental care services to you.

Patient Charge - the amount you owe your Network Dentist for any dental procedure listed on your Patient Charge Schedule.

Patient Charge Schedule - list of services covered under your Dental Plan and how much they cost you.

Premiums - fees that your Group remits directly or indirectly to Cigna HealthCare of Connecticut, Inc., on your behalf, during the term of your Group Contract.

Service Area - the geographical area designated by Cigna Dental within which it shall provide benefits and arrange for dental care services.

Subscriber/You - the enrolled employee or customer of the Group.

Usual Fee - the customary fee that an individual dentist most frequently charges for a given dental service.

II. Introduction To Your Cigna Dental Plan

Welcome to the Cigna Dental Plan. We encourage you to use your dental benefits. Please note that enrollment in the Dental Plan allows the release of patient records to Cigna Dental or its designee for health plan operation purposes.

III. Eligibility/When Coverage Begins

To enroll in the Dental Plan, you and your Dependents must be able to seek treatment for Covered Services within a Cigna Dental Service Area. Other eligibility requirements are determined by your Group.

If you enrolled in the Dental Plan before the effective date of your Group Contract, you will be covered on the first day the Group Contract is effective. If you enrolled in the Dental Plan after the effective date of the Group Contract, you will be covered on the first day of the month following processing of your enrollment (unless effective dates other than the first day of the month are provided for in your Group Contract).

Dependents may be enrolled in the Dental Plan at the time you enroll, during an open enrollment, or within 31 days of becoming eligible due to a life status change such as marriage, birth, adoption, placement, or court or administrative order. You may drop coverage for your Dependents only during the open enrollment periods for your Group, unless there is a change in status such as divorce. Cigna Dental may require evidence of good dental health at your expense if you or your Dependents enroll after the first period of eligibility, (except during open enrollment), or after disenrollment because of nonpayment of Premiums.

If you have family coverage, a newborn child is automatically covered during the first 61 days of life. If you wish to continue coverage beyond the first 61 days, your baby must be enrolled in the Dental Plan and you must begin paying Premiums, if any additional are due, during that period.

Under the Family and Medical Leave Act of 1993, you may be eligible to continue coverage during certain leaves of absence from work. During such leaves, you will be responsible for paying your Group the portion of the Premiums, if any, which you would have paid if you had not taken the leave. Additional information is available through your Benefits Representative.

IV. Your Cigna Dental Coverage

The information below outlines your coverage and will help you to better understand your Dental Plan. Included is information about which services are covered, which are not and how much dental services will cost you. A copy of the Group Contract will be furnished to you upon your request.

A. Customer Service

If you have any questions or concerns about the Dental Plan, Customer Service Representatives are just a toll-free phone call away. They can explain your benefits or help with matters regarding your Dental Office or Dental Plan. For assistance with transfers, specialty referrals, eligibility, second opinions, emergencies, Covered Services, plan benefits, ID cards, location of Dental Offices, conversion coverage or other matters, call Customer Service from any location at 1-800-Cigna24. The hearing impaired may contact the state TTY toll-free

relay service number listed in their local telephone directory.

B. Premiums/Prepayment Fees

Your Group sends a monthly fee to Cigna Dental for customers participating in the Dental Plan. The amount and term of this fee is set forth in your Group Contract. You may contact your Benefits Representative for information regarding any part of this fee to be withheld from your salary or to be paid by you to the Group.

C. Other Charges - Patient Charges

Network General Dentists are typically reimbursed by Cigna Dental through fixed monthly payments and supplemental payments for certain procedures. No bonuses or financial incentives are used as an inducement to limit services. Network Dentists are also compensated by the fees which you pay, as set out in your Patient Charge Schedule.

Your Patient Charge Schedule lists the dental procedures covered under your Dental Plan. Some dental procedures are covered at no charge to you. For other Covered Services, the Patient Charge Schedule lists the fees you must pay when you visit your Dental Office. There are no deductibles and no annual dollar limits for services covered by your Dental Plan.

Your Network General Dentist should tell you about Patient Charges for Covered Services, the amount you must pay for non-Covered Services and the Dental Office's payment policies. Timely payment is important. It is possible that the Dental Office may add late charges to overdue balances.

Your Patient Charge Schedule is subject to annual change in accordance with your Group Contract. Cigna Dental will give written notice to your Group of any change in Patient Charges at least 60 days prior to such change. You will be responsible for the Patient Charges listed on the Patient Charge Schedule that is in effect on the date a procedure is started.

IMPORTANT: If you opt to receive dental services or procedures that are not covered benefits under this plan, a participating dental provider may charge you his or her usual and customary rate for such services or procedures. Prior to providing you with dental services or procedures that are not covered benefits, the dental provider should provide you with a treatment plan that includes each anticipated service or procedure to be provided and the estimated cost of each service or procedure. To fully understand your coverage, you may wish to review your evidence of coverage document.

D. Choice of Dentist

You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise Cigna Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when Cigna Dental otherwise approves payment for out-of-network benefits.

You may select a network Pediatric Dentist as the Network General Dentist for your dependent child under age 13 by calling Customer Service at 1-800-Cigna24 to get a list of network Pediatric Dentists in your Service Area or if your Network General Dentist sends your child under the age of 13 to a network Pediatric Dentist, the network Pediatric Dentist's office will have primary responsibility for your child's care. For children 13 years and older, your Network General Dentist will provide care. If your child continues to visit the Pediatric Dentist upon the age of 13, you will be fully responsible for the Pediatric Dentist's Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, Cigna Dental will let you know and will arrange a transfer to another Dental Office. Refer to the Section titled "Office Transfers" if you wish to change your Dental Office.

To obtain a list of Dental Offices near you, visit our website at myCigna.com or call the Dental Office Locator at 1-800-Cigna24. It is available 24 hours a day, 7 days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Customer Service.

E. Your Payment Responsibility (General Care)

For Covered Services at your Dental Office, you will be charged the fees listed on your Patient Charge Schedule. For services listed on your Patient Charge Schedule at any other dental office, you may be charged Usual Fees. For non-Covered Services, you are responsible for paying Usual Fees.

If, on a temporary basis, there is no Network General Dentist in your Service Area, Cigna Dental will let you know and you may obtain Covered Services from a non-Network Dentist. You will pay the non-Network Dentist the applicable Patient Charge for Covered Services. Cigna Dental will pay the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge.

See Section IX, *Specialty Referrals*, regarding payment responsibility for specialty care.

All contracts between Cigna Dental and Network Dentists state that you will not be liable to the Network Dentist for any sums owed to the Network Dentist by Cigna Dental.

If you are having difficulty locating a participating provider within a reasonable distance/travel time of your home or work, or within a reasonable appointment wait time, please contact Customer Service 1-800-Cigna24 for assistance. If there are no participating providers meeting the above criteria in your area, you may visit a non-participating provider and covered services will be made available at the same cost share than as if you had received those services from a participating provider. In this situation, your Customer Service Representative will be able to enter the appropriate information into our system to ensure you qualify and your out of network claims will be properly adjusted.

F. Emergency Dental Care - Reimbursement

An emergency is a dental condition of recent onset and severity which would lead a prudent layperson possessing an average knowledge of dentistry to believe the condition needs immediate dental procedures necessary to control excessive bleeding, relieve severe pain, or eliminate acute infection. You should contact your Network General Dentist if you have an emergency in your Service Area.

1. Emergency Care Away From Home

If you have an emergency while you are out of your Service Area or you are unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above from any general dentist. Routine restorative procedures or definitive treatment (e.g. root canal) are not considered emergency care. You should return to your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Patient Charges listed on your Patient Charge Schedule. Cigna Dental will reimburse you the difference, if any, between the dentist's Usual Fee for emergency Covered Services and your Patient Charges. To receive reimbursement, send appropriate reports and x-rays to Cigna Dental at the address listed on the front of this booklet.

2. Emergency Care After Hours

There is a Patient Charge listed on your Patient Charge Schedule for emergency care rendered after regularly scheduled office hours. This charge will be in addition to other applicable Patient Charges.

G. Limitations on Covered Services

Listed below are limitations on services when covered by your Dental Plan:

- **Frequency** - The frequency of certain Covered Services, like cleanings, is limited. Your Patient Charge Schedule lists any limitations on frequency.
- **Pediatric Dentistry** – Coverage for treatment by a Pediatric Dentist ends on your child's 13th birthday. Effective on your child's 13th birthday, dental services must be obtained from a Network General Dentist; however, exceptions for medical reasons may be considered on an individual basis.
- **Oral Surgery** - The surgical removal of an impacted wisdom tooth may not be covered if the tooth is not diseased or if the removal is only for orthodontic reasons. Your Patient Charge Schedule lists any limitations on oral surgery.
- **Periodontal (gum tissue and supporting bone) Services** – Periodontal regenerative procedures are limited to one regenerative procedure per site (or per tooth, if applicable), when covered on the Patient Charge Schedule.

  Localized delivery of antimicrobial agents is limited to eight teeth (or eight sites, if applicable) per 12 consecutive months, when covered on the Patient Charge Schedule.
- Clinical Oral Evaluations – When this limitation is noted on the Patient Charge Schedule, periodic oral evaluations, comprehensive oral evaluations, comprehensive periodontal evaluations, and oral evaluations for patients under 3 years of age are limited to a combined total of 4 evaluations during a 12 consecutive month period.
- **Surgical Placement of Implant Services** – When covered on the Patient Charge Schedule, surgical placement of a dental implant; repair, maintenance, or removal of a dental implant; implant abutment(s); or any services related to the surgical placement of a dental implant are limited to one per year with replacement of a surgical implant frequency limitation of one every 10 years.
- **Prosthesis Over Implant** – When covered on the Patient Charge Schedule, a prosthetic device, supported by an implant or implant abutment is considered a separate distinct service(s) from surgical placement of an implant. Replacement of any type of prosthesis with a prosthesis supported by an implant or implant abutment is only covered if the existing prosthesis is at

least 5 calendar years old, is not serviceable and cannot be repaired.

General Limitations Dental Benefits

No payment will be made for expenses incurred or services received:

- for or in connection with an injury arising out of, or in the course of, any employment for wage or profit;
- for charges which would not have been made in any facility, other than a Hospital or a Correctional Institution owned or operated by the United States Government or by a state or municipal government if the person had no insurance;
- to the extent that payment is unlawful where the person resides when the expenses are incurred or the services are received;
- for the charges which the person is not legally required to pay;
- for charges which would not have been made if the person had no insurance;
- due to injuries which are intentionally self-inflicted.

- services considered to be unnecessary or experimental in nature or do not meet commonly accepted dental standards.
- procedures or appliances for minor tooth guidance or to control harmful habits.

(Benefits are available for Network Dentist charges for Covered Services performed at a hospital. Other associated charges are not covered and should be submitted to the medical carrier for benefit determination.)

- the completion of crowns, bridges, dentures, or root canal treatment already in progress on the effective date of your Cigna Dental coverage.

- localized delivery of antimicrobial agents when performed alone or in the absence of traditional periodontal therapy.
- any localized delivery of antimicrobial agent procedures when more than eight (8) of these procedures are reported on the same date of service.
- infection control and/or sterilization. Cigna Dental considers this to be incidental to and part of the charges for services provided and not separately chargeable.
- the recementation of any inlay, onlay, crown, post and core or fixed bridge within 180 days of initial placement. Cigna Dental considers recementation within this timeframe to be incidental to and part of the charges for the initial restoration.
- the recementation of any implant supported prosthesis (including crowns, bridges and dentures) within 180 days of initial placement. Cigna Dental considers recementation within this timeframe to be incidental to and part of the charges for the initial restoration unless specifically listed on your Patient Charge Schedule.
- services to correct congenital malformation, including the replacement of congenitally missing teeth.
- the replacement of an occlusal guard (night guard) beyond one per any 24 consecutive month period, when this limitation is noted on the Patient Charge Schedule.
- crowns and bridges used solely for splinting.
- resin bonded retainers and associated pontics.

V. Appointments

To make an appointment with your Network Dentist, call the Dental Office that you have selected. When you call, your Dental Office will ask for your identification number and will check your eligibility.

VI. Broken Appointments

The time your Network Dentist schedules for your appointment is valuable to you and the dentist. Broken appointments make it difficult for your Dental Office to schedule time with other patients.

If you or your enrolled Dependent breaks an appointment with less than 24 hours notice to the Dental Office, you may be charged a broken appointment fee.

VII. Office Transfers

If you decide to change Dental Offices, we can arrange a transfer. You should complete any dental procedure in progress before transferring to another Dental Office. To arrange a transfer, call Customer Service at 1-800-Cigna24. To obtain a list of Dental Offices near you, visit our website at myCigna.com or call the Dental Office Locator at 1-800-Cigna24.

Your transfer request may take up to 5 days to process. Transfers will be effective the first day of the month after the processing of your request. Unless you have an emergency, you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective. You can check the status of your request by visiting myCigna.com, or by call us at 1-800-Cigna24.

There is no charge to you for the transfer; however, all Patient Charges which you owe to your current Dental Office must be paid before the transfer can be processed.

VIII. Specialty Care

Your Network General Dentist at your Dental Office has primary responsibility for your professional dental care. Because you may need specialty care, the Cigna Dental Network includes the following types of specialty dentists:

- Pediatric Dentists - children’s dentistry.
- Endodontists - root canal treatment.
- Periodontists - treatment of gums and bone.
- Oral Surgeons - complex extractions and other surgical procedures.
- Orthodontists - tooth movement.

There is no coverage for referrals to prosthodontists or other specialty dentists not listed above.

When specialty care is needed, your Network General Dentist must start the referral process. X-rays taken by your Network General Dentist should be sent to the Network Specialty Dentist.

See Section IV.D., *Choice of Dentist*, regarding treatment by a Pediatric Dentist.

IX. Specialty Referrals

A. In General

Preauthorization is not required for coverage of services by a Network Specialty Dentist.

When Cigna Dental approved payment to the Network Specialty Dentist, the fees or no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in Section IX.B., *Orthodontics*. Treatment by the Network Specialty Dentist must begin within 90 days from the date of Cigna Dental's approval. If you are unable to obtain treatment within the 90-day period, please call Customer Service to request an extension. Your coverage must be in effect when each procedure begins.

For non-Covered Services or if Cigna Dental does not approve payment to the Network Specialty Dentist for Covered Services, including Adverse Determinations, you must pay the Network Specialty Dentist's Usual Fee. If you have a question or concern regarding an approval or a denial, contact Customer Service.

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, it will be your responsibility to pay for treatment at the dentist's Usual Fees.

When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available, as determined by Cigna Dental, Cigna Dental will approve a referral to a non-Network Specialty Dentist. The referral procedures applicable to specialty care will apply. In such cases, you will be responsible for the applicable Patient Charge for Covered Services. Cigna Dental will reimburse the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge. For non-Covered Services or services not approved for payment, including Adverse Determinations, you must pay the dentist's Usual Fee.

B. Orthodontics (This section is applicable only when Orthodontics is listed on your Patient Charge Schedule.)

1. Definitions

If your Patient Charge Schedule indicates coverage for orthodontic treatment, the following definitions apply:

a. **Orthodontic Treatment Plan and Records** - the preparation of orthodontic records and a treatment plan by the Orthodontist.

b. **Interceptive Orthodontic Treatment** - treatment prior to full eruption of the permanent teeth, frequently a first phase preceding comprehensive treatment.

c. **Comprehensive Orthodontic Treatment** - treatment after the eruption of most permanent teeth, generally the final phase of treatment before retention.

d. **Retention (Post Treatment Stabilization)** - the period following orthodontic treatment during which you may wear an appliance to maintain and stabilize the new position of the teeth.

2. Patient Charges

The Patient Charge for your entire orthodontic case, including retention, will be based upon the Patient Charge Schedule in effect on the date of your visit for Treatment Plan and Records. However, if a. banding/appliance insertion does not occur within 90 days of such visit, b. your treatment plan changes, or c. there is an interruption in your coverage or treatment, a later change in the Patient Charge Schedule may apply.

The Patient Charge for Orthodontic Treatment is based upon 24 months of interceptive and/or comprehensive treatment. If you require more than 24 months of treatment in total, you will be charged an additional amount for each additional month of treatment, based upon the Orthodontist's Contract Fee. If you require less than 24 months of treatment, your Patient Charge will be reduced on a pro-rated basis.

3. Additional Charges

You will be responsible for the Orthodontist's Usual Fees for the following non-Covered Services:

a. incremental costs associated with optional/elective materials, including but not limited to ceramic, clear, lingual brackets, or other cosmetic appliances;

b. orthognathic surgery and associated incremental costs;

c. appliances to guide minor tooth movement;

d. appliances to correct harmful habits; and

e. services which are not typically included in Orthodontic Treatment. These services will be identified on a case-by-case basis.

4. Orthodontics In Progress

If Orthodontic Treatment is in progress for you or your Dependent at the time you enroll, the fee listed on the Patient Charge Schedule is not applicable. Please call Customer Service at 1-800-Cigna24 to find out if you are entitled to any benefit under the Dental Plan.

X. Complex Rehabilitation/Multiple Crown Units

Complex rehabilitation is extensive dental restoration involving 6 or more "units" of crown, bridge, and/or implant supported prosthesis (including crowns and bridges) in the same treatment plan. Using full crowns (caps), fixed bridges and/or implant supported prosthesis (including crowns and bridges) which are cemented in place, your Network General Dentist will rebuild natural teeth, fill in spaces where teeth are missing and establish conditions which allow each tooth to function in harmony with the occlusion (bite). The extensive procedures involved in complex rehabilitation require an extraordinary amount of time, effort, skill and laboratory collaboration for a successful outcome.

Complex rehabilitation will be covered when performed by your Network General Dentist after consultation with you about diagnosis, treatment plan and charges. Each tooth or tooth replacement included in the treatment plan is referred to as a "unit" on your Patient Charge Schedule. The crown, bridge and/or implant supported prosthesis (including crowns and bridges) charges on your Patient Charge Schedule are for each unit of crown or bridge. You pay the per unit charge for each unit of crown, bridge and/or implant supported prosthesis (including crowns and bridges) PLUS an additional charge for each unit when 6 or more units are prescribed in your Network General Dentist's treatment plan.

Note: Complex rehabilitation only applies for implant supported prosthesis, when implant supported prosthesis are specifically listed on your Patient Charge Schedule.

XI. What To Do If There Is A Problem

For the purposes of this section, any reference to "you" or "your" also refers to a representative or dentist designated by you to act on your behalf.

Most problems can be resolved between you and your dentist. However, we want you to be completely satisfied with the Dental Plan. That is why we have established a process for addressing your concerns and complaints. The complaint procedure is voluntary and will be used only upon your request.

A. Start With Customer Service

We are here to listen and to help. If you have a concern about your Dental Office or the Dental Plan, you can call 1-800-Cigna24 toll-free and explain your concern to one of our Customer Service Representatives. You can also express that concern in writing to Cigna Dental at P.O. Box 188047, Chattanooga, TN 37422-8047. We'll do our best to resolve the matter during your initial contact. If we need more time to review or investigate your concern, we'll get back to you as soon as possible, usually by the end of the next business day, but in any case within 30 days.

If you are not satisfied with the results of a coverage decision, you may start the appeals procedure.

B. Appeals Procedure

Cigna Dental has a two-step appeals procedure for coverage decisions. To initiate an appeal, you must submit a request in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047, within 1 year from the date of receipt of the initial Cigna Dental decision. You should state the reason you feel your appeal should be approved and include any information to support your appeal. If you are unable or choose not to write, you may ask Customer Service to register your appeal by calling 1-800-Cigna24.

1. Level One Appeals

Your level one appeal will be reviewed and the decision made by someone not involved in the initial review. Appeals involving dental necessity or clinical appropriateness will be reviewed by a dental professional in the field related to the care under consideration, under the authority of a Connecticut licensed dentist.

If your appeal concerns a denied pre-authorization, we will respond with a decision within 15 calendar days after we receive your appeal. For appeals concerning all other coverage issues, we will respond with a decision within 30 calendar days after we receive your appeal. If we need more time or information to make the decision, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

You may request that the appeal resolution be expedited if the timeframes under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, Cigna Dental will respond orally with a decision within the lesser of 72 hours after the appeal is received, or 2 business days after the required information is received, followed up in writing.

If you are not satisfied with our level one appeal decision, you may request a level two appeal.

2. Level Two Appeals

To initiate a level two appeal, follow the same process required for a level one appeal. For postservice claim or administrative appeals, your request must be received before the 14th calendar day following our mailing of the level one determination. Level two appeals will be conducted by an Appeals Committee consisting of at least 3 people. Anyone involved in the prior decision may not vote on the Appeals Committee. For appeals involving dental necessity or clinical appropriateness, the Appeals Committee will include at least one dentist. If specialty care is in dispute, the Appeals Committee will consult with a dentist in the same or similar specialty as the care under review.

Cigna Dental will acknowledge your appeal in writing and schedule an Appeals Committee review. The acknowledgment letter will include the name, address, and telephone number of the Appeals Coordinator. We may request additional information at that time. If your appeal concerns a denied preauthorization, the Appeals Committee review will be completed within 15 calendar days. For appeals concerning all other coverage issues, the Appeals Committee review will be completed within 60 calendar days after receipt of your original level one request for appeal, unless you request an extension. If we receive a request for a Level Two appeal post service claim appeal on or after the 14th calendar day following our mailing of the level one determination: a. it will be deemed as a request by you for an extension; and b. the 60 day review period will be suspended on the 14th day we receive no Level Two appeal, then resume on the day we receive your Level Two appeal.

You may present your appeal to the Appeals Committee in person or by conference call. You must advise Cigna Dental 5 days in advance if you or your representative plan to attend in person. You will be notified in writing of the Appeals Committee's decision within 5 business days after the meeting. The decision will include the specific contractual or clinical reasons for the decision, as applicable.

You may request that the appeal resolution be expedited if the timeframes under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, the Dental Plan will respond orally with a decision within the lesser of 72 hours or 2 business days after the required information is received, followed up in writing.

XII. Dual Coverage

If you and your spouse are employed by the same employer and by reason of that employment are participating in this Dental Plan, you may be covered as an employee under this plan in addition to being covered as a Dependent.

If you or your Dependents have dental coverage through your spouse's employer or other sources, applicable coordination of benefit rules will determine which coverage is primary or secondary. In most cases, the plan covering you as an employee is primary for you, and the plan covering your spouse as an employee is primary for him or her. Your children are generally covered as primary by the plan of the parent whose birthday occurs earlier in the year. Dual coverage should result in lowering or eliminating your out-of-pocket expenses. It should not result in reimbursement for more than 100% of your expenses.

Coordination of benefit rules are attached to the Group Contract and may be reviewed by contacting your Benefit Administrator. Benefits are coordinated only for specialty care services.

XIII. Disenrollment From the Dental Plan – Termination of Benefits

A. Time Frames For Disenrollment/Termination

Except as otherwise provided in the sections titled "Extension/Continuation of Benefits" or in your Group Contract, disenrollment from the Dental Plan and termination of benefits will occur on the last day of the month:

1. in which Premiums/Prepayment Fees are not remitted to Cigna Dental.
2. in which eligibility requirements are no longer met.
3. after 30 days notice from Cigna Dental due to permanent breakdown of the dentist-patient relationship as determined by Cigna Dental, after at least two opportunities to transfer to another Dental Office.
4. after 30 days notice from Cigna Dental due to fraud or misuse of dental services and/or Dental Offices.
5. after 60 days notice by Cigna Dental, due to continued lack of a Dental Office in your Service Area.
6. after voluntary disenrollment.

In the event of termination of your Group Contract by either Cigna Dental or the Group, the Group shall within 15 days provide a notice of termination to each Covered Person.

B. Effect on Dependents

When one of your Dependents is disenrolled, you and your other Dependents may continue to be enrolled. When you are disenrolled, your Dependents will be disenrolled as well.

XIV. Extension of Benefits

Coverage for completion of a dental procedure (other than orthodontics) which was started before your disenrollment from the Dental Plan will be extended for 90 days after disenrollment unless disenrollment was due to nonpayment of Premiums/Prepayment Fees.

Coverage for orthodontic treatment which was started before disenrollment from the Dental Plan will be extended to the end of the quarter or for 60 days after disenrollment, whichever is later, unless disenrollment was due to nonpayment of Premiums/Prepayment Fees.

XV. Continuation of Benefits (COBRA)

For Groups with 20 or more employees, federal law requires the employer to offer continuation of benefits coverage for a specified period of time after termination of employment or reduction of work hours, for any reason other than gross misconduct. This provision also applies to any group subject to continuation of benefit coverage under Connecticut state law. You will be responsible for sending payment of the required Premiums to the Group. Additional information is available through your Benefits Representative.

XVI. Conversion Coverage

If you are no longer eligible for coverage under your Group's Dental Plan, you and your enrolled Dependents may continue your dental coverage by enrolling in the Cigna Dental conversion plan. You must enroll within three months after becoming ineligible for your Group's Dental Plan. Premium payments and coverage will be retroactive to the date coverage under your Group's Dental Plan ended. You and your enrolled Dependents are eligible for conversion coverage unless benefits were discontinued due to:

- permanent breakdown of the dentist-patient relationship;
- fraud or misuse of dental services and/or Dental Offices;
- nonpayment of Premium/Prepayment Fees by the Subscriber;
- selection of alternate dental coverage by your Group; or
- lack of network/Service Area.

Benefits and rates for Cigna Dental conversion coverage and any succeeding renewals will be based on the Covered Services listed in the then-current standard conversion plan and may not be the same as those for your Group's Dental Plan. Please call the Cigna Dental Conversion Department at 1-800-Cigna24 to obtain current rates and make arrangements for continuing coverage.

I. Definitions

Capitalized terms, unless otherwise defined, have the meanings listed below.

Adverse Determination - a decision by Cigna Dental not to authorize payment for certain limited specialty care procedures on the basis of necessity or appropriateness of care. To be considered clinically necessary, the treatment or service must be reasonable and appropriate and meet the following requirements:

A. Be consistent with the symptoms, diagnosis or treatment of the condition present;

B. Conform to commonly accepted standards throughout the dental field;

C. Not be used primarily for the convenience of the customer or provider of care; and

D. Not exceed the scope, duration or intensity of that level of care needed to provide safe and appropriate treatment.

Requests for payment authorizations that are declined by Cigna Dental based upon the above criteria will be the responsibility of the customer at the dentist's Usual Fees. A licensed dentist will make any such denial.

Cigna Dental - The Cigna Dental Health organization that provides dental benefits in your state as listed on the face page of this booklet.

Contract Fees - The fees contained in the Network Dentist agreement with Cigna Dental.

Covered Services - The dental procedures listed on your Patient Charge Schedule.

Dental Office - Your selected office of Network General Dentist(s).

Dental Plan - Managed dental care plan offered through the Group Contract between Cigna Dental and your Group.

Dependent - Your lawful spouse; your unmarried child (including newborns, adopted children, stepchildren, a child for whom you must provide dental coverage under a court order; or, a dependent child who resides in your home as a result of court order or administrative placement) who is:

A. Less than 26 years old; or

B. Less than 26 years old if he or she is both:

   1. A Full-time student enrolled at an accredited educational institution, and

   2. reliant upon you for maintenance and support; or

C. Any age if he or she is both:

   1. Incapable of self-sustaining employment due to mental or physical disability, and

   2. Reliant upon you for maintenance and support.

For a dependent child 26 years of age or older who is a full-time student at an educational institution, coverage will be provided for an entire academic term during which the child begins as a full-time student and remains enrolled, regardless of whether the number of hours of instruction for which the child is enrolled is reduced to a level that changes the child's academic status to less than that of a full-time student.

For a child who falls into category (B) or (C) above, you will need to furnish Cigna Dental evidence of the child's reliance upon you, in the form requested, within 31 days after the Dependent reaches the age of 19 and once a year thereafter for as long as the child is claimed as a Dependent under the Plan.

A **Newly Acquired Dependent** is a dependent child who is adopted, born, or otherwise becomes your dependent after you become covered under the Plan.

Coverage for dependents living outside a Cigna Dental service area is subject to the availability of an approved network where the dependent resides.

Network Specialty Dentist - A licensed dentist who has signed an agreement with Cigna Dental under which he or she agrees to provide specialized dental care services to You.

Service Area - The geographical area designated by Cigna Dental within which it shall provide benefits and arrange for dental care services.

Subscriber/You - The enrolled employee or customer of the Group.

