II. Introduction To Your Cigna Dental Plan

Welcome to the Cigna Dental Plan. We encourage you to use your dental benefits. Please note that enrollment in the Dental Plan allows the release of patient records to Cigna Dental or its designee for health plan operation purposes.

III. Eligibility/When Coverage Begins

To enroll in the Dental Plan, you and your Dependents must be able to seek treatment for Covered Services within a Cigna Dental Service Area. For the most current information on network dental offices in your area, search the online directory at www.cigna.com or call the Dental Office Locator at 1.800.Cigna24. Other eligibility requirements are determined by your Group.

If you enrolled in the Dental Plan before the effective date of your Group Contract, you will be covered on the first day the Group Contract is effective. If you enrolled in the Dental Plan after the effective date of the Group Contract, you will be covered on the first day of the month following processing of your enrollment (unless effective dates other than the first day of the month are provided for in your Group Contract).

Dependents may be enrolled in the Dental Plan at the time you enroll, during an open enrollment, or within 31 days of becoming eligible due to a life status change such as marriage, birth, adoption, placement, or court or administrative order. An adopted child shall be eligible for coverage from the date

of adoptive or parental placement in your home. You may drop coverage for your Dependents only during the open enrollment periods for your Group, unless there is a change in status such as divorce. Cigna Dental may require evidence of good dental health at your expense if you or your Dependents enroll after the first period of eligibility (except during open enrollment) or after disenrollment because of nonpayment of Premiums.

If you have family coverage, a newborn child is automatically covered during the first 31 days of life. If you wish to continue coverage beyond the first 31 days, your baby must be enrolled in the Dental Plan and you must begin paying Premiums, if any additional are due, during that period.

Under the Family and Medical Leave Act of 1993, you may be eligible to continue coverage during certain leaves of absence from work. During such leaves, you will be responsible for paying your Group the portion of the Premiums, if any, which you would have paid if you had not taken the leave. Additional information is available through your Benefits Representative.

IV. Your Cigna Dental Coverage

The information below outlines your coverage and will help you to better understand your Dental Plan. Included is information about which services are covered, which are not, and how much dental services will cost you. A copy of the Group Contract will be furnished to you upon your request.

A. Customer Service

If you have any questions or concerns about the Dental Plan, Customer Service Representatives are just a toll-free phone call away. They can explain your benefits or help with matters regarding your Dental Office or Dental Plan. For assistance with transfers, specialty referrals, eligibility, second opinions, emergencies, Covered Services, plan benefits, ID cards, location of Dental Offices, conversion coverage or other matters, call Customer Service from any location at 1.800.Cigna24. The hearing impaired may contact the state TTY toll-free relay service number listed in their local telephone directory.

B. Premiums

Your Group sends a monthly fee to Cigna Dental for customers participating in the Dental Plan. The amount

and term of this fee is set forth in your Group Contract. You may contact your Benefits Representative for information regarding any part of this fee to be withheld from your salary or to be paid by you to the Group.

C. Other Charges – Patient Charges

Network General Dentists are typically reimbursed by Cigna Dental through fixed monthly payments and supplemental payments for certain procedures. No bonuses or financial incentives are used as an inducement to limit services. Network Dentists are also compensated by the fees which you pay, as set out in your Patient Charge Schedule.

Your Patient Charge Schedule lists the dental procedures covered under your Dental Plan. Some dental procedures are covered at no charge to you. For other Covered Services, the Patient Charge Schedule lists the fees you must pay when you visit your Dental Office. There are no deductibles and no annual dollar limits for services covered by your Dental Plan.

Your Network General Dentist should tell you about Patient Charges for Covered Services, the amount you must pay for non-Covered Services and the Dental Office's payment policies. Timely payment is important. It is possible that the Dental Office may add late charges to overdue balances.

Your Patient Charge Schedule is subject to annual change in accordance with your Group Contract. Cigna Dental will give written notice to your Group of any change in Patient Charges at least 60 days prior to such change. You will be responsible for the Patient Charges listed on the Patient Charge Schedule that is in effect on the date a procedure is started.

D. Choice of Dentist

You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise Cigna Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when Cigna Dental otherwise approves payment for out-of-network benefits.

You may select a network Pediatric Dentist as the Network General Dentist for your dependent child under age 13 by calling Customer Service at 1.800.Cigna24 to get a list of network Pediatric Dentists in your Service

Area or if your Network General Dentist sends your child under the age of 13 to a network Pediatric Dentist, the network Pediatric Dentist's office will have primary responsibility for your child's care. For children 13 years and older, your Network General Dentist will provide care. If your child continues to visit the Pediatric Dentist upon the age of 13, you will be fully responsible for the Pediatric Dentist's Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, Cigna Dental will let you know and will arrange a transfer to another Dental Office. Refer to the Section titled "Office Transfers" if you wish to change your Dental Office.

To obtain a list of Dental Offices near you, visit our website at www.cigna.com, or call the Dental Office Locator at 1.800.Cigna24. It is available 24 hours a day, 7 days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Customer Service.

E. Your Payment Responsibility (General Care)

For Covered Services at your Dental Office, you will be charged the fees listed on your Patient Charge Schedule. For services listed on your Patient Charge Schedule at any other dental office, you may be charged Usual Fees. For non-Covered Services, you are responsible for paying Usual Fees.

If, on a temporary basis, there is no Network General Dentist in your Service Area, Cigna Dental will let you know and you may obtain Covered Services from a non-Network Dentist. You will pay the non-Network Dentist the applicable Patient Charge for Covered Services. Cigna Dental will pay the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge.

See Section IX, *Specialty Referrals*, regarding payment responsibility for specialty care.

All contracts between Cigna Dental and Network Dentists state that you will not be liable to the Network Dentist for any sums owed to the Network Dentist by Cigna Dental.

F. Emergency Dental Care - Reimbursement

An emergency is a dental condition of recent onset and severity which would lead a prudent layperson possessing an average knowledge of dentistry to believe the condition needs immediate dental procedures necessary to control excessive bleeding, relieve severe pain, or eliminate acute infection. You should contact your Network General Dentist if you have an emergency in your Service Area.

1. Emergency Care Away From Home

If you have an emergency while you are out of your Service Area or you are unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above from any general dentist. Routine restorative procedures or definitive treatment (e.g. root canal) are not considered emergency care. You should return to your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Patient Charges listed on your Patient Charge Schedule. Cigna Dental will reimburse you the difference, if any, between the dentist's Usual Fee for emergency Covered Services and your Patient Charge, up to a total of \$50 per incident. To receive reimbursement, send appropriate reports and x-rays to Cigna Dental at the address listed for your state on the front of this booklet.