II. Introduction to Your Cigna Dental Plan

Welcome to the Cigna Dental Plan. We encourage you to use your dental benefits. Please note that enrollment in the Dental Plan allows the release of patient records to Cigna Dental or its designee for health plan operation purposes.

III. Eligibility/When Coverage Begins

To enroll in the Dental Plan, you and your Dependents must be able to seek treatment for Covered Services within a Cigna Dental Service Area. Other eligibility requirements are determined by your Group.

If you enrolled in the Dental Plan before the effective date of your Group Contract, you will be covered on the first day the Group Contract is effective. If you enrolled in the Dental Plan after the effective date of the Group Contract, you will be covered on the first day of the month following processing of your enrollment (unless effective dates other than the first day of the month are provided for in your Group Contract).

Dependents may be enrolled in the Dental Plan at the time you enroll, during an open enrollment, or within 31 days of becoming eligible due to a life status change such as marriage, birth, adoption, placement, or court or administrative order. You may drop coverage for your Dependents only during the open enrollment periods for your Group, unless there is a change in status such as divorce. Cigna Dental may require evidence of good dental health at your expense if you or your Dependents enroll after the first period of eligibility (except during open enrollment) or after disenrollment because of nonpayment of Premiums.

If you have family coverage, a newborn child is automatically covered during the first 31 days of life. If you wish to continue coverage beyond the first 31 days, your baby must be enrolled in the Dental Plan and you must begin paying Premiums, if any additional are due, during that period.

Under the Family and Medical Leave Act of 1993, you may be eligible to continue coverage during certain leaves of absence from work. During such leaves, you will be responsible for paying your Group the portion of the Premiums, if any, which you would have paid if you had not taken the leave. Additional information is available through your Benefits Representative.

IV. Your Cigna Dental Coverage

The information below outlines your coverage and will help you to better understand your Dental Plan. Included is information about which services are covered, which are not, and how much dental services will cost you. A copy of the Group Contract will be furnished to you upon your request.

A. Customer Service

If you have any questions or concerns about the Dental Plan, Customer Service Representatives are just a toll-free phone call away. They can explain your benefits or help with matters regarding your Dental Office or Dental Plan. For assistance with transfers, specialty referrals, eligibility, second opinions, emergencies, Covered Services, plan benefits, ID cards, location of Dental Offices, conversion coverage or other matters, call Customer Service from any location at **1.800.Cigna24.** The hearing impaired may contact the state TTY toll-free relay service number listed in their local telephone directory.

B. Premiums

Your Group sends a monthly fee to Cigna Dental for customers participating in the Dental Plan. The amount and term of this fee is set forth in your Group Contract. You may contact your Benefits Representative for information regarding any part of this fee to be withheld from your salary or to be paid by you to the Group.

C. Other Charges – Patient Charges

Network General Dentists are typically reimbursed by Cigna Dental through fixed monthly payments and supplemental payments for certain procedures. No bonuses or financial incentives are used as an inducement to limit services. Network Dentists are also compensated by the fees which you pay, as set out in your Patient Charge Schedule.

Your Patient Charge Schedule lists the dental procedures covered under your Dental Plan. Some dental procedures are covered at no charge to you. For other Covered Services, the Patient Charge Schedule lists the fees you must pay when you visit your Dental Office. There are no deductibles and no annual dollar limits for services covered by your Dental Plan.

Your Network General Dentist should tell you about Patient Charges for Covered Services, the amount you must pay for non-Covered Services and the Dental Office's payment policies. Timely payment is important. It is possible that the Dental Office may add late charges to overdue balances.

Your Patient Charge Schedule is subject to annual change in accordance with your Group Contract. Cigna Dental will give written notice to your Group of any change in Patient Charges at least 60 days prior to such change. You will be responsible for the Patient Charges listed on the Patient Charge Schedule that is in effect on the date a procedure is started.

D. Choice of Dentist

You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise Cigna Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when Cigna Dental otherwise authorizes payment for out-of-network benefits.

You may select a network Pediatric Dentist as the Network General Dentist for your dependent child under age 7 by calling Customer Service at **1.800.Cigna24** to get a list of network Pediatric Dentists in your Service Area or if your Network General Dentist sends your child under the age of 7 to a network Pediatric Dentist, the network Pediatric Dentist's office will have primary responsibility for your child's care. For children 7 years and older, your Network General Dentist will provide care. If your child continues to visit the Pediatric Dentist upon the age of 7, you will be fully responsible for the Pediatric Dentist's Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, Cigna Dental will let you know and will arrange a transfer to another Dental Office. Refer to the Section titled "Office Transfers" if you wish to change your Dental Office.

To obtain a list of Dental Offices near you, visit our website at **myCigna.com**, or call the Dental Office Locator at **1.800.Cigna24.** It is available 24 hours a day, 7 days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Customer Service.

E. Your Payment Responsibility (General Care)

For Covered Services at your Dental Office, you will be charged the fees listed on your Patient Charge Schedule. For services listed on your Patient Charge Schedule at any other dental office, you may be charged Usual Fees. For non-covered services, you are responsible for paying Usual Fees.

If, on a temporary basis, there is no Network General Dentist in your Service Area, Cigna Dental will let you know and you may obtain Covered Services from a non-network dentist. You will pay the non-network dentist the applicable Patient Charge for Covered Services. Cigna Dental will pay the non-network dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge.

See Section IX., *Specialty Referrals*, regarding payment responsibility for specialty care.

All contracts between Cigna Dental and Network Dentists state that you will not be liable to the Network Dentist for any sums owed to the Network Dentist by Cigna Dental.

F. Emergency Dental Care - Reimbursement

An emergency is a dental condition of recent onset and severity which would lead a prudent layperson possessing an average knowledge of dentistry to believe the condition needs immediate dental procedures necessary to control excessive bleeding, relieve severe pain, or eliminate acute infection. You should contact your Network General Dentist if you have an emergency in your Service Area.

1. **Emergency Care Away from Home**

   If you have an emergency while you are out of your Service Area or you are unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above from any general dentist. Routine restorative procedures or definitive treatment (e.g. root canal) are not considered emergency care. You should return to your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Patient Charges listed on your Patient Charge Schedule. Cigna Dental will reimburse you the difference, if any, between the dentist's Usual Fee for emergency Covered Services and your Patient Charge, up to a total of $50 per incident. To receive reimbursement, send appropriate reports and x-rays to Cigna Dental at the address listed for your state on the front of this booklet.

2. **Emergency Care After Hours**

   There is a Patient Charge listed on your Patient Charge Schedule for emergency care rendered after regularly scheduled office hours. This charge will be in addition to other applicable Patient Charges.

G. Limitations on Covered Services

Listed below are limitations on services when covered by your Dental Plan:

- **Frequency** - The frequency of certain Covered Services, like cleanings, is limited. Your Patient Charge Schedule lists any limitations on frequency.
- **Pediatric Dentistry -** Coverage for treatment by a Pediatric Dentist ends on your child's 7th birthday. Effective on your child's 7th birthday, dental services must be obtained from a Network General Dentist however; exceptions for medical reasons may be considered on an individual basis.
- **Oral Surgery -** The surgical removal of an impacted wisdom tooth may not be covered if the tooth is not diseased or if the removal is only for orthodontic reasons. Your Patient Charge Schedule lists any limitations on oral surgery.
- **Periodontal (gum tissue and supporting bone) Services –** Periodontal regenerative procedures are limited to one regenerative procedure per site (or per tooth, if applicable), when covered on the Patient Charge Schedule.

  Localized delivery of antimicrobial agents is limited to eight teeth (or eight sites, if applicable) per 12 consecutive months, when covered on the Patient Charge Schedule.
- **Clinical Oral Evaluations –** When this limitation is noted on the Patient Charge Schedule, periodic oral evaluations, comprehensive oral evaluations, comprehensive periodontal evaluations, and oral evaluations for patients under 3 years of age, are limited to a combined total of four evaluations during a 12 consecutive month period.
- **Surgical Placement of Implant Services –** When covered on the Patient Charge Schedule, surgical placement of a dental implant; repair, maintenance, or removal of a dental implant; implant abutment(s); or any services related to the surgical placement of a dental implant are limited to one per year with replacement of a surgical implant frequency limitation of one every 10 years.
- **Prosthesis Over Implant -** When covered on the Patient Charge Schedule, a prosthetic device, supported by an implant or implant abutment is considered a separate distinct service(s) from surgical placement of an implant. Replacement of any type of prosthesis with a prosthesis supported by an implant or implant abutment is only covered if the existing prosthesis is at least 5 calendar years old, is not serviceable and cannot be repaired.

General Limitations Dental Benefits

Kentucky and North Carolina residents: Services compensated under no-fault auto insurance policies or uninsured motorist policies are not excluded. Preexisting conditions are not excluded if the procedures involved are otherwise covered under your Patient Charge Schedule.

Should any law require coverage for any particular service(s) noted above, the exclusion or limitation for that service(s) shall not apply.

V. Appointments

To make an appointment with your Network Dentist, call the Dental Office that you have selected. When you call, your Dental Office will ask for your identification number and will check your eligibility.

VI. Broken Appointments

The time your Network Dentist schedules for your appointment is valuable to you and the dentist. Broken appointments make it difficult for your Dental Office to schedule time with other patients.

If you or your enrolled Dependent breaks an appointment with less than 24 hours notice to the Dental Office, you may be charged a broken appointment fee.

VII. Office Transfers

If you decide to change Dental Offices, we can arrange a transfer. You should complete any dental procedure in progress before transferring to another Dental Office. To arrange a transfer, call Customer Service at **1.800.Cigna24.** To obtain a list of Dental Offices near you, visit our website at **myCigna.com**, or call the Dental Office Locator at **1.800.Cigna24.**

Your transfer request will take about five days to process. Transfers will be effective the first day of the month after the processing of your request. Unless you have an emergency, you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective.

There is no charge to you for the transfer; however, all Patient Charges which you owe to your current Dental Office must be paid before the transfer can be processed.

VIII. Specialty Care

Your Network General Dentist at your Dental Office has primary responsibility for your professional dental care. Because you may need specialty care, the Cigna Dental Network includes the following types of specialty dentists:

- Pediatric Dentists - Children's dentistry.
- Endodontists - Root canal treatment.
- Periodontists - Treatment of gums and bone.
- Oral Surgeons - Complex extractions and other surgical procedures.
- Orthodontists - Tooth movement.

There is no coverage for referrals to prosthodontists or other specialty dentists not listed above.

When specialty care is needed, your Network General Dentist must start the referral process. X-rays taken by your Network General Dentist should be sent to the Network Specialty Dentist.

See Section IV.D., *Choice of Dentist*, regarding treatment by a Pediatric Dentist.

IX. Specialty Referrals

A. In General

Upon referral from a Network General Dentist, your Network Specialty Dentist will submit a specialty care treatment plan to Cigna Dental for payment authorization, except for Pediatrics, Orthodontics and Endodontics, for which prior authorization is not required. You should verify with the Network Specialty Dentist that your treatment plan has been authorized for payment by Cigna Dental before treatment begins.

When Cigna Dental authorizes payment to the Network Specialty Dentist, the fees or no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in Section IX.B., Orthodontics. Treatment by the Network Specialty Dentist must begin within 90 days from the date of Cigna Dental's authorization. If you are unable to obtain treatment within the 90 day period, please call Customer Service to request an extension. Your coverage must be in effect when each procedure begins.

For non-covered services or if Cigna Dental does not authorize payment to the Network Specialty Dentist for Covered Services, including Adverse Determinations, you must pay the Network Specialty Dentist's Usual Fee. If you have a question or concern regarding an authorization or a denial, contact Customer Service.

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, it will be your responsibility to pay for treatment at the dentist's Usual Fees.

When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available, as determined by Cigna Dental, Cigna Dental will authorize a referral to a non-network specialty dentist. The referral procedures applicable to specialty care will apply. In such cases, you will be responsible for the applicable Patient Charge for Covered Services. Cigna Dental will reimburse the non-network dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge. For non-covered services or services not authorized for payment, including Adverse Determinations, you must pay the dentist's Usual Fee.

B. Orthodontics (This section is applicable only when orthodontics is listed on your Patient Charge Schedule.)

1. **Definitions** - If your Patient Charge Schedule indicates coverage for orthodontic treatment, the following definitions apply:
   a. **Orthodontic Treatment Plan and Records** - the preparation of orthodontic records and a treatment plan by the orthodontist.
   b. **Interceptive Orthodontic Treatment** - treatment prior to full eruption of the permanent teeth, frequently a first phase preceding comprehensive treatment.
   c. **Comprehensive Orthodontic Treatment** - treatment after the eruption of most permanent teeth, generally the final phase of treatment before retention.
   d. **Retention (Post Treatment Stabilization)** - the period following orthodontic treatment during which you may wear an appliance to maintain and stabilize the new position of the teeth.
2. **Patient Charges**

   The Patient Charge for your entire orthodontic case, including retention, will be based upon the Patient Charge Schedule in effect on the date of your visit for Treatment Plan and Records. However, if a. banding/appliance insertion does not occur within 90 days of such visit, b. your treatment plan changes, or c. there is an interruption in your coverage or treatment, a later change in the Patient Charge Schedule may apply.

   The Patient Charge for orthodontic treatment is based upon 24 months of interceptive and/or comprehensive treatment. If you require more than 24 months of treatment in total, you will be charged an additional amount for each additional month of treatment, based upon the Orthodontist's Contract Fee. If you require less than 24 months of treatment, your Patient Charge will be reduced on a prorated basis.
3. **Additional Charges**

   You will be responsible for the Orthodontist's Usual Fees for the following non-covered services:
   a. Incremental costs associated with optional/elective materials, including but not limited to ceramic, clear, lingual brackets, or other cosmetic appliances;
   b. Orthognathic surgery and associated incremental costs;
   c. Appliances to guide minor tooth movement;
   d. Appliances to correct harmful habits; and
   e. Services which are not typically included in Orthodontic Treatment. These services will be identified on a case-by-case basis.
4. **Orthodontics in Progress**

   If Orthodontic Treatment is in progress for you or your Dependent at the time you enroll, the fee listed on the Patient Charge Schedule is not applicable. Please call Customer Service at **1.800.Cigna24** to find out if you are entitled to any benefit under the Dental Plan.

X. Complex Rehabilitation/Multiple Crown Units

Complex rehabilitation is extensive dental restoration involving six or more "units" of crown, bridge and/or implant supported prosthesis (including crowns and bridges) in the same treatment plan. Using full crowns (caps), fixed bridges and/or implant supported prosthesis (including crowns and bridges) which are cemented in place, your Network General Dentist will rebuild natural teeth, fill in spaces where teeth are missing and establish conditions which allow each tooth to function in harmony with the occlusion (bite). The extensive procedures involved in complex rehabilitation require an extraordinary amount of time, effort, skill and laboratory collaboration for a successful outcome.

Complex rehabilitation will be covered when performed by your Network General Dentist after consultation with you about diagnosis, treatment plan and charges. Each tooth or tooth replacement included in the treatment plan is referred to as a "unit" on your Patient Charge Schedule. The crown, bridge and/or implant supported prosthesis (including crowns and bridges) charges on your Patient Charge Schedule are for each unit of crown or bridge. You pay the per unit charge for each unit of crown, bridge and/or implant supported prosthesis

(including crowns and bridges) PLUS an additional charge for each unit when six or more units are prescribed in your Network General Dentist's treatment plan.

Note: Complex rehabilitation only applies for implant supported prosthesis, when implant supported prosthesis are specifically listed on your Patient Charge Schedule.

XI. What to Do if There Is a Problem

For the purposes of this section, any reference to "you" or "your" also refers to a representative or dentist designated by you to act on your behalf. **Time frames or requirements may vary depending on the laws in your State. Consult your State Rider for further details.**

Most problems can be resolved between you and your dentist. However, we want you to be completely satisfied with the Dental Plan. That is why we have established a process for addressing your concerns and complaints. The complaint procedure is voluntary and will be used only upon your request.

A. Start with Customer Service

We are here to listen and to help. If you have a concern about your Dental Office or the Dental Plan, you can call **1.800.Cigna24** toll-free and explain your concern to one of our Customer Service Representatives. You can also express that concern in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047. We will do our best to resolve the matter during your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, usually by the end of the next business day, but in any case within 30 days.

If you are not satisfied with the results of a coverage decision, you may start the appeals procedure.

B. Appeals Procedure

Cigna Dental has a two-step appeals procedure for coverage decisions. To initiate an appeal, you must submit a request in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047, within one year from the date of the initial Cigna Dental decision. You should state the reason you feel your appeal should be approved and include any information to support your appeal. If you are unable or choose not to write, you may ask Customer Service to register your appeal by calling **1.800.Cigna24.**

1. **Level-One Appeals**

   Your level-one appeal will be reviewed and the decision made by someone not involved in the initial review. Appeals involving dental necessity or clinical appropriateness will be reviewed by a dental professional.

   If your appeal concerns a denied preauthorization, we will respond with a decision within 15 calendar days after we receive your appeal. For appeals concerning all other coverage issues, we will respond with a decision within 30 calendar days after we receive your appeal. If we need more information to make your level-one appeal decision, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

   You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, Cigna Dental will respond orally with a decision within 72 hours, followed up in writing.

   If you are not satisfied with our level-one appeal decision, you may request a level-two appeal.

2. **Level-Two Appeals**

   To initiate a level-two appeal, follow the same process required for a level-one appeal. Your level-two appeal will be reviewed and a decision made by someone not involved in the level-one appeal. For appeals involving dental necessity or clinical appropriateness, the decision will be made by a dentist. If specialty care is in dispute, the appeal will be conducted by a dentist in the same or similar specialty as the care under review.

   The review will be completed within 30 calendar days. If we need more information to complete the appeal, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review. The decision will include the specific contractual or clinical reasons for the decision, as applicable.

   You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an

expedited review is necessary. When a review is expedited, the Dental Plan will respond orally with a decision within 72 hours, followed up in writing.

3. **Independent Review Procedure**

   The independent review procedure is a voluntary program arranged by the Dental Plan and is not available in all areas. Consult your State Rider for more details if applicable.

4. **Appeals to the State**

   You have the right to contact your State's Department of Insurance and/or Department of Health for assistance at any time. **See your State Rider for further details.**

Cigna Dental will not cancel or refuse to renew your coverage because you or your Dependent has filed a complaint or an appeal involving a decision made by Cigna Dental. You have the right to file suit in a court of law for any claim involving the professional treatment performed by a dentist.

XII. Dual Coverage

You and your Dependents may not be covered twice under this Dental Plan. If you and your spouse have enrolled each other or the same Dependents twice, please contact your Benefits Administrator.

If you or your Dependents have dental coverage through your spouse's employer or other sources such as an HMO or similar dental plan, applicable coordination of benefits rules will determine which coverage is primary or secondary. In most cases, the plan covering you as an employee is primary for you, and the plan covering your spouse as an employee is primary for him or her. Your children are generally covered as primary by the plan of the parent whose birthday occurs earlier in the year. Dual coverage should result in lowering or eliminating your out-of-pocket expenses. It should not result in reimbursement for more than 100% of your expenses.

Coordination of benefits rules are attached to the Group Contract and may be reviewed by contacting your Benefits Administrator. Cigna Dental coordinates benefits only for specialty care services.

XIII. Disenrollment from the Dental Plan - Termination of Benefits

A. Time Frames for Disenrollment/Termination

Except as otherwise provided in the sections titled "Extension/Continuation of Benefits" or in your Group Contract, disenrollment from the Dental Plan and termination of benefits will occur on the last day of the month:

1. In which Premiums are not remitted to Cigna Dental.
2. In which eligibility requirements are no longer met.
3. After 30 days' notice from Cigna Dental due to permanent breakdown of the dentist-patient relationship as determined by Cigna Dental, after at least two opportunities to transfer to another Dental Office.
4. After 30 days' notice from Cigna Dental due to fraud or misuse of dental services and/or Dental Offices.
5. After 60 days' notice by Cigna Dental, due to continued lack of a Dental Office in your Service Area.
6. After voluntary disenrollment.

B. Effect on Dependents

When one of your Dependents is disenrolled, you and your other Dependents may continue to be enrolled. When you are disenrolled, your Dependents will be disenrolled as well.

XIV. Extension of Benefits

Coverage for completion of a dental procedure (other than orthodontics) which was started before your disenrollment from the Dental Plan will be extended for 90 days after disenrollment unless disenrollment was due to nonpayment of Premiums.

Coverage for orthodontic treatment which was started before disenrollment from the Dental Plan will be extended to the end of the quarter or for 60 days after disenrollment, whichever is later, unless disenrollment was due to nonpayment of Premiums.

XV. Continuation of Benefits (COBRA)

For Groups with 20 or more employees, federal law requires the employer to offer continuation of benefits coverage for a specified period of time after termination of employment or reduction of work hours, for any reason other than gross misconduct. You will be responsible for sending payment of the required Premiums to the Group. Additional information is available through your Benefits Representative.

XVI. Conversion Coverage

If you are no longer eligible for coverage under your Group's Dental Plan, you and your enrolled Dependents may continue your dental coverage by enrolling in the Cigna Dental conversion plan. You must enroll within three (3) months after becoming ineligible for your Group's Dental Plan. Premium payments and coverage will be retroactive to the date coverage under your Group's Dental Plan ended. You and your enrolled Dependents are eligible for conversion coverage unless benefits were discontinued due to:

- Permanent breakdown of the dentist-patient relationship.
- Fraud or misuse of dental services and/or Dental Offices.
- Nonpayment of Premiums by the Subscriber.
- Selection of alternate dental coverage by your Group.
- Lack of network/Service Area.

You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise Cigna Dental of your Dental Office selection prior to receiving treatment. If your child continues to visit the Pediatric Dentist upon the age of 13, you will be fully responsible for the Pediatric Dentist's Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

For emergency Covered Services, you will be responsible for the Patient Charges listed on your Patient Charge Schedule. Cigna Dental will reimburse you the difference, if any, between the dentist's Usual Fee for emergency Covered Services and your Patient Charge, up to a total of $50 per incident. To receive reimbursement, send appropriate reports and x-rays to Cigna Dental at the address listed for your state on the front of this booklet.

You can check the status of your request by visiting myCigna.com, or by calling us at 1.800.Cigna24.

IX Specialty Referrals

A. In General

Preauthorization is not required for coverage of services by a Network Specialty Dentist.

When Cigna Dental approves payment to the Network Specialty Dentist, the fees or no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in Section IX.B., Orthodontics. Treatment by the Network Specialty Dentist must begin within 90 days from the date of Cigna Dental's approval. If you are unable to obtain treatment within the 90 day period, please call Customer Service to request an extension. Your coverage must be in effect when each procedure begins.

For non-covered services or if Cigna Dental does not approve payment to the Network Specialty Dentist for Covered Services, including Adverse Determinations, you must pay the Network Specialty Dentist's Usual Fee. If you have a question or concern regarding an approval or a denial, contact Customer Service.

After the Network Specialty Dentist has completed treatment, you should return to your Network General

Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, it will be your responsibility to pay for treatment at the dentist's Usual Fees.

When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available, as determined by Cigna Dental, Cigna Dental will approve a referral to a non-network specialty dentist. The referral procedures applicable to specialty care will apply. In such cases, you will be responsible for the applicable Patient Charge for Covered Services. Cigna Dental will reimburse the non-network dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge. For non-covered services or services not approved for payment, including Adverse Determinations, you must pay the dentist's Usual Fee.

II. Introduction To Your Cigna Dental Plan

Welcome to the Cigna Dental Plan. We encourage you to use your dental benefits. Please note that enrollment in the Dental Plan allows the release of patient records to Cigna Dental or its designee for health plan operation purposes for up to 24 months.

III. Eligibility/When Coverage Begins

To enroll in the Dental Plan, you and your Dependents must be able to seek treatment for Covered Services within a Cigna Dental Service Area. Other eligibility requirements are determined by your Group.

If you enrolled in the Dental Plan before the effective date of your Group Contract, you will be covered on the first day the Group Contract is effective. If you enrolled in the Dental Plan after the effective date of the Group Contract, you will be covered on the first day of the month following processing of your enrollment (unless effective dates other than the first day of the month are provided for in your Group Contract).

Dependents may be enrolled in the Dental Plan at the time you enroll, during an open enrollment, or within 31 days of becoming eligible due to a life status change such as marriage, birth, adoption, placement, or court or administrative order. You may drop coverage for your Dependents only during the open enrollment periods for your Group, unless there is a change in status such as divorce. Cigna Dental may require evidence of good dental health at your expense if you or your Dependents enroll after the first period of eligibility (except during open enrollment) or after disenrollment because of nonpayment of Premiums.

If you have family coverage, a newborn child is automatically covered during the first 31 days of life. If you wish to continue coverage beyond the first 31 days, your baby must be enrolled in the Dental Plan and you must begin paying Premiums, if any additional are due, during that period.

Under the Family and Medical Leave Act of 1993, you may be eligible to continue coverage during certain leaves of absence from work. During such leaves, you will be responsible for paying your Group the portion of the Premiums, if any, which you would have paid if you had not taken the leave. Additional information is available through your Benefits Representative.

IV. Your Cigna Dental Coverage

The information below outlines your coverage and will help you to better understand your Dental Plan. Included is information about which services are covered, which are not, and how much dental services will cost you. A copy of the Group Contract will be furnished to you upon your request.

A. Customer Service

If you have any questions or concerns about the Dental Plan, Customer Service Representatives are just a toll-free phone call away. They can explain your benefits or help with matters regarding your Dental Office or Dental Plan. For assistance with transfers, specialty referrals, eligibility, second opinions, emergencies, Covered Services, plan benefits, ID cards, location of Dental Offices, conversion coverage or other matters, call Customer Service from any location at 1-800-Cigna24. The hearing impaired may contact the state TTY toll-free relay service number listed in their local telephone directory.

B. Premiums

Your Group sends a monthly fee to Cigna Dental for customers participating in the Dental Plan. The amount and term of this fee is set forth in your Group Contract. You may contact your Benefits Representative for information regarding any part of this fee to be withheld from your salary or to be paid by you to the Group.

C. Other Charges – Patient Charges

Network General Dentists are typically reimbursed by Cigna Dental through fixed monthly payments and supplemental payments for certain procedures. No bonuses or financial incentives are used as an inducement to limit services. Network Dentists are also compensated by the fees which you pay, as set out in your Patient Charge Schedule.

Your Patient Charge Schedule lists the dental procedures covered under your Dental Plan. Some dental procedures are covered at no charge to you. For other Covered Services, the Patient Charge Schedule lists the fees you must pay when you visit your Dental Office. There are no deductibles and no annual dollar limits for services covered by your Dental Plan.

Your Network General Dentist should tell you about Patient Charges for Covered Services, the amount you must pay for non-Covered Services and the Dental Office's payment policies. Timely payment is important. It is possible that the Dental Office may add late charges to overdue balances.

Your Patient Charge Schedule is subject to annual change in accordance with your Group Contract. Cigna Dental will give written notice to your Group of any change in Patient Charges at least 60 days prior to such change. You will be responsible for the Patient Charges listed on the

Patient Charge Schedule that is in effect on the date a procedure is started.

D. Choice of Dentist

You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise Cigna Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when Cigna Dental otherwise authorizes payment for out-of-network benefits.

You may select a network Pediatric Dentist as the Network General Dentist for your dependent child under age 7 by calling Customer Service at 1-800-Cigna24 to get a list of network Pediatric Dentists in your Service Area or if your Network General Dentist sends your child under the age of 7 to a network Pediatric Dentist, the network Pediatric Dentist's office will have primary responsibility for your child's care. For children 7 years and older, your Network General Dentist will provide care. If your child continues to visit the Pediatric Dentist upon the age of 7, you will be fully responsible for the Pediatric Dentist's Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, Cigna Dental will let you know and will arrange a transfer to another Dental Office. Refer to the Section titled "Office Transfers" if you wish to change your Dental Office.

To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24. It is available 24 hours a day, 7 days per week. E. Your Payment Responsibility (General Care)

For Covered Services at your Dental Office, you will be charged the fees listed on your Patient Charge Schedule. For services listed on your Patient Charge Schedule at any other dental office, you may be charged Usual Fees. For non-Covered Services, you are responsible for paying Usual Fees.

If, on a temporary basis, there is no Network General Dentist in your Service Area, Cigna Dental will let you know and you may obtain Covered Services from a non-Network Dentist. You will pay the non-Network Dentist the applicable Patient Charge for Covered Services. Cigna Dental will pay the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge.