Cigna Dental will acknowledge your claim for emergency services within 15 days and accept, deny, or request additional information within 15 business days of receipt. If Cigna Dental accepts your claim, reimbursement for all appropriate emergency services will be made within 5 days of acceptance.

2. Emergency Care After Hours

There is a Patient Charge listed on your Patient Charge Schedule for emergency care rendered after regularly scheduled office hours. This charge will be in addition to other applicable Patient Charges.

G. Limitations on Covered Services

Listed below are limitations on services when covered by your Dental Plan:

- **Frequency** - The frequency of certain Covered Services, like cleanings, is limited. Your Patient Charge Schedule lists any limitations on frequency.

- **Pediatric Dentistry** - Coverage for treatment by a Pediatric Dentist ends on your child's 13th birthday. Effective on your child's 13th birthday, dental services must be obtained from a Network General Dentist however, exceptions for medical reasons may be considered on an individual basis.

- **Prosthesis Over Implant** - When covered on the Patient Charge Schedule, a prosthetic device, supported by an implant or implant abutment is considered a separate distinct service(s) from surgical placement of an implant. Replacement of any type of prosthesis with a prosthesis supported by an implant or implant abutment is only covered if the existing prosthesis is at least 5 calendar years old, is not serviceable and cannot be repaired.

V. Appointments

To make an appointment with your Network Dentist, call the Dental Office that you have selected. When you call, your Dental Office will ask for your identification number and will check your eligibility.

VI. Broken Appointments

The time your Network Dentist schedules for your appointment is valuable to you and the dentist. Broken appointments make it difficult for your Dental Office to schedule time with other patients.

If you or your enrolled Dependent breaks an appointment with less than 24 hours notice to the Dental Office, you may be charged a broken appointment fee.

VII. Office Transfers

If you decide to change Dental Offices, we can arrange a transfer. You should complete any dental procedure in progress before transferring to another Dental Office. To arrange a transfer, call Customer Service at 1.800.Cigna24. To obtain a list of Dental Offices near you, visit our website at www.cigna.com, or call the Dental Office Locator at 1.800.Cigna24.

Your transfer request may take up to 5 days to process. Transfers will be effective the first day of the month after the processing of your request. Unless you have an emergency, you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective. You can check the status of your request by visiting www.cigna.com, or by calling us at 1.800.Cigna24.

There is no charge to you for the transfer; however, all Patient Charges which you owe to your current Dental Office must be paid before the transfer can be processed.

VIII. Specialty Care

Your Network General Dentist at your Dental Office has primary responsibility for your professional dental care. Because you may need specialty care, the Cigna Dental Network includes the following types of specialty dentists:

- Pediatric Dentists – children’s dentistry.
- Endodontists – root canal treatment.
- Periodontists – treatment of gums and bone.
- Oral Surgeons – complex extractions and other surgical procedures.
- Orthodontists – tooth movement.

There is no coverage for referrals to prosthodontists or other specialty dentists not listed above.

When specialty care is needed, your Network General Dentist must start the referral process. X-rays taken by your Network General Dentist should be sent to the Network Specialty Dentist.

See Section IV.D, *Choice of Dentist*, regarding treatment by a Pediatric Dentist.

IX. Specialty Referrals

A. In General

Preauthorization is not required for coverage of services by a Network Specialty Dentist.

When Cigna Dental approves payment to the Network Specialty Dentist, the fees or no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in Section IX.B., Orthodontics. Treatment by the Network Specialty Dentist must begin within 90 days from the date of Cigna Dental's approval. If you are unable to obtain treatment within the 90 day period, please call Customer Service to request an extension. Your coverage must be in effect when each procedure begins.

For non-Covered Services or if Cigna Dental does not approve payment to the Network Specialty Dentist for Covered Services, including Adverse Determinations, you must pay the Network Specialty Dentist's Usual Fee. If you have a question or concern regarding an approval or a denial, contact Customer Service.

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, it will be your responsibility to pay for treatment at the dentist's Usual Fees.

When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available, as determined by Cigna Dental, Cigna Dental will approve a referral to a non-Network Specialty Dentist. The referral procedures applicable to specialty care will apply. In such cases, you will be responsible for the applicable Patient Charge for Covered Services. Cigna Dental will reimburse the non-Network Dentist the difference, if any, between his or her Usual Fee and the

applicable Patient Charge. For non-Covered Services or services not authorized for payment, including Adverse Determinations, you must pay the dentist's Usual Fee. You are not required to pay the Network Specialty Dentist Usual Fee for Covered Services received from a Network Specialty Dentist if the dentist fails to obtain authorization for the services or for services related to an Adverse Determination until all appeals have been exhausted.

B. Orthodontics

(This section is applicable only when Orthodontics is listed on your Patient Charge Schedule.)

1. **Definitions** – If your Patient Charge Schedule indicates coverage for orthodontic treatment, the following definitions apply:
 - a. **Orthodontic Treatment Plan and Records** – the preparation of orthodontic records and a treatment plan by the Orthodontist.
 - b. **Interceptive Orthodontic Treatment** – treatment prior to full eruption of the permanent teeth, frequently a first phase preceding comprehensive treatment.
 - c. **Comprehensive Orthodontic Treatment** – treatment after the eruption of most permanent teeth, generally the final phase of treatment before retention.
 - d. **Retention (Post Treatment Stabilization)** – the period following orthodontic treatment during which you may wear an appliance to maintain and stabilize the new position of the teeth.

2. Patient Charges

The Patient Charge for your entire orthodontic case, including retention, will be based upon the Patient Charge Schedule in effect on the date of your visit for Treatment Plan and Records. However, if a. banding/appliance insertion does not occur within 90 days of such visit, b. your treatment plan changes, or c. there is an interruption in your coverage or treatment, a later change in the Patient Charge Schedule may apply.

The Patient Charge for Orthodontic Treatment is based upon 24 months of interceptive and/or comprehensive treatment. If you require more than 24 months of treatment in total, you will be charged an additional amount for each additional month of treatment, based upon the Orthodontist's Contract

Fee. If you require less than 24 months of treatment, your Patient Charge will be reduced on a pro-rated basis.

3. Additional Charges

You will be responsible for the Orthodontist's Usual Fees for the following non-Covered Services:

- a. incremental costs associated with optional/elective materials, including but not limited to ceramic, clear, lingual brackets, or other cosmetic appliances;
- b. orthognathic surgery and associated incremental costs;
- c. appliances to guide minor tooth movement;
- d. appliances to correct harmful habits; and
- e. services which are not typically included in Orthodontic Treatment. These services will be identified on a case-by-case basis.