See Section IX, *Specialty Referrals*, regarding payment responsibility for specialty care.

All contracts between Cigna Dental and Network Dentists state that you will not be liable to the Network Dentist for any sums owed to the Network Dentist by Cigna Dental.

(Benefits are available for Network Dentist charges for Covered Services performed at a hospital. Other associated charges are not covered and should be submitted to the medical carrier for benefit determination.)

Should any law require coverage for any particular service(s) noted above, the exclusion or limitation for that service(s) shall not apply.

V. Appointments

To make an appointment with your Network Dentist, call the Dental Office that you have selected. When you call, your

Dental Office will ask for your identification number and will check your eligibility.

VI. Broken Appointments

The time your Network Dentist schedules for your appointment is valuable to you and the dentist. Broken appointments make it difficult for your Dental Office to schedule time with other patients.

If you or your enrolled Dependent breaks an appointment with less than 24 hours notice to the Dental Office, you may be charged a broken appointment fee.

VII. Office Transfers

If you decide to change Dental Offices, we can arrange a transfer. You should complete any dental procedure in progress before transferring to another Dental Office. To arrange a transfer, call Customer Service at 1-800-Cigna24. To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24.

Your transfer request will take about 5 days to process. Transfers will be effective the first day of the month after the processing of your request. Unless you have an emergency, you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective.

There is no charge to you for the transfer; however, all Patient Charges which you owe to your current Dental Office must be paid before the transfer can be processed.

VIII. Specialty Care

Your Network General Dentist at your Dental Office has primary responsibility for your professional dental care. Because you may need specialty care, the Cigna Dental Network includes the following types of specialty dentists:

- Pediatric Dentists – children's dentistry.
- Endodontists – root canal treatment.
- Periodontists – treatment of gums and bone.
- Oral Surgeons – complex extractions and other surgical procedures.
- Orthodontists – tooth movement.

There is no coverage for referrals to prosthodontists or other specialty dentists not listed above.

When specialty care is needed, your Network General Dentist must start the referral process. X-rays taken by your Network General Dentist should be sent to the Network Specialty Dentist.

See Section IV.D, *Choice of Dentist*, regarding treatment by a Pediatric Dentist.

IX. Specialty Referrals

A. In General

Upon referral from a Network General Dentist, your Network Specialty Dentist will submit a specialty care treatment plan to Cigna Dental for payment authorization, except for Pediatrics, Orthodontics and Endodontics, for which prior authorization is not required. You should verify with the Network Specialty Dentist that your treatment plan has been authorized for payment by Cigna Dental before treatment begins.

When Cigna Dental authorizes payment to the Network Specialty Dentist, the fees or no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in Section IX.B., *Orthodontics*. Treatment by the Network Specialty Dentist must begin within 90 days from the date of Cigna Dental's authorization. If you are unable to obtain treatment within the 90 day period, please call Customer Service to request an extension. Your coverage must be in effect when each procedure begins.

For non-Covered Services or if Cigna Dental does not authorize payment to the Network Specialty Dentist for Covered Services, including Adverse Determinations, you must pay the Network Specialty Dentist's Usual Fee. If you have a question or concern regarding an authorization or a denial, contact Customer Service.

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, it will be your responsibility to pay for treatment at the dentist's Usual Fees.

When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available, as determined by Cigna Dental, Cigna Dental will authorize a referral to a non-Network Specialty Dentist. The referral procedures applicable to specialty care will apply. In such cases, you will be responsible for the applicable Patient Charge for Covered Services. Cigna Dental will reimburse the non-Network Dentist the difference, if any, between his or her Usual Fee and the

applicable Patient Charge. For non-Covered Services or services not authorized for payment, including Adverse Determinations, you must pay the dentist's Usual Fee.

B. Orthodontics (This section is applicable only when Orthodontics is listed on your Patient Charge Schedule.)

1. Definitions – If your Patient Charge Schedule indicates coverage for orthodontic treatment, the following definitions apply:

a. **Orthodontic Treatment Plan and Records** – the preparation of orthodontic records and a treatment plan by the Orthodontist.

b. **Interceptive Orthodontic Treatment –** treatment prior to full eruption of the permanent teeth, frequently a first phase preceding comprehensive treatment.

c. **Comprehensive Orthodontic Treatment –** treatment after the eruption of most permanent teeth, generally the final phase of treatment before retention.

d. **Retention (Post Treatment Stabilization) –** the period following orthodontic treatment during which you may wear an appliance to maintain and stabilize the new position of the teeth.

2. Patient Charges

The Patient Charge for your entire orthodontic case, including retention, will be based upon the Patient Charge Schedule in effect on the date of your visit for Treatment Plan and Records. However, if a. banding/appliance insertion does not occur within 90 days of such visit, b. your treatment plan changes, or c. there is an interruption in your coverage or treatment, a later change in the Patient Charge Schedule may apply.

The Patient Charge for Orthodontic Treatment is based upon 24 months of interceptive and/or comprehensive treatment. If you require more than 24 months of treatment in total, you will be charged an additional amount for each additional month of treatment, based upon the Orthodontist's Contract Fee. If you require less than 24 months of treatment, your Patient Charge will be reduced on a pro-rated basis.

3. Additional Charges

You will be responsible for the Orthodontist's Usual Fees for the following non-Covered Services:

a. incremental costs associated with optional/elective materials, including but not limited to ceramic, clear, lingual brackets, or other cosmetic appliances;

b. orthognathic surgery and associated incremental costs;

c. appliances to guide minor tooth movement;

d. appliances to correct harmful habits; and

e. services which are not typically included in Orthodontic Treatment. These services will be identified on a case-by-case basis.

4. Orthodontics In Progress

If Orthodontic Treatment is in progress for you or your Dependent at the time you enroll, the fee listed on the Patient Charge Schedule is not applicable. Please call Customer Service at 1-800-Cigna24 to find out if you are entitled to any benefit under the Dental Plan.

X. Complex Rehabilitation/Multiple Crown Units

Complex rehabilitation is extensive dental restoration involving 6 or more "units" of crown, bridge and/or implant supported prosthesis (including crowns and bridges) in the same treatment plan. Using full crowns (caps), fixed bridges and/or implant supported prosthesis (including crowns and bridges) which are cemented in place, your Network General Dentist will rebuild natural teeth, fill in spaces where teeth are missing and establish conditions which allow each tooth to function in harmony with the occlusion (bite). The extensive procedures involved in complex rehabilitation require an extraordinary amount of time, effort, skill and laboratory collaboration for a successful outcome.

Complex rehabilitation will be covered when performed by your Network General Dentist after consultation with you about diagnosis, treatment plan and charges. Each tooth or tooth replacement included in the treatment plan is referred to as a "unit" on your Patient Charge Schedule. The crown, bridge and/or implant supported prosthesis (including crowns and bridges) charges on your Patient Charge Schedule are for each unit of crown or bridge. You pay the per unit charge for each unit of crown, bridge and/or implant supported prosthesis (including crowns and bridges) PLUS an additional charge for each unit when 6 or more units are prescribed in your Network General Dentist's treatment plan.

Note: Complex rehabilitation only applies for implant supported prosthesis, when implant supported prosthesis are specifically listed on your Patient Charge Schedule.

XI. What To Do If There Is A Problem

For the purposes of this section, any reference to "you" or "your" also refers to a representative or dentist designated by you to act on your behalf. **Time frames or requirements may vary depending on the laws in your State.**

Most problems can be resolved between you and your dentist. However, we want you to be completely satisfied with the Dental Plan. That is why we have established a process for addressing your concerns and complaints. The complaint procedure is voluntary and will be used only upon your request.

A. Start with Customer Service

We are here to listen and to help. If you have a concern about your Dental Office or the Dental Plan, you can call 1-800-Cigna24 toll-free and explain your concern to one of our Customer Service Representatives. You can also express that concern in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047. We will do our best to resolve the matter during your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, usually by the end of the next business day, but in any case within 30 days.

If you are not satisfied with the results of a coverage decision, you may start the appeals procedure.

B. Appeals Procedure

Cigna Dental has a one-step appeals procedure for coverage decisions. To initiate an appeal, you must submit a request in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047, within 1 year from the date of the initial Cigna Dental decision. You should state the reason you feel your appeal should be approved and include any information to support your appeal. If you are unable or choose not to write, you may ask Customer Service to register your appeal by calling 1-800-Cigna24.

A customer is entitled to an internal appeal and can be attained with respect to the denial, reduction, or termination of a plan or the denial of a claim for a health care service in accordance with KRS 304.17C-030(2)(g)(2). A customer, authorized person, or dentist acting on behalf of the customer may request an internal appeal within at least 1 year of receipt of a notice of the initial decision made by Cigna Dental. Cigna Dental will provide a written internal appeal determination within thirty (30) days following receipt of a request for an internal appeal.

1. Level-One Appeals

Your level-one appeal will be reviewed and the decision made by someone not involved in the initial review. Appeals involving dental necessity or clinical appropriateness will be reviewed by a dental professional.

If your appeal concerns a denied pre-authorization, we will respond with a decision within 15 calendar days after we receive your appeal. For appeals concerning all other coverage issues, we will respond with a decision within 30 calendar days after we receive your appeal. If we need more information to make your level-one appeal decision, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, Cigna Dental will respond orally with a decision within 72 hours, followed up in writing.

If you are not satisfied with our level-one appeal decision, you may request a level-two appeal.

2. Independent Review Procedure

The independent review procedure is a voluntary program arranged by the Dental Plan and is not available in all areas.

3. Appeals to the State

You have a right to contact the Kentucky Department of Insurance by sending to P.O. Box 517, Frankfort, KY 40602-0517 or toll free 1.800.648.6056.

Cigna Dental will not cancel or refuse to renew your coverage because you or your Dependent has filed a complaint or an appeal involving a decision made by Cigna Dental. You have the right to file suit in a court of law for any claim involving the professional treatment performed by a dentist.

XII. Dual Coverage

You and your Dependents may not be covered twice under this Dental Plan. If you and your spouse have enrolled each

other or the same Dependents twice, please contact your Benefit Administrator.

If you or your Dependents have dental coverage through your spouse's employer or other sources such as an HMO or similar dental plan, applicable coordination of benefit rules will determine which coverage is primary or secondary. In most cases, the plan covering you as an employee is primary for you, and the plan covering your spouse as an employee is primary for him or her. Your children are generally covered as primary by the plan of the parent whose birthday occurs earlier in the year. Dual coverage should result in lowering or eliminating your out-of-pocket expenses. It should not result in reimbursement for more than 100% of your expenses.

Coordination of benefit rules are attached to the Group Contract and may be reviewed by contacting your Benefit Administrator. Cigna Dental coordinates benefits only for specialty care services.

XIII. Disenrollment From the Dental Plan – Termination of Benefits

A. Time Frames for Disenrollment/Termination

Except as otherwise provided in the sections titled "Extension/Continuation of Benefits" or in your Group Contract, disenrollment from the Dental Plan and termination of benefits will occur on the last day of the month:

1. in which Premiums are not remitted to Cigna Dental.
2. in which eligibility requirements are no longer met.
3. after 30 days notice from Cigna Dental due to permanent breakdown of the dentist-patient relationship as determined by Cigna Dental, after at least two opportunities to transfer to another Dental Office.
4. after 30 days notice from Cigna Dental due to fraud or misuse of dental services and/or Dental Offices.
5. after 60 days notice by Cigna Dental, due to continued lack of a Dental Office in your Service Area.
6. after voluntary disenrollment.

B. Effect on Dependents

When one of your Dependents is disenrolled, you and your other Dependents may continue to be enrolled. When you are disenrolled, your Dependents will be disenrolled as well.

XIV. Extension of Benefits

Coverage for completion of a dental procedure (other than orthodontics) which was started before your disenrollment from the Dental Plan will be extended for 90 days after disenrollment unless disenrollment was due to nonpayment of Premiums.

Coverage for orthodontic treatment which was started before disenrollment from the Dental Plan will be extended to the end of the quarter or for 60 days after disenrollment, whichever is later, unless disenrollment was due to nonpayment of Premiums.

XV. Continuation of Benefits (COBRA)

For Groups with 20 or more employees, federal law requires the employer to offer continuation of benefits coverage for a specified period of time after termination of employment or reduction of work hours, for any reason other than gross misconduct. You will be responsible for sending payment of the required Premiums to the Group. Additional information is available through your Benefits Representative.

XVI. Conversion Coverage

If you are no longer eligible for coverage under your Group's Dental Plan, you and your enrolled Dependents may continue your dental coverage by enrolling in the Cigna Dental conversion plan. You must enroll within three (3) months after becoming ineligible for your Group's Dental Plan. Premium payments and coverage will be retroactive to the date coverage under your Group's Dental Plan ended. You and your enrolled Dependents are eligible for conversion coverage unless benefits were discontinued due to:

- Permanent breakdown of the dentist-patient relationship,
- Fraud or misuse of dental services and/or Dental Offices,
- Nonpayment of Premiums by the Subscriber,
- Selection of alternate dental coverage by your Group, or
- Lack of network/Service Area.

Benefits and rates for Cigna Dental conversion coverage and any succeeding renewals will be based on the Covered Services listed in the then-current standard conversion plan and may not be the same as those for your Group's Dental Plan. Please call the Cigna Dental Conversion Department at 1-800-Cigna24 to obtain current rates and make arrangements for continuing coverage.

XVII. Confidentiality/Privacy

Cigna Dental is committed to maintaining the confidentiality of your personal and sensitive information. Information about Cigna Dental's confidentiality policies and procedures is made available to you during the enrollment process and/or as part of your customer plan materials. You may obtain additional information about Cigna Dental's confidentiality policies and procedures by calling Customer Service at 1-800-Cigna24, or via the Internet at myCigna.com.

XVIII. Miscellaneous

As a Cigna Dental plan customer, you may be eligible for various discounts, benefits, or other consideration for the purpose of promoting your general health and well being. Please visit our website at myCigna.com for details.

If you are a Cigna Dental Care customer, you may also be eligible for additional dental benefits during certain health conditions. D. Choice of Dentist

You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise Cigna Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when Cigna Dental otherwise approves payment for out-of-network benefits.

You may select a network Pediatric Dentist as the Network General Dentist for your dependent child under age 13 by calling Customer Service at 1.800.Cigna24 to get a list of network Pediatric Dentists in your Service Area or if your Network General Dentist sends your child under age 13 to a network Pediatric Dentist, the network Pediatric Dentist's office will have primary responsibility for your child's care. If your child continues to visit the Pediatric Dentist upon the age of 13, you will be fully responsible for the Pediatric Dentist's Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, Cigna Dental will let you know and will arrange a transfer to another Dental Office. Refer to the Section titled "Office Transfers" if you wish to change your Dental Office.

If you have an emergency while you are out of your Service Area or you are unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above from any general dentist. Routine restorative procedures or definitive treatment (e.g. root canal) are not considered emergency care. You should return to your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Patient Charges listed on your Patient Charge Schedule. Cigna Dental will reimburse you the difference, if any, between the dentist's Usual Fee for emergency Covered Services and your Patient Charge. To receive reimbursement, send appropriate reports and x-rays to Cigna Dental at the address listed for your state on the front of this booklet.

G. Limitations On Covered Services

Listed below are limitations on services when covered by your Dental Plan:

- **Pediatric Dentistry** - Coverage for treatment by a Pediatric Dentist ends on your child's 13th birthday. Effective on your child's 13th birthday, dental services must be obtained from a Network General Dentist however, exceptions for medical reasons may be considered on an individual basis.

To arrange a transfer, call Customer Service at 1.800.Cigna24. To obtain a list of Dental Offices near you, visit our website at my.cigna.com, or call the Dental Office Locator at 1.800.Cigna24.

There is no charge to you for the transfer; however, all Patient Charges which you owe to your current Dental Office must be paid before the transfer can be processed.

IX. SPECIALTY REFERRALS

A. IN GENERAL

Preauthorization is not required for coverage of services by a Network Specialty Dentist.

When Cigna Dental approves payment to the Network Specialty Dentist, the fees or no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in Section IX.B., Orthodontics. Treatment by the Network Specialty Dentist must begin within 90 days from the date of Cigna Dental's approval. If you are unable to obtain treatment

within the 90 day period, please call Customer Service to request an extension. Your coverage must be in effect when each procedure begins.

For non-Covered Services or if Cigna Dental does not approve payment to the Network Specialty Dentist for Covered Services, including Adverse Determinations, you must pay the Network Specialty Dentist's Usual Fee. If you have a question or concern regarding an approval or a denial, contact Customer Service.

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, it will be your responsibility to pay for treatment at the dentist's Usual Fees.

When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available, as determined by Cigna Dental, Cigna Dental will approve a referral to a non-Network Specialty Dentist. The referral procedures applicable to specialty care will apply. In such cases, you will be responsible for the applicable Patient Charge for Covered Services. Cigna Dental will reimburse the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge. If you enrolled in the Dental Plan after the effective date of the Group Contract, you will be covered on the first day of the month following processing of your enrollment (unless effective dates other than the first day of the month are provided for in your Group Contract).

Dependents may be enrolled in the Dental Plan at the time you enroll, during an open enrollment, or within 31 days of becoming eligible due to a life status change such as marriage, birth, adoption, placement, or court or administrative order. You may drop coverage for your Dependents only during the open enrollment periods for your Group, unless there is a change in status such as divorce. Cigna Dental may require evidence of good dental health at your expense if you or your Dependents enroll after the first period of eligibility (except during open enrollment) or after disenrollment because of nonpayment of Premiums.

If you have family coverage, a newborn child is automatically covered during the first 31 days of life. If you wish to continue coverage beyond the first 31 days, your baby must be enrolled in the Dental Plan and you must begin paying Premiums, if any additional are due, during that period.

Under the Family and Medical Leave Act of 1993, you may be eligible to continue coverage during certain leaves of absence from work. During such leaves, you will be responsible for paying your Group the portion of the Premiums, if any, which you would have paid if you had not taken the leave. Additional information is available through your Benefits Representative.

IV. Your Cigna Dental Coverage

The information below outlines your coverage and will help you to better understand your Dental Plan. Included is information about which services are covered, which are not, and how much dental services will cost you. A copy of the Group Contract will be furnished to you upon your request.

A. Customer Service

If you have any questions or concerns about the Dental Plan, Customer Service Representatives are just a toll-free phone call away. They can explain your benefits or help with matters regarding your Dental Office or Dental Plan. For assistance with transfers, specialty referrals, eligibility, second opinions, emergencies, Covered Services, plan benefits, ID cards, location of Dental Offices, conversion coverage or other matters, call Customer Service from any location at 1-800-Cigna24. The hearing impaired may contact the state TTY toll-free relay service number listed in their local telephone directory.

B. Premiums

Your Group sends a monthly fee to Cigna Dental for customers participating in the Dental Plan. The amount and term of this fee is set forth in your Group Contract. You may contact your Benefits Representative for information regarding any part of this fee to be withheld from your salary or to be paid by you to the Group.

C. Other Charges – Patient Charges

Network General Dentists are typically reimbursed by Cigna Dental through fixed monthly payments and supplemental payments for certain procedures. No bonuses or financial incentives are used as an inducement to limit services. Network Dentists are also compensated by the fees which you pay, as set out in your Patient Charge Schedule.

Your Patient Charge Schedule lists the dental procedures covered under your Dental Plan. Some dental procedures are covered at no charge to you. For other Covered Services, the Patient Charge Schedule lists the fees you must pay when you visit your Dental Office. There are no deductibles and no annual dollar limits for services covered by your Dental Plan.

Your Network General Dentist should tell you about Patient Charges for Covered Services, the amount you must pay for non-Covered Services and the Dental Office's payment policies. Timely payment is important. It is possible that the Dental Office may add late charges to overdue balances.

Your Patient Charge Schedule is subject to annual change in accordance with your Group Contract. Cigna Dental will give written notice to your Group of any change in Patient Charges at least 60 days prior to such change. You will be responsible for the Patient Charges listed on the Patient Charge Schedule that is in effect on the date a procedure is started.

D. Choice Of Dentist

You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise Cigna Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when Cigna Dental otherwise approves payment for out-of-network benefits.

You may select a network Pediatric Dentist as the Network General Dentist for your dependent child under age 13 by calling Customer Service at 1-800-Cigna24 to get a list of network Pediatric Dentists in your Service Area or if your Network General Dentist sends your child under the age of 13 to a network Pediatric Dentist, the network Pediatric Dentist's office will have primary responsibility for your child's care. For children 13 years and older, your Network General Dentist will provide care. If your child continues to visit the Pediatric Dentist upon the age of 13, you will be fully responsible for the Pediatric Dentist's Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, Cigna Dental will let you know and will arrange a transfer to another Dental Office. Refer to the Section titled "Office Transfers" if you wish to change your Dental Office.

To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24. It is available 24 hours a day, 7 days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Customer Service.

E. Your Payment Responsibility (General Care)

For Covered Services at your Dental Office, you will be charged the fees listed on your Patient Charge Schedule. For services listed on your Patient Charge Schedule at any other dental office, you may be charged Usual Fees. For non-Covered Services, you are responsible for paying Usual Fees.

If, on a temporary basis, there is no Network General Dentist in your Service Area, Cigna Dental will let you know and you may obtain Covered Services from a non-Network Dentist. You will pay the non-Network Dentist the applicable Patient Charge for Covered Services. Cigna Dental will pay the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge.

See Section IX*, Specialty Referrals*, regarding payment responsibility for specialty care.

All contracts between Cigna Dental and Network Dentists state that you will not be liable to the Network Dentist for any sums owed to the Network Dentist by Cigna Dental.

F. Emergency Dental Care - Reimbursement

An emergency is a dental condition of recent onset and severity which would lead a prudent layperson possessing an average knowledge of dentistry to believe the condition needs immediate dental procedures necessary to control excessive bleeding, relieve severe pain, or eliminate acute infection. You should contact your Network General Dentist if you have an emergency in your Service Area.

- **Emergency Care Away From Home**

  If you have an emergency while you are out of your Service Area or you are unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above from any general dentist. Routine restorative procedures or definitive treatment (e.g. root canal) are not considered emergency care. You should return to your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Patient Charges listed on your Patient Charge Schedule. Cigna Dental will reimburse you the difference, if any, between the dentist's Usual Fee for emergency Covered Services and your Patient Charge, up to a total of $50 per incident. To receive reimbursement, send appropriate reports and x-rays to Cigna Dental at the address listed for your state on the front of this booklet.

- **Emergency Care After Hours**

  There is a Patient Charge listed on your Patient Charge Schedule for emergency care rendered after regularly scheduled office hours. This charge will be in addition to other applicable Patient Charges.

G. Limitations On Covered Services

Listed below are limitations on services when covered by your Dental Plan:

- **Frequency** - The frequency of certain Covered Services, like cleanings, is limited. Your Patient Charge Schedule lists any limitations on frequency.
- **Pediatric Dentistry** - Coverage for treatment by a Pediatric Dentist ends on your child's 13th birthday. Effective on your child's 13th birthday, dental services must be obtained from a Network General Dentist however, exceptions for medical reasons may be considered on an individual basis.
- **Oral Surgery** - The surgical removal of an impacted wisdom tooth may not be covered if the tooth is not diseased or if the removal is only for orthodontic reasons. Your Patient Charge Schedule lists any limitations on oral surgery.
- **Periodontal (gum tissue and supporting bone) Services** – Periodontal regenerative procedures are limited to one regenerative procedure per site (or per tooth, if applicable), when covered on the Patient Charge Schedule.

  Localized delivery of antimicrobial agents is limited to eight teeth (or eight sites, if applicable) per 12 consecutive months, when covered on the Patient Charge Schedule.
- **Clinical Oral Evaluations** – When this limitation is noted on the Patient Charge Schedule, periodic oral evaluations, comprehensive oral evaluations, comprehensive periodontal evaluations, and oral evaluations for patients under 3 years of age are limited to a combined total of 4 evaluations during a 12 consecutive month period.
- **Surgical Placement of Implant Services** – When covered on the Patient Charge Schedule, surgical placement of a dental implant; repair, maintenance, or removal of a dental implant; implant abutment(s); or any services related to the surgical placement of a dental implant are limited to one per year with replacement of a surgical implant frequency limitation of one every 10 years.
- **Prosthesis Over Implant** – When covered on the Patient Charge Schedule, a prosthetic device, supported by an implant or implant abutment is considered a separate distinct service(s) from surgical placement of an implant. Replacement of any type of prosthesis with a prosthesis supported by an implant or implant abutment is only covered if the existing prosthesis is at least 5 calendar years old, is not serviceable and cannot be repaired.

General Limitations Dental Benefits

V. Appointments

To make an appointment with your Network Dentist, call the Dental Office that you have selected. When you call, your Dental Office will ask for your identification number and will check your eligibility.

VI. Broken Appointments

The time your Network Dentist schedules for your appointment is valuable to you and the dentist. Broken appointments make it difficult for your Dental Office to schedule time with other patients.

If you or your enrolled Dependent breaks an appointment with less than 24 hours notice to the Dental Office, you may be charged a broken appointment fee.

VII. Office Transfers

If you decide to change Dental Offices, we can arrange a transfer. You should complete any dental procedure in progress before transferring to another Dental Office. To arrange a transfer, call Customer Service at 1-800-Cigna24. To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24.

Your transfer request may take up to 5 days to process. Transfers will be effective the first day of the month after the processing of your request. Unless you have an emergency, you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective. You can check the status of your request by visiting myCigna.com, or by calling us at 1-800-Cigna24.

There is no charge to you for the transfer; however, all Patient Charges which you owe to your current Dental Office must be paid before the transfer can be processed.

VIII. Specialty Care

Your Network General Dentist at your Dental Office has primary responsibility for your professional dental care. Because you may need specialty care, the Cigna Dental Network includes the following types of specialty dentists:

- Pediatric Dentists – children's dentistry.
- Endodontists – root canal treatment.
- Periodontists – treatment of gums and bone.
- Oral Surgeons – complex extractions and other surgical procedures.
- Orthodontists – tooth movement.

There is no coverage for referrals to prosthodontists or other specialty dentists not listed above.

When specialty care is needed, your Network General Dentist must start the referral process. X-rays taken by your Network General Dentist should be sent to the Network Specialty Dentist.

See Section IV.D, *Choice of Dentist*, regarding treatment by a Pediatric Dentist.

IX. Specialty Referrals

A. In General

Preauthorization is not required for coverage of services by a Network Specialty Dentist.

When Cigna Dental approves payment to the Network Specialty Dentist, the fees or no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in Section IX.B., Orthodontics. Treatment by the Network Specialty Dentist must begin within 90 days from the date of Cigna Dental's approval. If you are unable to obtain treatment within the 90 day period, please call Customer Service to request an extension. Your coverage must be in effect when each procedure begins.

For non-Covered Services or if Cigna Dental does not approve payment to the Network Specialty Dentist for Covered Services, including Adverse Determinations, you must pay the Network Specialty Dentist's Usual Fee. If you have a question or concern regarding an approval or a denial, contact Customer Service.

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, it will be your responsibility to pay for treatment at the dentist's Usual Fees.

When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available, as determined by Cigna Dental, Cigna Dental will approve a referral to a non-Network Specialty Dentist. The referral procedures applicable to specialty care will apply. In such cases, you will be responsible for the applicable Patient Charge for Covered Services. Cigna Dental will reimburse the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge. For non-Covered Services or services not approved for payment, including Adverse Determinations, you must pay the dentist's Usual Fee.

B. Orthodontics (This section is applicable only when Orthodontics is listed on your Patient Charge Schedule.)

Definitions – If your Patient Charge Schedule indicates coverage for orthodontic treatment, the following definitions apply:

- **Orthodontic Treatment Plan and Records** – the preparation of orthodontic records and a treatment plan by the Orthodontist.
- **Interceptive Orthodontic Treatment** – treatment prior to full eruption of the permanent teeth, frequently a first phase preceding comprehensive treatment.
- **Comprehensive Orthodontic Treatment** – treatment after the eruption of most permanent teeth, generally the final phase of treatment before retention.
- **Retention (Post Treatment Stabilization)** – the period following orthodontic treatment during which you may wear an appliance to maintain and stabilize the new position of the teeth.

Patient Charges

The Patient Charge for your entire orthodontic case, including retention, will be based upon the Patient Charge Schedule in effect on the date of your visit for Treatment Plan and Records. However, if a. banding/appliance insertion does not occur within 90 days of such visit, b. your treatment plan changes, or c. there is an interruption in your coverage or treatment, a later change in the Patient Charge Schedule may apply.