4. Orthodontics In Progress

If Orthodontic Treatment is in progress for you or your Dependent at the time you enroll, the fee listed on the Patient Charge Schedule is not applicable. Please call Customer Service at 1.800.Cigna24 to find out if you are entitled to any benefit under the Dental Plan.

X. Complex Rehabilitation/Multiple Crown Units

Complex rehabilitation is extensive dental restoration involving 6 or more "units" of crown, bridge and/or implant supported prosthesis (including crowns and bridges) in the same treatment plan. Using full crowns (caps), fixed bridges and/or implant supported prosthesis (including crowns and bridges) which are cemented in place, your Network General Dentist will rebuild natural teeth, fill in spaces where teeth are missing and establish conditions which allow each tooth to function in harmony with the occlusion (bite). The extensive procedures involved in complex rehabilitation require an extraordinary amount of time, effort, skill and laboratory collaboration for a successful outcome.

Complex rehabilitation will be covered when performed by your Network General Dentist after consultation with you about diagnosis, treatment plan and charges. Each tooth or tooth replacement included in the treatment plan is referred to

as a "unit" on your Patient Charge Schedule. The crown, bridge and/or implant supported prosthesis (including crowns and bridges) charges on your Patient Charge Schedule are for each unit of crown or bridge. You pay the per unit charge for each unit of crown, bridge and/or implant supported prosthesis (including crowns and bridges) PLUS an additional charge for each unit when 6 or more units are prescribed in your Network General Dentist's treatment plan.

Note: Complex rehabilitation only applies for implant supported prosthesis, when implant supported prosthesis are specifically listed on your Patient Charge Schedule.

XI. What To Do If There Is A Problem

For the purposes of this section, any reference to "you" or "your" also refers to a representative or dentist designated by you to act on your behalf.

Most problems can be resolved between you and your dentist. However, we want you to be completely satisfied with the Dental Plan. That is why we have established a process for addressing your concerns and complaints. The complaint procedure is voluntary and will be used only upon your request.

A. Start with Customer Service

We are here to listen and to help. If you have a concern about your Dental Office or the Dental Plan, you can call 1.800.Cigna24 toll-free and explain your concern to one of our Customer Service Representatives. You can also express that concern in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047. We will do our best to resolve the matter during your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, usually by the end of the next business day, but in any case within 30 days.

If you are not satisfied with the results of a coverage decision, you may start the appeals procedure.

B. Appeals Procedure

Cigna Dental has a two-step appeals procedure for coverage decisions. To initiate an appeal, you must submit a request in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047, within 1 year from the date of the initial Cigna Dental decision. You should state the reason you feel your appeal should be approved and include any information to support your

appeal. If you are unable or choose not to write, you may ask Customer Service to register your appeal by calling 1.800.Cigna24.

Complaints regarding adverse decisions are referred to as reconsiderations under Virginia law. Network dentists may request reconsiderations on your behalf, with your permission. Resolutions to requests for reconsideration of adverse decisions will be communicated to you within 10 business days of Cigna Dental receiving the request.

1. Level-One Appeals

Your level-one appeal will be reviewed and the decision made by someone not involved in the initial review. Appeals involving dental necessity or clinical appropriateness will be reviewed by a dental professional.

If your appeal concerns a denied pre-authorization, we will respond with a decision within 15 calendar days after we receive your appeal. For appeals concerning all other coverage issues, we will respond with a decision within 30 calendar days after we receive your appeal. If we need more time or information to make the decision, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, Cigna Dental will respond orally with a decision within 72 hours, followed up in writing.

If you are not satisfied with our level-one appeal decision, you may request a level-two appeal.

2. Level-Two Appeals

To initiate a level-two appeal, follow the same process required for a level-one appeal. Level-two appeals will be conducted by an Appeals Committee consisting of at least 3 people. Anyone involved in the prior decision may not vote on the Appeals Committee. For appeals involving dental necessity or clinical appropriateness, the Appeals Committee will include at least one dentist. If specialty care is in

dispute, the Appeals Committee will consult with a dentist in the same or similar specialty as the care under review.

Cigna Dental will acknowledge your appeal in writing within 5 business days and schedule an Appeals Committee review. The acknowledgment letter will include the name, address, and telephone number of the Appeals Coordinator. We may request additional information at that time. If your appeal concerns a denied pre-authorization, the Appeals Committee review will be completed within 15 calendar days. For appeals concerning all other coverage issues, the Appeals Committee review will be completed within 30 calendar days. If we need more time or information to complete the review, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed by the Appeals Committee to complete the review.

You may present your appeal to the Appeals Committee in person or by conference call. You must advise Cigna Dental 5 days in advance if you or your representative plan to attend in person. You will be notified in writing of the Appeals Committee's decision within 5 business days after the meeting. The decision will include the specific contractual or clinical reasons for the decision, as applicable.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, the Dental Plan will respond orally with a decision within 72 hours, followed up in writing.

3. Appeals to the State

You have the right to contact the Virginia Bureau of Insurance and/or Department of Health for assistance at any time.

Cigna Dental will not cancel or refuse to renew your coverage because you or your Dependent has filed a complaint or an appeal involving a decision made by Cigna Dental. You have the right to file suit in a court of law for any claim involving the professional treatment performed by a dentist.

XII. Dual Coverage

You and your Dependents may not be covered twice under this Dental Plan. If you and your spouse have enrolled each other or the same Dependents twice, please contact your Benefit Administrator.

If you or your Dependents have dental coverage through your spouse's employer or other sources such as an HMO or similar dental plan, applicable coordination of benefit rules will determine which coverage is primary or secondary. In most cases, the plan covering you as an employee is primary for you, and the plan covering your spouse as an employee is primary for him or her. Your children are generally covered as primary by the plan of the parent whose birthday occurs earlier in the year. Dual coverage should result in lowering or eliminating your out-of-pocket expenses. It should not result in reimbursement for more than 100% of your expenses.

Under Virginia law, Cigna Dental may not subrogate your right to recover excess benefits. Under Coordination of Benefits rules, when we are secondary, our payments will be based on the balance left after the primary plan has paid. We will pay no more than that balance. In no event will we pay more than we would have paid had we been primary.

Coordination of benefit rules are included for reference. Cigna Dental coordinates benefits only for specialty care services.

XIII. Disenrollment From the Dental Plan –Termination of Benefits

A. Time Frames for Disenrollment/Termination

Except as otherwise provided in the sections titled "Extension/Continuation of Benefits" or in your Group Contract, disenrollment from the Dental Plan and termination of benefits will occur on the last day of the month:

1. In which Premiums are not remitted to Cigna Dental.
2. There will be a 31-day grace period for the payment of any premium falling due after the first premium, during which coverage shall remain in effect. Coverage shall remain in effect during the grace period unless the Group gives Cigna Dental written notice of termination in accordance with the terms of

the Group Contract and in advance of the date of termination. The contract holder may be responsible for payment of a prorated Premium for the time the coverage was in force during the grace period.

3. After 31 days notice from Cigna Dental due to the failure to meet eligibility requirements.
4. After voluntary disenrollment.

B. Effect on Dependents

When one of your Dependents is disenrolled, you and your other Dependents may continue to be enrolled. When you are disenrolled, your Dependents will be disenrolled as well.

XIV. Extension of Benefits

Coverage for completion of a dental procedure (other than orthodontics) which was started before your disenrollment from the Dental Plan will be extended for 90 days after disenrollment unless disenrollment was due to nonpayment of Premiums.

Coverage for orthodontic treatment which was started before disenrollment from the Dental Plan will be extended to the end of the quarter or for 60 days after disenrollment, whichever is later, unless disenrollment was due to nonpayment of Premiums.

XV. Continuation of Benefits (COBRA)

For Groups with 20 or more employees, federal law requires the employer to offer continuation of benefits coverage for a specified period of time after termination of employment or reduction of work hours, for any reason other than gross misconduct. You will be responsible for sending payment of the required Premiums to the Group. Additional information is available through your Benefits Representative.

XVI. Conversion Coverage

If you are no longer eligible for coverage under your Group's Dental Plan, you and your enrolled Dependents may continue your dental coverage by enrolling in the Cigna Dental conversion plan. You must enroll within three (3) months after becoming ineligible for your Group's Dental Plan. Premium

payments and coverage will be retroactive to the date coverage under your Group's Dental Plan ended. You and your enrolled Dependents are eligible for conversion coverage unless benefits were discontinued due to:

- Permanent breakdown of the dentist-patient relationship,
- Fraud or misuse of dental services and/or Dental Offices,
- Nonpayment of Premiums by the Subscriber,
- Selection of alternate dental coverage by your Group, or
- Lack of network/Service Area.

Benefits and rates for Cigna Dental conversion coverage and any succeeding renewals will be based on the Covered Services listed in the then-current standard conversion plan and may not be the same as those for your Group's Dental Plan. Please call the Cigna Dental Conversion Department at 1.800.Cigna24 to obtain current rates and make arrangements for continuing coverage.

If notice is not given in that time, the claim will not be invalidated or reduced if it is shown that written notice was given as soon as was reasonably possible.

F. Claim Forms - When the Insurance Company receives the notice of claim, it will give to the claimant, or to the Group for the claimant, the claim forms it uses for filing proof of loss. If the claimant does not get these claim forms within 15 days after the Insurance Company receives notice of claim, he will be considered to have met the proof of loss requirements if he submits written proof of loss within 90 days after the date of loss. Coordination of Services and Benefits

Applicability: This Coordination of Benefits (COB) provision applies when a Covered Person has health care coverage under more than one Plan. ("Plan" is defined below.)

If a Covered Person is covered by this Contract and another Plan, the Order of Benefit Determination Rules described below determine whether this Contract or the other Plan is Primary. The benefits of this Contract:

1. shall not be coordinated when, under the Order of Benefit Determination Rules, this Contract is Primary; but
2. may be coordinated for the Reasonable Cash Value of any service provided under this Contract that may be recovered from another Plan when, under the Order of Benefit Determination Rules, the other Plan is Primary. (The above reduction is described in the subsection below entitled "Effect on the Benefits of this Plan.")

Definitions: "Plan" means this Contract or any of the following which provides benefits or services for, or because of, dental care or treatment:

1. Group insurance or group-type coverage, whether insured or uninsured. This includes prepayment or group practice coverage.
2. Coverage under a governmental plan or coverage required or provided by law. This does not include a state plan under Medicaid (Title XIX of the United States Social Security Act, as amended from time to time). It also does not include any plan when, by law, its benefits are excess to those of any private insurance program or other non-governmental program.
3. Dental benefits coverage of all group and group-type contracts.

"Plan" does not include coverage under individual policies or contracts. Each contract or other arrangement for coverage under subparagraphs 1, 2, or 3 above is a separate Plan. Also, if an arrangement has two parts and COB rules apply only to one of the two, each of the parts is a separate Plan.

"Primary" means that a Plan's benefits are to be provided or paid without considering any other Plan's benefits. (The Order of Benefit Determination Rules below determine whether a Plan is Primary or Secondary to another Plan.)

"Secondary" means that a Plan's benefits may be coordinated and it may recover the Reasonable Cash Value of the services it provided from the Primary Plan. (The Order of Benefit Determination Rules below determine whether a Plan is Primary or Secondary to another Plan.)

"Allowable Expense" means a necessary, reasonable, and customary item of expense for dental care, when the item of expense is covered at least in part by one or more Plans covering the person for whom the claim is made.

1. When a Plan provides benefits in the form of services, the Reasonable Cash Value of each service rendered is an Allowable Expense and a benefit paid.
2. When benefits are coordinated under a Primary Plan because a Covered Person does not comply with the Plan provisions, the amount of such reduction will not be considered an Allowable Expense.

"Claim Determination Period" means a calendar year. However, it does not include any part of a year during which a Covered Person has no coverage under this Plan, or any part of a year before the date this COB provision or a similar provision takes effect.

"Reasonable Cash Value" means an amount which a duly licensed provider of dental care services usually charges patients and which is within the range of fees usually charged for the same service by other dental care providers located within the immediate geographic area where the dental care service is rendered under similar or comparable circumstances.

Order of Benefit Determination Rules: When a Covered Person receives services through this Plan or is otherwise entitled to claim benefits under this Plan, and the services or benefits are a basis for a claim under another Plan, this Plan shall be Secondary and the other Plan shall be Primary, unless:

1. the other Plan has rules coordinating its benefits with those of this Plan; and

2. both the other Plan's rules and this Plan's rules, as stated below, require that this Plan's benefits be determined before those of the other Plan.