The Patient Charge for Orthodontic Treatment is based upon 24 months of interceptive and/or comprehensive treatment. If you require more than 24 months of treatment in total, you will be charged an additional amount for each additional month of treatment, based upon the Orthodontist's Contract Fee. If you require less than 24 months of treatment, your Patient Charge will be reduced on a pro-rated basis.

Additional Charges

You will be responsible for the Orthodontist’s Usual Fees for the following non-Covered Services:

- incremental costs associated with optional/elective materials, including but not limited to ceramic, clear, lingual brackets, or other cosmetic appliances;
- orthognathic surgery and associated incremental costs;
- appliances to guide minor tooth movement;
- appliances to correct harmful habits; and
- services which are not typically included in Orthodontic Treatment. These services will be identified on a case-by-case basis.

Orthodontics In Progress

If Orthodontic Treatment is in progress for you or your Dependent at the time you enroll, the fee listed on the Patient Charge Schedule is not applicable. Please call Customer Service at 1-800-Cigna24 to find out if you are entitled to any benefit under the Dental Plan.

X. Complex Rehabilitation/Multiple Crown Units

Complex rehabilitation is extensive dental restoration involving 6 or more "units" of crown, bridge and/or implant supported prosthesis (including crowns and bridges) in the same treatment plan. Using full crowns (caps), fixed bridges and/or implant supported prosthesis (including crowns and bridges) which are cemented in place, your Network General Dentist will rebuild natural teeth, fill in spaces where teeth are missing and establish conditions which allow each tooth to function in harmony with the occlusion (bite). The extensive procedures involved in complex rehabilitation require an extraordinary amount of time, effort, skill and laboratory collaboration for a successful outcome.

Complex rehabilitation will be covered when performed by your Network General Dentist after consultation with you about diagnosis, treatment plan and charges. Each tooth or tooth replacement included in the treatment plan is referred to as a "unit" on your Patient Charge Schedule. The crown, bridge and/or implant supported prosthesis (including crowns and bridges) charges on your Patient Charge Schedule are for each unit of crown or bridge. You pay the per unit charge for each unit of crown, bridge and/or implant supported prosthesis (including crowns and bridges) PLUS an additional charge for each unit when 6 or more units are prescribed in your Network General Dentist's treatment plan.

Note: Complex rehabilitation only applies for implant supported prosthesis, when implant supported prosthesis are specifically listed on your Patient Charge Schedule.

XI. What To Do If There Is A Problem

For the purposes of this section, any reference to “you” or “your” also refers to a representative or dentist designated by you to act on your behalf. **Time frames or requirements may vary depending on the laws in your State. Consult your State Rider for further details.**

Most problems can be resolved between you and your dentist. However, we want you to be completely satisfied with the Dental Plan. That is why we have established a process for addressing your concerns and complaints. The complaint procedure is voluntary and will be used only upon your request.

A. Start with Customer Service

We are here to listen and to help. If you have a concern about your Dental Office or the Dental Plan, you can call 1-800-Cigna24 toll-free and explain your concern to one of our Customer Service Representatives. You can also express that concern in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047. We will do our best to resolve the matter during your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, usually by the end of the next business day, but in any case within 30 days.

If you are not satisfied with the results of a coverage decision, you may start the appeals procedure.

B. Appeals Procedure

Cigna Dental has a two-step appeals procedure for coverage decisions. To initiate an appeal, you must submit a request in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047, within 1 year from the date of the initial Cigna Dental decision. You should state the reason you feel your appeal should be approved and include any information to support your appeal. If you are unable or choose not to write, you may ask Customer Service to register your appeal by calling 1-800-Cigna24.

Level-One Appeals

Your level-one appeal will be reviewed and the decision made by someone not involved in the initial review. Appeals involving dental necessity or clinical appropriateness will be reviewed by a dental professional.

If your appeal concerns a denied pre-authorization, we will respond with a decision within 15 calendar days after we receive your appeal. For appeals concerning all other coverage issues, we will respond with a decision within 30 calendar days after we receive your appeal. If we need more information to make your level-one appeal decision, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, Cigna Dental will respond orally with a decision within 72 hours, followed up in writing.

If you are not satisfied with our level-one appeal decision, you may request a level-two appeal.

Level-Two Appeals

To initiate a level-two appeal, follow the same process required for a level-one appeal. Your level-two appeal will be reviewed and a decision made by someone not involved in the level-one appeal. For appeals involving dental necessity or clinical appropriateness, the decision will be made by a dentist. If specialty care is in dispute, the appeal will be conducted by a dentist in the same or similar specialty as the care under review.

The review will be completed within 30 calendar days. If we need more information to complete the appeal, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review. The decision will include the specific contractual or clinical reasons for the decision, as applicable.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, the Dental Plan will respond orally with a decision within 72 hours, followed up in writing.

Independent Review Procedure

The independent review procedure is a voluntary program arranged by the Dental Plan and is not available in all areas.

XII. Dual Coverage

You and your Dependents may not be covered twice under this Dental Plan. If you and your spouse have enrolled each other or the same Dependents twice, please contact your Benefit Administrator.

If you or your Dependents have dental coverage through your spouse's employer or other sources such as an HMO or similar dental plan, applicable coordination of benefit rules will determine which coverage is primary or secondary. In most cases, the plan covering you as an employee is primary for you, and the plan covering your spouse as an employee is primary for him or her. Your children are generally covered as primary by the plan of the parent whose birthday occurs earlier in the year. Dual coverage should result in lowering or eliminating your out-of-pocket expenses. It should not result in reimbursement for more than 100% of your expenses.

Coordination of benefit rules are attached to the Group Contract and may be reviewed by contacting your Benefit Administrator. Cigna Dental coordinates benefits only for specialty care services.

XIII. Disenrollment From The Dental Plan – Termination Of Benefits

A. Time Frames For Disenrollment/Termination

Except as otherwise provided in the sections titled "Extension/Continuation of Benefits" or in your Group Contract, disenrollment from the Dental Plan and termination of benefits will occur on the last day of the month:

- in which Premiums are not remitted to Cigna Dental.
- in which eligibility requirements are no longer met.
- after 30 days notice from Cigna Dental due to permanent breakdown of the dentist-patient relationship as determined by Cigna Dental, after at least two opportunities to transfer to another Dental Office.
- after 30 days notice from Cigna Dental due to fraud or misuse of dental services and/or Dental Offices.
- after 60 days notice by Cigna Dental, due to continued lack of a Dental Office in your Service Area.
- after voluntary disenrollment.

B. Effect On Dependents

When one of your Dependents is disenrolled, you and your other Dependents may continue to be enrolled. When you are disenrolled, your Dependents will be disenrolled as well.

XIV. Extension Of Benefits

Coverage for completion of a dental procedure (other than orthodontics) which was started before your disenrollment from the Dental Plan will be extended for 90 days after disenrollment unless disenrollment was due to nonpayment of Premiums.

Coverage for orthodontic treatment which was started before disenrollment from the Dental Plan will be extended to the end of the quarter or for 60 days after disenrollment, whichever is later, unless disenrollment was due to nonpayment of Premiums.

XV. Continuation Of Benefits (COBRA) (COBRA)

For Groups with 20 or more employees, federal law requires the employer to offer continuation of benefits coverage for a specified period of time after termination of employment or reduction of work hours, for any reason other than gross misconduct. You will be responsible for sending payment of the required Premiums to the Group. Additional information is available through your Benefits Representative.

XVI. Conversion Coverage

If you are no longer eligible for coverage under your Group's Dental Plan, you and your enrolled Dependents may continue your dental coverage by enrolling in the Cigna Dental conversion plan. You must enroll within three (3) months after becoming ineligible for your Group's Dental Plan. Premium payments and coverage will be retroactive to the date coverage under your Group's Dental Plan ended. You and your enrolled Dependents are eligible for conversion coverage unless benefits were discontinued due to:

- Permanent breakdown of the dentist-patient relationship,
- Fraud or misuse of dental services and/or Dental Offices,
- Nonpayment of Premiums by the Subscriber,
- Selection of alternate dental coverage by your Group, or
- Lack of network/Service Area.

Benefits and rates for Cigna Dental conversion coverage and any succeeding renewals will be based on the Covered Services listed in the then-current standard conversion plan and may not be the same as those for your Group's Dental Plan. Please call the Cigna Dental Conversion Department at 1-800-Cigna24 to obtain current rates and make arrangements for continuing coverage.

XVII. Confidentiality/Privacy

Cigna Dental is committed to maintaining the confidentiality of your personal and sensitive information. To be considered clinically necessary, the treatment or service must be reasonable and appropriate and meet the following requirements:

A. be consistent with the symptoms, diagnosis or treatment of the condition present;

B. conform to commonly accepted standards throughout the dental field;

C. not be used primarily for the convenience of the customer or provider of care; and

D. not exceed the scope, duration, or intensity of that level of care needed to provide safe and appropriate treatment.

For a child who falls into category (b) or (c) above, you will need to furnish Cigna Dental evidence of the child's reliance upon you, in the form requested, within 31 days after the Dependent reaches the age of 19 and once a year thereafter for as long as the child is claimed as a Dependent under the Plan.

II. INTRODUCTION TO YOUR CIGNA DENTAL PLAN

Welcome to the Cigna Dental Plan. We encourage you to use your dental benefits. Please note that enrollment in the Dental Plan allows the release of patient records to Cigna Dental or its designee for health plan operation purposes.

III. ELIGIBILITY/WHEN COVERAGE BEGINS

To enroll in the Dental Plan, you and your Dependents must be able to seek treatment for Covered Services within a Cigna Dental Service Area. Other eligibility requirements are determined by your Group.

If you enrolled in the Dental Plan before the effective date of your Group Contract, you will be covered on the first day the Group Contract is effective. If you enrolled in the Dental Plan after the effective date of the Group Contract, you will be covered on the first day of the month following processing of your enrollment (unless effective dates other than the first day of the month are provided for in your Group Contract).

Dependents may be enrolled in the Dental Plan at the time you enroll, during an open enrollment, or within 30 days of becoming eligible due to a life status change such as marriage, birth, adoption, placement. Dependent children for whom you are required by a court or administrative order to provide dental coverage may be enrolled at any time. You may drop coverage for your Dependents only during the open enrollment periods for your Group, unless there is a change in status such as divorce. If your child is enrolled in the Dental Plan because of a court or administrative order, the child may not be disenrolled unless the order is no longer valid or the child is enrolled in another dental plan with comparable coverage.

If you have family coverage and have a new baby or if you are appointed as guardian or custodian of a foster child who is placed in your home, or an adopted child, the newborn, foster or adopted child will be automatically covered for the first 30 days following birth or placement. Waiting periods do not apply to these categories of Dependents. If you wish to continue coverage beyond the first 30 days, you should enroll the child in the Dental Plan and you need to begin to pay Premiums/Prepayment Fees during the period, if any additional are due, during that period. If additional premium is required you must submit an enrollment form within 30 days of acquiring the new Dependent

child. If no additional premium is required, the child will be covered even if not formally enrolled in the plan. However, for ease of administration, you are encouraged to enroll the new Dependent child when coverage begins.

When a child, covered from the moment of birth or placement in the adoptive or foster home, requires dental care associated with congenital defects and anomalies, the dental only plan shall cover such defects to the same extent an otherwise covered dental service is provided by the plan.

A life status change may also include placement for adoption.

Evidence of good dental health is not required for late enrollees.

Under the Family and Medical Leave Act of 1993, you may be eligible to continue coverage during certain leaves of absence from work. During such leaves, you will be responsible for paying your Group the portion of the Premiums, if any, which you would have paid if you had not taken the leave. Additional information is available through your Benefits Representative.

IV. YOUR CIGNA DENTAL COVERAGE

The information below outlines your coverage and will help you to better understand your Dental Plan. Included is information about which services are covered, which are not, and how much dental services will cost you. A copy of the Group Contract will be furnished to you upon your request.

A. CUSTOMER SERVICE

If you have any questions or concerns about the Dental Plan, Customer Service Representatives are just a toll-free phone call away. They can explain your benefits or help with matters regarding your Dental Office or Dental Plan. For assistance with transfers, specialty referrals, eligibility, second opinions, emergencies, Covered Services, plan benefits, ID cards, location of Dental Offices, conversion coverage or other matters, call Customer Service from any location at 1-800-Cigna24.

The hearing impaired may contact the state TTY toll-free relay service number listed in their local telephone directory.

B. PREMIUMS

Your Group sends a monthly fee to Cigna Dental for customers participating in the Dental Plan. The amount and term of this fee is set forth in your Group Contract. You may contact your Benefits Representative for information regarding any part of this fee to be withheld from your salary or to be paid by you to the Group.

No schedule of premiums, or any amendment to the schedule, shall be used until it has been filed with and approved by the Commissioner. Premiums are guaranteed for the group for a period of twelve (12) months. However, Premiums may be adjusted by Cigna Dental upon approval by the North Carolina Department of Insurance but no more often than once every 6 months based on at least 12 months of experience and 45 days' notice to the Group if, in Cigna Dental's sole opinion, its liability is altered by any state or federal law.

UNDER NORTH CAROLINA GENERAL STATUTE SECTION 58-50-40, NO PERSON, EMPLOYER, PRINCIPAL, AGENT, TRUSTEE, OR THIRD PARTY ADMINISTRATOR, WHO IS RESPONSIBLE FOR THE PAYMENT OF GROUP HEALTH OR LIFE INSURANCE OR GROUP HEALTH PLAN PREMIUMS, SHALL: (1) CAUSE THE CANCELLATION OR NONRENEWAL OF GROUP HEALTH OR LIFE INSURANCE, HOSPITAL, MEDICAL, OR DENTAL SERVICE CORPORATION PLAN, MULTIPLE EMPLOYER WELFARE ARRANGEMENT, OR GROUP HEALTH PLAN COVERAGES AND THE CONSEQUENTIAL LOSS OF THE COVERAGES OF THE PERSONS INSURED, BY WILLFULLY FAILING TO PAY THOSE PREMIUMS IN ACCORDANCE WITH THE TERMS OF THE INSURANCE OR PLAN CONTRACT, AND (2) WILLFULLY FAIL TO DELIVER, AT LEAST 45 DAYS BEFORE THE TERMINATION OF THOSE COVERAGES, TO ALL PERSONS COVERED BY THE GROUP POLICY A WRITTEN NOTICE OF THE PERSON'S INTENTION TO STOP PAYMENT OF PREMIUMS. THIS WRITTEN NOTICE MUST ALSO CONTAIN A NOTICE TO ALL PERSONS COVERED BY THE GROUP POLICY OF THEIR RIGHTS TO HEALTH INSURANCE CONVERSION POLICIES

UNDER ARTICLE 53 OF CHAPTER 58 OF THE GENERAL STATUTES AND THEIR RIGHTS TO PURCHASE INDIVIDUAL POLICIES UNDER THE FEDERAL HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT AND UNDER ARTICLE 68 OF CHAPTER 58 OF THE GENERAL STATUTES. VIOLATION OF THIS LAW IS A FELONY. ANY PERSON VIOLATING THIS LAW IS ALSO SUBJECT TO A COURT ORDER REQUIRING THE PERSON TO COMPENSATE PERSONS INSURED FOR EXPENSES OR LOSSES INCURRED AS A RESULT OF THE TERMINATION OF THE INSURANCE.

C. OTHER CHARGES – PATIENT CHARGES

Network General Dentists are typically reimbursed by Cigna Dental through fixed monthly payments and supplemental payments for certain procedures. No bonuses or financial incentives are used as an inducement to limit services. Network Dentists are also compensated by the fees which you pay, as set out in your Patient Charge Schedule.

Your Patient Charge Schedule lists the dental procedures covered under your Dental Plan. Some dental procedures are covered at no charge to you. For other Covered Services, the Patient Charge Schedule lists the fees you must pay when you visit your Dental Office. There are no deductibles and no annual dollar limits for services covered by your Dental Plan.

Your Network General Dentist should tell you about Patient Charges for Covered Services, the amount you must pay for non-Covered Services and the Dental Office's payment policies. Timely payment is important. It is possible that the Dental Office may add late charges to overdue balances.

Your Patient Charge Schedule is subject to annual change in accordance with your Group Contract. Cigna Dental will give written notice to your Group of any change in Patient Charges at least 60 days prior to such change. You will be responsible for the Patient Charges listed on the Patient Charge Schedule that is in effect on the date a procedure is started.

D. CHOICE OF DENTIST

You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise Cigna Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when Cigna Dental otherwise approves payment for out-of-network benefits.

You may select a network Pediatric Dentist as the Network General Dentist for your dependent child under age 13 by calling Customer Service at 1-800-Cigna24 to get a list of network Pediatric Dentists in your Service Area or if your Network General Dentist sends your child under the age of 13 to a network Pediatric Dentist, the network Pediatric Dentist's office will have primary responsibility for your child's care. For children 13 years and older, your Network General Dentist will provide care. If your child continues to visit the Pediatric Dentist upon the age of 13, you will be fully responsible for the Pediatric Dentist's Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, Cigna Dental will let you know and will arrange a transfer to another Dental Office. Refer to the Section titled "Office Transfers" if you wish to change your Dental Office.

To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24. It is available 24 hours a day, 7 days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Customer Service.

E. YOUR PAYMENT RESPONSIBILITY (General Care)

For Covered Services at your Dental Office, you will be charged the fees listed on your Patient Charge Schedule. For services listed on your Patient Charge Schedule at any other dental office, you may be charged Usual Fees. For non-Covered Services, you are responsible for paying Usual Fees.

If, on a temporary basis, there is no Network General Dentist in your Service Area, Cigna Dental will let you know and you may obtain Covered Services from a non-Network Dentist. You will pay the non-Network Dentist the applicable Patient Charge for Covered Services. Cigna Dental will pay the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge.

If you are unable to locate, or you do not have timely access to, an In-Network General Dentist in your area who can provide you with a service or supply that is covered under this plan, you should call customer service at 1-800-Cigna24 to obtain authorization for Out-of-Network Provider coverage. If authorization is obtained for services provided by an Out-of-Network Provider, benefits for those services will be covered at the In-Network benefit level.

See Section IX, *Specialty Referrals*, regarding payment responsibility for specialty care.

All contracts between Cigna Dental and Network Dentists state that you will not be liable to the Network Dentist for any sums owed to the Network Dentist by Cigna Dental.

F. EMERGENCY DENTAL CARE – REIMBURSEMENT

An emergency is a dental condition of recent onset and severity which would lead a prudent layperson possessing an average knowledge of dentistry to believe the condition needs immediate dental procedures necessary to control excessive bleeding, relieve severe pain, or eliminate acute infection. You should contact your Network General Dentist if you have an emergency in your Service Area.

1. Emergency Care Away From Home

If you have an emergency while you are out of your Service Area or you are unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above from any general dentist. Routine restorative procedures or definitive treatment (e.g. root canal) are not considered emergency care. You should return to your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Patient Charges listed on your Patient Charge Schedule. Cigna Dental will reimburse you the difference, if any, between the dentist's Usual Fee for emergency Covered Services and your Patient Charge, up to a total of $50 per incident. To receive reimbursement, send appropriate reports and x-rays to Cigna Dental at the address listed for your state on the front of this booklet.

2. Emergency Care After Hours

There is a Patient Charge listed on your Patient Charge Schedule for emergency care rendered after regularly scheduled office hours. This charge will be in addition to other applicable Patient Charges.

G. LIMITATIONS ON COVERED SERVICES

Listed below are limitations on services when covered by your Dental Plan:

- **Frequency** - The frequency of certain Covered Services, like cleanings, is limited. Your Patient Charge Schedule lists any limitations on frequency.

- **Pediatric Dentistry -** Coverage for treatment by a Pediatric Dentist ends on your child's 13th birthday. Effective on your child's 13th birthday, dental services must be obtained from a Network General Dentist; however, exceptions for medical reasons may be considered on an individual basis.

- **Oral Surgery -** The surgical removal of an impacted wisdom tooth may not be covered if the tooth is not diseased or if the removal is only for orthodontic reasons. Your Patient Charge Schedule lists any limitations on oral surgery.

- **Periodontal (gum tissue and supporting bone) Services –** Periodontal regenerative procedures are limited to one regenerative procedure per site (or per tooth, if applicable), when covered on the Patient Charge Schedule.

  Localized delivery of antimicrobial agents is limited to eight teeth (or eight sites, if applicable) per 12 consecutive months, when covered on the Patient Charge Schedule.

- **Clinical Oral Evaluations –** When this limitation is noted on the Patient Charge Schedule, periodic oral evaluations, comprehensive oral evaluations, comprehensive periodontal evaluations, and oral evaluations for patients under 3 years of age, are limited to a combined total of 4 evaluations during a 12 consecutive month period.

- **Surgical Placement of Implant Services** – When covered on the Patient Charge Schedule, surgical placement of a dental implant; repair, maintenance, or removal of a dental implant; implant abutment(s); or any services related to the surgical placement of a dental implant are limited to one per year with replacement of a surgical implant frequency limitation of one every 10 years.

- **Prosthesis Over Implant** – When covered on the Patient Charge Schedule, a prosthetic device, supported by an implant or implant abutment is considered a separate distinct service(s) from surgical placement of an implant. Replacement of any type of prosthesis with a prosthesis supported by an implant or implant abutment is only covered if the existing prosthesis is at least 5 calendar years old, is not serviceable and cannot be repaired.

GENERAL LIMITATIONS DENTAL BENEFITS

No payment will be made for expenses incurred or services received:

- for or in connection with an injury arising out of, or in the course of, any employment for wage or profit;
- for charges which would not have been made in any facility, other than a Hospital or a Correctional Institution owned or operated by the United States Government or by a state or municipal government if the person had no insurance;

- for the charges which the person is not legally required to pay;
- for charges which would not have been made if the person had no insurance;
- due to injuries which are intentionally self-inflicted.

Exclusions and limitations do not apply to services performed to correct congenital defects, including cosmetic surgery.

- services not listed on the Patient Charge Schedule.
- services provided by a non-Network Dentist without Cigna Dental's prior approval (except emergencies, as described in Section IV.F).

- general anesthesia, sedation and nitrous oxide, unless specifically listed on your Patient Charge Schedule. When listed on your Patient Charge Schedule, general anesthesia and IV sedation are covered when medically necessary and provided in conjunction with Covered Services performed by an Oral Surgeon or Periodontist. There is no coverage for general anesthesia or intravenous sedation when used for the purposes of anxiety control or patient management.

- the completion of crowns, bridges, dentures, or root canal treatment, already in progress on the effective date of your Cigna Dental coverage.

- consultations and/or evaluations associated with services that are not covered.

- localized delivery of antimicrobial agents when performed alone or in the absence of traditional periodontal therapy.

- any localized delivery of antimicrobial agent procedures when more than eight (8) of these procedures are reported on the same date of service.

- infection control and/or sterilization. Cigna Dental considers this to be incidental to and part of the charges for services provided and not separately chargeable.

Cigna Dental considers recementation within this timeframe to be incidental to and part of the charges for the initial restoration unless specifically listed on your Patient Charge Schedule.

Pre-existing conditions are not excluded if the procedures involved are otherwise covered under your Patient Charge Schedule.

Should any law require coverage for any particular service(s) noted above, the exclusion or limitation for that service(s) shall not apply.

V. APPOINTMENTS

To make an appointment with your Network Dentist, call the Dental Office that you have selected. When you call, your Dental Office will ask for your identification number and will check your eligibility.

VI. BROKEN APPOINTMENTS

The time your Network Dentist schedules for your appointment is valuable to you and the dentist. Broken appointments make it difficult for your Dental Office to schedule time with other patients.

If you or your enrolled Dependent breaks an appointment with less than 24 hours notice to the Dental Office, you may be charged a broken appointment fee.

VII. OFFICE TRANSFERS

If you decide to change Dental Offices, we can arrange a transfer. You should complete any dental procedure in progress before transferring to another Dental Office. To arrange a transfer, call Customer Service at 1-800-Cigna24. To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24.

Your transfer request may take up to 5 days to process. Transfers will be effective the first day of the month after the processing of your request. Unless you have an emergency, you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective. You can check the status of your request by visiting myCigna.com, or by calling us at 1-800-Cigna24.

There is no charge to you for the transfer; however, all Patient Charges which you owe to your current Dental Office must be paid before the transfer can be processed.

VIII. SPECIALTY CARE

Your Network General Dentist at your Dental Office has primary responsibility for your professional dental care. Because you may need specialty care, the Cigna Dental Network includes the following types of specialty dentists:

- Pediatric Dentists – children's dentistry.

- Endodontists – root canal treatment.
- Periodontists – treatment of gums and bone.
- Oral Surgeons – complex extractions and other surgical procedures.
- Orthodontists – tooth movement.

There is no coverage for referrals to prosthodontists or other specialty dentists not listed above.

When specialty care is needed, your Network General Dentist must start the referral process. X-rays taken by your Network General Dentist should be sent to the Network Specialty Dentist.

See Section IV.D, *Choice of Dentist*, regarding treatment by a Pediatric Dentist.

IX. SPECIALTY REFERRALS

A. IN GENERAL

Preauthorization is not required for coverage of services by a Network Specialty Dentist.

When Cigna Dental approves payment to the Network Specialty Dentist, the fees or no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in Section IX.B., *Orthodontics*. Treatment by the Network Specialty Dentist must begin within 90 days from the date of Cigna Dental's authorization. If you are unable to obtain treatment within the 90 day period, please call Customer Service to request an extension. Your coverage must be in effect when each procedure begins.

For non-Covered Services or if Cigna Dental does not approve payment to the Network Specialty Dentist for Covered Services, including Adverse Determinations, you must pay the Network Specialty Dentist's Usual Fee. If you have a question or concern regarding an approval or a denial, contact Customer Service.

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, it will be your responsibility to pay for treatment at the dentist's Usual Fees.

When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available, as determined by Cigna Dental, Cigna Dental will approve a referral to a non-Network Specialty Dentist. The referral procedures applicable to specialty care will apply. In such cases, you will be responsible for the applicable Patient Charge for Covered Services. Cigna Dental will reimburse the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge. For non-Covered Services or services not approved for payment, including Adverse Determinations, you must pay the dentist's Usual Fee.

B. ORTHODONTICS (This section is applicable only when Orthodontics is listed on your Patient Charge Schedule.)

1. Definitions – If your Patient Charge Schedule indicates coverage for orthodontic treatment, the following definitions apply:

a. **Orthodontic Treatment Plan and Records** – the preparation of orthodontic records and a treatment plan by the Orthodontist.

b. **Interceptive Orthodontic Treatment –** treatment prior to full eruption of the permanent teeth, frequently a first phase preceding comprehensive treatment.

c. **Comprehensive Orthodontic Treatment –** treatment after the eruption of most permanent teeth, generally the final phase of treatment before retention.

d. **Retention (Post Treatment Stabilization) –** the period following orthodontic treatment during which you may wear an appliance to maintain and stabilize the new position of the teeth.

2. Patient Charges

The Patient Charge for your entire orthodontic case, including retention, will be based upon the Patient Charge Schedule in effect on the date of your visit for Treatment Plan and Records. However, if a.

banding/appliance insertion does not occur within 90 days of such visit, b. your treatment plan changes, or c. there is an interruption in your coverage or treatment, a later change in the Patient Charge Schedule may apply.

The Patient Charge for Orthodontic Treatment is based upon 24 months of interceptive and/or comprehensive treatment. If you require more than 24 months of treatment in total, you will be charged an additional amount for each additional month of treatment, based upon the Orthodontist's Contract Fee. If you require less than 24 months of treatment, your Patient Charge will be reduced on a pro-rated basis.

3. Additional Charges

You will be responsible for the Orthodontist's Usual Fees for the following non-Covered Services:

a. incremental costs associated with optional/elective materials, including but not limited to ceramic, clear, lingual brackets, or other cosmetic appliances;

b. orthognathic surgery and associated incremental costs;

c. appliances to guide minor tooth movement;

d. appliances to correct harmful habits; and

e. services which are not typically included in Orthodontic Treatment. These services will be identified on a case-by-case basis.

4. Orthodontics In Progress

If Orthodontic Treatment is in progress for you or your Dependent at the time you enroll, the fee listed on the Patient Charge Schedule is not applicable. Please call Customer Service at 1-800-Cigna24 to find out if you are entitled to any benefit under the Dental Plan.