This Plan determines its Order of Benefits using the first of the following rules that applies:

1. The Plan under which the Covered Person is an employee shall be Primary.
2. If the Covered Person is not an employee under a Plan, then the Plan which covers the Covered Person's parent (as an employee) whose birthday occurs earlier in a calendar year shall be Primary.

NOTE: The word "birthday" as used in this subparagraph refers only to month and day in a calendar year, not to the year in which the person was born. To aid in the interpretation of this paragraph, the following example is given: If a Covered Person's mother has a birthday on January 1 and the Covered Person's father has a birthday on January 2, the Plan which covers the Covered Person's mother would be Primary.

3. If two or more Plans cover a Covered Person as a dependent child of divorced or separated parents, benefits for the Covered Person shall be determined in the following order:
 - a. First, the Plan of the parent with custody of the child;
 - b. Then, the Plan of the spouse of the parent with custody of the child; and
 - c. Finally, the Plan of the parent not having custody of the child.
4. Notwithstanding subparagraph 3 above, if the specific terms of a court decree state that one of the parents is responsible for the health care expenses of the child, and the entity obligated to pay or provide the benefits of the Plan of that parent has actual knowledge of those terms, the benefits of that Plan shall be Primary. This subparagraph 4 does not apply with respect to any Claim Determination Period or Plan year in which benefits are paid or provided before the entity has that actual knowledge.
5. The benefits of a Plan which covers a Covered Person as an employee (or as that employee's dependent) shall be determined before those of a Plan which covers that Covered Person as a laid off or retired employee (or as that employee's dependent). If the other Plan does not have this provision and if, as a result, the Plans do not agree on the order of benefit determination, this paragraph shall not apply.
6. If a Covered Person whose coverage is provided under a right of continuation pursuant to federal or state law is also

covered under another Plan, the benefits of the Plan covering the Covered Person as an employee (or as that employee's dependent) shall be determined before those of a Plan under continuation coverage. If the other Plan does not have this provision and if, as a result, the Plans do not agree on the order of benefit determination, this paragraph shall not apply.

7. If one of the Plans which covers a Covered Person is issued out of the state whose laws govern this Contract and determines the order of benefits based upon the gender of a parent, and as result, the Plans do not agree on the order of benefit determination, the Plan with the gender rules shall determine the order of benefits.
8. If none of the above rules determines the order of benefits, the Plan which has covered the Covered Person for the longer period of time shall be Primary.

Effect on the Benefits of this Plan: This subsection applies when, in accordance with the Order of Benefit Determination Rules, this Plan is Secondary to one or more other Plans. In that event, the benefits of this Plan may be coordinated under this subsection. Such other Plan or Plans are referred to as "the other Plans" in the subparagraphs below.

This Plan may coordinate benefits payable or may recover the Reasonable Cash Value of services provided when the sum of:

1. The benefits that would be payable for the Allowable Expenses under this Plan, in the absence of this COB provision; and
2. The benefits that would be payable for the Allowable Expenses under the other Plans, in the absence of provisions with a purpose like that of this COB provision, whether or not claim is made, exceeds those Allowable Expenses in a Claim Determination Period. In that case, the benefits of this Plan will be coordinated, or the Reasonable Cash Value of any services provided by this Plan may be recovered from the other Plan, so that they and the benefits payable under the other Plans do not total more than those Allowable Expenses.

When the benefits of this Plan are coordinated as described above, each benefit is coordination in proportion. It is then charged against any applicable benefit limit of this Plan.

Recovery of Excess Benefits: In the event a service or benefit is provided by Cigna Dental Health which is not required by this Contract, or if it has provided a service or benefit which should have been paid by the Primary Plan, that service or benefit shall be considered an excess benefit. Cigna Dental Health shall have the right to recover to the extent of the

excess benefit. If the excess benefit is a service, recovery shall be based upon the Reasonable Cash Value for that service. If the excess benefit is a payment, recovery shall be based upon the actual payment made. Recovery may be sought from among one or more of the following, as Cigna Dental Health shall determine: any person to, or for, or with respect to whom, such services were provided or such payments were made; any insurance company; health care plan or other organization. This right of recovery shall be Cigna Dental Health's alone and at its sole discretion. If determined necessary by Cigna Dental Health, the Covered Person (or his or her legal representative if a minor or legally incompetent), upon request, shall execute and deliver to Cigna Dental Health such instruments and papers required and do whatever else is necessary to secure Cigna Dental Health's rights hereunder.

Medicare Benefits: Except as otherwise provided by applicable federal law, the services and benefits under this Plan for Covered Persons aged sixty-five (65) and older, or for Covered Persons otherwise eligible for Medicare payments, shall not duplicate any services or benefits to which such Covered Persons are eligible under Parts A or B of the Medicare Act. Where Medicare is the responsible payor, all amounts payable pursuant to the Medicare program for services and benefits provided hereunder to Covered Persons are payable to and shall be retained by Cigna Dental Health. Covered Persons enrolled in Medicare shall cooperate with and assist Cigna Dental Health in its efforts to obtain reimbursement from Medicare.

Right to Receive and Release Information: Cigna Dental Health may, without consent of or notice to any Covered Person, and to the extent permitted by law, release to or obtain from any person or organization or governmental entity any information with respect to the administering of this Section. A Covered Person shall provide to Cigna Dental Health any information it requests to implement this provision.

Qualified Medical Child Support Order (QMCSO)

Eligibility for Coverage Under a QMCSO

If a Qualified Medical Child Support Order (QMCSO) is issued for your child, that child will be eligible for coverage as required by the order and you will not be considered a Late Entrant for Dependent Insurance.

You must notify your Employer and elect coverage for that child, and yourself if you are not already enrolled, within 31 days of the QMCSO being issued.

Qualified Medical Child Support Order Defined

A Qualified Medical Child Support Order is a judgment, decree or order (including approval of a settlement agreement) or administrative notice, which is issued pursuant to a state domestic relations law (including a community property law), or to an administrative process, which provides for child support or provides for health benefit coverage to such child and relates to benefits under the group health plan, and satisfies all of the following:

- the order recognizes or creates a child's right to receive group health benefits for which a participant or beneficiary is eligible;
- the order specifies your name and last known address, and the child's name and last known address, except that the name and address of an official of a state or political subdivision may be substituted for the child's mailing address;
- the order provides a description of the coverage to be provided, or the manner in which the type of coverage is to be determined;
- the order states the period to which it applies; and
- if the order is a National Medical Support Notice completed in accordance with the Child Support Performance and Incentive Act of 1998, such Notice meets the requirements above.

The QMCSO may not require the health insurance policy to provide coverage for any type or form of benefit or option not otherwise provided under the policy, except that an order may require a plan to comply with State laws regarding health care coverage.

Payment of Benefits

Any payment of benefits in reimbursement for Covered Expenses paid by the child, or the child's custodial parent or legal guardian, shall be made to the child, the child's custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the child.

Effect of Section 125 Tax Regulations on This Plan

Your Employer has chosen to administer this Plan in accordance with Section 125 regulations of the Internal Revenue Code. Per this regulation, you may agree to a pretax salary reduction put toward the cost of your benefits. Otherwise, you will receive your taxable earnings as cash (salary).

A. Coverage elections

Per Section 125 regulations, you are generally allowed to enroll for or change coverage only before each annual benefit period. However, exceptions are allowed:

- if your Employer agrees, and you meet the criteria shown in the following Sections B through F and enroll for or change coverage within the time period established by your Employer.

B. Change of status

A change in status is defined as:

- change in legal marital status due to marriage, death of a spouse, divorce, annulment or legal separation;
- change in number of Dependents due to birth, adoption, placement for adoption, or death of a Dependent;
- change in employment status of Employee, spouse or Dependent due to termination or start of employment, strike, lockout, beginning or end of unpaid leave of absence, including under the Family and Medical Leave Act (FMLA), or change in worksite;
- changes in employment status of Employee, spouse or Dependent resulting in eligibility or ineligibility for coverage;
- change in residence of Employee, spouse or Dependent to a location outside of the Employer's network service area; and
- changes which cause a Dependent to become eligible or ineligible for coverage.

C. Court order

A change in coverage due to and consistent with a court order of the Employee or other person to cover a Dependent.

D. Medicare or Medicaid eligibility/entitlement

The Employee, spouse or Dependent cancels or reduces coverage due to entitlement to Medicare or Medicaid, or enrolls or increases coverage due to loss of Medicare or Medicaid eligibility.

E. Change in cost of coverage

If the cost of benefits increases or decreases during a benefit period, your Employer may, in accordance with plan terms, automatically change your elective contribution.

When the change in cost is significant, you may either increase your contribution or elect less-costly coverage. When a significant overall reduction is made to the benefit option you have elected, you may elect another available benefit option. When a new benefit option is added, you may change your election to the new benefit option.

F. Changes in coverage of spouse or Dependent under another employer's plan

You may make a coverage election change if the plan of your spouse or Dependent: incurs a change such as adding or deleting a benefit option; allows election changes due to Change in Status, Court Order or Medicare or Medicaid Eligibility/Entitlement; or this Plan and the other plan have different periods of coverage or open enrollment periods.

Eligibility for Coverage for Adopted Children

Any child who is adopted by you, including a child who is placed with you for adoption, will be eligible for Dependent Insurance, if otherwise eligible as a Dependent, upon the date of placement with you. A child will be considered placed for adoption when you become legally obligated to support that child, totally or partially, prior to that child's adoption.

Reinstatement of Canceled Insurance Following Leave

Upon your return to Active Service following a leave of absence that qualifies under the Family and Medical Leave Act of 1993, as amended, any canceled insurance (health, life or disability) will be reinstated as of the date of your return.

You will not be required to satisfy any eligibility or benefit waiting period to the extent that they had been satisfied prior to the start of such leave of absence.

Your Employer will give you detailed information about the Family and Medical Leave Act of 1993, as amended.

These requirements apply to medical and dental coverage for you and your Dependents. They do not apply to any Life, Short-term or Long-term Disability or Accidental Death & Dismemberment coverage you may have.

Continuation of Coverage

For leaves of less than 31 days, coverage will continue as described in the Termination section regarding Leave of Absence.

For leaves of 31 days or more, you may continue coverage for yourself and your Dependents as follows:

You may continue benefits by paying the required premium to your Employer, until the earliest of the following:

- 24 months from the last day of employment with the Employer;
- the day after you fail to return to work; and
- the date the policy cancels.

Your Employer may charge you and your Dependents up to 102% of the total premium.

Reinstatement of Benefits (applicable to all coverages)

If your coverage ends during the leave of absence because you do not elect USERRA at the expiration of USERRA and you are reemployed by your current Employer, coverage for you and your Dependents may be reinstated if you gave your Employer advance written or verbal notice of your military service leave, and the duration of all military leaves while you are employed with your current Employer does not exceed 5 years.

You and your Dependents will be subject to only the balance of a waiting period that was not yet satisfied before the leave began. However, if an Injury or Sickness occurs or is aggravated during the military leave, full Plan limitations will apply.

If your coverage under this plan terminates as a result of your eligibility for military medical and dental coverage and your order to active duty is canceled before your active duty service commences, these reinstatement rights will continue to apply.

Claim Determination Procedures under ERISA Procedures Regarding Medical Necessity Determinations

In general, health services and benefits must be Medically Necessary to be covered under the plan. The procedures for determining Medical Necessity vary, according to the type of service or benefit requested, and the type of health plan.

You or your authorized representative (typically, your health care professional) must request Medical Necessity determinations according to the procedures described below, in the Certificate, and in your provider's network participation documents as applicable.

When services or benefits are determined to be not covered, you or your representative will receive a written description of the adverse determination, and may appeal the determination. Appeal procedures are described in the Certificate, in your provider's network participation documents as applicable, and in the determination notices.

Postservice Determinations

When you or your representative requests a coverage determination or a claim payment determination after services have been rendered, Cigna will notify you or your representative of the determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control Cigna will notify you or your representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request.

If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed and you or your representative must provide the specified information to Cigna within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and the determination period will resume on the date you or your representative responds to the notice.

Notice of Adverse Determination

Every notice of an adverse benefit determination will be provided in writing or electronically, and will include all of the following that pertain to the determination: the specific reason or reasons for the adverse determination; reference to the specific plan provisions on which the determination is based; a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary; a description of the plan's review procedures and the time limits applicable, including a statement of a claimant's rights to bring a civil action under section 502(a) of ERISA following an adverse benefit determination on appeal, if applicable; upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your claim, and an explanation of the scientific or clinical judgment for a

determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit; and in the case of a claim involving urgent care, a description of the expedited review process applicable to such claim.

COBRA Continuation Rights Under Federal Law

For You and Your Dependents

What is COBRA Continuation Coverage?

Under federal law, you and/or your Dependents must be given the opportunity to continue health insurance when there is a "qualifying event" that would result in loss of coverage under the Plan. You and/or your Dependents will be permitted to continue the same coverage under which you or your Dependents were covered on the day before the qualifying event occurred, unless you move out of that plan's coverage area or the plan is no longer available. You and/or your Dependents cannot change coverage options until the next open enrollment period.