X. COMPLEX REHABILITATION/MULTIPLE CROWN UNITS

Complex rehabilitation is extensive dental restoration involving 6 or more "units" of crown, bridge and/or implant supported prosthesis (including crowns and bridges) in the same treatment plan. Using full crowns (caps), fixed bridges and/or implant supported prosthesis (including crowns and bridges) which are cemented in place, your Network General Dentist will rebuild natural teeth, fill in spaces where teeth are missing and establish conditions which allow each tooth to function in harmony with the occlusion (bite). The extensive procedures involved in complex rehabilitation require an extraordinary amount of time, effort, skill and laboratory collaboration for a successful outcome.

Complex rehabilitation will be covered when performed by your Network General Dentist after consultation with you about diagnosis, treatment plan and charges. Each tooth or tooth replacement included in the treatment plan is referred to as a "unit" on your Patient Charge Schedule. The crown, bridge and/or implant supported prosthesis (including crowns and bridges) charges on your Patient Charge Schedule are for each unit of crown or bridge. You pay the per unit charge for each unit of crown, bridge and/or implant supported prosthesis (including crowns and bridges) PLUS an additional charge for each unit when 6 or more units are prescribed in your Network General Dentist's treatment plan.

Note: Complex Rehabilitation only applies for implant supported prosthesis, when implant supported prosthesis are specifically listed on your Patient Charge Schedule.

XI. WHAT TO DO IF THERE IS A PROBLEM

For the purposes of this section, any reference to "you" or "your" also refers to a representative or provider designated by you to act on your behalf. **Time frames or requirements may vary depending on the laws in your State. Consult your State Rider for further details.**

Most problems can be resolved between you and your dentist. However, we want you to be completely satisfied with the Dental Plan. That is why we have established a process for addressing your concerns and complaints. The complaint procedure is voluntary and will be used only upon your request.

A. START WITH CUSTOMER SERVICE

We are here to listen and to help. If you have a concern about your Dental Office or the Dental Plan, you can call

1-800-Cigna24 toll-free and explain your concern to one of our Customer Service Representatives. You can also express that concern in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047. We will do our best to resolve the matter during your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, usually by the end of the next business day, but in any case within 30 days.

If you are not satisfied with the results of a coverage decision, you may start the appeals procedure.

B. APPEALS PROCEDURE

Cigna Dental has a two-step appeals procedure for coverage decisions. To initiate an appeal, you must submit a request in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047, within 1 year from the date of the initial Cigna Dental decision. You should state the reason you feel your appeal should be approved and include any information to support your appeal. If you are unable or choose not to write, you may ask Customer Service to register your appeal by calling 1-800-Cigna24.

1. Level-One Appeals

Your level-one appeal will be reviewed and the decision made by someone not involved in the initial review. Appeals involving dental necessity or clinical appropriateness will be reviewed by a dental professional.

If your appeal concerns a denied pre-authorization, we will respond with a decision within 15 calendar days after we receive your appeal. For appeals concerning all other coverage issues, we will respond with a decision within 30 calendar days after we receive your appeal. If we need more information to make your level-one appeal decision, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, Cigna Dental will respond orally with a decision within 72 hours, followed up in writing.

If you are not satisfied with our level-one appeal decision, you may request a level-two appeal.

2. Level-Two Appeals

To initiate a level-two appeal, follow the same process required for a level-one appeal. Your level-two appeal will be reviewed and a decision made by someone not involved in the level-one appeal. For appeals involving dental necessity or clinical appropriateness, the decision will be made by a dentist. If specialty care is in dispute, the appeal will be conducted by a dentist in the same or similar specialty as the care under review.

The review will be completed within 30 calendar days. If we need more information to complete the appeal, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review. You will be notified in writing of the decision no later than 30 days after the date the appeal is made. The decision will include the specific contractual or clinical reasons for the decision, as applicable.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, the Dental Plan will respond orally with a decision within 72 hours, followed up in writing.

3. Appeals to the State

You have the right to contact your State's Department of Insurance and/or Department of Health for assistance at any time.

Cigna Dental will not cancel or refuse to renew your coverage because you or your Dependent has filed a complaint or an appeal involving a decision made by Cigna Dental. You have the right to file suit in a court of law for any claim involving the professional treatment performed by a dentist.

XII. DUAL COVERAGE

You and your Dependents may not be covered twice under this Dental Plan. If you and your spouse have enrolled each other or the same Dependents twice, please contact your Benefit Administrator.

If you or your Dependents have dental coverage through your spouse's employer or other sources such as an HMO or similar dental plan, applicable coordination of benefit rules will determine which coverage is primary or secondary. In most cases, the plan covering you as an employee is primary for you, and the plan covering your spouse as an employee is primary for him or her. Your children are generally covered as primary by the plan of the parent whose birthday occurs earlier in the year. Dual coverage should result in lowering or eliminating your out-of-pocket expenses. It should not result in reimbursement for more than 100% of your expenses.

Coordination of benefit rules are attached to the Group Contract and may be reviewed by contacting your Benefit Administrator. Cigna Dental coordinates benefits only for specialty care services.

XIII. DISENROLLMENT FROM THE DENTAL PLAN – TERMINATION OF BENEFITS

A. TIME FRAMES FOR DISENROLLMENT/TERMINATION

Except as otherwise provided in the sections titled "Extension/Continuation of Benefits" or in your Group Contract, disenrollment from the Dental Plan and termination of benefits will occur on the last day of the month:

1. in which Premiums are not remitted to Cigna Dental.
2. in which eligibility requirements are no longer met.
3. after 30 days notice from Cigna Dental due to permanent breakdown of the dentist-patient relationship as determined by Cigna Dental, after at least two opportunities to transfer to another Dental Office.
4. after 30 days notice from Cigna Dental due to fraud or misuse of dental services and/or Dental Offices.
5. after voluntary disenrollment.

B. EFFECT ON DEPENDENTS

When one of your Dependents is disenrolled, you and your other Dependents may continue to be enrolled. When you are disenrolled, your Dependents will be disenrolled as well.

XIV. EXTENSION OF BENEFITS

Coverage for completion of a dental procedure (other than orthodontics) which was started before your disenrollment from the Dental Plan will be extended for

90 days after disenrollment unless disenrollment was due to nonpayment of Premiums.

Coverage for orthodontic treatment which was started before disenrollment from the Dental Plan will be extended to the end of the quarter or for 60 days after disenrollment, whichever is later, unless disenrollment was due to nonpayment of Premiums.

XV. CONTINUATION OF BENEFITS (COBRA)

For Groups with 20 or more employees, federal law requires the employer to offer continuation of benefits coverage for a specified period of time after termination of employment or reduction of work hours, for any reason other than gross misconduct. You will be responsible for sending payment of the required Premiums to the Group. Additional information is available through your Benefits Representative.

XVI. CONVERSION COVERAGE

If you are no longer eligible for coverage under your Group's Dental Plan, you and your enrolled Dependents may continue your dental coverage by enrolling in the Cigna Dental conversion plan. You must enroll within three (3) months after becoming ineligible for your Group's Dental Plan. Premium payments and coverage will be retroactive to the date coverage under your Group's Dental Plan ended. You and your enrolled Dependents are eligible for conversion coverage unless benefits were discontinued due to:

- Permanent breakdown of the dentist-patient relationship,
- Fraud or misuse of dental services and/or Dental Offices,
- Nonpayment of Premiums by the Subscriber,
- Selection of alternate dental coverage by your Group, or
- Lack of network/Service Area.

Benefits and rates for Cigna Dental conversion coverage and any succeeding renewals will be based on the Covered Services listed in the then-current standard conversion plan and may not be the same as those for your Group's Dental Plan. Please call the Cigna Dental Conversion Department at 1-800-Cigna24 to obtain current rates and make arrangements for continuing coverage.

XVII. CONFIDENTIALITY/PRIVACY

Cigna Dental is committed to maintaining the confidentiality of your personal and sensitive information. Information about Cigna Dental's confidentiality policies and procedures is made available to you during the enrollment process and/or as part of your customer plan materials. You may obtain additional information about Cigna Dental's confidentiality policies and procedures by calling Customer Service at 1-800-Cigna24, or via the Internet at myCigna.com.

XVIII. MISCELLANEOUS

A. HEALTHY REWARDS

From time to time, Cigna Dental Health may offer or provide certain persons who enroll in the Cigna Dental plan access to certain discounts, benefits or other consideration for the purpose of promoting general health and well being. Discounts arranged by our Cigna HealthCare affiliates may be offered in areas such as acupuncture, cosmetic dentistry, fitness club memberships, hearing care and hearing instruments, laser vision correction, vitamins and herbal supplements, and non-prescription health and wellness products. In addition, our Cigna HealthCare affiliates may arrange for third party service providers, such as chiropractors, massage therapists and optometrists, to provide discounted goods and services to those persons who enroll in the Cigna Dental plan. While Cigna HealthCare has arranged these goods, services and/or third party provider discounts, the third party service providers are liable to enrollees for the provision of such goods and/or services. Cigna HealthCare and Cigna Dental Health are not responsible for the provision of such goods and/or services, nor are we liable for the failure of the provision of the same. Further,

Cigna HealthCare and Cigna Dental Health are not liable to enrollees for the negligent provision of such goods and/or services by third party service providers.

As a Cigna Dental plan customer, you may also be eligible for additional dental benefits during certain health conditions. For example, certain frequency limitations for dental services may be relaxed for pregnant women and customers participating in certain disease management programs. Please review your plan enrollment materials for details.

B. INCONTESTABILITY

Under North Carolina law, no misstatements made by a Subscriber in the application for benefits can be used to void coverage after a period of two years from the date of issue.

C. WILLFUL FAILURE TO PAY GROUP INSURANCE PREMIUMS

UNDER NORTH CAROLINA GENERAL STATUTE SECTION 58-50-40, NO PERSON, EMPLOYER, PRINCIPAL, AGENT, TRUSTEE, OR THIRD PARTY ADMINISTRATOR, WHO IS RESPONSIBLE FOR THE PAYMENT OF GROUP HEALTH OR LIFE INSURANCE OR GROUP HEALTH PLAN PREMIUMS, SHALL: (1) CAUSE THE CANCELLATION OR NONRENEWAL OF GROUP HEALTH OR LIFE INSURANCE, HOSPITAL, MEDICAL, OR DENTAL SERVICE CORPORATION PLAN, MULTIPLE EMPLOYER WELFARE ARRANGEMENT, OR GROUP HEALTH PLAN COVERAGES AND THE CONSEQUENTIAL LOSS OF THE COVERAGES OF THE PERSONS INSURED, BY WILLFULLY FAILING TO PAY THOSE PREMIUMS IN ACCORDANCE WITH THE TERMS OF THE INSURANCE OR PLAN CONTRACT, AND (2) WILLFULLY FAIL TO DELIVER, AT LEAST 45 DAYS BEFORE THE TERMINATION OF THOSE COVERAGES, TO ALL PERSONS COVERED BY THE GROUP POLICY A WRITTEN NOTICE OF THE PERSON'S INTENTION TO STOP PAYMENT OF PREMIUMS. THIS WRITTEN NOTICE MUST ALSO CONTAIN A NOTICE TO ALL PERSONS COVERED BY THE GROUP POLICY OF THEIR RIGHTS TO HEALTH INSURANCE CONVERSION POLICIES UNDER ARTICLE 53 OF CHAPTER 58 OF THE GENERAL STATUTES AND THEIR RIGHTS TO PURCHASE INDIVIDUAL POLICIES UNDER THE FEDERAL HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT AND UNDER ARTICLE 68 OF CHAPTER 58 OF THE GENERAL STATUTES. VIOLATION OF THIS LAW IS A FELONY. ANY PERSON VIOLATING THIS LAW IS ALSO SUBJECT TO A COURT ORDER REQUIRING THE PERSON TO COMPENSATE PERSONS INSURED FOR EXPENSES OR LOSSES INCURRED AS A RESULT OF THE TERMINATION OF THE INSURANCE.

D. NC LIFE & HEALTH GUARANTY ASSOCIATION NOTICE

NOTICE CONCERNING COVERAGE

LIMITATIONS AND EXCLUSIONS UNDER THE NORTH CAROLINA

LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Residents of this state who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the North Carolina Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of the insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The North Carolina Life and Health Insurance Guaranty association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in North Carolina. You should not rely on coverage by the North Carolina Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the North Carolina Life and Health Insurance Guaranty Association Act. *On the back of this page* is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

NC LIFE & HEALTH GUARANTY ASSOCIATION NOTICE

COVERAGE

Generally, individuals will be protected by the life and health insurance guaranty association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- their policy was issued by an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed the average rate specified in the law;
- dividends;
- experience or other credits given in connection with the administration of a policy by a group contractholder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts (which give rights to group contractholders, not individuals), unless they fund a government lottery or a benefit plan of an employer, association or union, except that unallocated annuities issued to employee benefit plans protected by the Federal Pension Benefit Guaranty Corporation are not covered.

LIMITS ON AMOUNT OF COVERAGE

The benefits for which the Association is liable do not, in any event, exceed the lesser of:

(1) The contractual obligations for which the insurer is liable or would have been liable if it were not a delinquent insurer; or

(2) With respect to any one individual, regardless of the number of policies, three hundred thousand dollars ($300,000) for all benefits, including cash values; or

(2a) With respect to health insurance benefits for any one individual, regardless of the number of policies:

a. Three hundred thousand dollars ($300,000) for coverages not defined as basic hospital, medical, and surgical insurance or major medical insurance as defined in this Chapter and regulations adopted pursuant to this Chapter, including disability insurance and long-term care insurance; or

b. Five hundred thousand dollars ($500,000) for basic hospital, medical, and surgical insurance or major medical insurance as defined in this Chapter and regulations adopted pursuant to this Chapter;

(3) With respect to each individual participating in a governmental retirement plan established under section 401, 403(b), or 457 of the Internal Revenue Code covered by an unallocated annuity contract, or the beneficiaries of each individual if deceased, in the aggregate, three hundred thousand dollars ($300,000) in present value annuity benefits, including net cash surrender and net cash withdrawal values; or

(4) With respect to any one contract holder covered by any unallocated annuity contract not included in subdivision (3) of this subsection, five million dollars ($5,000,000) in benefits, regardless of the number of such contracts held by that contract holder; or

(5) With respect to any one payee (or beneficiaries of one payee if the payee is deceased) of a structured settlement annuity, one million dollars ($1,000,000) for all benefits, including cash values.

(6) However, in no event shall the Association be obligated to cover more than an aggregate of three hundred thousand dollars ($300,000) in benefits with respect to any one individual under subdivisions (2) and (3) and sub subdivision (2a)a. except with respect to benefits for basic hospital, medical, and surgical and major medical insurance under sub subdivision (2a)b. of this subsection, in which case the aggregate liability of the Association shall not exceed five hundred thousand dollars ($500,000) with respect to any one individual.

B. conform to commonly accepted standards throughout the dental field;

C. not be used primarily for the convenience of the customer or dentist of care; and

D. not exceed the scope, duration, or intensity of that level of care needed to provide safe and appropriate treatment.

II. Introduction To Your Cigna Dental Plan

Welcome to the Cigna Dental Plan. We encourage you to use your dental benefits. Please note that enrollment in the Dental Plan allows the release of patient records to Cigna Dental or its designee for health plan operation purposes.

III. Eligibility When Coverage Begins

To enroll in the Dental Plan, you and your Dependents must be able to seek treatment for Covered Services within a Cigna Dental Service Area. Other eligibility requirements are determined by your Group.

If you enrolled in the Dental Plan before the effective date of your Group Contract, you will be covered on the first day the Group Contract is effective. If you enrolled in the Dental Plan after the effective date of the Group Contract, you will be covered on the first day of the month following processing of your enrollment (unless effective dates other than the first day of the month are provided for in your Group Contract).

Dependents may be enrolled in the Dental Plan at the time you enroll, during an open enrollment, or within 31 days of becoming eligible due to a life status change such as marriage, birth, adoption, placement, or court or administrative order. You may drop coverage for your Dependents only during the open enrollment periods for your Group, unless there is a change in status such as divorce. Cigna Dental may require evidence of good dental health at your expense if you or your Dependents enroll after the first period of eligibility (except during open enrollment) or after disenrollment because of nonpayment of Premiums.

If you have family coverage, a newborn child is automatically covered during the first 31 days of life. If you wish to continue coverage beyond the first 31 days, your baby must be enrolled in the Dental Plan and you must begin paying Premiums, if any additional are due, during that period.

Under the Family and Medical Leave Act of 1993, you may be eligible to continue coverage during certain leaves of absence from work. During such leaves, you will be responsible for paying your Group the portion of the Premiums, if any, which you would have paid if you had not taken the leave. Additional information is available through your Benefits Representative.

IV. Your Cigna Dental Coverage

The information below outlines your coverage and will help you to better understand your Dental Plan. Included is information about which services are covered, which are not, and how much dental services will cost you. A copy of the Group Contract will be furnished to you upon your request.

A. Customer Service

If you have any questions or concerns about the Dental Plan, Customer Service Representatives are just a toll-free phone call away. They can explain your benefits or help with matters regarding your Dental Office or Dental Plan. For assistance with transfers, specialty referrals, eligibility, second opinions, emergencies, Covered Services, plan benefits, ID cards, location of Dental Offices, conversion coverage or other matters, call Customer Service from any location at 1-800-Cigna24. The hearing impaired may contact the state TTY toll-free relay service number listed in their local telephone directory.

B. Premiums

Your Group sends a monthly fee to Cigna Dental for customers participating in the Dental Plan. The amount and term of this fee is set forth in your Group Contract. You may contact your Benefits Representative for information regarding any part of this fee to be withheld from your salary or to be paid by you to the Group.

C. Other Charges – Patient Charges

Network General Dentists are reimbursed by Cigna Dental through fixed monthly payments and supplemental payments for certain procedures. No bonuses or financial incentives are used as an inducement to limit services. Network Dentists are also compensated by the fees which you pay, as set out in your Patient Charge Schedule.

Your Patient Charge Schedule lists the dental procedures covered under your Dental Plan. Some dental procedures are covered at no charge to you. For other Covered Services, the Patient Charge Schedule lists the fees you must pay when you visit your Dental Office. There are no deductibles and no annual dollar limits for services covered by your Dental Plan.

Your Network General Dentist should tell you about Patient Charges for Covered Services the amount you must pay for non-Covered Services and the Dental Office's payment policies. Timely payment is important. It is possible that the Dental Office may add late charges to overdue balances.

Your Patient Charge Schedule is subject to annual change in accordance with your Group Contract. Cigna Dental

will give written notice to your Group of any change in Patient Charges at least 60 days prior to such change. You will be responsible for the Patient Charges listed on the Patient Charge Schedule that is in effect on the date a procedure is started.

D. Choice of Dentist

You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise Cigna Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when Cigna Dental otherwise authorizes payment for out-of-network benefits.

You may select a network Pediatric Dentist as the Network General Dentist for your dependent child under age 7 by calling Customer Service at 1-800-Cigna24 to get a list of network Pediatric Dentists in your Service Area or if your Network General Dentist sends your child under the age of 7 to a network Pediatric Dentist, the network Pediatric Dentist's office will have primary responsibility for your child's care. For children 7 years and older, your Network General Dentist will provide care. If your child continues to visit the Pediatric Dentist upon the age of 7, you will be fully responsible for the Pediatric Dentist's Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, Cigna Dental will let you know and will arrange a transfer to another Dental Office. Refer to the Section titled "Office Transfers" if you wish to change your Dental Office.

To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24. It is available 24 hours a day, 7 days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Customer Service.

E. Your Payment Responsibility (General Care)

For Covered Services at your Dental Office, you will be charged the fees listed on your Patient Charge Schedule. For services listed on your Patient Charge Schedule at any other dental office, you may be charged Usual Fees. For non-Covered Services, you are responsible for paying Usual Fees.

See Section IX, *Specialty Referrals*, regarding payment responsibility for specialty care.

All contracts between Cigna Dental and Network Dentists state that you will not be liable to the Network Dentist for any sums owed to the Network Dentist by Cigna Dental.

F. Emergency Dental Care – Reimbursement

An emergency is a dental condition of recent onset and severity which would lead a prudent layperson possessing an average knowledge of dentistry to believe the condition needs immediate dental procedures necessary to control excessive bleeding, relieve severe pain, or eliminate acute infection. You should contact your Network General Dentist if you have an emergency in your Service Area.

Emergency Care Away From Home - If you have an emergency while you are out of your Service Area or you are unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above from any general dentist. Routine restorative procedures or definitive treatment (e.g. root canal) are not considered emergency care. You should return to your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Patient Charges listed on your Patient Charge Schedule. Cigna Dental will reimburse you the difference, if any, between the dentist's Usual Fee for emergency Covered Services and your Patient Charge, up to a total of $50 per incident. To receive reimbursement, send appropriate reports and x-rays to Cigna Dental at the address listed on the front of this booklet.

Emergency Care After Hours - There is a Patient Charge listed on your Patient Charge Schedule for emergency care rendered after regularly scheduled office hours. This charge will be in addition to other applicable Patient Charges.

G. Limitations on Covered Services

Listed below are limitations on services when covered by your Dental Plan:

- **Frequency** - The frequency of certain Covered Services, like cleanings, is limited. Your Patient Charge Schedule lists any limitations on frequency.
- **Pediatric Dentistry** - Coverage for treatment by a Pediatric Dentist ends on your child's 7th birthday; however, exceptions for medical reasons may be considered on an individual basis. Effective on your child's 7th birthday, dental services must be obtained from a Network General Dentist.
- **Oral Surgery** - The surgical removal of an impacted wisdom tooth may not be covered if the tooth is not diseased or if the removal is only for orthodontic

reasons. Your Patient Charge Schedule lists any limitations on oral surgery.

- **Periodontal (gum tissue and supporting bone) Services** – Periodontal regenerative procedures are limited to one regenerative procedure per site (or per tooth, if applicable), when covered on the Patient Charge Schedule. Localized delivery of antimicrobial agents is limited to eight teeth (or eight sites, if applicable) per 12 consecutive months, when covered on the Patient Charge Schedule.
- **Clinical Oral Evaluations** – When this limitation is noted on the Patient Charge Schedule, periodic oral evaluations, comprehensive oral evaluations, comprehensive periodontal evaluations, and oral evaluations for patients under 3 years of age are limited to a combined total of 4 evaluations during a 12 consecutive month period.
- **Surgical Placement of Implant Services** – When covered on the Patient Charge Schedule, surgical placement of a dental implant; repair, maintenance, or removal of a dental implant; implant abutment(s); or any services related to the surgical placement of a dental implant are limited to one per year with replacement of a surgical implant frequency limitation of one every 10 years.
- **Prosthesis Over Implant** – When covered on the Patient Charge Schedule, a prosthetic device, supported by an implant or implant abutment is considered a separate distinct service(s) from surgical placement of an implant. Replacement of any type of prosthesis with a prosthesis supported by an implant or implant abutment is only covered if the existing prosthesis is at least 5 calendar years old, is not serviceable and cannot be repaired.

General Limitations Dental Benefits

No payment will be made for expenses incurred or services received:

- for or in connection with an injury arising out of, or in the course of, any employment for wage or profit;

- any localized delivery of antimicrobial agent procedures when more than eight (8) of these procedures are reported on the same date of service.
- infection control and/or sterilization. Cigna Dental considers this to be incidental to and part of the charges for services provided and not separately chargeable.
- the recementation of any inlay, onlay, crown, post and core or fixed bridge within 180 days of initial placement. Cigna Dental considers recementation within this timeframe to be incidental to and part of the charges for the initial restoration.
- the recementation of any implant supported prosthesis (including crowns, bridges and dentures) within 180 days of initial placement. Cigna Dental considers recementation within this timeframe to be incidental to and part of the charges for the initial restoration unless specifically listed on your Patient Charge Schedule.
- services to correct congenital malformations, including the replacement of congenitally missing teeth.
- the replacement of an occlusal guard (night guard) beyond one per any 24 consecutive month period, when this limitation is noted on the Patient Charge Schedule.
- crowns, bridges and/or implant supported prosthesis used solely for splinting.
- resin bonded retainers and associated pontics.

Pre-existing conditions are not excluded if the procedures involved are otherwise covered under your Patient Charge Schedule.

Should any law require coverage for any particular service(s) noted above, the exclusion or limitation for that service(s) shall not apply.

V. Appointments

To make an appointment with your Network Dentist, call the Dental Office that you have selected. When you call, your Dental Office will ask for your identification number and will check your eligibility.

VI. Broken Appointments

The time your Network Dentist schedules for your appointment is valuable to you and the dentist. Broken appointments make it difficult for your Dental Office to schedule time with other patients.

If you or your enrolled Dependent breaks an appointment with less than 24 hours notice to the Dental Office, you may be charged a broken appointment fee.

VII. Office Transfers

If you decide to change Dental Offices, we can arrange a transfer. You should complete any dental procedure in progress before transferring to another Dental Office. To arrange a transfer, call Customer Service at 1-800-Cigna24. To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24.

Your transfer request will take about 5 days to process. Transfers will be effective the first day of the month after the processing of your request. Unless you have an emergency, you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective.

There is no charge to you for the transfer, however, all Patient Charges which you owe to your current Dental Office must be paid before the transfer can be processed.

VIII. Specialty Care

Your Network General Dentist at your Dental Office has primary responsibility for your professional dental care. Because you may need specialty care, the Cigna Dental Network includes the following types of specialty dentists:

- Pediatric Dentists - children's dentistry.
- Endodontists - root canal treatment.
- Periodontists - treatment of gums and bone.
- Oral Surgeons - complex extractions and other surgical procedures.
- Orthodontists - tooth movement.

There is no coverage for referrals to Prosthodontists or other specialty dentists not listed above.

When specialty care is needed, your Network General Dentist must start the referral process. X-rays taken by your Network General Dentist should be sent to the Network Specialty Dentist.

See Section IV.D., *Choice of Dentist*, regarding treatment by a Pediatric Dentist.

IX. Specialty Referrals

A. In General

Upon referral from a Network General Dentist, your Network Specialty Dentist will submit a specialty care treatment plan to Cigna Dental for payment authorization, except for Pediatrics, Orthodontics and Endodontics, for which prior authorization is not required. You should verify with the Network Specialist that your treatment plan has been authorized for payment by Cigna Dental before treatment begins.

When Cigna Dental authorizes payment to the Network Specialty Dentist, the fees for no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in Section IX. B. *Orthodontics*. Treatment by the Network Specialist must begin within 90 days from the date of Cigna Dental's authorization. If you are unable to obtain treatment within the 90-day period, please call Customer Service to request an extension. Your coverage must be in effect when each procedure begins.

For non-Covered Services or if Cigna Dental does not authorize payment to the Network Specialty Dentist for Covered Services, including Adverse Determinations, you must pay the Network Specialty Dentist's Usual Fee.

If you have a question or concern regarding an authorization or a denial, contact Customer Service.

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, it will be your responsibility to pay for treatment at the dentist's Usual Fees.

B. Orthodontics (This section is applicable only when Orthodontics is listed on your Patient Charge Schedule.)

Definitions - If your Patient Charge Schedule indicates coverage for orthodontic treatment, the following definitions apply:

- **Orthodontic Treatment Plan and Records** - the preparation of orthodontic records and a treatment plan by the Orthodontist.
- **Interceptive Orthodontic Treatment** - treatment prior to full eruption of the permanent teeth, frequently a first phase preceding comprehensive treatment.
- **Comprehensive Orthodontic Treatment** - treatment after the eruption of most permanent teeth, generally the final phase of treatment before retention.
- **Retention (Post Treatment Stabilization)** - the period following orthodontic treatment during which you may wear an appliance to maintain and stabilize the new position of the teeth.

Patient Charges

The Patient Charge for your entire orthodontic case, including retention, will be based upon the Patient Charge Schedule in effect on the date of your visit for Treatment

Plan and Records. However, if a. banding/appliance insertion does not occur within 90 days of such visit, b. your treatment plan changes, or c. there is an interruption in your coverage or treatment, a later change in the Patient Charge Schedule may apply.

The Patient Charge for Orthodontic Treatment is based upon 24 months of interceptive and/or comprehensive treatment. If you require more than 24 months of treatment in total, you will be charged an additional amount for each additional month of treatment, based upon the Orthodontist's Contract Fee. If you require less than 24 months of treatment, your Patient Charge will be reduced on a pro-rated basis.

Additional Charges

You will be responsible for the Orthodontist's Usual Fees for the following non-Covered Services:

- incremental costs associated with optional/elective materials, including but not limited to ceramic, clear, lingual brackets, or other cosmetic appliances;
- orthognathic surgery and associated incremental costs;
- appliances to guide minor tooth movement;
- appliances to correct harmful habits; and
- services which are not typically included in orthodontic treatment. These services will be identified on a case-by-case basis.