When is COBRA Continuation Available?

For you and your Dependents, COBRA continuation is available for up to 18 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your termination of employment for any reason, other than gross misconduct; or
- your reduction in work hours.

For your Dependents, COBRA continuation coverage is available for up to 36 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your death;
- your divorce or legal separation; or
- for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Who is Entitled to COBRA Continuation?

Only a "qualified beneficiary" (as defined by federal law) may elect to continue health insurance coverage. A qualified beneficiary may include the following individuals who were covered by the Plan on the day the qualifying event occurred:

you, your spouse, and your Dependent children. Each qualified beneficiary has their own right to elect or decline COBRA continuation coverage even if you decline or are not eligible for COBRA continuation.

The following individuals are not qualified beneficiaries for purposes of COBRA continuation: domestic partners, grandchildren (unless adopted by you), stepchildren (unless adopted by you). Although these individuals do not have an independent right to elect COBRA continuation coverage, if you elect COBRA continuation coverage for yourself, you may also cover your Dependents even if they are not considered qualified beneficiaries under COBRA. However, such individuals' coverage will terminate when your COBRA continuation coverage terminates. The sections titled "Secondary Qualifying Events" and "Medicare Extension For Your Dependents" are not applicable to these individuals.

Secondary Qualifying Events

If, as a result of your termination of employment or reduction in work hours, your Dependent(s) have elected COBRA continuation coverage and one or more Dependents experience another COBRA qualifying event, the affected Dependent(s) may elect to extend their COBRA continuation coverage for an additional 18 months (7 months if the secondary event occurs within the disability extension period) for a maximum of 36 months from the initial qualifying event. The second qualifying event must occur before the end of the initial 18 months of COBRA continuation coverage or within the disability extension period discussed below. Under no circumstances will COBRA continuation coverage be available for more than 36 months from the initial qualifying event. Secondary qualifying events are: your death; your divorce or legal separation; or, for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Disability Extension

If, after electing COBRA continuation coverage due to your termination of employment or reduction in work hours, you or one of your Dependents is determined by the Social Security Administration (SSA) to be totally disabled under Title II or XVI of the SSA, you and all of your Dependents who have elected COBRA continuation coverage may extend such continuation for an additional 11 months, for a maximum of 29 months from the initial qualifying event.

To qualify for the disability extension, all of the following requirements must be satisfied:

- SSA must determine that the disability occurred prior to or within 60 days after the disabled individual elected COBRA continuation coverage; and

- A copy of the written SSA determination must be provided to the Plan Administrator within 60 calendar days after the date the SSA determination is made AND before the end of the initial 18-month continuation period.

If the SSA later determines that the individual is no longer disabled, you must notify the Plan Administrator within 30 days after the date the final determination is made by SSA. The 11-month disability extension will terminate for all covered persons on the first day of the month that is more than 30 days after the date the SSA makes a final determination that the disabled individual is no longer disabled.

All causes for "Termination of COBRA Continuation" listed below will also apply to the period of disability extension.

Medicare Extension for Your Dependents

When the qualifying event is your termination of employment or reduction in work hours and you became enrolled in Medicare (Part A, Part B or both) within the 18 months before the qualifying event, COBRA continuation coverage for your Dependents will last for up to 36 months after the date you became enrolled in Medicare. Your COBRA continuation coverage will last for up to 18 months from the date of your termination of employment or reduction in work hours.

Termination of COBRA Continuation

COBRA continuation coverage will be terminated upon the occurrence of any of the following:

- the end of the COBRA continuation period of 18, 29 or 36 months, as applicable;
- failure to pay the required premium within 30 calendar days after the due date;
- cancellation of the Employer's policy with Cigna;
- after electing COBRA continuation coverage, a qualified beneficiary enrolls in Medicare (Part A, Part B, or both);
- after electing COBRA continuation coverage, a qualified beneficiary becomes covered under another group health plan, unless the qualified beneficiary has a condition for which the new plan limits or excludes coverage under a pre-existing condition provision. In such case coverage will continue until the earliest of: the end of the applicable maximum period; the date the pre-existing condition provision is no longer applicable; or the occurrence of an event described in one of the first three bullets above;
- any reason the Plan would terminate coverage of a participant or beneficiary who is not receiving continuation coverage (e.g., fraud).

Employer's Notification Requirements

Your Employer is required to provide you and/or your Dependents with the following notices:

- An initial notification of COBRA continuation rights must be provided within 90 days after your (or your spouse's) coverage under the Plan begins (or the Plan first becomes subject to COBRA continuation requirements, if later). If you and/or your Dependents experience a qualifying event before the end of that 90-day period, the initial notice must be provided within the time frame required for the COBRA continuation coverage election notice as explained below.
- A COBRA continuation coverage election notice must be provided to you and/or your Dependents within the following timeframes:
 - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the loss of coverage, 44 days after loss of coverage under the Plan;
 - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the occurrence of a qualifying event, 44 days after the qualifying event occurs; or
 - in the case of a multi-employer plan, no later than 14 days after the end of the period in which Employers must provide notice of a qualifying event to the Plan Administrator.

How to Elect COBRA Continuation Coverage

The COBRA coverage election notice will list the individuals who are eligible for COBRA continuation coverage and inform you of the applicable premium. The notice will also include instructions for electing COBRA continuation coverage. You must notify the Plan Administrator of your election no later than the due date stated on the COBRA election notice. If a written election notice is required, it must be post-marked no later than the due date stated on the COBRA election notice. If you do not make proper notification by the due date shown on the notice, you and your Dependents will lose the right to elect COBRA continuation coverage. If you reject COBRA continuation coverage before the due date, you may change your mind as long as you furnish a completed election form before the due date.

Each qualified beneficiary has an independent right to elect COBRA continuation coverage. Continuation coverage may be elected for only one, several, or for all Dependents who are

qualified beneficiaries. Parents may elect to continue coverage on behalf of their Dependent children. You or your spouse may elect continuation coverage on behalf of all the qualified beneficiaries. You are not required to elect COBRA continuation coverage in order for your Dependents to elect COBRA continuation.

How Much Does COBRA Continuation Coverage Cost?

Each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount may not exceed 102% of the cost to the group health plan (including both Employer and Employee contributions) for coverage of a similarly situated active Employee or family member. The premium during the 11-month disability extension may not exceed 150% of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated active Employee or family member.

For example: If the Employee alone elects COBRA continuation coverage, the Employee will be charged 102% (or 150%) of the active Employee premium. If the spouse or one Dependent child alone elects COBRA continuation coverage, they will be charged 102% (or 150%) of the active Employee premium. If more than one qualified beneficiary elects COBRA continuation coverage, they will be charged 102% (or 150%) of the applicable family premium.

When and How to Pay COBRA Premiums

First payment for COBRA continuation

If you elect COBRA continuation coverage, you do not have to send any payment with the election form. However, you must make your first payment no later than 45 calendar days after the date of your election. (This is the date the Election Notice is postmarked, if mailed.) If you do not make your first payment within that 45 days, you will lose all COBRA continuation rights under the Plan.

Subsequent payments

After you make your first payment for COBRA continuation coverage, you will be required to make subsequent payments of the required premium for each additional month of coverage. Payment is due on the first day of each month. If you make a payment on or before its due date, your coverage under the Plan will continue for that coverage period without any break.

Grace periods for subsequent payments

Although subsequent payments are due by the first day of the month, you will be given a grace period of 30 days after the first day of the coverage period to make each monthly payment. Your COBRA continuation coverage will be

provided for each coverage period as long as payment for that coverage period is made before the end of the grace period for that payment. However, if your payment is received after the due date, your coverage under the Plan may be suspended during this time. Any providers who contact the Plan to confirm coverage during this time may be informed that coverage has been suspended. If payment is received before the end of the grace period, your coverage will be reinstated back to the beginning of the coverage period. This means that any claim you submit for benefits while your coverage is suspended may be denied and may have to be resubmitted once your coverage is reinstated. If you fail to make a payment before the end of the grace period for that coverage period, you will lose all rights to COBRA continuation coverage under the Plan.

You Must Give Notice of Certain Qualifying Events

If you or your Dependent(s) experience one of the following qualifying events, you must notify the Plan Administrator within 60 calendar days after the later of the date the qualifying event occurs or the date coverage would cease as a result of the qualifying event:

- Your divorce or legal separation; or
- Your child ceases to qualify as a Dependent under the Plan.
- The occurrence of a secondary qualifying event as discussed under “Secondary Qualifying Events” above (this notice must be received prior to the end of the initial 18- or 29-month COBRA period).

(Also refer to the section titled “Disability Extension” for additional notice requirements.)

Notice must be made in writing and must include: the name of the Plan, name and address of the Employee covered under the Plan, name and address(es) of the qualified beneficiaries affected by the qualifying event; the qualifying event; the date the qualifying event occurred; and supporting documentation (e.g., divorce decree, birth certificate, disability determination, etc.).

Newly Acquired Dependents

If you acquire a new Dependent through marriage, birth, adoption or placement for adoption while your coverage is being continued, you may cover such Dependent under your COBRA continuation coverage. However, only your newborn or adopted Dependent child is a qualified beneficiary and may continue COBRA continuation coverage for the remainder of the coverage period following your early termination of COBRA coverage or due to a secondary qualifying event. COBRA coverage for your Dependent spouse and any

Dependent children who are not your children (e.g., stepchildren or grandchildren) will cease on the date your COBRA coverage ceases and they are not eligible for a secondary qualifying event.

COBRA Continuation for Retirees Following Employer’s Bankruptcy

If you are covered as a retiree, and a proceeding in bankruptcy is filed with respect to the Employer under Title 11 of the United States Code, you may be entitled to COBRA continuation coverage. If the bankruptcy results in a loss of coverage for you, your Dependents or your surviving spouse within one year before or after such proceeding, you and your covered Dependents will become COBRA qualified beneficiaries with respect to the bankruptcy. You will be entitled to COBRA continuation coverage until your death. Your surviving spouse and covered Dependent children will be entitled to COBRA continuation coverage for up to 36 months following your death. However, COBRA continuation coverage will cease upon the occurrence of any of the events listed under “Termination of COBRA Continuation” above.

Interaction With Other Continuation Benefits

You may be eligible for other continuation benefits under state law. Refer to the Termination section for any other continuation benefits.

Discretionary Authority

The Plan Administrator delegates to Cigna the discretionary authority to interpret and apply plan terms and to make factual determinations in connection with its review of claims under the plan. Such discretionary authority is intended to include, but not limited to, the determination of the eligibility of persons desiring to enroll in or claim benefits under the plan, the determination of whether a person is entitled to benefits under the plan, and the computation of any and all benefit payments. The Plan Administrator also delegates to Cigna the discretionary authority to perform a full and fair review, as required by ERISA, of each claim denial which has been appealed by the claimant or his duly authorized representative.

Plan Modification, Amendment and Termination

The Employer as Plan Sponsor reserves the right to, at any time, change or terminate benefits under the Plan, to change or terminate the eligibility of classes of employees to be covered by the Plan, to amend or eliminate any other plan term or condition, and to terminate the whole plan or any part of it. Termination of the Plan together with termination of the insurance policy(s) which funds the Plan benefits will have no adverse effect on any benefits to be paid under the policy(s) for any covered medical expenses incurred prior to the date that policy(s) terminates. Likewise, any extension of benefits under the policy(s) due to you or your Dependent's total disability which began prior to and has continued beyond the date the policy(s) terminates will not be affected by the Plan termination. Rights to purchase limited amounts of life and medical insurance to replace part of the benefits lost because the policy(s) terminated may arise under the terms of the policy(s). A subsequent Plan termination will not affect the extension of benefits and rights under the policy(s).

Your coverage under the Plan's insurance policy(s) will end on the earliest of the following dates:

- the date you leave Active Service (or later as explained in the Termination Section;)
- the date you are no longer in an eligible class;
- if the Plan is contributory, the date you cease to contribute;
- the date the policy(s) terminates.

See your Plan Administrator to determine if any extension of benefits or rights are available to you or your Dependents under this policy(s). No extension of benefits or rights will be available solely because the Plan terminates.

Statement of Rights

As a participant in the plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

- examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure room of the Employee Benefits Security Administration.
- obtain, upon written request to the Plan Administrator, copies of documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series)

and updated summary plan description. The administrator may make a reasonable charge for the copies.

- receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each person under the Plan with a copy of this summary financial report.

Continue Group Health Plan Coverage

- continue health care coverage for yourself, your spouse or Dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your Dependents may have to pay for such coverage. Review the documents governing the Plan on the rules governing your federal continuation coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA. If your claim for a welfare benefit is denied or ignored you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Enforce Your Rights

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of documents governing the plan or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court.

In addition, if you disagree with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal

fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