Orthodontics in Progress

If orthodontic treatment is in progress for you or your Dependent at the time you enroll, the fee listed on the Patient Charge Schedule is not applicable. Please call Customer Service at 1-800-Cigna24 to find out if you are entitled to any benefit under the Dental Plan.

X. Complex Rehabilitation/Multiple Crown Units

Complex rehabilitation is extensive dental restoration involving 6 or more "units" of crown, bridge and/or implant supported prosthesis (including crowns and bridges) in the same treatment plan. Using full crowns (caps), fixed bridges and/or implant supported prosthesis (including crowns and bridges) which are cemented in place, your Network General Dentist will rebuild natural teeth, fill in spaces where teeth are missing and establish conditions which allow each tooth to function in harmony with the occlusion (bite). The extensive procedures involved in complex rehabilitation require an extraordinary amount of time, effort, skill and laboratory collaboration for a successful outcome.

Complex rehabilitation will be covered when performed by your Network General Dentist after consultation with you about diagnosis, treatment plan and charges. Each tooth or tooth replacement included in the treatment plan is referred to as a "unit" on your Patient Charge Schedule. The crown, bridge and/or implant supported prosthesis (including crowns and bridges) charges on your Patient Charge Schedule are for each unit of crown or bridge. You pay the per unit charge for each unit of crown, bridge and/or implant supported prosthesis (including crowns and bridges) PLUS an additional charge for each unit when 6 or more units are prescribed in your Network General Dentist's treatment plan.

Note: Complex rehabilitation only applies for implant supported prosthesis, when implant supported prosthesis are specifically listed on your Patient Charge Schedule.

XI. What To Do If There Is A Problem

For the purposes of this section, any reference to "you" or "your" also refers to a representative or dentist designated by you to act on your behalf.

Most problems can be resolved between you and your dentist. However, we want you to be completely satisfied with the Dental Plan. That is why we have established a process for addressing your concerns and complaints. The complaint procedure is voluntary and will be used only upon your request.

A. Start With Customer Service

We are here to listen and to help. If you have a concern about your Dental Office or the Dental Plan, you can call 1-800-Cigna24 toll-free and explain your concern to one of our Customer Service Representatives. You can also express that concern in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047. We will do our best to resolve the matter during your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, usually by the end of the next business day, but in any case within 15 working days.

If you are not satisfied with the results of a coverage decision, you may start the appeals procedure.

B. Appeals Procedure

Cigna Dental has a two-step appeals procedure for coverage decisions. To initiate an appeal, you must submit a request in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047, within 1 year from the date of the initial Cigna Dental decision. You should state the reason you feel your appeal should be approved and include any information to support your

appeal. If you are unable or choose not to write, you may ask Customer Service to register your appeal by calling 1-800-Cigna24.

Level-One Appeals

Your level-one appeal will be reviewed and the decision made by someone not involved in the initial review. Appeals involving dental necessity or clinical appropriateness will be reviewed by a dental professional.

We will respond with a decision within 15 working days after we receive your appeal. If we need more time or information to make the decision, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition.

A dental professional, in consultation with the treating Dentist, will decide if an expedited review is necessary. When a review is expedited, Cigna Dental will respond orally with a decision within 72 hours, followed up in writing.

If you are not satisfied with our level-one appeal decision, you may request a level-two appeal.

Level-Two Appeals

To initiate a level-two appeal, follow the same process required for a level-one appeal. Your level- two appeal will be reviewed and a decision made by someone not involved in the level-one appeal. For appeals involving dental necessity or clinical appropriateness, the decision will be made by a dentist. If specialty care is in dispute, the appeal will be conducted by a dentist in the same or similar specialty as the care under review.

The review will be completed within 15 working days. If we need more time or information to complete the review, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review. The decision will include the specific contractual or clinical reasons for the decision, as applicable.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating Dentist, will decide if an expedited review is necessary. When a review is expedited, the Dental Plan will respond orally with a decision within 72 hours, followed up in writing.

Appeals to the State

You have the right to contact the New Jersey Department of Insurance and/or Department of Health for assistance at any time.

Cigna Dental will not cancel or refuse to renew your coverage because you or your Dependent has filed a complaint or an appeal involving a decision made by Cigna Dental. You have the right to file suit in a court of law for any claim involving the professional treatment performed by a dentist.

XII. Dual Coverage

A. In General

"Coordination of benefits" is the procedure used to pay health care expenses when a person is covered by more than one plan. Cigna Dental follows rules established by New Jersey law to decide which plan pays first and how much the other plan must pay. The objective is to make sure the combined payments of all plans are no more than your actual bills.

When you or your family members are covered by another group plan in addition to this one, we will follow New Jersey coordination of benefit rules to determine which plan is primary and which is secondary. You must submit all bills first to the primary plan. The primary plan must pay its full benefits as if you had no other coverage. If the primary plan denies the claim or does not pay the full bill, you may then submit the balance to the secondary plan.

Cigna Dental pays for dental care when you follow our rules and procedures. If our rules conflict with those of another plan, it may be impossible to receive benefits from both plans, and you will be forced to choose which plan to use.

B. How Cigna Dental Pays As Primary Plan

When you receive care from a Network Specialty Dentist, Cigna Dental pays the Network Specialty Dentist a contracted fee amount less your copayment for the Covered Service. When we are primary, we will pay the full benefit allowed as if you had no other coverage.

C. How Cigna Dental Pays As Secondary Plan

- If your primary plan pays on the basis of UCR, Cigna Dental will pay the difference between the provider's billed charges and the benefits paid by the primary plan

up to the amount Cigna Dental would have paid if primary. Cigna Dental's payment will first be applied toward satisfaction of your copayment of your primary plan. You will not be liable for any billed charges in excess of the sum of the benefits paid by your primary plan, Cigna Dental as your secondary plan and the copayment you paid under either the primary or secondary plan. When Cigna Dental pays as secondary, you will never be responsible for paying more than your copayment for the Covered Service.

- When both your primary plan and Cigna Dental pay network providers on the basis of a contractual fee schedule and the provider is a network provider of both plans, the allowable expense will be considered to be the contractual fee of your primary plan. Your primary plan will pay the benefit it would have paid regardless of any other coverage you may have. Cigna Dental will pay the copayment for the Covered Service for which you are liable up to the amount Cigna Dental would have paid if primary and provided that the total amount received by the provider from the primary plan, Cigna Dental and you does not exceed the contractual fee of the primary plan. You will not be responsible for an amount more than your copayment.
- When your primary plan pays network providers on a basis of capitation or a contractual fee schedule or pays a benefit on the basis of UCR, and Cigna Dental pays network providers on the basis of capitation and a service or supply is provided by a network provider of Cigna Dental, we will not be obligated to pay to the network provider any amount other than the capitation payment required under the contract between Cigna Dental and the network provider and we shall not be liable for any deductible, coinsurance or copayment imposed by your primary plan. You will not be responsible for the payment of any amount for eligible services.
- We will pay only for health care expenses that are covered by Cigna Dental.
- We will pay only if you have followed all of our procedural requirements, including: care is obtained from or arranged by your primary care dentist; coverage in effect when procedures begin; procedures begin within 90 days of referral.

XIII. Disenrollment From the Dental Plan – Termination of Benefits

A. Time Frames For Disenrollment/Termination

Except as otherwise provided in the sections titled "Extension/Continuation of Benefits" or in your Group Contract, disenrollment from the Dental Plan and termination of benefits will occur on the last day of the month:

- in which Premiums are not remitted to Cigna Dental;
- in which eligibility requirements are no longer met;
- after 30 days notice from Cigna Dental due to permanent breakdown of the dentist-patient relationship as determined by Cigna Dental, after at least two opportunities to transfer to another Dental Office;
- after 30 days notice from Cigna Dental due to fraud or misuse of dental services and/or Dental Offices;
- after 60 days notice by Cigna Dental, due to continued lack of a Dental Office in your Service Area;
- after voluntary disenrollment.

B. Effect on Dependents

When one of your Dependents is disenrolled, you and your other Dependents may continue to be enrolled. When you are disenrolled, your Dependents will be disenrolled as well.

XIV. Extension of Benefits

Coverage for completion of a dental procedure which was started before your disenrollment from the Dental Plan will be extended for 90 days after disenrollment unless disenrollment was due to nonpayment of Premiums.

XV. Continuation of Benefits (COBRA)

For Groups with 20 or more employees, federal law requires the employer to offer continuation of benefits coverage for a specified period of time after termination of employment or reduction of work hours, for any reason other than gross misconduct. You will be responsible for sending payment of the required Premiums to the Group. Additional information is available through your Benefits Representative.

XVI. Conversion Coverage

If you are no longer eligible for coverage under your Group's Dental Plan, you and your enrolled Dependents may continue your dental coverage by enrolling in the Cigna Dental

conversion plan. You must enroll within three months after becoming ineligible for your Group's Dental Plan. Premium payments and coverage will be retroactive to the date coverage under your Group's Dental Plan ended. You and your enrolled Dependents are eligible for conversion coverage unless benefits were discontinued due to:

- permanent breakdown of the dentist-patient relationship;
- fraud or misuse of dental services and/or Dental Offices;
- nonpayment of Premiums by the Subscriber;
- selection of alternate dental coverage by your Group; or
- lack of network/Service Area.

Benefits and rates for Cigna Dental conversion coverage and any succeeding renewals will be based on the Covered Services listed in the then-current standard conversion plan and may not be the same as those for your Group's Dental Plan. Please call the Cigna Dental Conversion Department at 1-800-Cigna24 to obtain current rates and make arrangements for continuing coverage.

XVII. Confidentiality/Privacy

Cigna Dental is committed to maintaining the confidentiality of your personal and sensitive information. B. conform to commonly accepted standards throughout the dental field;

C. not be used primarily for the convenience of the customer or provider of care; and

D. not exceed the scope, duration, or intensity of that level of care needed to provide safe and appropriate treatment.

Requests for payment approvals that are declined by Cigna Dental based upon the above criteria will be the responsibility of the customer at the dentist's Usual Fees. A licensed dentist will make any such denial.

Eligibility in this situation will end when the child is no longer a full-time student. The child must submit the form provided by the Department of Military and Veterans Affairs to Cigna when initially called to duty, when returning from duty, and when reenrolling as a full-time student.

For a Dependent child 26 years of age or older who is a full-time student at an educational institution, coverage will be provided for an entire academic term during which the child begins as a full-time student and remains enrolled, regardless of whether the number of hours of instruction for which the child is enrolled is reduced to a level that changes the child's academic status to less than that of a full-time student.

For a child who falls into category (b) or (c) above, you will need to furnish Cigna Dental evidence of the child's reliance upon you, in the form requested, within 31 days after the Dependent reaches the age of 19 and once a year thereafter for as long as the child is claimed as a Dependent under the Plan.

A newly acquired dependent is a Dependent child who is adopted, born or otherwise becomes your Dependent after you become covered under the Plan. II. Introduction To Your Cigna Dental Plan

Welcome to the Cigna Dental Plan. We encourage you to use your dental benefits. Please note that enrollment in the Dental Plan allows the release of patient records to Cigna Dental or its designee for health plan operation purposes.

III. Eligibility/When Coverage Begins

To enroll in the Dental Plan, you and your Dependents must be able to seek treatment for Covered Services within a Cigna Dental Service Area. Other eligibility requirements are determined by your Group.

If you enrolled in the Dental Plan before the effective date of your Group Contract, you will be covered on the first day the Group Contract is effective. If you enrolled in the Dental Plan after the effective date of the Group Contract, you will be covered on the first day of the month following processing of your enrollment (unless effective dates other than the first day of the month are provided for in your Group Contract).

Dependents may be enrolled in the Dental Plan at the time you enroll, during an open enrollment, or within 31 days of becoming eligible due to a life status change such as marriage, birth, adoption, placement, or court or administrative order. You may drop coverage for your Dependents only during the open enrollment periods for your Group, unless there is a change in status such as divorce. Cigna Dental may require evidence of good dental health at your expense if you or your Dependents enroll after the first period of eligibility (except during open enrollment) or after disenrollment because of nonpayment of Premiums.

A Dependent child may be enrolled within 60 days of a court order.

If you have family coverage, a newly born child of a Dependent child is automatically covered during the first 31 days of life. If you wish to continue coverage beyond the first 31 days, the newborn needs to be enrolled in the Dental Plan and you need to begin to pay Premiums/Prepayment Fees during that period.

Under the Family and Medical Leave Act of 1993, you may be eligible to continue coverage during certain leaves of absence from work. During such leaves, you will be responsible for paying your Group the portion of the Premiums, if any, which you would have paid if you had not taken the leave. Additional information is available through your Benefits Representative.

IV. Your Cigna Dental Coverage

The information below outlines your coverage and will help you to better understand your Dental Plan. Included is information about which services are covered, which are not, and how much dental services will cost you. A copy of the Group Contract will be furnished to you upon your request.

A. Customer Service

If you have any questions or concerns about the Dental Plan, Customer Service Representatives are just a toll-free phone call away. They can explain your benefits or help with matters regarding your Dental Office or Dental Plan. For assistance with transfers, specialty referrals, eligibility, second opinions, emergencies, Covered Services, plan benefits, ID cards, location of Dental Offices, conversion coverage or other matters, call Customer Service from any location at 1.800.Cigna24. The hearing impaired may contact the state TTY toll-free relay service number listed in their local telephone directory.

B. Premiums

Your Group sends a monthly fee to Cigna Dental for customers participating in the Dental Plan. The amount and term of this fee is set forth in your Group Contract. You may contact your Benefits Representative for information regarding any part of this fee to be withheld from your salary or to be paid by you to the Group.

C. Other Charges – Patient Charges

Network General Dentists are typically reimbursed by Cigna Dental through fixed monthly payments and supplemental payments for certain procedures. No bonuses or financial incentives are used as an inducement to limit services. Network Dentists are also compensated by the fees which you pay, as set out in your Patient Charge Schedule.

Your Patient Charge Schedule lists the dental procedures covered under your Dental Plan. Some dental procedures are covered at no charge to you. For other Covered Services, the Patient Charge Schedule lists the fees you must pay when you visit your Dental Office. There are no deductibles and no annual dollar limits for services covered by your Dental Plan.

Your Network General Dentist should tell you about Patient Charges for Covered Services, the amount you must pay for non-Covered Services and the Dental Office's payment policies. Timely payment is important. It is possible that the Dental Office may add late charges to overdue balances.

Your Patient Charge Schedule is subject to annual change in accordance with your Group Contract. Cigna Dental will give written notice to your Group of any change in Patient Charges at least 60 days prior to such change. You will be responsible for the Patient Charges listed on the Patient Charge Schedule that is in effect on the date a procedure is started.

D. Choice of Dentist

You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise Cigna Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when Cigna Dental otherwise approves payment for out-of-network benefits.

You may select a network Pediatric Dentist as the Network General Dentist for your Dependent child under age 13 by calling Customer Service at 1.800.Cigna24 to get a list of network Pediatric Dentists in your Service Area or if your Network General Dentist sends your child under the age of 13 to a network Pediatric Dentist, the network Pediatric Dentist's office will have primary responsibility for your child's care. For children 13 years and older, your Network General Dentist will provide care. If your child continues to visit the Pediatric Dentist upon the age of 13, you will be fully responsible for the Pediatric Dentist's Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, Cigna Dental will let you know and will arrange a transfer to another Dental Office. Refer to the Section titled "Office Transfers" if you wish to change your Dental Office.

To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1.800.Cigna24. It is available 24 hours a day, 7 days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Customer Service.

E. Your Payment Responsibility (General Care)

For Covered Services at your Dental Office, you will be charged the fees listed on your Patient Charge Schedule. For services listed on your Patient Charge Schedule at any other dental office, you may be charged Usual Fees. For non-Covered Services, you are responsible for paying Usual Fees.

If, on a temporary basis, there is no Network General Dentist in your Service Area, Cigna Dental will let you know and you may obtain Covered Services from a non-Network Dentist. You will pay the non-Network Dentist the applicable Patient Charge for Covered Services. Cigna Dental will pay the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge.

See Section IX, *Specialty Referrals*, regarding payment responsibility for specialty care.

All contracts between Cigna Dental and Network Dentists state that you will not be liable to the Network Dentist for any sums owed to the Network Dentist by Cigna Dental.

F. Emergency Dental Care - Reimbursement

An emergency is a dental condition of recent onset and severity which would lead a prudent layperson possessing an average knowledge of dentistry to believe the condition needs immediate dental procedures necessary to control excessive bleeding, relieve severe pain, or eliminate acute infection. You should contact your Network General Dentist if you have an emergency in your Service Area.

1. Emergency Care Away From Home

If you have an emergency while you are out of your Service Area or you are unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above from any general dentist. Routine restorative procedures or

definitive treatment (e.g. root canal) are not considered emergency care. You should return to your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Patient Charges listed on your Patient Charge Schedule. Cigna Dental will reimburse you the difference, if any, between the dentist's Usual Fee for emergency Covered Services and your Patient Charge, up to a total of $50 per incident. To receive reimbursement, send appropriate reports and x-rays to Cigna Dental at the address listed for your state on the front of this booklet.

2. **Emergency Care After Hours**

V. Appointments

To make an appointment with your Network Dentist, call the Dental Office that you have selected. When you call, your Dental Office will ask for your identification number and will check your eligibility.

VI. Broken Appointments

The time your Network Dentist schedules for your appointment is valuable to you and the dentist. Broken appointments make it difficult for your Dental Office to schedule time with other patients.

If you or your enrolled Dependent breaks an appointment with less than 24 hours notice to the Dental Office, you may be charged a broken appointment fee.

VII. Office Transfers

If you decide to change Dental Offices, we can arrange a transfer. You should complete any dental procedure in progress before transferring to another Dental Office. To arrange a transfer, call Customer Service at 1.800.Cigna24. To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1.800.Cigna24.

Your transfer request may take up to 5 days to process. Transfers will be effective the first day of the month after the processing of your request. Unless you have an emergency, you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective. You can check the status of your request by visiting myCigna.com or by calling us at 1.800.Cigna24.

There is no charge to you for the transfer; however, all Patient Charges which you owe to your current Dental Office must be paid before the transfer can be processed.

VIII. Specialty Care

Your Network General Dentist at your Dental Office has primary responsibility for your professional dental care. Because you may need specialty care, the Cigna Dental Network includes the following types of specialty dentists:

- Pediatric Dentists – children's dentistry.
- Endodontists – root canal treatment.
- Periodontists – treatment of gums and bone.
- Oral Surgeons – complex extractions and other surgical procedures.
- Orthodontists – tooth movement.

There is no coverage for referrals to prosthodontists or other specialty dentists not listed above.

When specialty care is needed, your Network General Dentist must start the referral process. X-rays taken by your Network General Dentist should be sent to the Network Specialty Dentist.

See Section IV.D, *Choice of Dentist*, regarding treatment by a Pediatric Dentist.

IX. Specialty Referrals

A. In General

Preauthorization is not required for coverage of services by a Network Specialty Dentist.

When Cigna Dental approves payment to the Network Specialty Dentist, the fees or no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in Section IX.B., Orthodontics. Treatment by the Network Specialty Dentist must begin within 90 days from the date of Cigna Dental's approval. If you are unable to obtain treatment within the 90 day period, please call Customer Service to request an extension. Your coverage must be in effect when each procedure begins.

For non-Covered Services or if Cigna Dental does not approve payment to the Network Specialty Dentist for Covered Services, including Adverse Determinations, you must pay the Network Specialty Dentist's Usual Fee. If you have a question or concern regarding an approval or a denial, contact Customer Service.

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care,

it will be your responsibility to pay for treatment at the dentist's Usual Fees.

When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available, as determined by Cigna Dental, Cigna Dental will approve a referral to a non-Network Specialty Dentist. The referral procedures applicable to specialty care will apply. In such cases, you will be responsible for the applicable Patient Charge for Covered Services. Cigna Dental will reimburse the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge. For non-Covered Services or services not approved for payment, including Adverse Determinations, you must pay the dentist's Usual Fee.

B. Orthodontics (This section is applicable only when Orthodontics is listed on your Patient Charge Schedule.)

1. Definitions – If your Patient Charge Schedule indicates coverage for orthodontic treatment, the following definitions apply:

a. **Orthodontic Treatment Plan and Records** – the preparation of orthodontic records and a treatment plan by the Orthodontist.

b. **Interceptive Orthodontic Treatment –** treatment prior to full eruption of the permanent teeth, frequently a first phase preceding comprehensive treatment.

c. **Comprehensive Orthodontic Treatment –** treatment after the eruption of most permanent teeth, generally the final phase of treatment before retention.

d. **Retention (Post Treatment Stabilization) –** the period following orthodontic treatment during which you may wear an appliance to maintain and stabilize the new position of the teeth.

2. Patient Charges

The Patient Charge for your entire orthodontic case, including retention, will be based upon the Patient Charge Schedule in effect on the date of your visit for Treatment Plan and Records. However, if a. banding/appliance insertion does not occur within 90 days of such visit, b. your treatment plan changes, or c. there is an interruption in your coverage or treatment, a later change in the Patient Charge Schedule may apply.

The Patient Charge for Orthodontic Treatment is based upon 24 months of interceptive and/or comprehensive treatment. If you require more than 24 months of treatment in total, you will be charged an additional amount for each additional month of treatment, based upon the Orthodontist's Contract Fee. If you require less than 24 months of treatment, your Patient Charge will be reduced on a pro-rated basis.

3. Additional Charges

You will be responsible for the Orthodontist's Usual Fees for the following non-Covered Services:

a. incremental costs associated with optional/elective materials, including but not limited to ceramic, clear, lingual brackets, or other cosmetic appliances;

b. orthognathic surgery and associated incremental costs;

c. appliances to guide minor tooth movement;

d. appliances to correct harmful habits; and

e. services which are not typically included in Orthodontic Treatment. These services will be identified on a case-by-case basis.

4. Orthodontics In Progress

If Orthodontic Treatment is in progress for you or your Dependent at the time you enroll, the fee listed on the Patient Charge Schedule is not applicable. Please call Customer Service at 1.800.Cigna24 to find out if you are entitled to any benefit under the Dental Plan.

X. Complex Rehabilitation/Multiple Crown Units

Complex rehabilitation is extensive dental restoration involving 6 or more "units" of crown, bridge and/or implant supported prosthesis (including crowns and bridges) in the same treatment plan. Using full crowns (caps), fixed bridges and/or implant supported prosthesis (including crowns and bridges) which are cemented in place, your Network General Dentist will rebuild natural teeth, fill in spaces where teeth are missing and establish conditions which allow each tooth to function in harmony with the occlusion (bite). The extensive procedures involved in complex rehabilitation require an extraordinary amount of time, effort, skill and laboratory collaboration for a successful outcome.

Complex rehabilitation will be covered when performed by your Network General Dentist after consultation with you about diagnosis, treatment plan and charges. Each tooth or tooth replacement included in the treatment plan is referred to as a "unit" on your Patient Charge Schedule. The crown, bridge and/or implant supported prosthesis (including crowns

and bridges) charges on your Patient Charge Schedule are for each unit of crown or bridge. You pay the per unit charge for each unit of crown, bridge and/or implant supported prosthesis (including crowns and bridges) PLUS an additional charge for each unit when 6 or more units are prescribed in your Network General Dentist's treatment plan.

Note: Complex rehabilitation only applies for implant supported prosthesis, when implant supported prosthesis are specifically listed on your Patient Charge Schedule.

XI. What To Do If There Is A Problem

For the purposes of this section, any reference to "you" or "your" also refers to a representative or provider designated by you to act on your behalf.

Most problems can be resolved between you and your dentist. However, we want you to be completely satisfied with the Dental Plan. That is why we have established a process for addressing your concerns and complaints. The complaint procedure is voluntary and will be used only upon your request.

A. Start with Customer Service

We are here to listen and to help. If you have a concern about your Dental Office or the Dental Plan, you can call 1.800.Cigna24 toll-free and explain your concern to one of our Customer Service Representatives. You can also express that concern in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047. We will do our best to resolve the matter during your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, usually by the end of the next business day, but in any case within 30 days.

If you are not satisfied with the results of a coverage decision, you may start the appeals procedure.

B. Appeals Procedure

Cigna Dental has a two-step appeals procedure for coverage decisions. To initiate an appeal, you must submit a request in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047, within 1 year from the date of the initial Cigna Dental decision. You should state the reason you feel your appeal should be approved and include any information to support your appeal. If you are unable or choose not to write, you may ask Customer Service to register your appeal by calling 1.800.Cigna24.

1. Level-One Appeals

Your level-one appeal will be reviewed and the decision made by someone not involved in the initial review. Appeals involving dental necessity or clinical appropriateness will be reviewed by a dental professional.

If your appeal concerns a denied pre-authorization, we will respond with a decision within 15 calendar days after we receive your appeal. For appeals concerning all other coverage issues, we will respond with a decision within 30 calendar days after we receive your appeal. If we need more information to make your level-one appeal decision, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, Cigna Dental will respond orally with a decision within 72 hours, followed up in writing.

If you are not satisfied with our level-one appeal decision, you may request a level-two appeal.

2. Level-Two Appeals

To initiate a level-two appeal, follow the same process required for a level-one appeal. Your level-two appeal will be reviewed and a decision made by someone not involved in the level-one appeal. For appeals involving dental necessity or clinical appropriateness, the decision will be made by a dentist. If specialty care is in dispute, the appeal will be conducted by a dentist in the same or similar specialty as the care under review.

The review will be completed within 30 calendar days. If we need more information to complete the appeal, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review. The decision will include the specific contractual or clinical reasons for the decision, as applicable.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in

consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, the Dental Plan will respond orally with a decision within 72 hours, followed up in writing.

3. Independent Review Procedure

The independent review procedure is a voluntary program arranged by the Dental Plan and is not available in all areas.

4. Appeals to the State

You have the right to contact your State's Department of Insurance and/or Department of Health for assistance at any time.

You always have the right to file a complaint with or seek assistance from the Pennsylvania Insurance Department, 1326 Strawberry Square, Harrisburg, Pennsylvania, 17120-0701, (717) 787-2317.

Cigna Dental will not cancel or refuse to renew your coverage because you or your Dependent has filed a complaint or an appeal involving a decision made by Cigna Dental. You have the right to file suit in a court of law for any claim involving the professional treatment performed by a dentist.

XII. Dual Coverage

You and your Dependents may not be covered twice under this Dental Plan. If you and your spouse have enrolled each other or the same Dependents twice, please contact your Benefit Administrator.

If you or your Dependents have dental coverage through your spouse's employer or other sources such as an HMO or similar dental plan, applicable coordination of benefit rules will determine which coverage is primary or secondary. In most cases, the plan covering you as an employee is primary for you, and the plan covering your spouse as an employee is primary for him or her. Your children are generally covered as primary by the plan of the parent whose birthday occurs earlier in the year. Dual coverage should result in lowering or eliminating your out-of-pocket expenses. It should not result in reimbursement for more than 100% of your expenses.

Coordination of benefit rules are attached to the Group Contract and may be reviewed by contacting your Benefit Administrator. Cigna Dental coordinates benefits only for specialty care services.

All benefits provided under the Dental Plan shall be in excess of and not in duplication of first party medical benefits payable under the Pennsylvania Motor Vehicle Financial Responsibility Law, 75 Pa. C.S.A. § 1711, et. seq.

XIII. Disenrollment From the Dental Plan – Termination of Benefits

A. Time Frames for Disenrollment/Termination

Except as otherwise provided in the sections titled "Extension/Continuation of Benefits" or in your Group Contract, disenrollment from the Dental Plan and termination of benefits will occur on the last day of the month:

1. in which Premiums are not remitted to Cigna Dental.
2. in which eligibility requirements are no longer met.
3. after 30 days notice from Cigna Dental due to permanent breakdown of the dentist-patient relationship as determined by Cigna Dental, after at least two opportunities to transfer to another Dental Office.
4. after 30 days notice from Cigna Dental due to fraud or misuse of dental services and/or Dental Offices.
5. after 60 days notice by Cigna Dental, due to continued lack of a Dental Office in your Service Area.
6. after voluntary disenrollment.

B. Effect on Dependents

When one of your Dependents is disenrolled, you and your other Dependents may continue to be enrolled. When you are disenrolled, your Dependents will be disenrolled as well.

XIV. Extension of Benefits

Coverage for completion of a dental procedure (other than orthodontics) which was started before your disenrollment from the Dental Plan will be extended for 90 days after disenrollment unless disenrollment was due to nonpayment of Premiums.

Coverage for orthodontic treatment which was started before disenrollment from the Dental Plan will be extended to the end of the quarter or for 60 days after disenrollment, whichever is later, unless disenrollment was due to nonpayment of Premiums.

XV. Continuation of Benefits (COBRA)

For Groups with 20 or more employees, federal law requires the employer to offer continuation of benefits coverage for a specified period of time after termination of employment or reduction of work hours, for any reason other than gross

misconduct. You will be responsible for sending payment of the required Premiums to the Group. Additional information is available through your Benefits Representative.

XVI. Conversion Coverage

If you are no longer eligible for coverage under your Group's Dental Plan, you and your enrolled Dependents may continue your dental coverage by enrolling in the Cigna Dental conversion plan. You must enroll within three (3) months after becoming ineligible for your Group's Dental Plan. Premium payments and coverage will be retroactive to the date coverage under your Group's Dental Plan ended. You and your enrolled Dependents are eligible for conversion coverage unless benefits were discontinued due to:

- Permanent breakdown of the dentist-patient relationship,
- Fraud or misuse of dental services and/or Dental Offices,
- Nonpayment of Premiums by the Subscriber,
- Selection of alternate dental coverage by your Group, or
- Lack of network/Service Area.

Benefits and rates for Cigna Dental conversion coverage and any succeeding renewals will be based on the Covered Services listed in the then-current standard conversion plan and may not be the same as those for your Group's Dental Plan. Please call the Cigna Dental Conversion Department at 1.800.Cigna24 to obtain current rates and make arrangements for continuing coverage.

XVII. Confidentiality/Privacy

Cigna Dental is committed to maintaining the confidentiality of your personal and sensitive information. NOTICE OF RIGHTS

- A health maintenance organization (HMO) plan provides no benefits for services you receive from out-of-network physicians or providers, with specific exceptions as described in your evidence of coverage and below.
- You have the right to an adequate network of in-network physicians and providers (known as network physicians and providers).
- If you believe that the network is inadequate, you may file a complaint with the Texas Department of Insurance at: www.tdi.texas.gov/consumer/complfrm.html.
- If your HMO approves a referral for out-of-network services because no network physician or provider is available, or if you have received out-of-network emergency care, the HMO must, in most cases, resolve the out-of-network physician's or provider's bill so that you only have to pay any applicable in-network copayment, coinsurance, and deductible amounts.
- You may obtain a current directory of network physicians and providers at the following website: myCigna.com or by calling 1.800.Cigna24 for assistance in finding available network physicians and providers. If you relied on materially inaccurate directory information, you may be entitled to have a claim by an out-of-network physician or provider paid as if it were from a network physician or provider, if you present a copy of the inaccurate directory information to the HMO, dated not more than 30 days before you received the service.

Network Specialty Dentist - a licensed dentist who has signed an agreement with Cigna Dental under which he or she agrees to provide specialized dental care services to you.

Patient Charge - the amount you owe your Network Dentist for any dental procedure listed on your Patient Charge Schedule.

Patient Charge Schedule - list of services covered under your Dental Plan and how much they cost you.

Premiums - fees that your Group remits to Cigna Dental, on your behalf, during the term of your Group Contract.

Service Area - the geographical area designated by Cigna Dental within which it shall provide benefits and arrange for dental care services, as set out in the attached list of service areas.

Subscriber/You - the enrolled employee or customer of the Group.

Usual Fee - the customary fee that an individual dentist most frequently charges for a given dental service.

II. Introduction To Your Cigna Dental Plan

Welcome to the Cigna Dental Plan. We encourage you to use your dental benefits. Please note that enrollment in the Dental Plan allows the release of patient records to Cigna Dental or its designee for health plan operation purposes.

III. Eligibility/When Coverage Begins

To enroll in the Dental Plan, you and your Dependents must live, work or reside within the Cigna Dental Service Area. Other eligibility requirements are determined by your Group.

If the legal residence of an enrolled Dependent is different from that of the Subscriber, the Dependent must:

A. reside in the Service Area with a person who has temporary or permanent guardianship, including adoptees or children subject to adoption, and the Subscriber must have legal responsibility for that Dependent's health care; or

B. reside in the Service Area, and the Subscriber must have legal responsibility for that Dependent's health care; or

C. reside in the Service Area with the Subscriber's spouse; or

D. reside anywhere in the United States when the Dependent's coverage is required by a medical or dental support order.

If you or your Dependent becomes eligible for Medicare, you may continue coverage so long as you or your Medicare-eligible Dependent meet all other group eligibility requirements.

If you enrolled in the Dental Plan before the effective date of your Group Contract, you will be covered on the first day the Group Contract is effective. If you enrolled in the Dental Plan after the effective date of the Group Contract, you will be covered on the first day of the month following processing of your enrollment (unless effective dates other than the first day of the month are provided for in your Group Contract).

Dependents may be enrolled in the Dental Plan at the time you enroll, during an open enrollment, or within 31 days of becoming eligible due to a life status change such as marriage, birth, adoption, placement, or court or administrative order. You may drop coverage for your Dependents only during the open enrollment periods for your Group, unless there is a change in status such as divorce. Cigna Dental may require evidence of good dental health at your expense if you or your Dependents enroll after the first period of eligibility (except during open enrollment) or after disenrollment because of nonpayment of Premiums.

If you have family coverage, a newborn child is automatically covered during the first 31 days of life. If you wish to continue coverage beyond the first 31 days, your baby must be enrolled in the Dental Plan and you must begin paying Premiums, if any additional are due, during that period.

Under the Family and Medical Leave Act of 1993, you may be eligible to continue coverage during certain leaves of absence from work. During such leaves, you will be responsible for paying your Group the portion of the Premiums, if any, which you would have paid if you had not taken the leave. Additional information is available through your Benefits Representative.

IV. Your Cigna Dental Coverage

The information below outlines your coverage and will help you to better understand your Dental Plan. Included is information about which services are covered, which are not, and how much dental services will cost you. A copy of the Group Contract will be furnished to you upon your request.

A. Customer Service

If you have any questions or concerns about the Dental Plan, Customer Service Representatives are just a toll-free phone call away. They can explain your benefits or help with matters regarding your Dental Office or Dental Plan. For assistance with transfers, specialty referrals, eligibility, second opinions, emergencies, Covered Services, plan benefits, ID cards, location of Dental Offices, conversion coverage or other matters, call Customer Service from any location at 1-800-Cigna24. The hearing impaired may contact Customer Service through the State Relay Service located in your local telephone directory.

B. Premiums

Your Group sends a monthly fee to Cigna Dental for customers participating in the Dental Plan. The amount and term of this fee is set forth in your Group Contract. You may contact your Benefits Representative for information regarding any part of this fee to be withheld from your salary or to be paid by you to the Group. Your Premium is subject to annual change in accordance with your Group Contract. Cigna Dental will give written notice to your Group of any change in Premiums at least 60 days before any change.

In addition to any other premiums for which the Group is liable, the Group shall also be liable for a customer's premiums from the time the customer is no longer eligible for coverage under the contract until the end of the month in which the Group notifies Cigna Dental that the customer is no longer part of the group eligible for coverage.

C. Other Charges – Patient Charges

Cigna Dental typically pays Network General Dentists fixed monthly payments for each covered customer and supplemental payments for certain procedures. No bonuses or financial incentives are used as an inducement to limit services. Network Dentists are also compensated by the fees that you pay, as set out in your Patient Charge Schedule.

Your Patient Charge Schedule lists the dental procedures covered under your Dental Plan. Some dental procedures are covered at no charge to you. For other Covered Services, the Patient Charge Schedule lists the fees you must pay when you visit your Dental Office. There are no deductibles and no annual dollar limits for services covered by your Dental Plan.

Your Network General Dentist should tell you about Patient Charges for Covered Services the amount you must pay for non-Covered Services and the Dental Office's payment policies. Timely payment is important. The Dental Office may add late charges to overdue balances.

Your Patient Charge Schedule is subject to annual change in accordance with your Group Contract. Cigna Dental will give written notice to your Group of any change in Patient Charges at least 60 days prior to such change. You must pay the Patient Charge listed on the Patient Charge Schedule that is in effect on the date a procedure is started.

D. Choice of Dentist

You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise Cigna Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when Cigna Dental otherwise approves payment for out-of-network benefits.

You may select a network Pediatric Dentist as the Network General Dentist for your dependent children under age 13 by calling Customer Service at 1-800-Cigna24 to get a list of network Pediatric Dentists in your Service Area or if your Network General Dentist sends your child under the age of 13 to a network Pediatric Dentist, the network Pediatric Dentist's office will have primary responsibility for your child's care. For children 13 years and older, your Network General Dentist will provide care. If your child continues to visit the Pediatric Dentist upon the age of 13, you will be fully responsible for the Pediatric Dentist's Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, Cigna Dental will let you know and will arrange a transfer to another Dental Office. Refer to the Section titled "Office Transfers" if you wish to change your Dental Office.

To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24. It is available 24 hours a day, 7 days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Customer Service.

E. Your Payment Responsibility (General Care)

For Covered Services at your Dental Office, you will be charged the fees listed on your Patient Charge Schedule. For services listed on your Patient Charge Schedule at any other dental office, you may be charged Usual Fees. For non-Covered Services, you are responsible for paying Usual Fees.

If on a temporary basis there is no Network General Dentist in your Service Area, Cigna Dental will let you know and you may obtain Covered Services from a non-Network Dentist. Cigna Dental will approve a referral to a non-Network Dentist within 5 business days. You will pay the non-Network Dentist the applicable Patient Charge for Covered Services. Cigna Dental will pay the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge.

See Section IX, ***Specialty Referrals***, regarding payment responsibility for specialty care.

All contracts between Cigna Dental and Network Dentists state that you will not be liable to the Network Dentist for any sums owed to the Network Dentist by Cigna Dental.

F. General Care - Reimbursement

Cigna Dental Health will acknowledge your claim for covered services within 15 days and accept, deny, or request additional information within 15 business days of receipt. If Cigna Dental Health accepts your claim, reimbursement for all appropriate covered services will be made within 5 days of acceptance.

G. Emergency Dental Care - Reimbursement

Emergency dental services are limited to procedures administered in a dental office, dental clinic or other comparable facility to evaluate and stabilize emergency dental conditions of recent onset and severity accompanied by excessive bleeding, severe pain, or acute infection that would lead a prudent layperson with average knowledge of dentistry to believe that immediate care is needed.

1. **Emergency Care Away From Home** - If you have an emergency while you are out of your Service Area or unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above without restrictions as to where the services are rendered. Routine restorative procedures or definitive treatment (e.g. root canal) are not considered emergency care. You should return to your Network General Dentist for these procedures.

For emergency Covered Services, you will be responsible for the Patient Charges listed on your Patient Charge Schedule. Cigna Dental will reimburse you the difference, if any, between the dentist's Usual Fee for emergency Covered Services and your Patient Charge.

To receive reimbursement, send appropriate reports and x-rays to Cigna Dental at the address listed on the front of this booklet. Cigna Dental Health will acknowledge your claim for emergency services within 15 days and accept, deny, or request additional information within 15 business days of receipt. If Cigna Dental Health accepts your claim, reimbursement for all appropriate emergency services will be made within 5 days of acceptance. Claims for non-emergency services will be processed within the same timeframes as claims for emergency services.

H. Limitations on Covered Services

Listed below are limitations on services when covered by your Dental Plan:

- **Frequency -** The frequency of certain Covered Services, like cleanings, is limited. Your Patient Charge Schedule lists any limitations on frequency. If your Network General Dentist certifies to Cigna Dental that, due to medical necessity, you require certain Covered Services more frequently than the limitation allows, Cigna Dental may waive the applicable limitation.
- **Pediatric Dentistry -** Coverage for treatment by a Pediatric Dentist ends on your child's 13th birthday. Effective on your child's 13th birthday, dental services must be obtained from a Network General Dentist; however, exceptions for medical reasons may be considered on an individual basis.
- **Oral Surgery -** The surgical removal of an impacted wisdom tooth may not be covered if the tooth is not diseased or if the removal is only for orthodontic reasons. Your Patient Charge Schedule lists any limitations on oral surgery.
- **Periodontal (gum tissue and supporting bone) Services** – Periodontal regenerative procedures are limited to one regenerative procedure per site (or per tooth, if applicable), when covered on the Patient Charge Schedule.

  Localized delivery of antimicrobial agents is limited to eight teeth (or eight sites, if applicable) per 12 consecutive months, when covered on the Patient Charge Schedule.
- **Clinical Oral Evaluations** – When this limitation is noted on the Patient Charge Schedule, periodic oral evaluations, comprehensive oral evaluations , comprehensive periodontal evaluations, and oral evaluations for patients under 3 years of age are limited to a combined total of 4 evaluations during a 12 consecutive month period.
- **Surgical Placement of Implant Services** – When covered on the Patient Charge Schedule, surgical placement of a dental implant; repair, maintenance, or removal of a dental implant; implant abutment(s); or any services related to the surgical placement of a dental implant are limited to one per year with replacement of a surgical implant frequency limitation of one every 10 years.
- **Prosthesis Over Implant** – When covered on the Patient Charge Schedule, a prosthetic device, supported by an implant or implant abutment is considered a separate distinct service(s) from surgical placement of an implant. Replacement of any type of prosthesis with a prosthesis supported by an implant or implant abutment is only covered if the existing prosthesis is at least 5 calendar years old, is not serviceable and cannot be repaired.

General Limitations Dental Benefits

V. Appointments

To make an appointment with your Network Dentist, call the Dental Office that you have selected. When you call, your Dental Office will ask for your identification number and will check your eligibility.

VI. Broken Appointments

The time your Network Dentist schedules for your appointment is valuable to you and the dentist. Broken appointments make it difficult for your Dental Office to schedule time with other patients. If you must change your appointment, please contact your dentist at least 24 hours before the scheduled time.

VII. Office Transfers

If you decide to change Dental Offices, we can arrange a transfer at no charge. You should complete any dental procedure in progress before transferring to another Dental Office. To arrange a transfer, call Customer Service at 1-800-Cigna24. To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24.

Your transfer may take up to 5 days to process. Transfers will be effective the first day of the month after the processing of your request. Unless you have an emergency, you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective. You can check the status of your request by visiting myCigna.com, or by calling us 1-800-Cigna24.

Network Dentists are Independent Contractors. Cigna Dental cannot require that you pay your Patient Charges before processing of your transfer request; however, it is suggested that all Patient Charges owed to your current Dental Office be paid prior to transfer.

VIII. Specialty Care

Your Network General Dentist at your Dental Office has primary responsibility for your professional dental care.

Because you may need specialty care, the Cigna Dental Network includes the following types of specialty dentists:

- Pediatric Dentists - children's dentistry.
- Endodontists - root canal treatment.
- Periodontists - treatment of gums and bone.
- Oral Surgeons - complex extractions and other surgical procedures.
- Orthodontists - tooth movement.

There is no coverage for referrals to prosthodontists or other specialty dentists not listed above.

When specialty care is needed, your Network General Dentist must start the referral process. X-rays taken by your Network General Dentist should be sent to the Network Specialty Dentist.

You and your Dependents may not be covered twice under this Dental Plan. If you and your spouse have enrolled each other or the same Dependents twice, please contact your Benefit Administrator.

Contact your Benefit Administrator for more information.

See Section IV.D, *Choice of Dentist,* regarding treatment by a Pediatric Dentist

IX. Specialty Referrals

A. In General

Preauthorization is not required for coverage of services by a Network Specialty Dentist.

When Cigna Dental approves payment to the Network Specialty Dentist, the fees or no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in Section IX. B, ***Orthodontics***. Treatment by the Network Specialty Dentist must begin within 90 days from the date of Cigna Dental's approval. If you are unable to obtain treatment within the 90-day period, please call Customer Service to request an extension. Your coverage must be in effect when each procedure begins.

For non-Covered Services or if Cigna Dental does not approve payment to the Network Specialty Dentist for Covered Services, including Adverse Determinations, you must pay the Network Specialty Dentist's Usual Fee. If you have a question or concern regarding an approval or a denial, contact Customer Service.

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network

Specialty Dentist after you have completed specialty care, you must pay for treatment at the dentist's Usual Fees.

When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available, as determined by Cigna Dental, Cigna Dental will approve a referral to a non-Network Specialty Dentist within 5 business days. The referral procedures applicable to specialty care will apply. In such cases, you will be responsible for the applicable Patient Charge for Covered Services. Cigna Dental will pay the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge. For non-Covered Services or services not approved for payment, including Adverse Determinations, you must pay the dentist's Usual Fee.

B. Orthodontics (This section is applicable only when Orthodontics is listed on your Patient Charge Schedule.)

1. **Definitions -** If your Patient Charge Schedule indicates coverage for orthodontic treatment, the following definitions apply:
   a. **Orthodontic Treatment Plan and Records** - the preparation of orthodontic records and a treatment plan by the Orthodontist.
   b. **Interceptive Orthodontic Treatment** - treatment prior to full eruption of the permanent teeth, frequently a first phase preceding comprehensive treatment.
   c. **Comprehensive Orthodontic Treatment** - treatment after the eruption of most permanent teeth, generally the final phase of treatment before retention.
   d. **Retention (Post Treatment Stabilization)** - the period following orthodontic treatment during which you may wear an appliance to maintain and stabilize the new position of the teeth.
2. **Patient Charges**

   The Patient Charge for your entire orthodontic case, including retention, will be based upon the Patient Charge Schedule in effect on the date of your visit for Treatment Plan and Records. However, if a. banding/appliance insertion does not occur within 90 days of such visit, b. your treatment plan changes, or c. there is an interruption in your coverage or treatment a later change in the Patient Charge Schedule may apply.

   The Patient Charge for Orthodontic Treatment is based upon 24 months of interceptive and/or comprehensive treatment. If you require more than 24 months of treatment in total, you will be charged an additional amount for each additional month of treatment, based upon the Orthodontist's Contract Fee. If you require less than 24 months of treatment, your Patient Charge will be reduced on a pro-rated basis.
3. **Additional Charges -** You will be responsible for the Orthodontist's Usual Fees for the following non-Covered Services:
   a. incremental costs associated with optional/elective materials, including but not limited to ceramic, clear, lingual brackets, or other cosmetic appliances;
   b. orthognathic surgery and associated incremental costs;
   c. appliances to guide minor tooth movement;
   d. appliances to correct harmful habits; and
   e. services which are not typically included in orthodontic treatment. These services will be identified on a case-by-case basis.
4. **Orthodontics in Progress -** If orthodontic treatment is in progress for you or your Dependent at the time you enroll, the fee listed on the Patient Charge Schedule is not applicable. Please call Customer Service at 1-800-Cigna24 to find out if you are entitled to any benefit under the Dental Plan.

X. Complex Rehabilitation/Multiple Crown Units

Complex rehabilitation is extensive dental restoration involving 6 or more "units" of crown, bridge and/or implant supported prosthesis (including crowns and bridges) in the same treatment plan. Using full crowns (caps), fixed bridges and/or implant supported prosthesis (including crowns and bridges) which are cemented in place, your Network General Dentist will rebuild natural teeth, fill in spaces where teeth are missing and establish conditions which allow each tooth to function in harmony with the occlusion (bite). The extensive procedures involved in complex rehabilitation require an extraordinary amount of time, effort, skill and laboratory collaboration for a successful outcome.

Complex rehabilitation will be covered when performed by your Network General Dentist after consultation with you about diagnosis, treatment plan and charges. Each tooth or tooth replacement included in the treatment plan is referred to as a "unit" on your Patient Charge Schedule. The crown, bridge and/or implant supported prosthesis (including crowns and bridges) charges on your Patient Charge Schedule are for each unit of crown or bridge. You pay the per unit charge for each unit of crown, bridge and/or implant supported prosthesis (including crowns and bridges) PLUS an additional charge for

each unit when 6 or more units are prescribed in your Network General Dentist's treatment plan.

Note: Complex rehabilitation only applies for implant supported prosthesis, when implant supported prosthesis are specifically listed on your Patient Charge Schedule.

XI. What To Do If There Is A Problem

For the purposes of this section, any reference to "you" or "your" also refers to a representative or dentist designated by you to act on your behalf.

Most problems can be resolved between you and your dentist. However, we want you to be completely satisfied with the Dental Plan. That is why we have established a process for addressing your concerns and complaints. The complaint procedure is voluntary and will be used only upon your request.

A. Start With Customer Service

We are here to listen and to help. If you have a question about your Dental Office or the Dental Plan, you can call the toll-free number to reach one of our Customer Service Representatives. We will do our best to respond upon your initial contact or get back to you as soon as possible, usually by the end of the next business day. You can call Customer Service at 1-800-Cigna24 or you may write P.O. Box 188047, Chattanooga, TN 37422-8047.

If you are unable to undergo dental treatment in an office setting or under local anesthesia due to a documented physical, mental, or medical reason as determined by the dentist providing you dental care, please contact Cigna at 1-800-Cigna24 and we will assist you in getting the care you need.

B. Appeals Procedure

1. Problems Concerning Plan Benefits, Quality of Care, or Plan Administration

The Dental Plan has a two-step procedure for complaints and appeals.

a. Level One Review ("Complaint")

For the purposes of this section, a complaint means a written or oral expression of dissatisfaction with any aspect of the Dental Plan's operation. A complaint is not (1) a misunderstanding or misinformation that is resolved promptly by supplying the appropriate information or clearing up a misunderstanding to your satisfaction; nor (2) you or your dentist's dissatisfaction or disagreement with an Adverse Determination.

To initiate a complaint, submit a request in writing to the Dental Plan stating the reason why you feel your request should be approved and include any information supporting your request. If you are unable or choose not to write, you may ask Customer Service to register your request by calling the toll-free number.

Within 5 business days of receiving your complaint, we will send you a letter acknowledging the date the complaint was received, a description of the complaint procedure and timeframes for resolving your complaint. For oral complaints, you will be asked to complete a one-page complaint form to confirm the nature of your problem or to provide additional information.

Upon receipt of your written complaint or one-page complaint form, Customer Service will review and/or investigate your problem. Your complaint will be considered and the resolution made by someone not involved in the initial decision or occurrence. Issues involving clinical appropriateness will be considered by a dental professional. A written resolution will be provided to you within 30 calendar days. If applicable, the written resolution will include a statement of the specific dental or contractual reasons for the resolution, the specialization of any dentist consulted, and a description of the appeals process, including the time frames for the appeals process and final decision of the appeal. If you are not satisfied with our decision, you may request an appeal.

b. Level Two Review ("Appeal")

Cigna Dental will acknowledge your appeal in writing within 5 business days. The acknowledgment will include the name, address, and telephone number of the Appeals Coordinator. The review will be held at Cigna Dental Health's administrative offices or at another location within the Service Area, including the location where you normally receive services, unless you agree to another site.

Additional information may be requested at that time. Second level reviews will be conducted by an Appeals Committee, which will include:

(1) An employee of Cigna Dental Health;

(2) A dentist who will preside over the Appeals Panel; and

(3) An enrollee who is not an employee of Cigna Dental Health.

Anyone involved in the prior decision may not vote on the Appeals Committee. If specialty care is in dispute, the Committee will include a dentist in the same or similar specialty as the care under consideration, as determined by Cigna Dental. The review will be held and you will be notified in writing of the Committee's decision within 30 calendar days.

Cigna Dental will identify the committee members to you and provide copies of any documentation to be used during the review no later than 5 business days before the review, unless you agree otherwise. You, or your designated representative if you are a minor or disabled, may appear in person or by conference call before the Appeals Committee; present expert testimony; and, request the presence of and question any person responsible for making the prior determination that resulted in your appeal.

Please advise Cigna Dental 5 days in advance if you or your representative plans to be present. Cigna Dental will pay the expenses of the Appeals Committee; however, you must pay your own expenses, if any, relating to the Appeals process including any expenses of your designated representative.

The appeal will be heard and you will be notified in writing of the committee's decision within 30 calendar days from the date of your request. Notice of the Appeals Committee's decision will include a statement of the specific clinical determination, the clinical basis and contractual criteria used, and the toll-free telephone number and address of the Texas Department of Insurance.

2. Problems Concerning Adverse Determinations

a. Appeals

For the purpose of this section, a complaint concerning an Adverse Determination constitutes an appeal of that determination. You, your designated representative, or your dentist may appeal an Adverse Determination orally or in writing. We will acknowledge the appeal in writing within 5 working days of receipt, confirming the date we received the appeal, outlining the appeals procedure, and requesting any documents you should send us. For oral appeals, we will include a one-page appeal form.

Appeal decisions will be made by a licensed dentist; provided that, if the appeal is denied and your dentist sends us a letter showing good cause, the denial will be reviewed by a specialty dentist in the same or similar specialty as the care under review. The specialty review will be completed within 15 working days of receipt.

We will send you and your dentist a letter explaining the resolution of your appeal as soon as practical but in no case later than 30 calendar days after we receive the request. If the appeal is denied, the letter will include:

(1) the clinical basis and principal reasons for the denial;

(2) the specialty of the dentist making the denial;

(3) a description of the source of the screening criteria used as guidelines in making the adverse determination; and

(4) notice of the rights to seek review of the denial by an independent review organization and the procedure for obtaining that review.

b. Independent Review Organization

If the appeal of an Adverse Determination is denied, you, your representative, or your dentist have the right to request a review of that decision by an Independent Review Organization ("IRO".) The written denial outlined above will include information on how to appeal the denial to an IRO, and the forms that must be completed and returned to us to begin the independent review process.

In life-threatening situations, you are entitled to an immediate review by an IRO without having to comply with our procedures for internal appeals of Adverse Determinations. Call Customer Service to request the review by the IRO if you have a life-threatening condition and we will provide the required information.

In order to request a referral to an IRO, the reason for the denial must be based on a medical necessity determination by Cigna Dental. Administrative, eligibility or benefit coverage limits are not eligible for additional review under this process.

c. Expedited Appeals

You may request that the above complaint and appeal process be expedited if the timeframes under the above process would seriously

jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating Dentist, will decide if an expedited review is necessary.

Investigation and resolution of expedited complaints and appeals will be concluded in accordance with the clinical immediacy of the case but will not exceed 1 business day from receipt of the complaint. If an expedited appeal involves an ongoing emergency, you may request that the appeal be reviewed by a dental professional in the same or similar specialty as the care under consideration.

d. Filing Complaints with the Texas Department of Insurance

Any person, including persons who have attempted to resolve complaints through our complaint system process and who are dissatisfied with the resolution, may file a complaint in writing with the Texas Department of Insurance at P.O. Box 149091, Austin, Texas 78714-9091, or you may call their toll-free number, 1-800-252-3439.

The Department will investigate a complaint against Cigna Dental to determine compliance with insurance laws within 30 days after the Department receives your complaint and all information necessary for the Department to determine compliance. The Department may extend the time necessary to complete an investigation in the event any of the following circumstances occur:

(1) additional information is needed;

(2) an on-site review is necessary;

(3) we, the physician or dentist, or you do not provide all documentation necessary to complete the investigation; or

(4) other circumstances occur that are beyond the control of the Department.

Cigna Dental cannot retaliate against a Network General Dentist or Network Specialty Dentist for filing a complaint or appealing a decision on your behalf. Cigna Dental will not cancel or refuse to renew coverage because you or your Dependent has filed a complaint or appealed a decision made by Cigna Dental. You have the right to file suit in a court of law for any claim involving the professional treatment performed by a Dentist.

XII. Treatment In Progress

A. Treatment In Progress For Procedures Other Than Orthodontics

If your dental treatment is in progress when you enroll in the Cigna Dental Plan, you should check to make sure your dentist is in the Cigna Dental Plan Network by contacting Customer Service at 1-800-Cigna24 as treatment in progress will only be covered on an in-network basis. You can elect a new dentist at this time. If you do not, your treatment expenses will not be covered by the Cigna Dental Plan.

B. Treatment in Progress For Orthodontics

If orthodontic treatment is in progress for you or your Dependent at the time you enroll in this Dental plan, the copays listed on your Patient Charge Schedule do not apply to treatment that is already in progress. This is because your enrollment in this Dental plan does not override any obligation you or your Dependent may have under any agreement with an Orthodontist prior to your enrollment. Cigna may make a quarterly contribution toward the completion of your treatment, even if your Orthodontist does not participate in the Cigna Dental Health network. Cigna's contribution is based on the Patient Charge Schedule selected by your Employer and the number of months remaining to complete your interceptive or comprehensive treatment, excluding retention. Please call Customer Service at 1-800-Cigna24 to obtain an Orthodontics in Progress Information Form. You and your Orthodontist should complete this form and return it to Cigna to receive confirmation of Cigna's contribution.

XIII. Disenrollment From the Dental Plan Termination of Benefits

Except as otherwise provided in the Sections titled "Extension/Continuation of Benefits" or in your Group Contract, disenrollment from the Dental Plan/termination of benefits and coverages will be as follows:

A. Termination of Your Group

1. due to nonpayment of Premiums, coverage shall remain in effect for 30 days after the due date of the Premium. If the late payment is received within the 30-day grace period, a 20% penalty will be added to the Premium. If payment is not received within the 30 days, coverage will be canceled on the 31st day

and the terminated customers will be liable for the cost of services received during the grace period.

2. either the Group or Cigna Dental Health may terminate the Group Contract, effective as of any renewal date of the Group Contract, by providing at least 60 days prior written notice to the other party.

B. Termination of Benefits For You and/or Your Dependents

1. the last day of the month in which Premiums are not paid to Cigna Dental.
2. the last day of the month in which eligibility requirements are no longer met.
3. the last day of the month in which your Group notifies Cigna Dental of your termination from the Dental Plan.
4. the last day of the month after voluntary disenrollment.
5. upon 15 days written notice from Cigna Dental due to fraud or intentional material misrepresentation or fraud in the use of services or dental offices.
6. immediately for misconduct detrimental to safe plan operations and delivery of services.
7. for failure to establish a satisfactory patient-dentist relationship, Cigna Dental will give 30 days written notification that it considers the relationship unsatisfactory and will specify necessary changes. If you fail to make such changes, coverage may be cancelled at the end of the 30-day period.
8. upon 30 days notice, due to neither residing, living nor working in the Service Area. Coverage for a dependent child who is the subject of a medical or dental support order cannot be cancelled solely because the child does not reside, live or work in the Service Area.

When coverage for one of your Dependents ends, you and your other Dependents may continue to be enrolled. When your coverage ends, your Dependents coverage will also end.

XIV. Extension of Benefits

Coverage for completion of a dental procedure (other than orthodontics) which was started before your disenrollment from the Dental Plan will be extended for 90 days after disenrollment unless disenrollment was due to nonpayment of Premiums.

Coverage for orthodontic treatment which was started before disenrollment from the Dental Plan will be extended to the end of the quarter or for 60 days after disenrollment, whichever is later, unless disenrollment was due to nonpayment of Premiums.

XV. Continuation of Benefits (COBRA)

For Groups with 20 or more employees, federal law requires the employer to offer continuation of benefits coverage for a specified period of time after termination of employment or reduction of work hours, for any reason other than gross misconduct. You will be responsible for sending payment of the required Premiums to the Group. Additional information is available through your Benefits Representative.

Under Texas law you may also choose continuation coverage for you and your Dependents if coverage is terminated for any reason except your involuntary termination for cause and if you or your Dependent has been continuously covered for 3 consecutive months prior to the termination. You must request continuation coverage from your Group in writing and pay the monthly Premiums, in advance, within 60 days of the date your termination ends or the date your Group notifies you of your rights to continuation. If you elect continuation coverage, it will not end until the earliest of:

A. 9 months after the date you choose continuation coverage if you or your dependents are not eligible for COBRA.
B. 6 months after the date you choose continuation coverage if you or your dependents are eligible for COBRA;
C. the date you and/or your Dependent becomes covered under another dental plan;
D. the last day of the month in which you fail to pay Premiums; or
E. the date the Group Contract ends.

You must pay your Group the amount of Premiums plus 2% in advance on a monthly basis. You must make the first premium payment no later than the 45th day following your election for continued coverage. Subsequent premium payments will be considered timely if you make such payments by the 30th day after the date that payment is due.

XVI. Conversion Coverage

If you are no longer eligible for coverage under your Group's Dental Plan, you and your enrolled Dependents may continue your dental coverage by enrolling in the Cigna Dental conversion plan. You must enroll within three months after becoming ineligible for your Group's Dental Plan. Premium payments and coverage will be retroactive to the date your Group coverage ended. You and your enrolled Dependents are eligible for conversion coverage unless benefits were discontinued due to:

A. permanent breakdown of the dentist-patient relationship;

B. fraud or misuse of dental services and/or Dental Offices;

C. nonpayment of Premiums by the Subscriber; or

D. selection of alternate dental coverage by your Group.

Benefits for conversion coverage will be based on the then-current standard conversion plan and may not be the same as those for your Group's Dental Plan. Premiums will be the Cigna Dental conversion premiums in effect at the time of conversion. Conversion premiums may not exceed 200% of Cigna Dental's premiums charged to groups with similar coverage. Please call the Cigna Dental Conversion Department at 1-800-Cigna24 to obtain rates and make arrangements for continuing coverage.

XVII. Confidentiality/Privacy

Cigna Dental is committed to maintaining the confidentiality of your personal and sensitive information. Information about Cigna Dental's confidentiality policies and procedures is made available to you during the enrollment process and/or as part of your customer plan materials. You may obtain additional information about Cigna Dental's confidentiality policies and procedures by calling Customer Service at 1-800-Cigna24 or via the Internet at myCigna.com.

XVIII. Miscellaneous

A. As a Cigna Dental plan customer you may also be eligible for additional dental benefits during certain health conditions. For example, certain frequency limitations for dental services may be relaxed for pregnant women and customers participating in certain disease management programs. Please review your plan enrollment materials for details.

B. **Notice:** Any notice required by the Group Contract shall be in writing and mailed with postage fully prepaid and addressed to the entities named in the Group Contract.

C. **Incontestability:** All statements made by a Subscriber on the enrollment application shall be considered representations and not warranties. The statements are considered to be truthful and are made to the best of the Subscriber's knowledge and belief. A statement may not be used in a contest to void, cancel, or non-renew an enrollee's coverage or reduce benefits unless it is in a written enrollment application signed by you, and a signed copy of the enrollment application is or has been furnished to you or your personal representative.

   This Certificate of Coverage may only be contested because of fraud or intentional misrepresentation of material fact on the enrollment application.

D. **Entire Agreement:** The Contract, Pre-Contract Application, amendments and attachments thereto represent the entire agreement between Cigna Dental Health and your Group. Any change in the Group Contract must be approved by an officer of Cigna Dental Health and attached thereto; no agent has the authority to change the Group Contract or waive any of its provisions. In the event this Certificate contains any provision not in conformity with the Texas Health Maintenance Organization Act (the Act) or other applicable laws, this Certificate shall not be rendered invalid but shall be construed and implied as if it were in full compliance with the Act or other applicable laws.

E. **Conformity With State Law:** If this Certificate of Coverage contains any provision not in conformity with the Texas Insurance Code Chapter 1271 or other applicable laws, it shall not be rendered invalid but shall be considered and applied as if it were in full compliance with the Texas Insurance Code Chapter 1271 and other applicable laws.

Federal Requirements

Some states may have similar requirements. If a similar provision appears elsewhere in your group insurance certificate, the provision which provides the better benefit will apply.

Notice of Provider Directory/Networks

Notice Regarding Provider Directories and Provider Networks

A list of network providers is available to you without charge by visiting the website or by calling the phone number on your ID card. The network consists of dental practitioners, of varied specialties as well as general practice, affiliated or contracted with Cigna or an organization contracting on its behalf.

Qualified Medical Child Support Order (QMCSO)

Eligibility for Coverage Under a QMCSO

If a Qualified Medical Child Support Order (QMCSO) is issued for your child, that child will be eligible for coverage as required by the order and you will not be considered a Late Entrant for Dependent Insurance.

You must notify your Employer and elect coverage for that child, and yourself if you are not already enrolled, within 31 days of the QMCSO being issued.

Qualified Medical Child Support Order Defined

A Qualified Medical Child Support Order is a judgment, decree or order (including approval of a settlement agreement) or administrative notice, which is issued pursuant to a state domestic relations law (including a community property law), or to an administrative process, which provides for child support or provides for health benefit coverage to such child and relates to benefits under the group health plan, and satisfies all of the following:

- the order recognizes or creates a child's right to receive group health benefits for which a participant or beneficiary is eligible;
- the order specifies your name and last known address, and the child's name and last known address, except that the name and address of an official of a state or political subdivision may be substituted for the child's mailing address;
- the order provides a description of the coverage to be provided, or the manner in which the type of coverage is to be determined;
- the order states the period to which it applies; and
- if the order is a National Medical Support Notice completed in accordance with the Child Support Performance and Incentive Act of 1998, such Notice meets the requirements above.

The QMCSO may not require the health insurance policy to provide coverage for any type or form of benefit or option not otherwise provided under the policy, except that an order may require a plan to comply with State laws regarding health care coverage.

Payment of Benefits

Any payment of benefits in reimbursement for Covered Expenses paid by the child, or the child's custodial parent or legal guardian, shall be made to the child, the child's custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the child.

HC-FED4 10-10

Effect of Section 125 Tax Regulations on This Plan

Your Employer has chosen to administer this Plan in accordance with Section 125 regulations of the Internal Revenue Code. Per this regulation, you may agree to a pretax salary reduction put toward the cost of your benefits.

Otherwise, you will receive your taxable earnings as cash (salary).

A. Coverage elections

Per Section 125 regulations, you are generally allowed to enroll for or change coverage only before each annual benefit period. However, exceptions are allowed:

- if your Employer agrees, and you meet the criteria shown in the following Sections B through F and enroll for or change coverage within the time period established by your Employer.

B. Change of status

A change in status is defined as:

- change in legal marital status due to marriage, death of a spouse, divorce, annulment or legal separation;
- change in number of Dependents due to birth, adoption, placement for adoption, or death of a Dependent;
- change in employment status of Employee, spouse or Dependent due to termination or start of employment, strike, lockout, beginning or end of unpaid leave of absence, including under the Family and Medical Leave Act (FMLA), or change in worksite;
- changes in employment status of Employee, spouse or Dependent resulting in eligibility or ineligibility for coverage;
- change in residence of Employee, spouse or Dependent to a location outside of the Employer's network service area; and
- changes which cause a Dependent to become eligible or ineligible for coverage.

C. Court order

A change in coverage due to and consistent with a court order of the Employee or other person to cover a Dependent.

D. Medicare or Medicaid eligibility/entitlement

The Employee, spouse or Dependent cancels or reduces coverage due to entitlement to Medicare or Medicaid, or enrolls or increases coverage due to loss of Medicare or Medicaid eligibility.

E. Change in cost of coverage

If the cost of benefits increases or decreases during a benefit period, your Employer may, in accordance with plan terms, automatically change your elective contribution.

When the change in cost is significant, you may either increase your contribution or elect less-costly coverage. When a significant overall reduction is made to the benefit option you have elected, you may elect another available benefit option. When a new benefit option is added, you may change your election to the new benefit option.

F. Changes in coverage of spouse or Dependent under another employer's plan

You may make a coverage election change if the plan of your spouse or Dependent: incurs a change such as adding or deleting a benefit option; allows election changes due to Change in Status, Court Order or Medicare or Medicaid Eligibility/Entitlement; or this Plan and the other plan have different periods of coverage or open enrollment periods.

HC-FED95 04-17

Eligibility for Coverage for Adopted Children

Any child who is adopted by you, including a child who is placed with you for adoption, will be eligible for Dependent Insurance, if otherwise eligible as a Dependent, upon the date of placement with you. A child will be considered placed for adoption when you become legally obligated to support that child, totally or partially, prior to that child's adoption.

If a child placed for adoption is not adopted, all health coverage ceases when the placement ends, and will not be continued.

HC-FED67V1 09-14

Group Plan Coverage Instead of Medicaid

If your income and liquid resources do not exceed certain limits established by law, the state may decide to pay premiums for this coverage instead of for Medicaid, if it is cost effective. This includes premiums for continuation coverage required by federal law.

HC-FED13 10-10

Requirements of Family and Medical Leave Act of 1993 (as amended) (FMLA)

Any provisions of the policy that provide for: continuation of insurance during a leave of absence; and reinstatement of insurance following a return to Active Service; are modified by the following provisions of the federal Family and Medical Leave Act of 1993, as amended, where applicable:

Continuation of Health Insurance During Leave

Your health insurance will be continued during a leave of absence if:

- that leave qualifies as a leave of absence under the Family and Medical Leave Act of 1993, as amended; and
- you are an eligible Employee under the terms of that Act.

The cost of your health insurance during such leave must be paid, whether entirely by your Employer or in part by you and your Employer.

Reinstatement of Canceled Insurance Following Leave

Upon your return to Active Service following a leave of absence that qualifies under the Family and Medical Leave Act of 1993, as amended, any canceled insurance (health, life or disability) will be reinstated as of the date of your return.

You will not be required to satisfy any eligibility or benefit waiting period to the extent that they had been satisfied prior to the start of such leave of absence.

Your Employer will give you detailed information about the Family and Medical Leave Act of 1993, as amended.

HC-FED93 10-17

Uniformed Services Employment and Re-Employment Rights Act of 1994 (USERRA)

The Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) sets requirements for continuation of health coverage and re-employment in regard to an Employee's military leave of absence. These requirements apply to medical and dental coverage for you and your Dependents. They do not apply to any Life, Short-term or Long-term Disability or Accidental Death & Dismemberment coverage you may have.

Continuation of Coverage

For leaves of less than 31 days, coverage will continue as described in the Termination section regarding Leave of Absence.

For leaves of 31 days or more, you may continue coverage for yourself and your Dependents as follows:

You may continue benefits by paying the required premium to your Employer, until the earliest of the following:

- 24 months from the last day of employment with the Employer;
- the day after you fail to return to work; and
- the date the policy cancels.

Your Employer may charge you and your Dependents up to 102% of the total premium.

Following continuation of health coverage per USERRA requirements, you may convert to a plan of individual coverage according to any "Conversion Privilege" shown in your certificate.

Reinstatement of Benefits (applicable to all coverages)

If your coverage ends during the leave of absence because you do not elect USERRA or an available conversion plan at the expiration of USERRA and you are reemployed by your current Employer, coverage for you and your Dependents may be reinstated if you gave your Employer advance written or verbal notice of your military service leave, and the duration of all military leaves while you are employed with your current Employer does not exceed 5 years.

You and your Dependents will be subject to only the balance of a waiting period that was not yet satisfied before the leave began. However, if an Injury or Sickness occurs or is aggravated during the military leave, full Plan limitations will apply.

If your coverage under this plan terminates as a result of your eligibility for military medical and dental coverage and your order to active duty is canceled before your active duty service commences, these reinstatement rights will continue to apply.

HC-FED18 10-10

Claim Determination Procedures under ERISA

Procedures Regarding Medical Necessity Determinations

In general, health services and benefits must be Medically Necessary to be covered under the plan. The procedures for determining Medical Necessity vary, according to the type of service or benefit requested, and the type of health plan.

You or your authorized representative (typically, your health care professional) must request Medical Necessity determinations according to the procedures described below,

in the Certificate, and in your provider's network participation documents as applicable.

When services or benefits are determined to be not covered, you or your representative will receive a written description of the adverse determination, and may appeal the determination. Appeal procedures are described in the Certificate, in your provider's network participation documents as applicable, and in the determination notices.

Postservice Determinations

When you or your representative requests a coverage determination or a claim payment determination after services have been rendered, Cigna will notify you or your representative of the determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control Cigna will notify you or your representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request.

If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed and you or your representative must provide the specified information to Cigna within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and the determination period will resume on the date you or your representative responds to the notice.

Notice of Adverse Determination

Every notice of an adverse benefit determination will be provided in writing or electronically, and will include all of the following that pertain to the determination: the specific reason or reasons for the adverse determination; reference to the specific plan provisions on which the determination is based; a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary; a description of the plan's review procedures and the time limits applicable, including a statement of a claimant's rights to bring a civil action under section 502(a) of ERISA following an adverse benefit determination on appeal, if applicable; upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your claim, and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit; and in the case of a claim involving urgent care, a description of the expedited review process applicable to such claim.

HC-FED83 03-13

COBRA Continuation Rights Under Federal Law

For You and Your Dependents

What is COBRA Continuation Coverage?

Under federal law, you and/or your Dependents must be given the opportunity to continue health insurance when there is a "qualifying event" that would result in loss of coverage under the Plan. You and/or your Dependents will be permitted to continue the same coverage under which you or your Dependents were covered on the day before the qualifying event occurred, unless you move out of that plan's coverage area or the plan is no longer available. You and/or your Dependents cannot change coverage options until the next open enrollment period.

When is COBRA Continuation Available?

For you and your Dependents, COBRA continuation is available for up to 18 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your termination of employment for any reason, other than gross misconduct; or
- your reduction in work hours.

For your Dependents, COBRA continuation coverage is available for up to 36 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your death;
- your divorce or legal separation; or
- for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Who is Entitled to COBRA Continuation?

Only a "qualified beneficiary" (as defined by federal law) may elect to continue health insurance coverage. A qualified beneficiary may include the following individuals who were covered by the Plan on the day the qualifying event occurred: you, your spouse, and your Dependent children. Each qualified beneficiary has their own right to elect or decline COBRA continuation coverage even if you decline or are not eligible for COBRA continuation.

The following individuals are not qualified beneficiaries for purposes of COBRA continuation: domestic partners, grandchildren (unless adopted by you), stepchildren (unless adopted by you). Although these individuals do not have an independent right to elect COBRA continuation coverage, if you elect COBRA continuation coverage for yourself, you may also cover your Dependents even if they are not considered qualified beneficiaries under COBRA. However, such individuals' coverage will terminate when your COBRA continuation coverage terminates. The sections titled "Secondary Qualifying Events" and "Medicare Extension For Your Dependents" are not applicable to these individuals.

Secondary Qualifying Events

If, as a result of your termination of employment or reduction in work hours, your Dependent(s) have elected COBRA continuation coverage and one or more Dependents experience another COBRA qualifying event, the affected Dependent(s) may elect to extend their COBRA continuation coverage for an additional 18 months (7 months if the secondary event occurs within the disability extension period) for a maximum of 36 months from the initial qualifying event. The second qualifying event must occur before the end of the initial 18 months of COBRA continuation coverage or within the disability extension period discussed below. Under no circumstances will COBRA continuation coverage be available for more than 36 months from the initial qualifying event. Secondary qualifying events are: your death; your divorce or legal separation; or, for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Disability Extension

If, after electing COBRA continuation coverage due to your termination of employment or reduction in work hours, you or one of your Dependents is determined by the Social Security Administration (SSA) to be totally disabled under Title II or XVI of the SSA, you and all of your Dependents who have elected COBRA continuation coverage may extend such continuation for an additional 11 months, for a maximum of 29 months from the initial qualifying event.

To qualify for the disability extension, all of the following requirements must be satisfied:

- SSA must determine that the disability occurred prior to or within 60 days after the disabled individual elected COBRA continuation coverage; and
- A copy of the written SSA determination must be provided to the Plan Administrator within 60 calendar days after the date the SSA determination is made AND before the end of the initial 18-month continuation period.

If the SSA later determines that the individual is no longer disabled, you must notify the Plan Administrator within 30 days after the date the final determination is made by SSA. The 11-month disability extension will terminate for all covered persons on the first day of the month that is more than 30 days after the date the SSA makes a final determination that the disabled individual is no longer disabled.

All causes for "Termination of COBRA Continuation" listed below will also apply to the period of disability extension.

Medicare Extension for Your Dependents

When the qualifying event is your termination of employment or reduction in work hours and you became enrolled in Medicare (Part A, Part B or both) within the 18 months before the qualifying event, COBRA continuation coverage for your Dependents will last for up to 36 months after the date you became enrolled in Medicare. Your COBRA continuation coverage will last for up to 18 months from the date of your termination of employment or reduction in work hours.

Termination of COBRA Continuation

COBRA continuation coverage will be terminated upon the occurrence of any of the following:

- the end of the COBRA continuation period of 18, 29 or 36 months, as applicable;
- failure to pay the required premium within 30 calendar days after the due date;
- cancellation of the Employer's policy with Cigna;
- after electing COBRA continuation coverage, a qualified beneficiary enrolls in Medicare (Part A, Part B, or both);

- after electing COBRA continuation coverage, a qualified beneficiary becomes covered under another group health plan, unless the qualified beneficiary has a condition for which the new plan limits or excludes coverage under a pre-existing condition provision. In such case coverage will continue until the earliest of: the end of the applicable maximum period; the date the pre-existing condition provision is no longer applicable; or the occurrence of an event described in one of the first three bullets above;
- any reason the Plan would terminate coverage of a participant or beneficiary who is not receiving continuation coverage (e.g., fraud).

Employer's Notification Requirements

Your Employer is required to provide you and/or your Dependents with the following notices:

- An initial notification of COBRA continuation rights must be provided within 90 days after your (or your spouse's) coverage under the Plan begins (or the Plan first becomes subject to COBRA continuation requirements, if later). If you and/or your Dependents experience a qualifying event before the end of that 90-day period, the initial notice must be provided within the time frame required for the COBRA continuation coverage election notice as explained below.
- A COBRA continuation coverage election notice must be provided to you and/or your Dependents within the following timeframes:
  - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the loss of coverage, 44 days after loss of coverage under the Plan;
  - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the occurrence of a qualifying event, 44 days after the qualifying event occurs; or
  - in the case of a multi-employer plan, no later than 14 days after the end of the period in which Employers must provide notice of a qualifying event to the Plan Administrator.

How to Elect COBRA Continuation Coverage

The COBRA coverage election notice will list the individuals who are eligible for COBRA continuation coverage and inform you of the applicable premium. The notice will also include instructions for electing COBRA continuation coverage. You must notify the Plan Administrator of your election no later than the due date stated on the COBRA election notice. If a written election notice is required, it must be post-marked no later than the due date stated on the COBRA election notice. If you do not make proper notification by the due date shown on the notice, you and your Dependents will lose the right to elect COBRA continuation coverage. If you reject COBRA continuation coverage before the due date, you may change your mind as long as you furnish a completed election form before the due date.

Each qualified beneficiary has an independent right to elect COBRA continuation coverage. Continuation coverage may be elected for only one, several, or for all Dependents who are qualified beneficiaries. Parents may elect to continue coverage on behalf of their Dependent children. You or your spouse may elect continuation coverage on behalf of all the qualified beneficiaries. You are not required to elect COBRA continuation coverage in order for your Dependents to elect COBRA continuation.

How Much Does COBRA Continuation Coverage Cost?

Each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount may not exceed 102% of the cost to the group health plan (including both Employer and Employee contributions) for coverage of a similarly situated active Employee or family member. The premium during the 11-month disability extension may not exceed 150% of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated active Employee or family member.

For example: If the Employee alone elects COBRA continuation coverage, the Employee will be charged 102% (or 150%) of the active Employee premium. If the spouse or one Dependent child alone elects COBRA continuation coverage, they will be charged 102% (or 150%) of the active Employee premium. If more than one qualified beneficiary elects COBRA continuation coverage, they will be charged 102% (or 150%) of the applicable family premium.

When and How to Pay COBRA Premiums

First payment for COBRA continuation

If you elect COBRA continuation coverage, you do not have to send any payment with the election form. However, you must make your first payment no later than 45 calendar days after the date of your election. (This is the date the Election Notice is postmarked, if mailed.) If you do not make your first payment within that 45 days, you will lose all COBRA continuation rights under the Plan.

Subsequent payments

After you make your first payment for COBRA continuation coverage, you will be required to make subsequent payments of the required premium for each additional month of coverage. Payment is due on the first day of each month. If you make a payment on or before its due date, your coverage

under the Plan will continue for that coverage period without any break.

Grace periods for subsequent payments

Although subsequent payments are due by the first day of the month, you will be given a grace period of 30 days after the first day of the coverage period to make each monthly payment. Your COBRA continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period for that payment. However, if your payment is received after the due date, your coverage under the Plan may be suspended during this time. Any providers who contact the Plan to confirm coverage during this time may be informed that coverage has been suspended. If payment is received before the end of the grace period, your coverage will be reinstated back to the beginning of the coverage period. This means that any claim you submit for benefits while your coverage is suspended may be denied and may have to be resubmitted once your coverage is reinstated. If you fail to make a payment before the end of the grace period for that coverage period, you will lose all rights to COBRA continuation coverage under the Plan.

You Must Give Notice of Certain Qualifying Events

If you or your Dependent(s) experience one of the following qualifying events, you must notify the Plan Administrator within 60 calendar days after the later of the date the qualifying event occurs or the date coverage would cease as a result of the qualifying event:

- Your divorce or legal separation; or
- Your child ceases to qualify as a Dependent under the Plan.
- The occurrence of a secondary qualifying event as discussed under "Secondary Qualifying Events" above (this notice must be received prior to the end of the initial 18- or 29-month COBRA period).

(Also refer to the section titled "Disability Extension" for additional notice requirements.)

Notice must be made in writing and must include: the name of the Plan, name and address of the Employee covered under the Plan, name and address(es) of the qualified beneficiaries affected by the qualifying event; the qualifying event; the date the qualifying event occurred; and supporting documentation (e.g., divorce decree, birth certificate, disability determination, etc.).

Newly Acquired Dependents

If you acquire a new Dependent through marriage, birth, adoption or placement for adoption while your coverage is being continued, you may cover such Dependent under your COBRA continuation coverage. However, only your newborn or adopted Dependent child is a qualified beneficiary and may continue COBRA continuation coverage for the remainder of the coverage period following your early termination of COBRA coverage or due to a secondary qualifying event. COBRA coverage for your Dependent spouse and any Dependent children who are not your children (e.g., stepchildren or grandchildren) will cease on the date your COBRA coverage ceases and they are not eligible for a secondary qualifying event.

COBRA Continuation for Retirees Following Employer's Bankruptcy

If you are covered as a retiree, and a proceeding in bankruptcy is filed with respect to the Employer under Title 11 of the United States Code, you may be entitled to COBRA continuation coverage. If the bankruptcy results in a loss of coverage for you, your Dependents or your surviving spouse within one year before or after such proceeding, you and your covered Dependents will become COBRA qualified beneficiaries with respect to the bankruptcy. You will be entitled to COBRA continuation coverage until your death. Your surviving spouse and covered Dependent children will be entitled to COBRA continuation coverage for up to 36 months following your death. However, COBRA continuation coverage will cease upon the occurrence of any of the events listed under "Termination of COBRA Continuation" above.

Interaction With Other Continuation Benefits

You may be eligible for other continuation benefits under state law. Refer to the Termination section for any other continuation benefits.

Discretionary Authority

The Plan Administrator delegates to Cigna the discretionary authority to interpret and apply plan terms and to make factual determinations in connection with its review of claims under the plan. No consent of any participant is required to terminate, modify, amend or change the Plan.

Termination of the Plan together with termination of the insurance policy(s) which funds the Plan benefits will have no adverse effect on any benefits to be paid under the policy(s) for any covered medical expenses incurred prior to the date that policy(s) terminates. Likewise, any extension of benefits under the policy(s) due to you or your Dependent's total disability which began prior to and has continued beyond the date the policy(s) terminates will not be affected by the Plan termination. Rights to purchase limited amounts of life and medical insurance to replace part of the benefits lost because the policy(s) terminated may arise under the terms of the policy(s). A subsequent Plan termination will not affect the extension of benefits and rights under the policy(s).

Your coverage under the Plan's insurance policy(s) will end on the earliest of the following dates:

- the date you leave Active Service (or later as explained in the Termination Section;)
- the date you are no longer in an eligible class;
- if the Plan is contributory, the date you cease to contribute;
- the date the policy(s) terminates.

See your Plan Administrator to determine if any extension of benefits or rights are available to you or your Dependents under this policy(s). No extension of benefits or rights will be available solely because the Plan terminates.

Statement of Rights

As a participant in the plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

- examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure room of the Employee Benefits Security Administration.
- obtain, upon written request to the Plan Administrator, copies of documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

- receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each person under the Plan with a copy of this summary financial report.

Continue Group Health Plan Coverage

- continue health care coverage for yourself, your spouse or Dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your Dependents may have to pay for such coverage. Review the documents governing the Plan on the rules governing your federal continuation coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA. If your claim for a welfare benefit is denied or ignored you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Enforce Your Rights

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of documents governing the plan or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to $110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court.

In addition, if you disagree with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
